Notes and Comments

From the Editor's Desk

Big Boys Getting Most Newsprint

Yes, there has been a real shortage of newsprint paper for a long, long time. As usual, there was discrimination. The Government used more paper than was necessary. The big dailies and magazines were the best customers and the easiest to supply. The small newspapers took the raps, and they are still getting the short-end of the deal.

Evidently less than 15 per cent of the total output of newsprint is sufficient to take care of all Family Dailies and Weeklies printed outside the metropolitan areas. United States Senator Capehart is an energetic champion of "ye small papers," and he holds an advantageous post on the Senate Small Business Committee, which has close connections with the U. S. Department of Commerce. Editors and publishers who feel an urge to push their rights, could help to do a useful job by telling their own Representatives and Senators that "now is the time to come to the aid of their party."

Good News

When the soldiers began coming home the demand went up from millions of people that every soldier must, somehow, own a home. If he wasn't married there must be a girl just around the corner waiting to fix up that deficiency. And, naturally, the public demand for nounces for everybody ballooned the prices of real estate. Now, the sales are slowing down in all parts of the country—and when those prices return to "normalcy" maybe the income of the average folks will be equal to the adventure of buying homes with part-down payments.

Call For W. W. II Vets

The arms of combat handled by World War II veterans have scarcely cooled before these fighting men and women are again summoned for action to protect their gains in American security.

The call this time is from National Commander Paul H. Griffith of The American Legion, an organization in which World War II veterans are vastly in the majority.

The weapons used in this new action, however, are the very pieces which the veterans fought and sacrified to maintain—those of free and untrammeled citizenship expression.

World War II veterans realize the positive necessity for an adequate national defense system. They can cite you reasons written in blood and death. They want the American security system to be civilian and non-militaristic. That is why they will go all out to support the American Plan of Universal Military Training.

From the young group of American war veterans will come a resounding response to Commander Griffith's appeal for grassroots assistance in the UMT campaign.

The American public can expect to hear these young veterans from the platforms of the nation, to see their expressions in the press, and to hear their voices on the radio.

These young veterans fresh from winning a blitz war that caught America unprepared will be pivotmen in the campaign for a civilian defense system. America will be remiss and negligent if she fails to draw from their tragic reservoir of recent experience.

The Campaign Against Fire

On May sixth to eighth, a conference will be held in Washington, D. C., which will be of direct and personal importance to every person in the country. It will be a national conference on fire prevention—and it has been called by President Truman to meet a grave emergency.

In attendance, there will be officials of the Federal government, the states, and municipalities, and representatives of business, the professions, and civic and service organizations of many kinds. It is hoped that the largest possible representation of interested parties will appear and that officials from every state will attend.

The conference will have several purposes. It will, first, create a wider recognition of the need for more adequate standards of building construction, and the firm and impartial enforcement of building codes and fire safety ordinances. Of equal importance, it is hoped that it will develop a vitally-needed sense of the personal responsibility that must be shared by every citizen if our terrible fire toll is to be reduced.

Loss of life and destruction of property by fire must come down.

Homemakers Advisory Council Will Meet April 29

The Boone County Advisory Council of homemakers will meet Tuesday, April 29th, at the Burlington courthouse. Mrs. Clyde Arnold, president of Boone homemakers plans to start the meeting at 1 p. m. in the grand jury room.

This is considered the most important council meeting of the year, according to Mary Hood Gillaspie, Home Demonstration Agent. Each local club has been discussing in April what they wanted to study during 1947-48. The county program will be planned from the selections made by local clubs. Mrs. Arnold will announce committees for the annual meeting.

Local club presidents, county officers and county committee chairmen plan to attend the council meeting. The state extension office will be represented by Miss Lulie Logan, assistant state leader of Home Demonstration Agents.

Farm Bureau Directors Meeting Held Thursday

The Boone County Farm Bureau directors held their regular monthly meeting on Thursday, April 17th at the County Agent's office.

Mr. Bruce Ryle was elected director from the Hamilton district to succeed Mr. J. C. Acree, who resigned.

It was voted to buy Farm Bureau stickers for automobile windshields Stickers may be obtained from Mr. John Crigler, secretary.

Joe Bette, of the State Farm Bureau, is being contacted in regard to coming to Boone County to explain the purpose and operation of the Committee for Kentucky.

Fruit Meeting Will Be Held April 30th

Fruit growers of Boone, Kenton, and Campbell counties will hold the first of their tri-county summer meetings on Wednesday, April 30th, according to Bill Davis, County Agent.

The first meeting will be held in Campbell County and all growers are urged to contact the County Agent for transportation if they desire to attend the meeting.

Four-H Enrollment

With only two clubs yet to be contacted the total enrollment in 4-H Club work in Boone County for 1947 totals 451, according to Irvin Overall, Assistant County Agent. Engaged in project work are 262 girls and 189 boys. This total is five more than the total for last year.

A 100 percent record of completions is the goal for 1947. Parents, leaders and friends are asked to cooperate in helping us realize this goal.

VFW Opens Baseball Season Sunday, April 27

TRAINING CLASS HELD AT HEBRON

FOR BOONE COUNTY HOMEMAKER LEADERS—TWENTY-TWO HEAR MISS VIVIAN CURNUTT SPECIALIST.

Slip covers were completed by leaders attending a homemakers' training class held at Hebron last week. Twenty-two home furnishing leaders attended the all-day class conducted by Miss Vivian Curnutt, home furnishings specialist, University of Kentucky.

Slip covers were made for large upholstered chairs, small upholstered chairs, ottomans made from boxes and a folding chair that had been padded and a padded nail keg. Materials used for the slip covers were small florals, large florals, stripes and solid colored materials. Leaders were well pleased with the fit of the slipcovers, according to Mary Hood Gillaspie, Home Demonstration Agent.

This lesson on the final fitting, use of closures and applying flounces and ruffles will be presented at local clubs in May.

Local Boys Do Well In Music Festival

Competing with the best musical talent in Northern Kentucky at the Music Festival held at Holmes High School on April 14th and 15th, the two Boone County entries gave very commendable performances. John Carver, Hebron, was rated "good" and H. R. Forkner, Burlington "excellent" in their respective fields.

Mr. Bloss stated that he was very well pleased with these ratings as it was the first time Boone County Band members have participated.

SIXTY-ONE ATTEND DISTRICT MEETING

HELD AT LEXINGTON SATURDAY, APRIL 19TH—WALTON LADY PRESIDES AT MEETING.

Sixty-one members of the homemakers' clubs in Boone County attended the Fourteenth Annual North Bluegrass District Federation of Homemakers in Lexington, Saturday, April 19th. This was the second highest attendance of any county in the district, according to Mary Frances Matheny, Assistant Home Demonstration Agent.

Mrs. Leo Flynn of Walton presided at the meeting, and in the morning she was the guest speaker on Miss Orinne Johnson's program over WHAS.

In the morning, reports were given by the district chairman and by the president of the Kentucky Federation of Homemakers, Mrs. W. E. Nichols. Mrs. Nichols is to be one of the delegates from Kentucky to attend the Associated Country Women of the World Convention to be held in Amsterdam, Holland, in September.

Mrs. Myrtle Labbitt, women's editor of station CKLW, Detroit, Michigan, was the guest speaker of the day. She said in her talk that homemaking could be a high adventure if one looked for the unusual things from day to day instead of seeing only the dull daily routines.

Mrs. Scott Worthington of Florence accompanied by Mrs. Ralph Stith also of Florence presented a violin solo in the afternoon.

Joseph Nuxoll

Requiem High Mass for Joseph Nuxoll, retired grocer and father of Harry Nuxoll, former Kenton County patrolman, was sung at 9 a. m. Friday at St. Henry Church, Erlanger, following prayers at 8:30 a. m. Burial was in St. Mary Cemetery.

MEMORY LANE

OFFICER
Remember when the corner policeman wore a helmet, blue uniform and a wide leather belt around his expanded waist? His dress may not have been so "snappy" as the present day officers wear, but just the same, he was the envy of every small boy in town. Remember?

BELLEVIEW

Judy Jones was Tuesday night guest of Janice Rhea Ligon.

Deepest sympathy is extended to the family in the death of Mrs. C. E. McNeely.

Mrs. Harry Ashcraft was called to Indiana Saturday due to the illness of her aunt, Mrs. Anna Smith.

Mr. and Mrs. Bert Loomis attended the funeral of Lee Huey, Friday afternoon.

Miss Louise McArthur returned home Thursday after being the guest of her aunt, Miss Alice Eggleston for several weeks.

Mrs. Marvin Ligon and daughter and Charlotte Ashcraft were calling on Mrs. Alpha Lee Rogers and son, Friday afternoon.

Miss Bonnie Dolph, of Covington was the week-end guest of her grandparents, Mr. and Mrs. Charles Dolph.

Mr. and Mrs. James Ransom were shopping in Cincinnati, Wednesday.

Mrs. Bertha Dickerson, of Nashville and Mrs. H. R. Hensley, of Ft. Thomas have been guests of Mr. and Mrs. R. S. Hensley.

Mrs. Lutie and Alice Aylor, of Florence were week-end guests of Mr. and Mrs. Franklin Clore.

Mr. and Mrs. Bert Loomis entertained guests, Sunday.

Mr. and Mrs. Garnett Dolph and family and Mr. and Mrs. Wm. See and son of Covington were Sunday guests of Mr. and Mrs. Charles Dolph.

Mr. and Mrs. Wm. Deck entertained with a family dinner, Sunday.

HAMILTON

The shower given at the home of Mrs Bettie Allen, Saturday night in honor of Mrs. Jeanette Edwards Smith was well attended and the bride received many beautiful gifts.

Kenneth Aylor had the cast removed from his leg Saturday at the hospital. It has been nine weeks since his leg was broken. Our best wishes for his speedy recovery.

Mr. and Mrs. Lewis and son moved last Monday to their home near Big Bone Baptist Church.

Mr. and Mrs. Lewis Ryle made a business trip to Cincinnati, last Thursday.

Mr. and Mrs. Ralph Sparks and family spent Sunday with Mr. and Mrs. Clem Readnour and family.

J. D. Moore was the guest of his sister, Mr. and Mrs. Lewis Ryle, on Sunday.

Mr. and Mrs. Omer Black were guests of their daughter, Mr. and Mrs. Wesley Aylor, Sunday.

Mrs. Roy Pitcher returned home Sunday after a visit with her daughter, Mrs. Fay Molique in Covington, since Thursday.

Anna Marie and Nelda Daniels, of Covington, returned home Sunday after spending several days with their grandmother, Mrs. Anna Smith and sons, Mrs. Arthur Bickers, of Ludlow accompanied them home to spend a few days.

Mr. and Mrs. Sherman Friend and son, of Union, enjoyed a trip to Hamilton to view the Ohio river.

Mrs. Harry Huff spent Friday and Saturday with Mr. and Mrs. George Huff and daughter in Indiana. Harry Huff, daughter and son spent Saturday with them.

Friends here extend sympathy to the loved ones of Lee Huey and Mrs. Ernest McNeely, who passed away last week.

COMBINE STORAGE AND WASH HOUSES

County Agent R. B. Rankin says Mr. and Mrs. O. W. Breeding of Adair county are enjoying a combined storage cellar and wash house constructed last year. The full height is made of concrete blocks, with the cellar partly under ground and floored with concrete. The wash house is on the second floor, a little above ground level, and is a comfortable, well-lighted place for laundry work.

MANY CROPS SERVE KENTUCKY FARMERS

Eighty-five of the main purchasing and marketing cooperative farmer organizations in Kentucky have a total membership of almost 100,000 farmers, according to information given out during the annual cooperative clinic and short course at the University of Kentucky College of Agriculture and Home Economics.

Then there are business and protective associations, REA, in-service cooperatives, such as sheep insurance, loan, artificial breeding and various other kinds, which greatly outnumber the large cooperatives. These probably number 1,200 with a membership totaling about 95,000.

The total value of business done by the marketing and purchasing cooperatives in 1946 is estimated about $40,000,000. The college says it is impossible to estimate accurately the value of the services rendered by the numerous service cooperatives.

It is estimated that the total number of cooperatives in Kentucky has changed little in the past ten years, but the membership has increased by more than 100 percent, and the dollar volumes of business has increased two and a half times.

Following are the numbers of marketing cooperatives and their membership; six livestock, 35,000; seven wool, 5,300; 15 fruit, 5,200; five vegetable, 1,000; five seed, 550; three eggs and poultry, 150; five milk, 5,300; nine tobacco 30,000; 30 general purchasing, 10,000.

Other business cooperatives: 35 sheep protective, 2,948; 25 insurance, 65,000; 109 loan, 14,000; 12 production credit, 6,000; 16 artificial breeding, 2,000; 1,000 miscellaneous small services, largely F. S. A., 5,000.

CHICKENS RECOMMENDED

For most farm families and for many town families who wish to keep chickens for eggs and for meat, the UK College of Agriculture and Home Economics suggests that at least 15 chickens be started this spring for each member of the family. This would provide at least five layers for next fall and winter, and also cockerels and some hens to eat. For both eggs and meat, such breeds as Barred Rocks, White Roeks, Rhode Island Reds or New Hampshires are recommended.

WATER-PAIL TABLE BECOMES VALUABLE

A walnut table, once used for holding the water bucket in the kitchen, now has an important place in the livingroom of the home of Mrs. Harrison Hurst of Anderson County. With the assistance of her husband Mrs. Hurst removed four coats of enamel before it was learned the table was walnut. To remove a stubborn ink stain, they used oxalic acid as Mrs. Hurst had been instructed in the Van Burean Homemakers Club. Then they straightened the top which had become badly warped. Mrs. Hurst told Home Agent Louise

Of 346 girls in Mason County enrolled in 4-H clubs, almost all of them are taking sewing projects.

Rototiller in Operation

The new Rototiller farm machine, produced by Graham-Paige Motors in the giant Willow Run plant, prepares soil for planting in a single operation, making unnecessary the three operations of plowing, disking and harrowing. The five-horsepower tillage unit, which churns and crumbles the soil to a depth of nine inches, has attachments which adapt it to a score of other farm tasks such as hoeing, seeding, mowing, snowplowing and other operations.

The Great Toe

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Do you know that the great toe supports the entire weight of the body for an instant, in the last act of walking?

The foot muscles acting upon the four lesser toes preserve the balance of the body by causing the toe to grip in the shoe, and in the last act of walking to give the final spring, or "take off." By their attachment the toes flex at their first (holongel) points and extend at their second and third joints, so that the ends of the toes are pressed upon and grip in standing so as to form powerful propelling levers as the body swings forward upon the toes.

Now, take off your shoes—and look at the bottom of your toes. In every case (there are few exceptions) you will see where the fleshy tissue on the bottom ends of the toes come to a point, from being forced tight together and in many cases the toes themselves lap over one another. This is positive evidence of ill fitted and ill shaped shoes. This continued distortion of toes in many cases leads to bunions, Hommar toes and other toe defects.

Lack of balance will cause you to walk incorrectly and create strain in other parts of the body, inducing fatigue, pain and more misery, NOT ONLY in the feet, but even in the back of the neck and headaches. Resolve right now to correct this condition.

It costs you nothing for a thorough analysis of your foot problems and difficulties. Remember you can be HAPPY with UN-HAPPY FEET.—Adv.

MAKES BEAUTY SPOT OF DUMPING GROUND

A one-time dumping ground and weed-lot in the center of the Smithfield Community, Henry county, is being made a spot of beauty by the Smithfield Homemakers Club, their plans being to set a marker there as a memorial to the boys in that community who served in World War II, said Mrs. A. M. Robinson, chairman of the committee sponsoring the undertaking.

The club started its project in the fall of 1946, when permission and assistance were obtained from the railway and highway department to improve the plot between those two lines of transportation. Shrubs for planting, recommended by Prof. N. R. Elliott of the UK College of Agriculture and Home Economics, were contributed by homemakers, or were purchased by funds donated by cooperative business firms.

CONSTANCE 4-H GIRLS MEET

The Constance Corncracker 4-H Club girls met at Mrs. Thomas Kenyon's and Mrs. Earl Morehead's the past week and received instructions in sewing. Some of the girls have completed their projects.

Due to the late spring and rainy weather, the boys have not started their garden projects.

Ruby Sprague, Reporter.

COLLEGE REPORTS ON 4-H CLUB WORK

Kentucky 4-H clubs had a total enrollment of 73,008 farm boys and girls last year, according to a report of the College of Agriculture and Home Economics at the University of Kentucky at Lexington.

Club work was conducted in every county in the state, with an average county enrollment of 608. A total of 101,310 projects were carried during the year, with 77,952 completed.

Other figures issued by the college: Number of 4-H clubs, 2,081; number of men leaders, 1,732; number of women leaders, 3,694; number of older boys and girls serving as junior leaders, 1,336, and total number of volunteer leaders, 6,762.

A total of 4,150 club members grew corn, mostly hybrid. Highest yield was 163 bushels on an acre.

Number of club members raising poultry, 8,849. Number of birds produced, 375,042.

A total of 2,708 club members raised beef calves, and 1,395 calves were sent to the state show and sale at Louisville. District shows and sales were held at Flemingsburg, Maysville, Catlettsburg and Fulton.

District dairy cattle shows were held at Campbellsville, Mayfield and Lexington, where 334 animals were exhibited.

Other facts about 4-H club work: 23,578 girls learned about sewing in the 4-H clothing project; 12,096 club members were engaged in the canning project, and 6,975 girls learned how to prepare and serve

COMMITTEES SUGGEST LESS CROPPING, MORE GRASS AND LIVESTOCK

A trend toward less cultivated crops and more grass, hay and livestock was found by H. H. Thompson of the University of Kentucky College of Agriculture and Home Economics, in a study which he made of reports of county planning committees.

Committees in more than half of Kentucky counties surveyed postwar conditions and suggested program which they thought would improve farm incomes, and at the same time conserve the soil.

Many committees recommended that corn, tobacco and other crops be confined to land that would produce high yields, and other land sowed to grass or hay crops, after being limed and phosphated.

The following Carlisle county report was cited as typical of farm trends in many counties:

"Carlisle county farmers now produce approximately 22,000 acres of corn, 1,200 acres of tobacco, 2,000 acres of commercial vegetables, 300 acres of cotton and 1,000 acres of home gardens. This acreage of cultivated crops could be reduced 40 percent if better seeds, commercial fertilizer, contour cultivation and land selection were used. This would allow 10,000 cultivated acres to be put in pasture, along with 8,000 acres of idle crop land. This program would reduce the amount of labor and machinery needed, improve the land, increase farm income and reduce seeding cost.

"As hay and pastures continue to improve, a corresponding increase in grazing livestock, especially beef cattle and sheep, may be expected."

SPRAYS ORCHARD WITH HOMEMADE EQUIPMENT

T. F. Young of Whitley cunty got tired of doing a half-way job of spraying his 140 fruit trees with a hand sprayer. As a result, at a cost of $30, he made a power sprayer which Farm Agent J. D. Kidwell says really does the job. This is the way he tells it:

"Taking a 42-gallon water pressure tank, the kind that is used with a jet pump water system; an engine-air pump which fits into the sparkplug hole of his tractor engine, and some pieces of metal rod, Young made a power sprayer that he can carry on his tractor. The tractor engine furnishes the pressure for the tank, which is carried on the tractor by means of the metal rods fited to the tractor frame."

4-H YOUTH TO GROW SPUDS FOR FAMILIES

More than 300 4-H club boys and girls in Casey county are making plans for their families to have plenty of potatoes next winter. Through the cooperation of the county 4-H club council, each member enrolled in the project was supplied with a gallon of certified Irish Cobbler seed, or a total of more than 2,500 pounds. At harvest time in the fall, two gallons of spuds will be returned by the grower to the council. To get the 4-H'ers off to a good start in the county-wide program, Farm Agent George D. Noble discussed the treating and cutting of seed potatoes and their planting and cultivation at 19 points in the county.

TREES BRING MONEY

One hundred and ten trees grown on 15 acres of bottom woodland on the Sam Gold farm in Marshall county were sold on the stump for $1,275. Robert H. Rider, county forestry assistant, estimated the trees would make 75,000 board feet.

FLORENCE HOMEMAKERS

The Florence Homemakers met at the home of Mrs. John Schram on Friday, April 18, with quite a number of ladies in attendance. A covered dish luncheon was served at the noon hour after which the lesson and demonstration of the making of slip covers was given by Mrs. Esther Gering, assisted by Mrs. Francis Luchte and Mrs. Jane Stevens. Much valuable information can be gained by the lessons given at these meetings.

GRANT TRUE BLUE HOUSEKEEPING UNIT

Our meeting was called to order by our leader Charolette Ashcraft. Our secretary called the roll with ten members answering. Lesta Purdy gave our lesson bedmaking. We elected Sheryl Rector to give our next lesson on "Lifting Tlings the Easier Way."

Then we counted the hours we worked in the month of April and they were as follows: Vera Dean Scott, 15 hours; Lesta Purdy, 12 ours; Mary Presser, 20 hours; Nellie Purdy 20 hours; Della Lainhart, 14 hours; Rosetta Adams, 8 hours; Susie Boles, 14 hours; Sheryl Rector, 25 hours; June Boles, 14 hours; Hazel Cook, 15 hours.

The meeting was then adjourned.

Nellie Jo Purdy, Reporter.

GUNPOWDER HOMEMAKERS

Slip covers is still the very interesting topic of the Gunpowder Homemakers. The second lesson was given by Mrs. Virgil Kelly and Mrs. Gladys Shull.

Our April meeting was held at the home of our president, Mrs. Grace Robinson.

Due to illness in our community the crowd attending the hobby fair was light. We wish to take this opportunity to thank Mrs. Omer Black, who helped with the fair the first day.

We had two new members and one visitor who met with us.

Miss Gillaspie and Miss Matheny came in the afternoon and told of the different meeting dates to remember.

The next meeting to be held on May 21 at the home of Mrs. B. M. Stevens.

Everyone interested in Slip Covers please come.

Ruth Kelly, Reporter.

BURLINGTON HOMEMAKERS

The Burlington Homemakers will meet at the home of Mrs. M. M. Lucas, May 1st. Every member is urged to be present, also friends and neighbors always welcome. The lesson for the day will be "Finishing Slip Covers."

DR. BENJAMIN FINE'S FINDINGS

Dr. Benjamin Fine wrote a series of twelve articles in the New York Times between February 10 and 21, 1947 on the crisis in American public school education. These have now been reprinted in a pamphlet which all school men should have. Send 10 cents to the New York Times for a copy. The finds in the survey are summarized by states and for the nation. For the nation these 20 statements are made.

1. Three hundred and fifty thousand teachers have left the American public schools since 1940.

2. One hundred and twenty-five thousand teachers, or one out of every seven in the profession, are serving on an emergency or substandard certificate.

3. Seventy thousand teaching positions are unfilled because of the inability of communities to get necessary teachers.

4. Sixty thousand teachers in the United States have a high school education or less.

5. Twenty per cent of all teachers, or 175,000, are new to their jobs each year—twice the turnover that existed before the war.

6. Classroom teachers get an average of $37 a week today. Two hundred thousand get less than $25 weekly.

7. Fewer students are entering the teaching profession than in the past. Twenty-two per cent of all college students attended teachers' colleges in 1920; today 7 per cent attend.

8. Veterans do not want to prepare to teach. Only 20,000 of the 1,000,000 veterans in American colleges and universities are in teachers' colleges.

9. Six thousands schools will be closed because of lack of teachers; 75,000 children will have no schooling during the year.

10. Two million children will receive an inferior education this year because of the inadequate teacher supply.

12. Only 50 percent of the teachers employed in 1940-41 are still teaching today.

13. The average teacher in the United States today has had one year less education than she had in 1939.

14. Fifty thousand men have left the teaching profession since 1940, and are not coming back. Only 15 per cent of all elementary and high school teachers are men.

15. Twelve major school strikes have taken place since September—and many more are being threatened.

16. The morale of the teachers has dropped to a new low.

17. Fifty-six per cent of the teachers of this country do not have tenure protection.

18. The United States spends 1.5 per cent of its national income for its schools. Great Britain spends an estimated 3 per cent; the Soviet Union spends 7.5 per cent.

19. Appalling educational inequalities exist throughout the nation. Top schools spend $6,000 per classroom unit, bottom ones spend $100. The national average is $1,800.

20. School buildings are in a deplorable state all over the nation. Nearly five billion dollars will be needed to bring the educational plants into good condition.

Fine's figures for Kentucky are as follows:

Teaching positions 1946-7, 18,125; unfilled positions, 960; New teachers, 1946-7, 9,063 or 50%; Pupils suffer lack of teachers, 5000; pupils suffer from sub-standard teachers, 150,000; schools closed 1946-7, 240; children who will have no schooling, 2500; children to be transported, 2500; teachers in 1940-1 still employed in 1946-7, 7975 or 44%; Sub-standard Teachers, 1946-7, 5,000 or 27.6%; teacher preparation, 1946-7; less than college, 1341 or 7.4%; one year college, 2592 or 14.3 percent; two years college, 4821 or 26.6%; three years college, 1323 or 7.3%; four years college, 6362 or 35.1%; more than four years college, 1686 or 9.3%; weekly salaries, all teachers, $25.27; estimated amount needed to provide adequate buildings, $20,000,000.

VERONA

Billy Mac Waller and Mrs. Will Waller have had the mumps. Mrs. Waller has been quite ill.

The sympathy of our community goes to Mr. and Mrs. Gilbert Brewster, who had the misfortune of losing their home by fire.

Mrs. Willia Carpenter and grandson Wendell Cooper were the guests of the Robert Porter family on Friday.

Mr. and Mrs. James Pennington and Mr. and Mrs. Walter Klug were in Cincinnati and Covington, shopping Monday.

Deepest sympathy is extended the family of Mrs. Ollie Readnour no passed away early Tuesday morning.

Mr. and Mrs. Leon Hall and family were week-end guests of Mr. and Mrs Jas. Mesmer and family.

FLORENCE X-L ALL 4-H CLUB

Three meetings have been held at the Florence 4-H Club this year. At the first meeting the election of officers was held and the results were as follows: President, Robert Henneman; vice president, Albert Lee Martin, secretary and treasurer, Billy Schmidt; cheerleader, Billy Maddox.

The club is getting along fine and has 1,135 points on the score sheet.

Billy Schmidt, Reporter.

W. J. Mullican of Daviess county is seeding 20 acres in a mixture of ladino clover with orchard grass to develop a permanent pasture.

DAIRY HERD PAYS

Dairy herd improvement association records show that a 40-cow herd owned by Browning Gorrell of Logan county returned $3.10 for every dollar spent for feed, according to County Agent John Watlington. The average production per cow was 8,064 pounds of milk. The feed cost of producing 100 pounds of milk was $1.51.

Eleven homemakers in Oldham county planned kitchen improvements in February to be carried out this spring.

RECIPE OF THE WEEK

There's nothing like a tossed green salad to tempt the appetite on a spring day. Such a dish may be made of a variety of foods, as vegetables, fruits, meats, eggs or fish, but an unfailing rule is that all the ingredients must be cold. Vary the greens, too, using spinach or watercress, gathered from a running stream, as well as lettuce, suggests food specialists at the UK College of Agriculture and Home Economics. The dressing may be one of many good commercial ones, or one made at home.

Spring Salad

Two cups chopped lettuce, 2 cups chopped spinach, 12 radishes, 1 cup chopped asparagus or carrots, 1 cup chopped celery, 3 green onions, cream salad dressing.

Combine the asparagus, celery and sliced radishes. Chop lettuce and spinach and add other vegetables. Add the salad dressing, and over the top place lengthwise shreds of onion.

Cream Salad Dresing: To ½ cup cream add 1 tablespoon sugar, ½ teaspoon salt and ½ teaspoon pepper, 1 tablespoon vinegar slowly, beating constantly. Add 3 tablespoons vinegar and celery seed.

Menu: Fried smoked ham, scalloped potatoes, harvard beets, spring salad, bran muffins, butter and cherry cobler.

Water plays an important part in egg production. An egg is approximately 65% water. Every 24 hours, 100 laying hens will require about 10 gallons of water. They will drink more when the water temperature is right and the water is easily accessible.

The Jamesway 8 gallon waterer for laying hens is available with a lamp heated base and stand or may be used as range waterer without base or stand.

Jamesway offers a poultry waterer for every need in a variety of sizes.

922,200 TREES SET IN FIVE COUNTIES

A total of 922,200 trees were set in the 1946-47 season in reforestation work in the Tenenssee Valley Authority area of Kentucky, according to John W. Lehman, district forester for the TVA.

The trees were set in counties as follows: Calloway, 545,300; Marshall, 261,300; Graves, 63,000; McCracken, and Livingston, 15,900.

County agents and the TVA are cooperating in the reforestation program.

NO HOT, SLEEPLESS NIGHTS FOR ME THIS SUMMER!

I'M INSTALLING

Attic Ventilation NOW!

SUMMER-LONG cool comfort can be yours, too, if you install attic ventilation *now*.

An attic fan draws in refreshing outside air through the windows... circulates gentle, cooling breezes throughout the house... blows hot, stale air out through attic vents. It provides a constant, stimulating air movement that makes your entire home as cool as a breeze-swept open porch.

By ordering your attic fan now, you can arrange for installation before hot weather arrives in earnest. It's forehandedness that will pay off in cooler days and cooler nights for you and every member of your family.

Stored-up attic heat keeps your house uncomfortably warm long after the sun goes down. Diagram shows how an attic fan expels this accumulated heat and replaces it with cooling breezes.

CARD OF THANKS

We desire to express our sincere appreciation for the many kindnesses shown us during the illness and death of our wife and mother,

Etna McNeely

Especially do we wish to thank Dr. E. J. Love for his untiring service; Rev. W. M. Smith for his consoling words; the donors of the beautiful floral pieces; Chambers and Grubbs for the efficient manner in which the funeral arrangements were conducted, and everyone who contributed in any way to lessen our burden in our bereavement.

Your many kindnesses will never be forgotten.

C. E. McNeely and Family

CARD OF THANKS

I wish to take this opportunity to thank my neighbors and friends for their assistance in helping me during the recent loss of my barn by fire.

I especially wish to thank the Hebron Fire Department for their services. Your kindness will always be appreciated. 1t-c

ALL-DAY SERVICES WELL ATTENDED

AT BURLINGTON BAPTIST SUNDAY—TWO HUNDRED FORTY-FIVE MEMBERS ANSWER ROLL CALL.

Approximately 375 persons attended home coming services at the Burlington Baptist Church on last Sunday, it was announced Monday morning.

All-day services opened at 10:00 a. m. with Sunday School with 216 present. Immediately following these services roll call was made, with 233 answering present. At the noon hour an old fashion basket dinner was served the large number in the basement of the church.

A feature of the day was an hour of organ music from 2:00 to 3:00 p. m., with Pat Gillick, noted organist playing request numbers handed by members of the audience. This hour was highly enjoyed by all present.

Immediately following a love offering was taken to be used toward paying for the new organ, with a total of more than five hundred dollars being dropped in the collection plates. Dedicatory prayer was offered by Rev. A. C. Colvin, pastor of Southside Baptist Church, Covington.

Many visitors were present for the services and reported an enjoyable day.

At the evening service Rev. Johnson brought the message, his subject being "The Indispenable Virtue."

Constance Youth Receives Doctor's Degree At Columbia

Allen S. Kenyon, son of Mr. and Mrs. Thomas Kenyon, of Constance, received his doctor's degree in industrial chemistry last week at Columbia University, New York.

Young Kenyon received his B. S. and M. S. from the University of Kentucky. During World War II he served four years with the chemical division of the Army Air Forces as a major at Wright Field, Dayton, O.

Mr. Kenyon has accepted a position with the Monticello Chemical Co., Dayton.

Mr. and Mrs. Daniel Noble are the proud parents of a 10 pound baby girl, born April 20. The little one has been named Wanda Lee.

SPECIALIST GIVES RECOMMENDATION

AT MEETING OF TOMATO GROWERS HELD APRIL 24—DISCUSSES PROPER METHODS OF CONTROLLING BLIGHT.

Mr. John S. Gardner, specialist from the college, met with tomato growers on Thursday, April 24 to discuss early and late blight of tomatoes and make recommendations for the control of the disease, according to Bill Davis, County Agent.

Sprayings with cuprocide (or any other fixed copped) or with 4-4-50 bordeaux (4 pounds bluestone, 4 pounds fresh air slake lime, in 50 gallons of water) will control this disease if applied according to the following schedule:

On the earliest tomatoes spray in the plant bed one or two days before setting. In ten days spray again and in two weeks apply a third spray. These three sprays are enough for early tomatoes unless the nights are cool enough to make the average day and night temperature close to 60 degrees. If this condition exists apply a fourth spray in two weeks.

For late setting spray within 20 days after the first blossom buds form or at the first sign of bloom. Apply a second spray in two weeks. If the nights are cool and damp apply a third spray in two weeks. Pay particular attention to the underside of the leaves. By that time the weather should be warm and dry enough to check the late blight.

Dust may be used but 40-50 pounds per acre must be applied to be effective. A 5 percent cuprocide dust, ready-mixed, is used following the same schedule as for spraying.

To make the cuprocide spray mix 4 level teaspoons of cuprocide in 2½ gallons of water.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

Homemakers' Celebration

Three and a half million rural homemakers throughout the 48 states, Alaska, Hawaii and Puerto Rico will celebrate the second National Home Demonstration Week, May 4-11, with fairs, festivals, exhibits, tours, teas and other "at homes" to show how family and community living had progressed in the 30 years since home demonstration work first began in this country. The air of this week-long, Nationwide open-house is to interest all rural families in this voluntary education program in scientific homemaking which is planned and carried on by local women and the cooperative extension service of the U. S. Department of Agriculture and the state colleges. The theme of the week is "Today's Home Builds Tomorrow's World."

Extension work for women was organized in Boone in the spring of 1936. At the present time Boone has 397 active homemakers, according to Mrs. Joe Hogen, county membership chairman.

BOOTH DRIVE TO GET UNDER WAY

MAY 5TH WITH QUOTA OF $43,700—BOONE COUNTY'S GOAL IS $2000—DR. RILEY AND DAN ROBERTS, CHAIRMEN.

Boone County will aid again this year in the intensive fun-raising drive to be launched by The William Booth Memorial Hospital, Covington, May 5. The hospital's quota is $43,700, which amount is needed to cover its regular budget and to meet its immediate needs.

Divided into two sections, Boone County will have a goal of $2000.

Dr. George Riley, Hebron, will be chairman of the North Section, which comprises Florence, Burlington, Hebron, Petersburg, Constance, Belleview and Bullittsville. Its quota will be $1000.

Dan Roberts, Walton, will be chairman of the South Section which is made up of Walton, Union, Beaver, Richwood, Hamilton and Verona. The quota for this section is also $1000.

Both Dr. Riley and Mr. Roberts are assigning chairmen and quotas for the various divisions in their respective sections, this week.

All Boone County solicitors have been invited by Henderson G. Hightower, general chairman of the campaign, to attend the kick-off dinner to be held at the Masonic Temple, Covington, Monday night, May 5, at 6:30 p. m.

Mr. Hightower, in emphasizing the need for the hospital to reach its quota, pointed out as the institution's "Immediate Needs," an operating table and equipment, which will cost $4000, auto replacement, $1000; dietary equipment, $700; accounting machine, $3275; refurnishing replacements, $500; and the Salvation Army Corps Welfare and Group Work, $5,000.

Mr. Roberts and Dr. Riley in urging volunteer solicitors to lend their full support to the drive, emphasized the tremendous scope of the hospital's program.

In harmony with the Salvation Army's creed, no patient is ever turned away from Booth Hospital because of lack of funds, and no case refused because they are poor, they pointed out. Booth does not extend free service indiscriminately, but it certainly gives to those who are worthy.

Those who support this drive are in every sense of the word "Ambassadors of Mercy." As you give, so the hospital serves.

The following is a list of precinct chairmen:

Florence—Clifton Roberts.
Burlington—Miss Elizabeth Lowry.
Belleview—Mrs. Harry Ashcraft.
Petersburg—Mrs. Raymond Witham.
Bullittsville—Mrs. Chas. Engle.
Hebron—Jerry Fowler.
Constance—Mrs. Hanna Rodamer.

Florence Couple Observe Sixtieth Anniversary

Mr. and Mrs. J. T. Stephenson, of Florence, passed another milestone along the pathway of their married life last Saturday, April 26, when they celebrated their 60th anniversary.

They attended church services on Sunday morning, and when they returned they found a long table loaded with delicious food which had been prepaged by their daughters. This was a surprise to them as they were not anticipating a celebration due to illness of a relative in Illinois. Mr. and Mrs. Stephenson are parents of a family of eight children.

A special feature of the dinner was the two-tiered wedding cake, which was beautifully decorated with flowers and a miniature bride and groom.

Guests included Clayton Brown and family, Dave Wingate and family, Sidney Ambrose and wife, and Donald Brown and wife.

We join in wishing Mr. and Mrs. Stephenson many more happy years together.

Hopeful Church Votes To Accept Budget Program In Future

At a call congregational meeting the Hopeful Lutheran congregation voted to accept a budget and program which lead them to self-sustaining church body in the future. For many years they have been joint in program with the Hebron Lutheran Church, and have maintained an indopendent basis as a parish on an alternating basis of worship services. It hoped that at this time the two churches have grown sufficiently strong to operate individually.

In order to determine their ability the Hopeful congregation will officially inaugurate the program the first Sunday in May. Worship services will be held every Sunday this year as a trial to see where they stand. In order to do this the Seminary-Hamma Divinity School of Wittenberg College, Springfield, Ohio, will supply a man to conduct the services on the first and third Sunday and the pastor will continue to serve in his regular capacity.

The congregation will work under the newly accepted program until fall. At this time the Joint Council of the parish will discuss the situation, and make recommendations in the light of decisions, pending on the progress to that time.

Florence Girl Delegate To Relations Conference

Miss Marybelle Alexander, Florence, was a delegate to the International Relations Conference, Hiram, Ohio, last week. She is a freshmen at Kentucky Wesleyan College, Winchester, Ky.

J. M. Smith, of Covington spent Saturday with Mr. and Mrs. J. G. Smith.

Go-To-Sunday-School-Day To Be Observed Next Sunday

"Kentucky has blazed the way for the rest of the country along many lines—civil, political and religious. History will show, however, that she never did a thing more far-reaching in its effect upon our nation than the introduction of Go-To-Sunday-School-Day."

The speaker was referring to the Go-To-Sunday-School-Day movement which is sponsored annually by the Kentucky Sunday School Association. It was inaugurated in 1914 by the late Dr. George A. Joplin, at that time General Secretary of the Association. Within a few years 26 states and some areas in Canada were observing a Go-To-Sunday-School Day.

This year, Sunday, May 4, is Go-To-Sunday-School Day in Kentucky. For some weeks Sunday schools of all denominations over the state have been engaged in a general promotional program looking to increased attendance and enrollment on May 4th. Prospects are good for successful achievement. Fred T. Fowler, Field Secretary of the Kentucky Sunday School Association, states that less than 24 percent of the population of Kentucky is enrolled in any Sunday school.

You and every other citizen or visitor in Kentucky are invited and urged to attend the Sunday school and church of your choice on May 4th. Let's make it a red-letter day in the community.

LOCAL VFW NINE SCORES SHUTOUT

OVER LUDLOW VFW SUNDAY—BOONE COUNTY STARS TRIM RANK AND FILE NINE BY 4 TO 3. COUNT.

Boone County's VFW nine chalked up a shutout over the Ludlow VFW team Sunday in the initial game of the season. The final score was Boone County 3, Ludlow 0.

Al Reibling, on the hill for the Boone County Vets gave up seven hits and fanned the same number. Reibling hurled for the Marts Cards in the Buckeye League last season. Jack Derman was on the mound for Ludlow allowing eight hits and striking out four.

"Pip" Clore was the offensive star of the game with two hits and driving two runs across the plate.

The locals will be hosts to the Silver Grove Vets, Sunday, May 4 at 3:00 p. m. If weather this week permits the vets to work the ground, the game will be played at Florence. If not, it will be played at Belleview. There will absolutely be a game at one of the two parks, and fans are invited to come out and see some good baseball.

Boone All-Stars Win

The Boone County All-Stars eked out a close 4-3 victory over the Rank and File team at the Petersburg grounds. Deek was on the hill for the winners, striking out 17, afid allowing eight hits. Jack Corbin the losing pitcher fanned 11 and was tagged for 11 hits.

BURLINGTON ROAD HOMEMAKERS

The Burlington Road Homemakers met with Mrs. Arthur Ammon on April 10th for their second lesson on Slip Covers. Mrs. Paul Ammon and Mrs. Leonard Meece brought the lesson to the club. The entire group learned from our leaders that anyone can sew.

Our wants and needs for next year were discussed at the meeting. The three questions were:

1. What does your community need?
2. What do you need?
3. What do you want?

Each member handed in to Miss Gillaspie some suggestions.

A covered dish luncheon was served at noon.

At the conclusion some very attractive handmade hats were on display. The Easter parade didn't have a thing on some of these hats. Thanks to the Homemakers of Florence and the Vee Powells Basic Hat Patterns.

Nine members of the Burlington Road Homemakers Club attended the North Bluegrass District meeting at Lexington. Mrs. Val B. Dolwick and Mrs. Arthur Ammon drove their cars taking the following with them: Mrs. Joe Dringenburg, Mrs. John Kyle, Mrs. Leonard Meece, Mrs. Chas. Brock, Mrs. J. D. Northcutt, Mrs. Paul Ammon and Mrs. Leo Lawson.

Fifteen farmers in Livingston county have ordered 1,000 pounds of certified Ky. 31 fescue grass seed.

IN MEMORY

Of our dads, Sam Barnes, who passed away May 20, 1944 and Foster Hensley who passed away May 7, 1945:

They would not want the ones they loved
To grieve for them today;
We must not say that they are dead,
For they are just away.
Away upon a journey to a land
That's bright and fair;
And though we all still miss them
We know they're happy there.
And memories of them will bring
New comfort every day
As we recall, they are not dead
For they are just away.

—Sadly missed by their son and daughter, Amaul and Mary (Barnes) Hensley. 1t-pd

PROPERTY FOR SALE

SOLD!

Ray Carnahan's 40-acre farm on East Bend Road with buildings sold to Mr. and Mrs. Ernest C. Ruppert of Erlanger, Ky. Also 15 acres of the same farm sold to Mr. Hart, of Covington.

R. D. Rolland's 7-room, all modern home in Walton, Ky., on North Main Street sold to Ray Carnahan of Burlington, Ky.

Calvin Sturgeon's 4-room house in Verona, Ky., sold to Albert Crowe, of Newport, Ky.

Edward Fornash's 3-apartment building of 913 Saratoga Street Newport, Ky., sold to Mr. and Mrs. H. Weintraub of Newport, Ky.

Kelly Lightner's 5-room house with 1½ acres of land of Independence on Far Hill Drive sold to Mr. and Mrs. Robert Farney, of Latonia, Ky.

FARMS FOR SALE

160 ACRES—2 miles from Walton on State Highway; 7-room semi-modern house, all newly decorated; nice dairy barn, milk house, good tobacco barn, double garage, corn crib and all other kinds of outbuildings, all new with concrete floors. Plenty of timber, 10 acres of new alfalfa; well watered and fenced; land lays level to rolling; has been in one family for over 150 years; owner is quitting farming on account of health. Will sell all livestock and tools with farm or sell separately. THIS IS ONE OF BOONE COUNTY'S BEST.

179 ACRES—Near Crittenden, Ky.; 9-room house, two baths, full basement, furnace, strictly modern in every respect. This is one of the finest homes you ever looked at. One 4-room tenant house, extra good. Big combination dairy, feed and tobacco barn, milking parlor, milk house, brooder house, large chicken house, garage; good woven wire fence, fenced in ten fields, plenty of water; two lakes and 5 cisterns; land has been well taken care of; base 4 acres. IF YOU WANT A GOOD FARM, here's one of the best. Would rather sell all livestock, tools and farming equipment and household furniture, but will sell farm separately. 65 head of cattle, 20 head of good dairy cows, will freshen soon, saddle mare, saddle pony, tractor and all equipment, two trucks, one new International, and all kinds of tools, all milking equipment.

110 ACRES—Near Williamstown on U. S. 25; 8-room all modern house, 4 barns, other outbuildings; 12 acres of alfalfa, all clean and in grass and well fenced and well watered; base 4 acres. Has enough pasture for 50 head of cattle. I have had a lot of calls to trade city property for farms so here's your chance, this man will either sell or trade for city property. Farm will carry good loan. Will also sell livestock and all farming equipment.

12 ACRES—Near Florence, Ky., on Route 42; 6-room house, barn fixed for dairy, corn crib, 2 chicken houses, 1300 feet frontage on 42; base 1 acre.

108 ACRES—Located in Grant County; 6-room house, wired for electric; combination barn, plenty other outbuildings; 7 acres of alfalfa; 2.2 base. Will trade for small farm as much as 25 acres.

Also have some nice acreage for building sites.

HOUSES FOR SALE

CRITTENDEN, KY.—Nice six-room house with bath, semi-modern, with 3 porches, coal house and garage. This is an extra good house, has large center hall, can be used for two families. Has approximately one acre of ground with it. Should pass G. I. Loan. Price $6400.00.

VERONA, KY.—4-room house, garage and smoke house, nice lawn and garden. Price $3400. $1000.00 down will probably buy it.

WALTON, KY.—Located on Main Street; 10 rooms, all modern, hardwood floors thruout, city water, garage, chicken house, big lot. Would make an ideal tourist home. Price $10,500.00.

DRY RIDGE, KY.—7-room all modern house, hardwood floors thruout, city water, lot 70x227, garage and chicken house. This is a new house and a real nice place. Price $9500.00.

MASON, KY.—3-room house, smoke house, coal house, 1 acre of land. Located on U. S. 25. Price $3500.00. Will trade for farm in Grant County, or sell separately.

ATTEND GRANT CELEBRATION

Mr. and Mrs. J. W. Grant and Mr. and Mrs. Cad Sullivan, of Burlington attended the 125th anniversary celebration of Gen. Ulyssis Grant, held at Ft. Pleasant, Ohio, Sunday, April 27th.

A grandson, Ulyssis Grant III, a general during World War II, now retired was present. Other well knowns present included ex-governor Cooper and ex-mayor James Stewart, of Cincinnati.

Mr. Grant stated that a large crowd was present for the celebration, with a highly interesting and enjoyable occasion.

Ed Maurer, of Louisville was the guest of his sister, Mrs. J. G. Smith and Mr. Smith, Sunday.

SAND RUN BROTHERHOOD

Sand Run Baptist Brotherhood will meet Friday night, May 2 at 8 p. m. at the church. Rev. Don Gambrel, of Erlanger Baptist Church will be the guest speaker of the evening. A good program is planned.

Mr. Frank Judy, president urges all men to be present and bring a visitor. All young men past the age of 16 are also urged to attend this meeting. The Men's Brotherhood has made wonderful progress for the development of Christian living among the families of the church.

Mr. and Mrs. Ben Stephens and family moved last week to the East Bend neighborhood.

OVERDRAFTS

When you give a check for more money than you have in the bank, it is known as an "Overdraft."

If the bank pays the check it is necessary for the bank to appropriate funds from other sources to cover the amount. Therefore it is necessary for the customer to cover the overdraft promptly. Overdrafts are objectionable and in many cases checks are returned unpaid where a customer persists in overdrawing his account. Always keep your account fully covered and avoid the embarrassment of having your checks returned unpaid.

REWORK FURNITURE AFTER HOTEL FIRE

Varnished furniture, turned white as a result of the water used in putting out a fire in the Cadiz Hotel some weeks ago, is being refinished by methods Trigg county homemakers have found satisfactory. Miss Eleanor Whittinghill, home agent, recommended alternate applications of ammonia with that of equal amounts of turpentine and linseed oil, the latter mixture being put on with fine steel wool. The treatment will give a satin-smooth finish, Miss Whittinghill said, and should be followed by light applications of wax.

CARD OF THANKS

We desire to express our sincere appreciation for the many kindnesses shown us during the death of our baby. Especially do we wish to thank Dr. S. B. Nunnelley for his untiring service; Father Joe from Ludlow for his consoling words; the beautiful floral piece from Mr. and Mrs. Frank Hood and daughter and Mr. Catherman for the efficient manner in which the funeral arrangements were conducted, and everyone who contributed in any way to lessen our burden in our bereavement. Your many kindnesses will never be forgotten. 1t-c.

Mr. and Mrs. Wm. Spada.

ESTABLISHED 1875

VOLUME 71 — BURLINGTON, KENTUCKY, THURSDAY, MAY 8, 1947 — NUMBER 68

BODY IS FOUND IN OHIO RIVER

IDENTIFIED AS LAWRENCE SLOAN, OF CINCINNATI—WAS REPORTED MISSING MARCH 14TH.

The body of Lawrence Sloan, Dixie Hotel, Cincinnati, was found lodged in bushes in the Ohio River Friday afternoon by French Casey, member of the crew of the O. W. Shearer, according to Wendell Easton, Deputy Sheriff of Boone County.

Deputy Easton stated that Sloan had been reported missing March 14th. He was a former employee of the Greenline Co.

After discovery of the body the Sheriff's office was notified and Deputy Easton and Magistrate Edgar Graves went to the scene. Mr. Graves gave a report of accidental drowning.

Besides a social security card and other papers which helped to identify the body, more than $900 was found pinned in the pockets of the dead man's clothes.

The body was removed to the Catherman funeral home, Ludlow for preparation and burial.

Mrs. Vermilda Snyder

Funeral services for Mrs. Vermilda Snyder, 76, who died Tuesday after a short illness at her home, 83 Shelby Street, Florence will be held today, (Thursday) at 2:30 p. m. at Hopeful Lutheran Church. Burial will be in Hopeful Cemetery.

She is survived by her husband, Robert F. Snyder; one son, William Snyder, Union, Ky.; two daughters, Mrs. Charles Burris, Burlington and Mrs. A. O. Robbins, Florence; two brothers, Ben and Mose Rouse, both of Florence, and seven grandchildren and six great-grandchildren.

Ralph Stith, Florence funeral director is in charge of funeral arrangements.

Jacob Reitman

Jacob Reitman, 81 retired farmer passed away Saturday at St. Elizabeth Hospital, Covington. He made his home at Bullittsville and had lived in this county for the past 70 years.

He is survived by his wife, Mary; two brothers, Will, of Franvisville, and Joseph of Delhi, Ohio.

Funeral services were held Tuesday at 2:30 p. m. at Sand Run Baptist Church, with burial in the Sand Run Cemetery.

Ralph Stith, Florence funeral director was in charge of arrangements.

MOTHER'S DAY PROGRAM

There will be a special Mother's Day program given by the children May 11 at the Constance Christian Church.

APPROACH RADAR UNIT UNDERWAY

FOR NEW AIRPORT—IS EXPECTED TO BE INSTALLED AND IN OPERATION BEFORE NEXT WINTER.

Construction work on a ground-controlled radar unit, which will enable commercial transport planes to maintain 98 per cent schedule effectiveness in all weather conditions, is expected to be completed and in operation at the new airport near Hebron before next winter.

Installation of the new equipment would enable pilots to maintain 98 per cent schedule efficiency at the new field, according the district traffic manager for American Airlines.

The radar would augment the instrument landing system now in use, raising the efficiency percentage of 90 per cent on American's system-wide operations.

Appropriations have been approved by the House Appropriations committee to install the new blind-landing system at 20 airports throughout the country.

PLAY TO BE GIVEN AT CRESENT SPRINGS BY FLORENCE P.-T. A.

The play, "Readymade Family" sponsored by the Florence P.-T. A. will be given at the Crescent Springs auditorium Tuesday evening, May 13th at 8:00 p. m.

F. H. Rouse Enjoys Brief Visit To Texas

F. H. Rouse, Burlington returned from Texas, after enjoying a few days with W. I. Rouse at San Antonio. Mr. Rouse had intended to spend ten days there, but was called home due to the death of Tom Rouse, of Pleasant Ridge, O. He was accompanied home by Mr. W. I. Rouse and niece, Mrs. B. F. Yates, who attended services for the deceased. Mr. F. H. Rouse stated he enjoyed the plane trip very much.

Miss Annie Hey

Funeral services for Miss Annie Hey, 89, of Ludlow, were held at 2:30 p. m. Monday. Burial was in the Hebron Cemetery.

Miss Hey died Saturday at the home of a niece, Mrs. J. Blaine Robinson of 614 Linden street, Ludlow. She is survived by two other nieces and a nephew.

The Catherman funeral home, Ludlow, was in charge of arrangements.

Burlington Lodge Practice Work Set

Practice work in the E. A. degree will be held Thursday night, May 8 by the degree team of Burlington Lodge No. 384 F. & A. M., it was announced this week. All members are urged to attend. Practice will follow immediately after closing of lodge.

ALLOWANCE FOR 1947 IS $58,170

IN AGRICULTURAL CONSERVATION PROGRAM—ALLOWANCE FOR STATE IS $7,351,000.00, ACCORDING TO DIRECTOR.

The Farm Practice Allowance in the 1947 Agricultural Conservation Program is $58,170.00, according to John E. Crigler, Secretary. This is practically the same amount as the 1946 allowance which was more than earned by A. C. Cooperators, as they carried out soil-building practices amounting to $77,500.88. All of this amount will be paid under the 1946 program, as it was determined that there was sufficient amount of money appropriated last year to take care of all soil building practices even though they were in excess of the individual farm allowance.

The farm practice allowance for Kentucky is $7,451,000.00, according to M. D. Royse, State Director. As in past years these funds will be used to repay a part of farmers costs for approved conservation practices on their farms during the year or to furnish certain materials such as limestone and phosphate used in carrying out these practices.

Soil building practices approved for the A. C. Program for 1947 include spreading ground limestone, applying phosphate to eligible grasses and legumes, seeding winter cover crops, turning under green manure crops, seeding mixed grass and clover, constructing stockwater dams and ponds, planting row crops on the contour, terracing, diversion ditches, and the mowing of pastures for weed control during July and August.

A farm practice allowance is established on each farm based on the cropland and non-crop pasture in the farm. Specifications for each approved practice and maximum rates of payment for 1947 have already been determined.

The 1947 farm plans are now being signed up at the county office and persons who wish to sign a farm plan in the 1947 program are urged to do so by May 17, 1947 Three hundred sixteen farm plans have already been signed at recently held community meetings and at the county office. There are 1394 eligible farms listed in Boone County.

Limestone may be ordered similar to last year on a grant of aid basis or bought commercially and used, and a credit of $2.15 per ton will be received for it. Farmers are urged to place their order for limestone, even though delivery is not wanted until Fall.

Phosphate still remains scarce and no grant of aid phosphate is available at present, but if any can be secured through local dealers it is advisable to buy it and use it on grass and clover crops and payment of .96 per 100 pounds can be received.

COUNTY FLOWER SHOW PLANNED

FOR MAY 9TH AT FLORENCE TOWN HALL—ANY RESIDENT OF BOONE COUNTY MAY ENTER EXHIBITS.

The Boone County homemakers Garden Club will sponsor a flower show at the Florence Town Hall Friday, May 9th. Entries will be made from 11 a. m. to 1 p. m., while the judging will be done from 1 to 2 p. m. The public is cordially invited to view the exhibits from 2:00 to 4:00 p. m.

Any resident of Boone County may enter exhibits, according to Mrs. George Morith, president of the Garden Club. She is particularly interested that those who purchased tulips last fall in the wholesale order bring exhibits.

Following are the general rules covering the exhibits:

1. All amateur flower growers in Boone County are invited and urged to exhibit.

2. All flowers for competition must have been grown by the exhibitor.

3. Exhibits must be entered between 11 and 1 o'clock of the morning of the show.

4. Doors will be close between 1 and 2 o'clock for judging.

5. On arrival at the show the exhibitor must report to the Registration Committee. Entries will be classified under numbers obtained from this committee.

6. An exhibitor may enter flowers in as many classes as he desires, but only one entry in each class.

7. No entry can be entered in more than one class.

8. If only one entry is made in any class no award will be made unless the entry actually merits an award.

9. Each exhibitor will bring his own container and be responsible for it after the show. The committee cannot be responsible for personal property. The standard container for specimens will be a quart milk bottle.

VFW WILL MEET

Members of the Boone County VFW will meet at St. Paul auditorium, Florence, Monday, May 12 at 8:30 p. m. All members are urged to attend.

May Fishing Permissible In Lock And Dam Rivers And Several Lakes

The current Game and Fish Laws prohibit fishing above the last lock and dam upstream of navigable streams as well as in all water of non-navigable streams. All private waters are open, but Wallace reminded anglers that they must have licenses to fish at any time in any stream, lake, pond or other waters, private or otherwise.

To further clarify the picture for pole and line fishermen, Mr. Wallace of the Division of Game and Fish, made the following observations concerning fishing during May:

Kentucky, Herrington, Dale Hollow and Carpenter Lakes are open, as are the lakes in three State parks—Pennyrile in Christian County, Audubon Memorial near Henderson, and Butler Memorial, near Carrollton.

Due to numerous inquiries concerning Herrington, it was explained that fishing is permissible in all of the lake proper and in Dix River up to the Danville-Lancaster Bridge. However, fishing is prohibited in Dix River below Dix Dam.

Fish And Game Will Meet Thursday, May 15th

The Boone County Fish and Game Club will hold its regular monthly meeting at the club house, Thursday night, May 15th at 8:00, according to Wendell Easton, president.

Plans are being made for entertainment, and all members are urged to attend. Refreshments will be served promptly at 8:00 p. m.

4-H Council To Meet

The 4-H Utopia Club Council will meet on Tuesday, May 13 at 2:00 p. m. at the County Agent's office.

Bids on materials for the new building at the fair grounds will be opened. The program committee will submit their plans for the two-day fair for discussion and approval by the council.

All members are urged to attend.

Mr. and Mrs. Tom Neal, of Ft. Mitchell were calling on friends in Burlington Saturday evening.

4-H SPRING RALLY SATURDAY, MAY 10

ELEVEN COMMUNITY CLUBS WILL MEET SATURDAY, MAY 10TH AT BURLINGTON HIGH SCHOOL.

Eleven community 4-H Clubs of Boone County will meet next Saturday, May 10th at the Burlington school for their annual Spring Rally.

Each community will have the opportunity to gain points for their local club through attendance and participation in county events. Fifty points may be gained by each club member, leader, and parent of club members attending Spring Rally. Other points may be gained by demonstration team representing community in county contest, 300 points; individual demonstration, 150 points; and each member of the club taking part in county judging contests, 100 points.

The morning program starting at 10 a. m. will include registration, group singing, discussion of county and state events by extension agents. Contests to be held in the morning are foods, clothing, and poultry judging, seed identification contests, demonstration teams for girls under 13, and individual Home Economics demonstrations.

A picnic lunch will be held at noon, 4-H members and parents are asked to bring sandwiches, cookies and fruit; while leaders are asked to bring sweetened fruit juice.

Features of the afternoon program are demonstration contests in Agriculture and Home Economics for boys and girls 13 and over, dairy judging and clothing style revue.

Presentation of ribbons will be made at 2:58 p. m., according to the county extension office.

County school buses will transport 4-H members from local schools to Burlington.

BELLEVIEW WINS OVER PETERSBURG

IN ONLY LEAGUE GAME PLAYED IN COUNTY—COMPLETE SCHEDULE SET UP FOR CURRENT SEASON.

In a see-saw game in which the lead changed several times, Belleview defeated Petersburg in a well played game on the winner's ground Saturday. Gene Jones went all the way for Belleview, with Scott doing the receiving.

The writer did not learn just who worked for Petersburg, but was the game was a thriller all the way. We would like to have a report on these games each week, so that the fans in Boone County know just how it was won or lost.

Local Ladies Attend Hospital Drive Banquet

Mrs. Alberta Green, Mrs. Everett Jones, Mrs. Ryle and Miss Elizabeth Lowry attended the Booth Hospital Drive banquet, held in Covington, Monday night. All Boone County workers were invited. Interesting talks and a good movie of the work of the Salvation Army were enjoyed by those present.

The drive for funds runs from May 5th to 10th. All workers are asked where possible to get reports in by the tenth.

FIRST TO DROP PRICES

According to front-page news items in the daily newspapers, Quality Sample Shoes, 628 Madison Avenue, was the first Covington concern to tell the public that "wanting to cooperate, we are now further reducing every shoe in our store from 10 to 20 percent," which was the statement of the store's management recently.

This action is in keeping with the national trend of announcing price reductions in compliance to President Truman's request.

ADVISORY COUNCIL MEETS

The Boone County Advisory Council of Homemakers Clubs met last Tuesday at the courthouse, with Mrs. Clyde Arnold presiding.

Committee reports were given and plans for next year's work were made.

Miss Mary Hood Gillaspie, Home Agent gave a report and Miss Mary Frances Matheny, Assistant H. D. A. reported. Miss Lulu Logan was present.

Mr. and Mrs. Walter Price and daughters Jean and Nancy of Carthage and Mr. and Mrs. R. B. Worford, of North College Hill visited with their parents, Mr. and Mrs. Wm. Werfford, Sunday.

Mrs. Addie Scott spent last week with Mrs. Dena Chapman, of Covington.

Local VFW Team Defeats Silver Grove

Boone County VFW's defeated Silver Grove Vets Sunday in a close contest by a score of 8-6.

Riebling hurled for the locals, with Mathis on the hill for the losers. The winners collected 13 hits with Silver Grove getting 9.

The hitting for the winners was done by C. Benson with 3, Sox Benson, A. Clore, Pecno and Reibling each with two.

The Northern Kentucky Merchants will visit the Boone VFW nine, Sunday at Belleview, 3:00 p. m.

Sammy Huey Reported Improved At Booth

MINSTRELS OF '47 TO BE HELD MAY 10

AT BURLINGTON HIGH SCHOOL —PLANS ARE FOR BEST SHOW EVER TO BE GIVEN, ACCORDING TO REPORTS.

Although everything is all set for what promises to be a really nice minstrel show when Dean Bloss presents the Golden Moon Minstrels Saturday evening, May 10th, there is some mystery connected with the show. The mystery is just what Mr. Ralph Maurer as interlocutor and Leroy Abbott, Raymond Maddox, Leland Walton and Estel Ryle as end-men have up their sleeves. No one seems to know, nor can they find out just what these five have cooked up.

The show will begin promptly at 8 p. m. at Burlington school and promises to be the best performance by Boone County band members given yet. All members participate and some really fine specialty numbers are included.

The program follows:

"Forward Florida," "Gypsy Festival Overture," "Country Gardens," "Billboard March," Minstrel Band.

"Dixie," entire company.

"Prelude in C Minor" John Carver.

"Old Kentucky Home," entire company.

"Mammy's Little Coal Black Rose," Morton Oliver.

"Long Long Ago," Hazel Lee McWethy.

"Missouri Waltz," "Wyoming," Vera Dean Scott and Howard Dean Bloss.

"Stars and Stripes Forever," Minstrel Band.

"Ciribiribin," "Sue City Sue," Gayle and Janice Diersing.

"Old Black Joe" entire company.

Specialty Number, 3rd Grade.

"Willow Echoes," Holly Forkner.

Gay 90's Skit, Phyllis North, Jim Campbell, Jack Campbell.

"Camptown Races," grand finale by entire company.

Everyone connected with the show has extended every effort to bring a really fine show to Boone County. Come, see the minstrel, bring your friends. You'll be glad you did.

MARKET OUTLOOK DISCUSSED HERE

BY L. A. VENNES, MARKETING SPECIALIST AT MEETING HELD MONDAY—MARKET TO REMAIN STRONG.

L. A. Vennes, marketing specialist from the College, met with the Boone County wool growers Monday, May 5th to discuss the market outlook for wool and lambs, according to Bill Davis, County Agent.

Domestic wool in storage is greater than last year's clip, but due to a strengthening foreign wool price, is beginning to move to the spinners. Indications are that by the time the 1947 clip is sold much of the surplus wool will be sold and the 1947 clip should not fall much below the 1946 clip in price. This year's clip is expected to be lighter than last year's due to a decrease in sheep population in the United States.

The lamb market is expected to remain strong until the fall of 1947. The market is again becoming sensitive due to the high price and heavy lambs (110-120 lbs). will probably receive somewhat less than top prices. This would indicate that feeding lambs to weights over 100 lbs. will not be as profitable as in past years.

Blue Mold Control Given By Co. Agent

Blue mold has caused considerable plant bed damage for the past two years and may hit beds again this year, according to Bill Davis, County Agent.

The best method of combating this disease is to prevent its getting a start in the bed. The disease cannot be cured after it is established in the plant bed.

Fermate applied according to the following directions is very effective in controlling blue mold.

Apply as a spray twice a week and after every rain when the plants are the size of a dollar in old beds; and when blue mold is just reported in the area for new beds. To make the spray mix 3 level tablespoons of fermate to 1 gallon of water or ½ lb. Fermate in 25 gallons of water. Apply 4-9 gallons of spray to 100 feet of beds 9 feet wide or 75 feet of bed 12 feet wide. Remove the cotton before spraying.

If dusting is preferred mix 1 lb. of fermate in 5½ lbs. of talc or 15 lbs. of fermate in 100 lbs. of talc. (Fresh fuller's earth or pyrophyllite may be used in place of talc.) Apply directly through the cotton.

WAYNE FARMERS MAKE RECORD TOBACCO CROPS

Kentucky burley tobacco growers this season can shoot at two 1946 records reported by County Agent E. R. Russell in Wayne county.

Joe Thomas of Eadsville community grew 4,984 pounds of tobacco on 1.3 acres, or 3,833.8 pounds an acre; and Harrison Matthews of Murl community grew 6,436 pounds on 1.9 acres, or 3,387.4 pounds an acre.

The Thomas crop sold for an average of $38 a hundred and the Matthews crop for an average of 51. Matthews thus received $3,282.36 for his 1.9-acre crop, or $1,727.55 an acre.

Taking over a farm where tobacco produced only 800 pounds to the acre, Thomas sowed vetch and used liberal amounts of fertilizer and farm manure. Then he set strong, healthy Ky. No. 16 root-rot resistant burley plants.

The tobacco was primed three times, beginning the first week in July. All leaves were taken off to the two top suckers, which were let grow and then harvested. Suckers produced 1,280 pounds which sold for $35.15 a hundred.

Mr. Matthews' story goes back to 1941 when he was producing only 1,200 pounds of leaf to the acre. For last year's big yield he plowed under rye and vetch and used a ton of fertilizer and 265 pounds of nitrate to the acre.

His wife and three daughters helped prime the crop three times, saving 1,988 pounds which sold for an average of 54 cents a pound. The high six baskets sold for an average of 59 cents, tips brought 16 cents, and the crop of 6,436 pounds averaged 51 cents.

OVERDRAFTS

When you give a check for more money than you have in the bank, it is known as an "Overdraft."

If the bank pays the check it is necessary for the bank to appropriate funds from other sources to cover the amount. Therefore it is necessary for the customer to cover the overdraft promptly. Overdrafts are objectionable and in many cases checks are returned unpaid where a customer persists in overdrawing his account. Always keep your account fully covered and avoid the embarrassment of having your checks returned unpaid.

COUNTY NURSE RECEIVES LETTER FROM BOWLING GREEN T. B. ASSOCIATION

The following letter was received by Miss Elizabeth Lowry from the Bowling Green-Warren County Tuberculosis Association:

"Miss Elisabeth C. Lowry, R. N.
"Boone County Red Cross Nurse
"Burlington, Kentucky

"Dear Miss Lowry:

"Your patient Anna Dell Webster went away on January 14, 5 a. m. We have been so happy to have had these two sisters in our sanitorium. They have meant much to our county people. So many people have seen them and loved them that they are constantly missed by the friends that visit the hospital. When we were placing the body of Anna Dell away in Fairview Cemetery, a Catholic friend was standing close by and remarked, what is different about this funeral, I have been to many burials but this is different. This was the general impression of those that attended both Sarah and Anna Dell's funerals. These girls did something for us. We hope we made them comfortable and live longer than they would have, had they not come our way. They often asked the various ministers to pray for them when visiting the patients. Sarah joined the Episcopalian faith several weeks before she died. Dell preferred some other faith. A baptist and Salvation Army chaplain interested her very much. She died on Tuesday morning and was buried on Wednesday afternoon at 4 p. m. We used the same First Presbyterian minister, Dr. Fred P. Turner, for the service as we did for Sarah. He read or rather quoted the 23rd Psalm, and many other familiar scriptures. He prayed three prayers, and they were beautiful. I wish so much that her mother and other members of her family could have heard them. Any mother would have been proud to have said, this is my daughter, she was so pretty and looked so sweet. Mrs. Clark Mansion sang two lovely songs, 'No Night There,' and 'Goodnight and Goodmorning.' Mrs. Wade Eakin played 'Going Home' and 'Rock of Ages.' The pallbears were members of the Association Board and Sanitorium Trustees. There were five cars of friends that attended the services at the cemetery. As you can see from the enclosed pictures there were some beautiful flowers.

"The two girls are placed side by side in the Fairview City Cemetery and we have small stones for their graves with their names and dates, as a permanent record.

"The flowers on the foot of the casket were given by other patients and members of the Staff at the sanatorium. The card marked friend was from Mr. Fred Nahm, 823 State St., City. The corsage on the dress was from Rosa Brosche. The other names are on the cards enclose in the back of 'Lest We Forget.'

"Your County has done a wonderful thing for this family to keep these girls in the sanatorium when it must have been a hardship to spend so much for so long. However, you probably have saved more by spending enough to isolate these active cases. Your county is richer, and fewer exposures have been made possible, by their having come to us.

"If you have other hopeful cases and wish to have us do what we can for them, we shall be happy to have you bring them to Warren County. We like Dr. Custer very much and think he is doing a great work for our community."

RECIPE OF THE WEEK

Nothing less than a prize-winning recipe should be used for that long-planned-for cake, now that sugar allowances are greater. The following recipe was that used by Miss Marna Perry, Oldham county 4-H club girl, whose cake won the first prize at the 1946 Kentucky State Fair.

Angel Food Cake

1 cup cake flour, 1½ cups sifted sugar, 1¼ cups egg whites at room temperature, one-fourth teaspoon salt, 1¼ teaspoon cream of tartar, 1 teaspoon vanilla.

Sift flour once, measure; add ½ cupful sugar and sift four times. Beat egg whites and salt with a wire whisk. When foamy, add cream of tartar and continue beating until stiff, but not dry. Add remaining sugar, 2 tablespoonfuls at a time, until blended. Fold in flavoring. Sift in flour, a fourth cupful at a time. Turn into ungreased angel-food pan and bake at 325 degrees for one hour. Remove from oven and invert pan until cake is cold.

To make chocolate angel food, substitute 2 tablespoonfuls of cocoa for 3 tablespoonfuls of flour.

Menu: Smothered chicken, parsley potatoes, buttered broccoli, tomato aspic on lettuce, rolls, butter, angel food cake and apricot whip.

12 EWES; 23 LAMBS

Walter Ray Hood, who looks after the flocks for his father, J. C. Hood of Adair county, is raising 23 lambs from 12 ewes, including one set of triplets. When County Agent R. B. Rankin recently visited the flock, he saw well-developed and uniform lambs that should be ready for an early market. They were being fed cracked corn and lespedeza hay and had the run of good winter oats pasture.

SEVERAL DRAW HEAVY FINES

IN JUDGE CROPPER'S COURT MONDAY—DAYTON MAN HELD OVER FOR GRAND JURY INVESTIGATION.

Fines amounting to $267.50 were levied against five persons Monday in Judge C. L. Cropper's court, with one Dayton, Ohio man held in Burlington jail after being unable to post a $500.00 bond.

Alva Whitton, Dayton, Ohio, was arrested Friday night on U. S. 25 for operating a motor vehicle while under the influence of intoxicating liquor. He was fined $104.50.

Thomas Stamper was likewise arrested on a drunken driving charge and fined $104.50. He was accompanied by his wife and Ernest Tipton and wife, who were all charged with being drunk in a public place and disturbing the peace. Each of them were fined $19.50. All four gave their address as Dayton, Ohio.

Samuel Jesse Gurkin, Dayton, Ohio, was arrested Sunday by State Patrolman Robert Gordon on charges of carrying a concealed weapon. He pleaded guilty to the charge and admitted he was carrying a P-38 revolver at the time of his arrest. His bond was set at $500.00 and being unable to post the bond he is being held in Burlington jail for grand jury action.

Six persons were arrested for law violations over the week-end, and all six gave their home address as Dayton, Ohio.

Spring in Kentucky must have a very bad effect on persons from Dayton, Ohio.

John A. Turner

John A. Turner, 625 Orchard St., Elsmere, a retired carpenter, died Saturday at his home, after a brief illness. Mr. Turner was 81 years old. He had been a resident of Elsmere for 24 years.

He is survived by his widow, Mrs. Mary Smith Turner; two daughters, Mrs. Stella Mitts, Covington, and Mrs. Sherman Fornash, Elsmere, and three sons, Smith Turner, Elwood, Ind.; Ernest Turner, Battle Creek, Mich., and Clarence Turner, Covington.

Funeral services were held at 2 p. m. Monday at the Taliaferro funeral home Erlanger, with burial in Forest Lawn Memorial Park, Erlanger.

Members of the Boone County Fish and Game Protective Association are reminded that the club meeting is tonight (Thursday). The evening meal will be served promptly at 8:00, according to the refreshment committee.

An entertaining program is being planned.

Seniors Will Present Play At Burlington

The senior class of the Burlington high school will present a three-act comedy entitled "Hilarity House" at the Burlington high school, Friday, May 16, at 8:00 p. m., it was announced this week by the director Edwin Walton.

The public is cordially invited to attend this entertainment.

REGISTRATION OF VOTERS NECESSARY

TO INSURE PRIVILEGE OF VOTING IN AUGUST PRIMARY, ACCORDING TO C. D. BENSON, COUNTY CLERK.

In order to vote in the August primary, August 2, 1947, it is necessary to be registered in the precinct in which the voter resides, according to C. D. Benson, County Clerk. June 3rd is the deadline for registration and all voters are urged to come to the County Clerk's office on or before this date.

Kentucky will elect a Governor in November and August is the time when we vote our choice for the man to carry us through at our regular election.

Boone County will also elect a County Attorney to fill out the unexpired term of office caused by the death of Chas. W. Riley.

Voters who have failed to register or have changed precincts since last registering are urged to register on or before June 3rd.

Minstrel Attracts Large Crowd Saturday

The Minstrels of '47, given by the Boone County School Band was a huge success from every angle, according to reports of many attending the entertainment Saturday evening at the Burlington high school.

A record crowd, estimated at 500 persons attended the performance, made up of citizens from all sections of the county.

It is expected that the show will be given at other schools in the county in the near future.

Health Training Class Planned

A Homemaker leaders training class on health will be held Friday, May 23rd. Plans are made to hold the class in the courthouse at Burlington 10:30 a. m. to 3 p. m., according to Mary Hood Gillaspie, Home Demonstration Agent. Each homemakers club will send two leaders to the class.

WARNING ISSUED WEED GROWERS

AGAINST OVERPLANTING FARM ACREAGE ALLOTMENT THIS YEAR—PRICE SUPPORT LOANS IMPORTANT.

W. M. Smith, chairman of the Boone County Agricultural Conservation Committee today cautioned all tobacco growers against overplanting their farm average allotment this year.

"Growers who harvest any acreage of tobacco in 1947 in excess of their farm acreage allotments are subject to marketing quota penalties and will not be eligible for full participation in Government price support loans," Mr. Smith stated.

"Growers who plant within their farm acreage allotments can market all their tobacco without penalties and are eligible for full Government price support loans," Mr. Smith added.

In connection with price support loans, Mr. Smith emphasized that any acreage harvested in excess of the farm acreage allotments will make all the tobacco produced within the alloted acreage on the farm ineligible for any price support loans. "This year there will be no acreage tolerance of the less of three-tenths acre or 5 per cent of the allotment. Any acreages harvested in excess of farm allotments, however small, will disqualify growers for full loan privileges and subject them to marketing quota penalties."

Mr. Smith also stressed that eligibility for Government price support loans on tobacco is becoming increasingly important to tobacco growers now that domestic supplies of tobacco are adequate and the future level of exports uncertain.

WALTON, VETS, AND ALL-STARS WIN

IN NORTHERN KENTUCKY SEMI-PRO GAMES SUNDAY—VETERANS MAINTAIN UNDEFEATED STATUS IN CLOSE GAME.

The Boone County Veterans, Walton and Boone County All-Stars chalked up victories in Sunday games in the Northern Kentucky Semipro Baseball League.

The Boone County Vets retained their undefeated status by defeating the Northern Kentucky Merchants 6-5 in a 12 inning game at Belleview. Dutch Reibling hurled seven innings for the winners and was relieved by Judd who gained victory. The pair gave up 15 hits Hisle hurled for the losers and struck out eight, allowing 11 hits.

The Boone County VFW all play the Kenton County Merchants on Sunday, May 18th at Florence if the grounds are in shape at that time. Otherwise, the game will be played at Belleview.

The Walton Merchants won a 4-3 decision over Rank and File at Walton in a closely contested game. Breeden and Steffen hurled for the winners while Brown pitched for losers.

The Boone County All-Stars remained in the undefeated column by trouncing the Covington Vets, 17-7, at Petersburg. Deck, for the winners, allowed ten hits, while fanning 10. Wilcoxsin and Green hurled for the losers and allowed 10 hits. Green was charged with the loss.

FORMER BOONE COUNTIAN KILLED

IN PLANE CRASH AT RISING SUN, IND., SUNDAY—PLANE HAD REACHED ALTITUDE OF 100 FEET THEN NOSED OVER.

Herbert "Jack" Craig, 34, of Rising Sun, a former resident of the East Bend neighborhood was killed Sunday in a plane crash near the Rising Sun; Airport. Mrs. Mary Jane Craig 31, wife of Dr. Harold R. Craig suffered third-degree burns over her entire body, and her husband, who pulled her from the wreckage suffered burns on his hands and arms.

The plane, taking off, reached an altitude of about 100 feet, then unexpectedly nosed down to the ground and burst into flames. Dr. Craig rushed to the plane and dragged his wife to safety.

Rescuers were unable to reach the body of Herbert Craig, who was pinned in the pilots seat, due to the intense heat and flames.

Mr. Craig and his brother Dr. Craig, are natives of Boone County we were informed Monday morning.

Mr. Craig is survived by his widow, Mrs. Evelyn C. Craig; a daughter, Jacqueline Sue; his mother and stepfather, Mr. and Mrs. John Dugle, Rising Sun; and two other brothers, Roy Craig, Louisville and McConnell Craig, Rising Sun.

Mrs. Dona Marksberry

Funeral services were held Wednesday afternoon for Mrs. Dona Marksberry, Burlington, who departed this life Monday night at her home on the Anna Gaines farm near Burlington. Services were conducted at the Oak Ridge Baptist Church with burial in Lipscolm Cemetery.

She is survived by her husband, Medley Marksberry; two sons, Robert and Corbin; one sister Anna Joe Fowell, Knoxville; three brothers, George, James and Wm. Brooks all of Powell County, Ky.

Chambers and Grubbs funeral directors were in charge of arrangements.

William H. Franks

William Harrison Franks, retired Grant County farmed, died at his home, south of Walton, Monday. He was 84 years old. Mr. Franks was a member of Walton Baptist Church.

He is survived by his daughter, Mrs. Millie Hoard at home, and three brother J. G. Franks and Edward Franks, both of Kenton, Mo., and A. D. Franks, Odessa, Mo.

Funeral services will be held today (Thursday) at 2 p. m. at Mt. Zion Baptist Church, Grant, County. Burial will be in Mt. Zion Cemetery. The Rev. Burton Garriott, Walton will officiate.

Chambers and Grubbs, Walton funeral directors are in charge of arrangements.

BAND CONCERT

There will be a Band Concert at New Haven School on Tuesday, May 20th at 11:00 a. m. The public is invited to attend.

Mullikin-Holtzworth

Mr. Alan Holsworth, only son of Mr. and Mrs. Andy Holsworth, and Miss Marjorie Mullikin, second daughter of Mr. and Mrs. J. B. Mullikin, Crescent Ave., Erlanger, were united in marriage May 3rd at the home of Rev. Roy A. Johnson, Covington, Ky., using the double ring ceremony.

Close friends and relatives attended the wedding, which was followed by a reception at Landwehr's Hall in Covington, with approximately one hundred guests present.

EAST BEND NINE LEADS LEAGUE

BY DEFEATING SAND RUN IN A TEN-INNING GAME — BULLITTVILLE, BURLINGTON AND WALTON WIN.

The East Bend-Big Bone nine, under manager John Black chalked up their second victory to move into first place in the Sunday School League standings. East Bend had to go 10 innings before they could win over the fighting Sand Run nine. The final score was 7 to 6. Charlie Black and Orville Hensley were on the hill for the winners and Bud Goodridge and Snow divided mound duties for Franklin Rule's Sand Run squad.

Bullittsville eked out a 4 to 3 victory over Petersburg at Bullittsville. Petersburg held an early lead of 1 to 0, but Bullittsville tied it at 1-1, 2-2, 3-3, and finally catcher Kenyon broke the game up with an 11th inning single to score the winning run. Chester Edwards was the winning pitcher and young Marvin Campbell the loser. Edwards and Campbell both twirled a good game, giving up 9 and 8 hits respectively.

Walton jumped to an early lead and were never in danger as they trounced Florence 7-2. Ferguson was master of the Florence hitters all the way as he marked up the win. Rimmer and Marksberry hurled for the losers.

The Burlington boys took a 4-0 lead and went on to defeat Bullittsville 6-1. The game was called at 5 innings due to darkness. Bob Brown, young Burlington right-hander limited Bullittsburg to 3 hits as he struck out 12 of the 20 hitters who faced him. Henry Holladay was the losing pitcher as he gave up six hits.

Saturday, May 3, East Bend defeated Walton 4-2 in the only game played. All other May 3 games were rained out.

ENTERS RACE FOR COUNTY ATTORNEY

JOHN E. CRIGLER HAS BEEN RESIDENT OF HEBRON NEIGHBORHOOD ENTIRE LIFE—RESIGNS AGRICULTURAL POST.

John E. Crigler, Attorney and Secretary of the Boone County Agricultural Conservation Association, announced today that he was a candidate for the office of County Attorney, subject to the action of the Democratic primary, August 2, 1947.

He has resided near Hebron, all his life and his ancestors have for several generations been Boone County residents. He was educated at Hebron High School, Chase College of Law, Cincinnati, Ohio, and also University of Cincinnati.

Mr. Crigler has for the past thirteen years been employed by the Agricultural Conservation Association, Burlington, Ky., as Secretary and Executive Clerk. He has just resigned this position to enter the race for County Attorney. He has, to some extent, engaged in the practice of law since 1934, when he was admitted to the Boone County Bar, and is at present acting as attorney for the Farm Security Administration, Constance Building & Loan Company, Hebron Deposit Bank, and Hebron Perpetual Building and Loan Association. He is also secretary of the Boone County Farm Bureau and president of the Boone County 4-H and Utopia Club Council. He is active in Masonic work, being a member and Past Master of Hebron Lodge No. 757 F. & A. M. He is a member of the Hebron Lutheran Church. He is 38 years of age, is married and has three children.

If time will permit, Mr. Crigler states that he will try to make a countywide canvass. He is very well acquainted throughout Boone County in his work with farmers and hopes to make the further acquaintance of all Boone County residents. Many of the prominent of Boone County are already familiar to him and if elected to the office of County Attorney he will assist and cooperate to the fullest extent with the Boone County officials in maintaining and promoting a democratic form of government of which Boone County citizens can just be proud.

Ring Worm Examinations To Be Made By Doctors

Boone County doctors and Red Cross Nursing Service are trying to work out a plan to examine all school and pre-school children for ring worm. When the date is announced for your school, will you do all you can, to get the children under school age there?

Farm Bureau Directors To Meet Friday, May 16

Directors of the Boone County Farm Bureau will meet at the County Agent's office in Burlington on Friday, May 16, at 8:00 p. m.

Several important items will be discussed at the meeting and all directors are urged to attend.

Candidate For Co. Attorney

John E. Crigler

TRAINING PROGRAM PLANNED FOR VETS

BOARD OF EDUCATION IS MAKING EFFORT TO PROVIDE TRAINING FOR VETERANS WHO CAN QUALIFY.

A farmer-training program will be open to veterans September 1 in departments of vocational agriculture in Hebron and New Haven High Schools. Veterans interested in this program should see Mr. Edens, or Mr. J. R. Huey, without delay.

The Boone County board of education is making every effort to provide training in agriculture for all veterans who can qualify and who apply for training by June 1. Veterans applying after this date may not be able to enroll, since the board of education may not be able to enroll, since the board of education may not be able to secure qualified teachers.

To be eligible to qualify for subsistence in the farmer-training program, a veteran must have had at least 90 days of active service in the armed forces. The self-employed veteran must have facilities for carrying out a farming program which will occupy his full time.

The veteran must have full control over the management of the farming program through ownership, lease, or other rental agreements. The farm must be sufficiently productive to insure the trainee a satisfactory income under normal conditions by the end of the training program.

The veterans must also agree to attend classes of instruction at the time and place offered by the school and agree to carry out a farming program according to recommended improved practices.

BELLEVIEW LEADS BOONE CO. LEAGUE

IN STANDING, HAVING PLAYED TWO GAMES—CONSTANCE AND BURLINGTON HAVE 1000 AVERAGE.

All teams in the Boone County League were in action Saturday, and two very interesting games were played.

Constance defeated Union on the losers grounds by a score of 12 to 11. Owing to condition of playing field, several errors were marked up to both clubs It is hoped that all fields will be in good condition for Saturday's games.

Bob & Gene traveled to Belleview and with a team of youngsters gave the Belleview boys quite a score before going down 8 to 5. This team of boys needs watching.

Burlington traveled to Petersburg Saturday and after a game lasting 3 hours or more emerged the winner, 14 to 6. Akins went the innings for Burlington with Gulley finishing. For Petersburg it was Burns, Deck, Edwards and Huey.

FUNERAL HOMES

A SECOND HOME

A death in the family brings enough confusion into the home without the added burden of callers. Funeral homes have been designed to relieve exactly this situation. They provide all facilities for handling details, leaving the privacy of the home untouched. We ask our clients to consider our homes as a second home during this difficult period.

Will they thank you for good strong feet?

Oh, you mother of a child—you want his manners to be nice, you want his brain to be quick, you want his hands to be agile—but don't you want his feet to be sturdy and true, well-shapel and graceful? Are those of your daughter?

You mother of a child, twenty years from now his feet will be walking up to get a diploma, or confidently marching in to get a job, maybe walking up to an old church altar to meet a bride in white. (Or it may be the bride herself.) Your child may never thank you for good strong feet, he'll take them as a matter of fact. But what will he think if they're not good strong feet? Sure he'll still love you—but "why didn't mother make sure I was growing up right?"

It is a responsibility, just one of the many a mother takes on when she brings a child into the world. —Adv.

101 HOGS BUTCHERED

Breathitt county farmers took advantage of cold weather to butcher hogs. Fifty-one homemakers reported to Hope Agent Fern Johnson that from 101 porkers killed, they stored 16,598 pounds of meat, rendered 5,881 pounds of lard, made 144 pounds of souse and canned 748 quarts of sausage, 193 quarts of loin, 57 quarts of liver and 645 quarts of bones and ribs.

UTOPIA CLUB MEETS

On Thursday night, April 22nd, the Utopia Club met at the courthouse with quite a number of members and two visitors present.

The meeting was presided over by president Stewart and quite a few important subjects were discussed mainly membership. A drive is underway to reinstate old members and to enroll new ones. Various committees were appointed.

The men had their special soil meeting at Mr. Davis' office with Mr. Jones of Lexington in charge, while Miss Gillaspie and Miss Matheny had charge of the women's glove making at the court room.

After the business and project work was completed, we were very glad to have Miss Mattie Kreylich with us, who gave one of her readings which was enjoyed by all. We were then entertained by special music consisting of accordian, played by our new member, Robert McCrann and guitar played by Mr. Jack Turner.

The next meeting will be held May 22 at the courthouse with A. M. Yealey of Florence as guest speaker on Boone County History. Members are urged to attend and visitors always welcome.

Zone Deputy Collector And Office Auditor Examination Set

A written competitive examination to fill positions of Zone Deputy Collector and Office Auditor at the salary of $3644 a year in the Collector's Office, Bureau of Internal Revenue, Treasury Department, in the states of Ohio, Indiana, and Kentucky, was today announced by the Civil Service Commission.

A Zone Deputy Collector assists taxpayers in filing tax returns and makes field verifications thereof. An Office Auditor audits individual income tax returns, computes correct liability, adjusts the income tax returns and prepares letters to taxpayers giving the result of the audit.

Persons selected will be given probational appointments leading to a permanent status. The age limits, 18 to 62, are waived for persons entitled to veteran preference. Applicants must have had three years of experience in positions requiring familiarity with business methods and records. Approximate education may be substituted for the required experience. Further details are contained in Announcement No. 6-189 (1947). (See posted at courthouse).

Applications must be received in the Sixth U. S. Civil Service Regional Office, Cincinnati 2, Ohio not later than May 20, 1947.

Application forms and information concerning where to file them may be obtained from the Commission's local secretary, Mrs. Mildred Cleek, located at Walton, Ky., from any first or second-class post office, or from the Civil Service Commission's Sixth Regional Office, Post Office and Courthouse Building, Cincinnati 2, Ohio.

BURLINGTON HOMEMAKERS

The Burlington Homemakers met at the home of Mrs. M. M. Lucas May 1st. Lesson for the day was "Finishing Slip Covers."

The meeting was called to order by Bible reading and prayer. Business was in order. The meeting was adjourned for the lunch hour which passed too quickly.

During the afternoon session our reading chairman gave a very interesting recitation. The lesson on "Slip Cover Finishing" was very instructive. The meeting was turned over to program leader to entertain with games and quiz questions. Sixteen members and four visitors were present, also Miss Mary L. Matheny, Assistant H. D. A. Sorry Miss Gillaspie could not be with us.

AN IMPORTANT MESSAGE TO THE RURAL FOLKS OF NORTHERN KENTUCKY

ANNOUNCING THE INAUGURATION OF AN IMPORTANT CO-OPERATIVE EVENT BY THE STORES AND OFFICES IN THE 100-BLOCK PIKE STREET, COVINGTON

A NEW AND NOVEL GET-ACQUAINTED PLAN AND POLICY THAT WILL MAKE SHOPPING A PLEASUSE, SAVE YOU MONEY AND THUS HELP YOU REDUCE THE HIGH COST OF LIVING.

WE, the merchants and professional men, located in the 100-Block on Pike Street, Covington, recently formed an organization whose chief purpose will be to have rural folks of Northern Kentucky get better acquainted with us personally and with our money-saving merchandise and services.

Accordingly, starting next week, we will have a half-page advertisement in The Boone County Recorder every week.

These advertisements will offer SPECIAL DEEP-CUT PRICES by the members of our organization. Prices that will surprise you in friendly stores and offices conveniently located, out of the high-rent district, yet only one block from the very heart of Covington.

You will find us just around the corner from the Seventh Street Parking Square—from Washington Street west to Russell Avenue. Yes, it is very easy to find us, in the block that starts with 100 Pike Street.

A hearty welcome will await you. You will find us not only eager to sell you first-class merchandise and services, but anxious to make your acquaintance. After all, we are all neighbors.. And you will find it so easy to shop and save in the 100-Block on Pike Street.

Watch for our opening Greetings and worthwhile specials in The Boone County Recorder next week, and tell your neighbors about this modern and novel way to shop and save in the 100-Block on Pike Street.

Cut out the advertisement every week and use it for your shopping guide when you come to the 100-Block Pike Street stores and offices in Covington.

We sincerely hope that this ORIGINAL innovation by the aggressive and resourceful merchants and professional men on Pike Street meets with your satisfaction and approval.

We shall anxiously await your arrival so that we might have the pleasure and privilege of meeting and serving you personally.

We thank you in advance for encouraging our undertaking.

HOME SITES
VALUABLE FRONTAGE ON U. S. 42
AT AUCTION
SAT., MAY 24 - 11 A. M. E. S. T.

LOCATED ON CINCINNATI AND LOUISVILLE, U. S. HIGHWAY 42, DIRECTLY ACROSS FROM THE BEACON LIGHT, ABOUT 8 MILES SOUTHWEST OF FLORENCE, KENTUCKY; ONLY 30 MINUTES DRIVE FROM DOWNTOWN CINCINNATI. KNOWN AS THE JOSEPH C. HUGHES FARM.

Emily and Jake Cleek, having decided to sell a portion of their beautiful farm have contracted with us to sell it at "Absolute Auction;" the only kind we have handled over a twenty-five year period—The Same "Guy Downs Auction"

CHOICE HOME SITES—Beautiful gently rolling acres with quite a few scattered trees make these tracts most attractive for your future home. Fronting on Highway 42 that is so perfectly landscaped and fast becoming the residential section of Northern Kentucky. Its natural beauty and its convenient and accessible location will appeal to the investor, the builder and the home seeker. Each of the "Baby Farms," ranging from 1 to 20 acres, will have a long frontage on this wonderful highway, and they will have enough depth to have a touch of the "Good Ole Country Atmosphere"; garden, chickens, etc.

YOUNG MAN—Your future home means so much to your family. Raise your children where fresh air and sunshine is abundant.

MR. INVESTOR—Where can you make a safer investment? Your buy here will be worth a lot more when several houses are built in this subdivision. Put your old rusty dollars where they will draw good interest.

OLD MAN—Build your home here, away from the noises of the city. This is an ideal spot for retirement.

DON'T OVERLOOK THIS OPPORTUNITY TO BUY A PLOT OF LAND IN THIS FERTILE SECTION OF BOONE COUNTY. DRIVE OUT AT YOUR CONVENIENCE AND LOOK THEM OVER. PLAN NOW TO ATTEND THE "BIG AUCTION."

GRANT TRUE BLUE CLUB

The meeting was called to order by our president Nellie Jo Purdy on April 10. We were all asked to stand and sing "America." The roll was called by the secretary, and minutes of the previous meeting were read and approved. The president asked for old and new business. Miss Pottinger said she thought we should elect an assistant community club leader and Mrs. Dean Bloss was elected. The group captains reported on their groups. Mr. Overall talked about scoring our club.

The meeting was then adjourned.

IN LOVING MEMORY

Of our beloved husband and son, Charles A. Wolfe, who passed away May 15th, 1946 and Therman L. Wolfe who passed away October 25, 1946.

It was bitter grief, a shock severe,
To part with ones we loved so dear;
None but those who have lost can tell
The sorrow of parting without farewell.
Day by day our thoughts do wander
To the graves not far away.

—Sadly missed by Emma and Virginia Wolfe. 1t-p

High School Nine Chalk Up Two Victories

The Burlington high school baseball team won two straight games this week; after dropping one last Monday. They play Hebron at Petersburg, Wednesday at 2:30.

Monday the B. H. S. boys traveled to New Haven and came out on the short end of a 15-8 score. Dempsey and Howard were on the mfil for the Tigers and Cason and Smith served them up for Burlington. Al Knox was the hitting star for New Haven with a double and triple.

The Eagles came back Tuesday to trounce Dixie Heights by a 14-6 margin. Bob Brown limited the Little Colonels to five safeties while striking out 11. Blackburn was the losing pitcher. The Burlington boys collected 12 hits with Toelsahler, Rogers and McBee collecting two each.

Friday afternoon behind Joe Smith's two-hit twirling, the Eagles evened it up with New Haven, winning 7-3. Smith pitched 5 shutout innings and was relieved by Cason. Knox and Atha were on the mound for New Haven. Jim Ryle and Rogers each had two hits for Burlington.

B. H. S. will probably play in the Northern Kentucky Baseball Tournament at Newport it was announced by Coach Ralph Maurer.

DRIVE-IN THEATRE OPENS THURSDAY

AT FLORENCE—OFFICIALS OF SIX COUNTIES ATTEND PREVIEW WEDNESDAY NIGHT—HAS 500-CAR CAPACITY.

One of America's newest entertainment features come to Northern Kentucky this week with opening Thursday, May 22 of the Florence Drive-In Theatre, on U. S. Routes 25 and 42, at the northern edge of Florence, Ky.

An overflow crowd of County, City and Town officials from Boone, Gallatin, Grant, Pendleton, Kenton and Campbell Counties, were guests of honor at a preview opening Wednesday night. "A Night In Casablanca" was the first picture shown.

The Theatre has a capacity of 500 autos and its major feature is the opportunity for people who have been working all day to go to a picture show without feeling that they have to "dress up," because, in the privacy of their own auto, everyone may dress as he or she pleases.

Among the many other conveniences of the Drive-In Theatre is that children may sleep in the cars without disrupting anyone . . . or they may cry at will while parents roll up the windows to avoid disturbing other patrons.

In addition, the Theatre provides free bottle-warming service for parents bringing young babies to the show.

Patrons may come and leave at will . . . because the Theatre has ample parking facilities and roadways to provide space for autos to come and go without interrupting the show or disturbing others at the Theatre.

The added relaxation of smoking and chewing, too, is afforded by the Drive-In Theatre, and very comfortable reclining chairs and benches are provided for those who do not drive autos to the show. The management reminds that shut-ins and invalids may find particular enjoyment in watching the show from their autos, without any embarrassment whatsoever.

The Theatre has one of the world's largest screen, making it certain that every patron will see the show with ease. The latest RCA Sound-In-A-Car Speakers attach anywhere inside of individual's autos, and the volume is regulated by those in each car.

An up-to-the-minute refreshment stand serves hot-dog sandwiches, hot coffee, cold soft drinks, hot-buttered popcorn, candy bars, cigars and cigarettes.

The Theatre box office will open at 7 p. m. nightly for shows at 7:30 and 9:30. Midnight shows are to be held on Saturday nights. Tickets may be purchased without leaving the auto with attractive girls standing on each side of the ticket stand doing the work. Children under six years of age are admitted free; those from 6 to 12 years of age pay only 15 cents, and the adult price is 49 cents.

LEGION OFFICERS TO BE INSTALLED

BY BOONE POST NO. 4 ON JUNE 2ND—ROBERT EASTMAN, JR., IS NAMED COMMANDER—WM. LONG, VICE PRESIDENT.

All members are urged to be present.

East Bend Nine Chalk Up [illegible] In Win Column

The East Bend nine tightened their grip on first place in the Boone County Sunday School League as they defeated Florence 11-8. The East Bend team has displayed plenty of hitting power in every game, outslugging the Florence boys 13 hits to 9 Charlie Black and Hensley were on the mound for the winners and manager John Black was on the receiving end. Florence played an improved brand of ball with Markesbery and England as the battery.

Sand Run walloped Walton-Verona 14-1. Bud Goodridge, Sand Run southpaw, and Judy divided mound chores for the winners with Mister backstopping. Goodridge was master of the Walton hitters throughout the game. Ryan and Ferguson were the twirlers for the losers and Joe Rouse the catcher.

It took Bullittsville 12 innings to defeat Bullittsburg 11-7. The game was close and hard fought thruout. Joe Hogan, Barney Hogan and Chester Edwards were the flingers for Bullittsville with Kenyon behind the bat. Henry and Bill Holladay made up the battery for Bullittsburg. Dick Gaines, Bullittsburg first baseman poled out a homer.

Burlington and Petersburg were rained out.

All managers are urged to call W. C. Brown, league secretary by noon on Monday, following each game.

Saturday's Games

Bullittsville at East Bend.
Petersburg at Sand Run.
Walton-Verona at Burlington.
Florence at Bullittsburg.

How They Stand

PIANO RECITAL

Ella Bradford will present her students in a piano recital Saturday evening, May 31 at 8 o'clock in the Hebron Lutheran Church. The public is very cordially invited.

Gray Farm Sold To Boone County Man

Mr. and Mrs. Joel Gray sold their farm of 110 acres, on Highway 18, adjoining Burlington, to L. J. Partin. This farm, known as "Grayacres," is one of the outstanding farms of the county and was purchased by Mr. and Mrs. Gray from the late L. T. Clore, about 20 years ago. Possession will be given within 60 days. Mr. Partin expects to dispose of his 55 acres on Camp Ernst Road and move to the Gray farm within this time.

Bluford W. Clore sold his house and four acres of land at Rabbit Hash to Mr. and Mrs. W. J. Craig. This land borders on the Ohio River.

A. G. McMullen purchased about three acres of land on Highway 18, in front of his home from Mr. and Mrs. Allen Darby. Mr. and Mrs. Darby purchased this land from R. P. Coleman about a year ago and built a new house on part of it, which they sold, and this sale is the remaining portion of their purchase.

These sales were handled thru A. B. Renaker the past week.

Charles Ray Cuneo

Funeral services for Charles Ray Cuneo, 13-month-old son of Mr. and Mrs. William Cuneo, Hebron, were held at 2:30 p. m. Thursday at the Catherman funeral home, Ludlow. Burial was in Hebron Cemetery.

The child died Monday night after he had drunk kerosene from a can at his home.

He is survived by five brothers, Eugene, Robert, Raymond, John and Stanley and four sisters, Martha, Mary, Shirley and Dorothy and his grandparents, Mr. and Mrs. John Cuneo, Cincinnati.

Catherman funeral director, of Ludlow was in charge of arrangements.

Mrs. Rebecca Berkshire

Mrs. Rebecca Berkshire, 76, died Sunday at her home in Grant, after an extended illness. She had been under treatment for a heart ailment. She was a member of Belleview Baptist Church.

She is survived by her husband Cademus; two daughters, Mrs. Leslie Ryle, Belleview and Mrs. Charles Rue, Norwood, Ohio; a son, Kenneth Berkshire, Belleview, and ten grandchildren.

Funeral services were held at 2 p. m. Tuesday at the Belleview Baptist Church. Burial was in the Belleview Cemetery.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

Melvin Lawrence Kelly

Melvin Lawrence Kelly, son of Kelton and Katherine Kelly, born December 5, 1946, died May 17th, 1947 at the age of five months and twelve days.

Besides his parents he is survived by one sister, Mrs. William Spaulding and three brothers Charles Bates, Robert Kelton, Jr., and Carrol Layne, all of Louisville; his grandparents, Mr. and Mrs. Chester Bates, also of Louisville and Mr. and Mrs. Charles L. Kelly, of Burlington, and many aunts, uncles and cousins to mourn his passing.

Doctors And Nursing Service Conduct Ring Worm Clinics

Boone County Doctors and Red Cross Nursing Service are holding clinics in schools now, in order that children may be diagnosed and treated, ready for school next fall. The treatment and cure of ringworm requires a great deal of patience and perseverence, but it can be cured.

The busy physicians of the county are donating their services, and much appreciation has been expressed throughout the community for this valuable work. In fact the suggestion was made by one of the county doctors.

A full report of how many are examined and how many cases are found will be made when the work is finished. Three schools have been done and there have been well developed cases in each.

"Greetings" Extended 100-Block Merchants

This issue of The Recorder carries "greetings" and the first of weekly merchandise specials of the newly organized stores and offices located in the 100-block Pike St., Covington.

Readers will find a variety of items at special low prices in this initial offering. Prices are effective from each Thursday to the next Thursday. New specials will be announced in this newspaper each issue.

This get-acquainted and goodwill undertaking has been the subject of much favorable comment the past week.

Five Escape Injury In Collision Sunday

Five occupants of two automobiles escaped serious injuries Sunday when their cars collided on U. S. 42 southwest of Florence, according to Sheriff Irvin Rouse.

The accident was caused when a tire on the car driven by Sgt. William C. Ryan, of Fort Knox, blew out, throwing the vehicle into the path of a car operated by Harold L. Hicks, Dayton, Ohio, Sheriff Rouse reported.

Glass from the shattered windows of both automobiles was scattered over the highway, and both cars were severely damaged.

Hicks was accompanied by his wife and children. None of the occupants suffered worse than minor bruises.

VETS AND WALTON IN WIN COLUMN

WHILE BOONE ALL-STARS SUFFER DEFEAT AT HANDS OF HUCK CAFE IN SEMIPRO GAMES SUNDAY.

The Boone County VFW baseball team continued their winning streak Sunday at the Belleview Park, by defeating Fat's Cafe by the score of 7-2 before a large crowd.

The locals, behind the fine hurling of "Dutch" Riebling, who fanned 15, had to come from behind to win, after training 2-0 until the fifth frame. The Fat's Cafe was first to score, tallying two runs in the third inning on a double by Goodridge, and singles by Gay, Schneider and S. Uriage. That ended the scoring for the losers as Riebling gave up only three hits in the last six innings.

The Vets scored their first run in the fifth inning on H. Rogers' walk, a single by McArthur and a one-base drive by Miller. The winners then tied it up in the sixth on Peeno' double and a single by Rogers. They scored what proved to be the winning run in the seventh on a walk to Riebling, A. Clore was then hit by a pitch, Miller's sacrifice, and a single by C. Benson.

The game was "ice" by the winners in the eighth as they scored four times on singles by "Sox" Benson, H. Rogers, Riebling, C. Benson, Williamson and an error.

A. Uriage was the losing hurler, being relieved by Hartlouf in the eighth, while the win was credited to Riebling, his third in four starts with "Hoots" Ryle gaining the other victory by some very fine relief hurling in the game of May 11th.

Hitting honors Sunday were well shared for the victors, C. Benson having three with Peeno, Rogers, and Riebling obtaining two each. S. Uriage led the Vitors at bat with two safeties.

The Veterans have won their first four starts and are tied for the league lead under the tutoring of "Mut" Rogers and Percy Ryle.

The locals are host to the Rank and File Club Sunday at the Belleview Park, game time 3:00 p. m.

Walton added another victory to their slate Sunday by defeating the Covington Vets 9-1 at the Walton grounds. Elmo Steffen and Bob Breenden divided the mound work for Walton, allowing only seven hits, while their teammates were collecting eleven hits off the offering of Wilcoxen, losing pitcher.

Huck Cafe defeated the Boone County All-Stars at the Petersburg park, Sunday by a score of 11 to seven, the local's first defeat of the season. Lyon, on the hill for Huck's Cafe, allowed 11 hits, striking out three, while Deck, gave up 13 hits and fanned eight for the losers.

WOMAN KILLED BY TRAIN AT VERONA

STATION FRIDAY—MAGISTRATE TERMS DEATH AS ACCIDENTAL—VICTIM WAS COVINGTON WOMAN.

A 75-year-old Covington woman was killed instantly shortly before noon Friday when struck by a southbound L. & N. freight train at Verona. The victim was Mrs. Annie Renner, of 211 West 21st St.

Mrs. Renner had been visiting a brother, Charles Demmler, of Verona, and was on her way back to Covington, when the accident occurred.

Mrs. Renner had been driven to the Verona station and was walking across the main line when struck by the freight. Thomas Carr, magistrate, said it was not determined whether the victim failed to see the train, or whether she saw it but was unable to cross the tracks in time.

Mr. Carr reported "accidental death."

Mrs. Renner is survived by two brothers Charles Demmler, of Verona and Fred Demmler, of Vanceburg, two granchildren and several nieces and nephews.

Funeral services were held Monday in Covington, with burial in Highland cemetery.

Hamilton, funeral directors were in charge of arrangements.

FLORENCE

A family group assembled at the home of Mr and Mrs. Hobe Roberts on Sunday, May 18 where they enjoyed a fried chicken dinner at six o'clock, including two cakes decorated with candles and ice cream. The occasion was in celebration of the birthdays of Mrs. Brown Roberts, Robt. L. Aylor and Hobe Roberts, also the wedding anniversary of Mr. and Mrs. Hobe Roberts. Guests included Mr. and Mrs. Brown Roberts and son. Mr. and Mrs. Robt. L. Aylor and son and Harold Tanner. We join in wishing the celebrants many happy returns of the day.

Lyman Rice, of Covington was in this community Saturday soliciting for the Montgomery Coal Co.

Mr. and Mrs. Dave Wingate motored to Maderia, Ohio, Friday evening and were guests of his mother, Mrs. Lydia Wingate, who is spending several weeks with her daughter, Mrs. Grace Beemon. Mrs. Wingate's health does not improve very rapidly.

Miss Hope Conner officiated at the M. E. Church Sunday evening in the absence of the pastor Dr. O. W. Robinson, who, with Mrs. Robinson was in his old home town at Corinth, Ky., where he delivered the address at the baccalaureate service of the Corinth high school.

Miss Louella Pyles, a teacher at Lloyd high school was dinner guest in the home of Dr. and Mrs. H. R. Daugherty, Monday evening.

Mr. and Mrs. Harry L. Tanner were guests Sunday of Ira Long and family.

Other guests were Miss Jessie Swetnam and Wiley Grubbs of Covington, Chas. Carpenter and wife and Eldridge Carpenter and wife.

Carl Rouse was dinner guest of his brother Frank and family, Sunday.

Mr. and Mrs. W. R. Miller and son Renaker attended the baccalaureate service of the Campbell County high school at Alexandria on Sunday evening. Mrs. Miller's niece Miss Juanita Paul Mitchell is one of the class of 82 graduates this year and is also valedictorian of the class. Congratulations to the Mitchell family.

Miss Stella Carpenter, of Cincinnati visited her sister Mabel and brothers, Sunday.

The Millinery Class of the Florence Homemakers will meet at the Florence Town Hall on June 4 at 10:30 a. m.

Mr. and Mrs. J. T. Stephenson and E. G. Stephenson had as Sunday guests Leslie Stephenson and family, of Owenton, Clayton Brown and family and Sydney Ambrose and wife.

Mrs. Harry Daugherty and son Harry K. were in Lexington over the week-end visiting with Jos. F. Daugherty and Jay Utz, who are students at U. K. The party also attended services at the First Methodist Church in Lexington.

Alonzo G. Tanner is numbered among the sick.

John Hodge, of Nashville, Tenn., flew in by plane to the Boone County Airport on Sunday to join a group of ex-service men from different sections to attend the ball game at Crosley Field and have a get-together. He was guest of Mr. and Mrs. Gustav Gebhard while here. The group assembled for dinner at the Kenton Terrace, Erlanger ,after the game.

Dr. and Mrs. Harry Daugherty were host and hostess to Dr. and Mrs. O. W. Robinson at dinner on Thursday evening.

Mrs. J. T. Stephenson spent Monday with her daughter, Mrs. Clayton Brown.

Mrs. Harry Daugherty was hostess with the main course of a progressive dinner Monday evening, May 12 for her son Harry K. Daugherty and the other members of Lloyd high school Beta Club.

Friends of Mrs. Ida Summers, of Shelby St., regret to learn that she is very ill and was removed to St. Elizabeth hospital Monday morning.

Guests at the home of Mr. and Mrs. Larry Aylor on Thursday evening were Mrs. Edward Taylor, Mr. and Mrs. Alfred Hegge and son Greg, Mr. and Mrs. Gustav Gebhard, Jr., and daughter Nancy and Mr. and Mrs. David S. Aylor and sons.

Miss Elizabeth Rouse, daughter of Mr. and Mrs. Wallace Rouse, who has been a student nurse at St. Elizabeth Hospital for the past four years will graduate from the School of Nursing on May 29 at graduation exercises held at Holmes high school auditorium, Covington. His excellency, the most Reverend William T. Mulloy, D. D., Bishop of Covington will preside. The address will be delivered by Reverend Thomas A. McCarthy, A. B., M. A., Dean, Villia Madonna College.

The class play presented by the senior class was well attended on Friday evening and was very enjoyable. The specialty numbers between acts by Glen Marie Tanner, Carolyn Rouse, Diane Goshorn Bob Martin, Beverly Markesbery and Phyllis Ryle were outstanding. Much credit for the success of the play goes to the director, Miss Clara Watts.

Mr. and Mrs. Clyde Zimmerman (nee Billie Chitwood) are being congratulated upon the arrival of a baby daughter on May 15. The little lady weighed 7¼ pounds and has been named Chyrl Ann.

Mrs. Irene Renaker celebrated her birthday on Wednesday. A group of friends gathered at her home n the afternoon and were served cake and ice cream. On Wednesday evening a group of relatives surprised her with another party, bringing all the birthday trimmings and refreshments with them. Guests for the occasion were Mr. and Mrs. Carlton Crisler, and son Gary, Miss Ruth Cahill, Mrs. Helen Rouse and sons, Mr. and Mrs. Melvin Barth, Mrs. Minnie Dringenburg, Mrs. Eva Miller, Mis Mabel Tanner, Mrs. Fanny Scott, Joe Sanford, Junior Tanner, Elmer Corbin and Larry Aylor.

Why Suffer With Your Feet?

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot balance putting steel supports under feet and elastic bands around feet, all sizes and shapes corn pads, plasters, callous plasters, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains, resulting from feet in numerous cases because they never had their body weight properly balanced on their feet with shoes.

Your feet may look regular to you, but, naturally you cannot detect weakness or have any way of testing for unbalance. But remember: "fat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances. If you are suffering with leg pains, knee pains, stiffness, backaches of severe headaches, or sleep poorly, and are always tired, your feet may be the cause.—Adv.

HOUSEWORK TO BE EASIER

Housework will be easier for homemakers in Taylor county who put into practice of the back-saving tricks they learned in their homemakers clubs, says Home Agent Margaret Buckner. Demstrated by leaders were long-handled pieces of equipment, such as dustpans, tables the correct height for different individuals, a lap table to permit one to sit while working, and correct ways to stoop and to carry heavy loads.

RESOLUTION

The Parent-Teachers' Association of the Hebron Consolidated School, Hebron, Kentucky, in regular monthly meeting, offers the following resolutions:

"Whereas, for some months past and even unto the present time, there have been rumors and actions to the effect that some people seem to be filled with the desire to foster or bring into being, dancing into our school,

"And whereas this is in opposition to our County Supt. of Public Schools, and to the Principal of said school, and also in opposition to the mass of patrons and lovers of our school,

"And whereas, we believe dancing in our school does not in any wise belong there—for in so doing, would pervert the purposes for which our school was founded and exists, and whereas, we also believe that if parents want their children to dance, or if parents want to engage in it, let this be done by parents in their homes; but let our public school steer free of it, for we believe grave problems will arise.

BE IT RESOLVED,

"That we believe dancing in our school will create problems of discipline, and that if dancing should be in our school it would only create a desire to dance more—and somewhere else.

"That we are opposed to dances in our school buildings, and property whether by students or by others.

"We pledge our loyal support to our school to help it to grow and maintain high scholastic rating. In so doing, we, in this helpful gesture, voice our will to keep public dancing from our school.

"We ask that this resolution be incorporated in the minutes of this meeting." 1t-c

Respectfully submitted,

$9,175 IN PRIZES FOR Kentuckiana Farm Families

Plus All-Expense Trips to the Farm Awards Luncheon for Families of Grand Prize Winners

Every farm family in Kentucky is eligible to enter one or more of the six farm incentive programs being sponsored in 1947 by The Courier-Journal, The Louisville Times and Radio Station WHAS. There are no costs of any kind.

Purpose of the contests is to encourage good farming methods. Small landowners and tenants have an equal chance with big farm operators. Judges are qualified persons from Kentucky and Indiana Colleges of Agriculture and farm agencies.

The $9,175 to be awarded in the 1947 contests will be shared by approximately 260 county, district and grand prize winners. Hotel and transportation expenses for families of grand prize winners coming to the Awards Luncheon will be paid.

Information can be obtained from your County Agent or Home Demonstration Agent, or by writing to the Promotion Department of The Courier-Journal, The Louisville Times and WHAS.

HERE ARE THE 1947 INCENTIVE PROGRAMS FOR YOUR FARM FAMILY—

HOME AND FARM IMPROVEMENT CAMPAIGN $5,350

WHY NATIONS PERISH

LESSON TEXT—II Kings 17:5-13, 22, 23; Isaiah 28:1-4.

MEMORY SELECTION—For the Lord knoweth the way of the righteous; but the way of the ungodly shall perish.—Psalm 1:6.

Nations as well as people come to crossroads in their history, and taking the wrong road then means future disaster. Solomon had built up great national prosperity, but at the expense of heavy taxes. He had forgotten God, and was succeeded by a son who followed in his footsteps.

Offered an opportunity to ease the burden of the people (I Kings 12: 14), Rehoboam in his folly made it greater, and the nation was divided. The ten northern tribes, which were henceforth to be known as Israel, followed Jeroboam, and the two southern tribes under Rehoboam became the kingdom of Judah.

Jeroboam started with God's favor, and might have led his people aright, but instead he became the king whose name stood for wickedness (see II Kings 15:18). The story of that downfall is a sad picture of unbelief and failure.

Through varied experiences and under different kings, Israel had gone down, down, down in its history of sin and departure from God.

I. Doomed by Sin (II Kings 17: 5-12, 22, 23).

The hour had struck when God's heavy hand of judgment had to fall on them. Verse 6 relates their carrying away into captivity to Assyria, and verses 7-9 tell us the reason for that judgment.

Ingratitude for God's blessing (v. 7) led to the worship of other gods (v. 8). They knew God's hatred for the sin of idolatry, and his judgment upon those who walked in that way, but they went right on.

Note in verse 9 that these things were done "secretly." "The same thing is true today of many who profess to be the people of God. The line of demarcation between the church and the world is not clearly drawn. We do well to note carefully the outcome of this course of procedure on Israel's part (vv. 6, 18). The fact that Israel did these things secretly did not hide them from the eyes of Jehovah (Ps. 139:1, 2; Heb. 4:13)" (John W. Bradbury).

The statement in verse 23 is a striking one. The prophets had repeatedly spoken of the impending destruction of the nation. Now the time had come that the Lord could no longer stand to look upon their sin, and in a sense put them "out of his sight." That does not mean that they had been forgotten or that God was not watching over them in mercy and love, but that he had to judge them for their sins, and for a time bring them into judgment leading to repentance.

There is always a reason for a nation's deterioration, and with Israel there were many reasons. Outstanding among them is the one for which they were rebuked by Isaiah in the verses of our lesson, namely, drunkenness.

II. Deceived by Drink (Isa. 28: 1-4).

The picture here is a graphic one. The leaders of Israel (here called Ephraim) lingered long over their bowls of wine, and in their drunken stupor gloried in the fact that Samaria, their capital city, was so situated at the head of a valley that it was not only beautiful but practically safe from attack by the enemy.

The drunkards spoke with pride of their nation and of Samaria its "crown." The description was apt, for it was beautifully situated on a hill surrounded by a fertile terraced hillside. But their boasting was vain, for after a bitter three years' siege, the city eventually fell to Sargon II of Assyria.

All this has a familiar sound. We think of the nations that have gone down to oblivion even while the people engaged in foolish levity, and in the awful stupefying and degrading use of alcohol.

Remember the fall of France in the recent World War when its own leaders said that the defeat could be largely attributed to the tremendous increase in the use of alcoholic liquor.

What about our own United States? With an annual liquor bill of about eight billion dollars, saloons on almost every corner, liquor flowing freely in hotels and restaurants, bottles and cases of it being brought into the home, booze the common medium of not only social but business relations, our insane asylums so crowded with alcoholics that the poor inmates have no real care—but why go on? It is a picture so appalling and so utterly distressing that every sensible person is shocked by it.

Do we think that God can long withhold his judgment upon a people blessed by all his many bounties, and yet using them for destruction of body and soul? Can a people continue to be strong which is determined to undermine itself by the use of alcohol?

Anyone interested in getting bulbs in this order please contact the county extension office by June 1.

Social Security Numbers Should Be Checked By Persons Cashing Checks

Frankfort, Ky—A request that all institutions, firms and individuals cashing both veteran and state unemployment benefit checks issued by the Kentucky Unemployment Compensation Commission carefully check Social Security Numbers of bearers was made this week by the Commission.

Commission officials stated the request was prompted by the fact that many banks, stores and sometimes individuals are cashing jobless checks for bearers who are not rightful recipients of these checks. This comes about the Commission explained, because there is oftimes a duplication of names of people in the same town or county. This, wherever it occurs, permits for example one John Smith to cash another John Smith's checks, just because the two have the same name.

But, it was pointed out, if the bank or firm asked to cash this check would check the Social Security number on the check with the Social Security number of the person presenting it, confusion could instantly be eliminated. The Social Security number of every check recipient is written on that person's check before it leaves the commission's Central Office at Frankfort. This provides an immediate and infallible check on the identity of the person presenting a check to be cashed and shows whether the check is his or rightfully belongs to someone else.

Commission officials stated that banks and stores who comply with the checking-up request will render service to the commission, to the rightful owner of checks and to themselves; because they added, there may be instances where a bank, merchant or anyone else cashes a check for a fraudulent holder, may have to make restitution to the Commission for the amount of the check.

COMMITTEE NAMED BY TOBACCO GROWERS COOPERATIVE ASS'N.

The directors of the Burley Tobacco Growers Cooperative Association, in regularly scheduled meeting, named a committee of seven from its organization, consisting of the permanent Sales Committee and two additional members of the Board, Judge J. R. Lancaster of Georgetown and W. F. Thompson, of Taylorsville, to attend a meeting with representatives of other American types of tobacco, called by R. Flake Shaw, Executive Vice-President of the North Carolina Farm Bureau Federation and the tobacco representative on the National Farm Bureau Board, to consider and devise a program of plans for the increased exportation of all types of American produced tobaccos.

This meeting, the date of which has not yet been fixed, will consider the enlargement of the recently organized "The Tobacco Associates, Incorporated," and the representation and voice of burley and other types in the affairs of that organization.

The Board received a report from the Executive Committee of the Association on recent sales of tobaccos, including a seven million pound consignment to an Italian firm.

The directors were also given reports of the Executive Committee upon recent appearances before departmental and Congressional Committees, and copies of the address delivered by John W. Jones of North Middletown, the President of the Association, before the Sub-Committee on Appropriations of the House of Representatives were distributed to the members of the Board. This address, it will be remembered, was delivered by Mr. Jones, who was selected by representatives of all types of American produced tobacco, including the flue-cured type, in behalf of an increased appropriation for administration of the tobacco program.

At the meeting with representatives of the Department of Agriculture, many varied features of the over-all program were stressed, particularly the subject of increasing exports of burley tobacco. Methods as to how this could be most effectively done were carefully discussed by all organizations present.

In attendance at this meeting, aside from representatives of the Burley Association, were those of other associations, namely, the Tennessee Burley Association, the Virginia Burley Association and the North Carolina Farm Federation.

4-H Club Week Dates Announced

The 24th annual 4-H Club Week (Junior Week) will be held June 9 to 14 on the campus of the University of Kentucky, Lexington, it was announced by the UK College of Agriculture and Home Economics.

Starting in 1921 with a registration of 132 boys and girls from 41 counties, this educational and inspirational event has been held annually with the exception of three war years. In 1946, approximately 1,000 members from 116 counties registered.

Attendance at the affair, rated as the highspot of the 4-H club year in the state, will be limited to outstanding club members, 13 years old or older. Farm and home agents from many counties also will be present.

Of special interest during the week will be individual and team demonstrations, when district winners will have the opportunity of competing for state championships. Approximately 100 girls will take part in a style revue, and about 50 boys will enter the water management contest in soil conservation.

Records from the University registrar's office reveal that one out of every five undergraduate students at the University of Kentucky has been a member of a 4-H club, while in the College of Agriculture and Home Economics, one of every two students has been a club member. Many of them stated they were inspired to enroll in the University after attending 4-H Club Week, according to J. W. Whitehouse, state leader of 4-H club work.

McVILLE

This community was shocked and saddened Sunday morning to hear of the passing of one of our good neighbors and friend, Mrs. Rea Berkshire. We extend sympathy to the family.

Mr. and Mrs. Clarence Wolfe spent Saturday moving a few things to their new home in Burlington.

Mrs. Carroll Sheldon and sons visited her aunt in Lawrenceburg, Ind., Saturday.

Mr. and Mrs. S. B. Scott and Miss Lelah Wolfe were Sunday visitors of Vernon Scott and family.

John Carroll Rogers and Miss Jean White called on Mr. and Mrs. Buddy Rogers, Sunday.

Several from here enjoyed the Senior play at Burlington, Friday evening.

Misses Mary Lou Kelly and Vera Dean Scott were among the Belleview G. A. girls to participate in coronation services at Latonia Baptist Church, Friday evening. Other girls from Belleview were: Sylvia Ransom, Billie Jo Brown, Faye Deck, Ella Jean Rogers, Eva Lou Walton and Wilma Arnold. Their leader Irene Walton and Mrs. Helen Rogers and Rev. Burkett, accompanied them.

The Belleview school club held their meeting last week and several from here attended. New officers were elected as follows President, Mrs. James Ransom; vice president, Mrs. Robert Williamson; secretary, Mrs. Gene Jones, and treasurer, Mrs. Christena Kirtley. Another meeting will be held on the afternoon of Friday, May 30th, the last day of school.

Mr. and Mrs. E. E. Newman visited her mother, Mrs. Maddox a part of last week.

Mrs. Lillard Scott entertained the Y. W. A. girls last Tuesday evening for their regular meeting.

Mr. and Mrs. Roy Goodman and son Roy Ray of Dry Ridge, Mr. and Mrs. Jack Sullivan and family of Cincinnati and Fred Duncan, Jr., of Erlanger were Sunday dinner guests of Mr. and Mrs. Harry Shinkle. The occasion was in honor of Mrs. Shinkle's son Fred Junior's 23rd birthday.

Mrs. Willie Presser and Mrs. Cliff Jones called on Mrs. Sally Ryle the past week.

Mr. and Mrs. Paul DeLott and daughter, of Cincinnati, were calling on Mr. and Mrs. Lillard Scott Sunday afternoon.

Mrs. Emma Craig called on her sister, Mrs. Pearl Scott, Saturday afternoon.

Mrs. Robert Williamson attended the funeral of Herbert Craig, at Rising Sun.

Rototiller in Operation

The new Rototiller farm machine, produced by Graham-Paige Motors in the giant Willow Run plant, prepares soil for planting in a single operation, making unnecessary the three operations of plowing, disk and harrow. The five-horsepower tillage unit, which churns and crumbles the soil to a depth of nine inches, has eight rotating tines, adapts it to a number of other farm tasks, as furrowing, mulching, weeding, cultivating and other operations.

CONSERVATION CONVERSATION

By J. C. Acree

Lassing Huey, New Haven Community, says that that the terraces put in on his grandfather's farm really did the trick. Grass has taken over the hill and erosion is practically stopped. Lassing says he wants to build several hundred feet more terraces this summer.

The farm manager on the Almaje farm, U. S. 42, Florence, Ky., states that the diversion ditches really are helpful. He claims that the road leading to the homestead was dry and was easy to travel over this year; whereas, the year previous the road was muddy from soil washed from the hill above and actually cars were stuck several times. He states that he farmed in Campbell County several years and if the farmers had known about soil conservation then, there wouldn't be any need for dredge boats now.

A new M Farmall tractor with three disc hydraulic plow has been purchased by the Boone County Soil Conservation District and will be ready for operation by May 26. This equipment will be operated on farms that have had a farm plan developed by the Soil Conservation Service, at the regular customary fee. It will be used most of the time in building diversion terraces but this fall it will be available for mowing pastures.

All the terraceable land on the E. W. Collins farm has been built this spring. The equipment operated by Mr. Collins will be used in the Napoleon-Verona neighborhood for terrace construction. Mr. Crouch will operate another D-6 unit in the Glencoe section as well as other parts of the county.

Several thousand feet of diversion terraces have been staked out by Kendric Keith of the Gallatin County Soil Conservation Service with the help of the District Engineer, Mr. Chas. Whitaker.

PETERSBURG HOMEMAKERS

The Petersburg Homemakers met at the home of Mrs. Eva Mae Montgomery, May 8th with twelve members, one visitor and Miss Gillaspie present. The meeting was called to order with "pledge to the flag" then Bible reading and prayer. Our exterior beautification chairman, Mrs. W. O. Rector, gave a report as did Gladys Klopp on "Live-at-Home." The program chairman Mrs. Charles Klopp entertained with games while lunch was being prepared.

Everyone enjoyed a very delightful lunch at the noon hour. The afternoon session was spent on the lesson of the day, "Finishing Our Slip Cover." We are also planning to have another paper drive in the future, so save your paper.

We will meet with Mrs. W. O. Rector for our June session.

CONSTANCE HOMEMAKERS

The monthly meeting of the Constance Homemakers' Club of May 7th was held at the home of Mrs. Thomas Kenyon. A lovely time was had by all.

The slip cover leaders gave the third and final lesson on slip covering any type of furniture you desire.

Training class on "Health" given by Miss Ida C. Hagman, the speaker, on May 23rd at 10:30 a. m.

The next monthly meeting of our club will be held on June 4th at Mrs. Adam Reeves. This is the final meeting of the club until September 3rd.

The entire club thanks Mrs. Alice Kenyon for being in her lovely home.

—Publicity Chairman.

Your kitchen stays clean when you cook electrically!

See the new automatic ELECTRIC RANGES now on display at your appliances dealer's or at our office.

THERE is no smoke, soot or grime from electric heat. It's clean as electric light. Your utensils stay bright and your walls and curtains stay fresh-looking much longer than with old-fashioned flame-type cooking.

The electric range itself is easy to keep clean, too. One-piece pans under the units are removable for washing at sink. There's not a crack or crevice in the one-piece top and back splasher. And the smooth porcelain finish wipes clean in a jiffy.

Gifts Toward Building To Celebrate Anniversary Of Conway's Busy Minister

The following article was taken from "The Log Cabin," Conway, Arkansas, of Wednesday, September 25, 1946, concerning Rev. J. Russell Cross, former pastor of the Richwood and Union Presbyterian Churches:

"A minister who doubtless could lay claim to the distinction of being the busiest man in Conway next Sunday will celebrate the fourth anniversary of his pastorate here.

At his own request his congregation will present him with a gift—which he hopes will be at least $1,000.00.

He is Rev. J. Russell Cross, pastor of the First Presbyterian Church. The gift, which he asked for last Sunday, will not be a personal one, but will go into a fund for an educational building, which has been a fond hope of his ever since he came to Conway. Nickels, dimes and dollars which he has gathered here and there during his four years for the building fund and placed in the bank already amount to the sizable sum of $1,081.35. The building is still a dream of the future, but he hopes when materials once again become plentiful to be able to erect a structure costing some $8,000 or $10,000 which will meet the church's need for educational facilities.

Coming here in September, 1942, from the Richwood and Union Presbyterian Churches in his native state of Kentucky, Mr. Cross plunged immediately into what is recognized as one of the busiest careers of civic and religious activities ever carried on by a preacher in this community. His Conway pastorate is only the second he has held, following his graduation from Southwestern College at Memphis and the Louisville Presbyterian Theological Seminary, where he received a master's degree in theology.

About the first job "wished off" on him immediately upon his arrival was the chairmanship of the American Red Cross' Faulkner County Chapter, which he still holds, and in which he has performed innumerable services, especially during the war.

In the first year of his pastorate here he was elected president of the Ministerial Alliance of Conway, a position he still holds.

For three years he has been chairman of the Faulkner County Tuberculosis Association and with increasing success has conducted three campaigns for the sale of Christmas seals, besides arranging numerous clinics and performing other work in the field of tuberculosis eradication. He is also a member of the state executive committee of the Arkansas Tuberculosis Association.

The campaign for funds for the crippled children's organization has had his active support and direction for two or three years, and he is also a member of the state executive committee in this work.

For two years, 1943 and 1944, Rev. Cross headed the campaigns in Faulkner county for the national war fund, achieving an excellent record both years, and he was county treasurer of the fund last year.

Three years ago he organized the Conway Community Concert Association and is still its General Chairman. Some of the nation's most distinguished musical talent has been brought to Conway for recitals and the association has been a financial as well as an esthetic success. He is also a member of the board of the Arkansas Philharmonic Society which has organized and is sponsoring concerts by the Arkansas Symphony Orchestra.

An active member of the Conway Kiwanis Club, Mr. Cross headed its committee on boys and girls work for a year and staged a successful minstrel show to raise funds for this work. For the past three years each summer he has directed the Presbyterian Pioneer Camp for intermediate age boys and girls at Fernclife.

Early in his Arkansas ministry the Arkansas synod named him chairman of its debt-liquidating committee. The synod had assumed a debt of nearly $100,000 on Arkansas College at Batesville and under Mr. Cross' direction money was raised over the state to pay off every dime of the big debt. He got himself into this job at the first meeting of the Arkansas synod he attended. He learned that the organization for years had struggled with the debt. Devising various means of carrying it and financing interest on it. "Why don't we pay it off?" the newly-arrived member impudently inquired. His skeptical brethren asked him if he knew of any way to do it. Then they saddled him with the job and doubtless much to their surprise he and his committee had the money raised in a few months.

An omnivorous reader, Rev. Cross is familiar with the classics and has memorized a vast volume of poetry, while still keeping abreast of modern literature. He reads far into the night, but makes up by sleeping late mornings. As a literary critic he has given many book reviews both in Conway and elsewhere.

Somewhere in between all these extra-ministerial duties, the pastor finds time to compose two sermons a week—which members of his congregation attest are always earnest, scholarly and polished—and he has never been accused of neglecting his pastoral duties to his congregation. That these have not been neglected is further attested by the growth of the church numerically and financially.

Maybe the fact that he is a confirmed bachelor has something to do with the apparently unlimited capacity for work that Rev. Cross has evidenced. Even such a cursory review of his activities as this is enough to bring for the ejaculation—"whatta man!"

BLUE MOLD MAKES APPEARANCE IN CO.

FIRST SIGNS OF DISEASE ARE IN WALTON AND VERONA COMMUNITIES — FERMATE IS BEST PREVENTATIVE.

Blue mold has appeared in several tobacco plant beds in Boone County, according to Bill Davis, County Agent.

The first signs of the disease are in the Walton and Verona communities but may soon spread over the entire county.

Fermate is the best preventative and should be used at least twice weekly until setting time. The fermate spray is made by mixing 3 level tablespoons of fermate in 1 gallon of water. The fermate dust is also effective and 1 pound of fermate is mixed with 5½ pounds of talc or fresh fullus earth.

Wildfire is unusually heavy in plant beds this year and is often confused with blue mold, as young plants may yellow and die if heavily infected with wildfire.

Additional information about plant bed diseases may be obtained by contacting the County Agent's office.

Minstrel Practice Set Monday Night

Practice on the Golden Moon Minstrel of '47 will be held at the Florence high school Monday night June 2nd, at 8:00 p. m., according to Dean Bloss, director. All members of the group are urged to be present at this practice.

The minstrel will be sponsored by the Florence Rotary Club for the benefit of the Florence Volunteer Fire Department on Friday, June 6th at the Florence school.

McArthur-Stephens

The marriage of Miss Mary McArthur, daughter of Mr. and Mrs. Hugh McArthur to Robert Stephens son of Mr. and Mrs. Stanley Stephens, was solemnized Saturday, May 17th at the home of Rev. Harmon Eggleston, of Ft. Thomas. The attendants were Mr. and Mrs. Cliff Dinser.

The bride was attired in a green suit with brown and white accessories. The matron of honor wore a grey suit with pink and black accessories. The groom and best man each wore brown suits.

They left after the ceremony for a brief trip. .

VACATION BIBLE SCHOOL DATE SET

FOR BURLINGTON BAPTIST CHURCH — TRANSPORTATION WILL BE FURNISHED OUT-OF-TOWN CHILDREN.

Vacation Bible School will begin at the Burlington Baptist Church on Monday, June 2nd and continue through June 12th, according to Rev. R. A. Johnson, pastor. This school is looked upon as a great opportunity for the children to be instructed in the Word of God. All children between the ages of 3 and 16 are invited to attend.

A splendid group of workers have been selected, and are well qualified, having had much experience in the work.

Automobiles will travel all roads, picking up children at 8:30 every morning, and they will be returned to their home as soon as the school is dismissed. Hours of the school will be from 9 in the morning until noon. Refreshments will be served by the ladies of the church at 10:30 each morning.

Any person who desires to visit these services is extended a cordial invitation. The program is being conducted to help the youth of today to know the will of God. Please remember this school is not just for the children of the Sunday School, but for all children.

The pastor urges the support of all parents by sending their children, in order to make this the most successful Bible School every to be held here.

The pastor would like to know by Sunday if you want a car to stop for your children. Help to give them this great training in the things of God.

"Train up a child in the way he should go; and when he is old, he will not depart from it." (Proverbs 22:6).

APPRECIATION EXTENDED TO CORRESPONDENTS

From time to time during the past several months, we were forced to omit several letters of our correspondents from various sections of the county, due to the heavy run of advertising. This heavy advertising was caused by farm sales, and other advertisements. Our correspondents have been very faithful, and many of them never missed a single week.

We have been forced to carry extra pages practically every week during the last six months, and many times it was impossible for the Recorder staff to publish all items. Our correspondents in many instances have never complained, but have continued faithfully to write their community news. However there are a few who have complained, and some have handed in their stationery, due to our failure to publish their items every week. To these we wish to say "thanks" for your past cooperation, and to those who continue to write for their community we wish to extend our sincere appreciation for your continued cooperation, and promise to make every effort to carry your news each week.

HEALTH TRAINING CLASS HELD FRI.

IDA C. HAGMAN, STATE SPECIALIST ADDRESSES LEADERS FROM NINE BOONE COUNTY CLUBS.

The health and sanitary conditions in Boone County were the main topics discussed at the training class held Friday, May 23rd, according to Mary Frances Matheny, assistant Home Demonstration Agent. Leaders from nine clubs were present to enter the discussion led by Miss Ida C. Hagman, home management specialist, University of Kentucky.

Miss Jane Lewis, assistant state supervisor of the Federal School Lunch program in Kentucky, and Mrs. Sibbia Reimer, supervisor of elementary education in Boone County, assisted in leading the discussion.

Miss Elizabeth Lowry, Boone County Red Cross Nurse, gave reports on the X-Ray Clinic, the ring worm clinic being held now, and on the findings of the examination of 100 school children in Boone County.

Health leaders from each club will have community and individual questionnaires for members to fill out at local club meetings in June.

Sammy Huey Reported Slightly Improved

Sammy Huey, son of Howard Huey, of Petersburg, is reported to be slightly improved Tuesday afternoon, at Booth Hospital, Covington. He has been in a critical condition for several days, it was reported.

Sammy received internal injuries in an automobile accident near Florence several weeks ago.

His many friends throughout the county wish for him a speedy recovery.

Autumn Wedding

Mr. and Mrs. J. C. Jones, of Erlanger, announce the engagement of their daughter, Jo Ann, to Mr. Donald Hobart Denny, son of Mr. and Mrs. George Denny, of Erlanger. Mr. Denny is attending the University of Kentucky and Miss Jones was a student of Georgetown College. The wedding will take place in the early fall.

Jo Ann is the granddaughter of Mr. and Mrs. M. M. Lucas, of Limaburg.

4-H Club Scores

Each 4-H Club in the county was scored at their last community meeting, according to Mary Frances Matheny, assistant Home Demonstration Agent. The score per member is listed instead of the total score as this is the score that counts. They are as follows:

Junior Clubs: Constance 536.8; Grant, 356.0; Petersburg 353.4; Hamilton, 201.5; St. Paul's, 150.7; Verona, 122.4.

Senior Clubs: Walton, 286.6; Florence 228.9; Burlington 210.0; Hebron, 136.4; New Haven 75.9.

BULLITTSVILLE LEADS LEAGUE

WITH THREE VICTORIES AND NO DEFEATS—EAST BEND IS SECOND IN COUNTY STANDING.

Bullittsville upset East Bend Saturday to move into the lead in the Boone County Sunday School League. The victory was Bullittsville's third consecutive victory and East Bend's first loss. Chester Edwards was the winning pitcher and Kenyon his receiver. The battery for the losers was Stephens and Smith. The winners had nine hits, the losers eight.

Walton-Verona emerged the winners over Burlington in a see-saw contest at Verona. The score was 1-1, 2-2 and finally 4 to 3. Joe Smith was the losing pitcher and Ryan was the winner. Burlington collected 11 hits against Walton's six.

Bullittsburg marked up their first victory as they trounced Florence 7-2 at Florence. Bullittsburg had the Holliday brothers as the battery. Henry, the winning pitcher struck out 13 opposing batters. Young Billy Markesbery hurled for Florence and England was behind the bat.

Sand Run defeated Petersburg 12 to 6. Snow and Goodridge were on the hill for the winners and Campbell was the twirler for Pete. The victory was Goodridge's second straight. Sand Run collected 14 hits against Petersburg's eight.

May 31 Declared Poppy Day

Saturday, May 31 has been officially declared Poppy Day in Boone County by County Judge C. L. Cropper and the mayors of Florence and Walton, it was announced by Ernest Eades, commander of the Boone County Memorial Post V. F. W. and James Carpenter, chairman of the Poppy Day sales.

Proceeds from the sales will be for the benefit of widows and orphans of veterans and for disabled veterans. All members of the post are asked to take part in the Poppy Day sale according to the chairman.

Collins-Brown

Miss Virginia Collins, daughter of Mr. and Mrs. Hobert Collins, of Cynthiana, became the bride of Clayton Brown, Jr., son of Mr. and Mrs. Clayton Brown, of Dixie Highway in a ceremony by Rev. W. H. Lodwick at the parsonage of the Elsmere Baptist Church on Monday, May 19 at 1 p. m. They were attended by Mrs. W. H. Lodwick and Mr. Dave Wingate.

The bride was attired in a brown coat suit with tan accessories and wore at her shoulder a corsage of yellow rosebuds.

The room, a graduate of Holmes high school, Covington in the class of 1941, is a butcher in the Brown grocery on Dixie Highway. He was in the service of Uncle Sam in Europe more than 32 months, serving in Italy the major part of the time. At the time of his departure from the States he was stationed in Casablanca. The bride operates a beauty salon on Dixie Highway at McAlpin St., in Elsmere.

We join in extending felicitations as they embark on the sea of matrimony.

These will be two of the final services conducted by the Gospel Team before they leave on their evangelistic tour in the eastern part of the United States and Canada. The team is composed of Bob Brown, pianist, Morton Oliver song leader, Johnny Miller, soloist, Billy Nunnally and Joe Smith, speakers.

The program will consist of special music, good song service, testimonies and a gospel message. Everyone is invited.

Strawberries Can Be Frozen Successfully

Strawberries, an excellent source of vitamin C, are one of the most successful fruits for home freezing, according to Mrs. Pearl Haak, foods authority at the UK College of Agriculture and Home Economics. Blackemore, Premier, Dorsett and Fairfax are said to give satisfactory results.

Here are points to keep in mind:

1. Plan to place berries in freezer compartment within six hours after picking.

2. Select vine-ripened fruit of the best quality, using riper berries than for canning, but not mushy. Hard, immature berries lack flavor after freezing.

3. Carefully sort and huH berries.

4. Mash berries a few at a time, lifting them carefully from the water. Drain in a colander.

5. Measure sugar and berries, using 1 part of sugar to 4 parts of berries by weight, or 1 cup of sugar to 5 to 8 cups of berries.

6. Add sugar to whole or sliced berries, turning the fruit over and over with a large spoon until the sugar is dissolved.

7. Fill the freezing containers to within an inch of the top, covering the berries with juice, If necessary, press down on the berries until the juice covers them.

8. Wipe the inside edges of liner dry and press our air. Then seal together with an iron that is warm and label.

To avoid loss of vitamin C upon using the fruit, do not open the package until serving time. The fruit will thaw out in the package if it is left at room temperature for one to two hours.

Boone County Homemakers have found that strawberries are one of the few fruits that produces a good frozen product, according to Mary Hood Gillaspie, Home Demonstration Agent.

SHEEPMEN URGED TO SIGN-UP IN POOL

CLIP WILL BE OFFERED FOR SALE JUNE 9TH—SOLICITORS ARE NAMED FOR COUNTY SIGN-UP.

Sheepmen are urged to contact their respective solicitors and sign-up their 1947 wool clip in the wool pool. The clip will be offered for sale on June 9th and buyers will want to know how much wool to expect from the pool.

Solicitors and their communities are as follows: Burlington, H. E. White; Constance, Frank McGlasson; Hebron, Clint Riddell; Petersburg, Bob Grant; Walton, G. H. Moore; Verona, Walter Johnson; Beaver, John Conley; Florence, Clint Blankenbeker; Union, Alma Riley; and Grant, Lillard Scott.

Solicitors should turn in sign-up sheets to Lillard Scott, secretary, by June 1st.

Mrs. Fonnie Easton was quite ill Monday of this week.

Melon Crop Insects Can Be Controlled

Cucumbers, cantaloupes and watermelons are attacked by two insects, melon lice and spotted or striped cucumber beetles, according to Bill Davis, County Agent.

Lice can be controlled by spraying or dusting the plants with rotenone or Black Leaf 40. Sprays with upturned nozzles are helpful in applying the spray to the underside of leaves that are close to the ground.

The spotted cucumber beetle can be controlled by use of rotenone dust or calcium arsenate and flour (1 part calcium arsenate and 8 parts flour).

The striped cucumber beetle is perhaps the most serious pest, as the larvae damage the roots of the seedlings as they just come up and the adult later damage the runners and rinds of the fruit.

To control the larvae the hills should be dusted when the first soil cracks are made by the seedlings and continued for at least five dustings 3 days apart. A dust of 1 part calcium arsenate and 15 parts of talc of gypsum is used. Always dust the center of the hill so the poison will get in the soil cracks and poison the larvae.

Later dusting are continued at the center of the hill to control the adult beetles that congregate there in the shade to girdle the main stems and kill the plants.

Never use lime in dusts or sprays on melons as it tends to stunt the foliage.

Additional information on the control of these insects may be obtained from the County Agent's office.

Construction Bids Asked By Fair Committee

The building and grounds committee of the 4-H and Utopia Council will accept bids for labor on the construction of the new floral hall at the fair grounds. The building will be 100 feet by 26 feet.

Carpenters interested in making bids should contact the County Agent for blueprints. Bids will be accepted until June 7th. The committee reserves the right to reject any or all bids.

County Offices Will Close Saturday Noon

All offices in the court house at Burlington will close at noon on Saturdays during the months of June, July and August, beginning Saturday, June 7, according to C. L. Cropper, County Judge.

Lewis A. Wilson

Lewis A. Wilson, 42, died Saturday at his home in Florence after a long illness.

He was a member of the Modern Woodmen Lodge, Florence and the First Baptist Church, of Union.

He is survived by his widow, Mrs. Charlotte Wilson; a son, Bradley Wilson; four sisters, Mrs. Lloyd Rouse, Florence; Mrs. Virgil Bay, Pitcairn, Pa., and Mrs. Lucille Dunn and Mrs. Bert Ross, both of Covington, and his stepmother, Mrs. Maggie Wilson, of Florence.

Funeral services were held Tuesday at 2 p. m. at the Union Baptist Church, with Rev. Henry Beach officiating. Burial was in the Union Cemetery.

Ralph Stith, Florence funeral director was in charge of funeral arrangements.

Jones-Mullins

On Saturday, May 24th, 1947 the marriage of Miss Anna Sue Jones and Mr. Lee Roy Mullins was solemnized at the Baptist Church, Sand Run.

Miss Jones is the daughter of Mr. and Mrs. Lafe Jones, of Union, and Mr. Mullins is the son of Stanley Mullins, of Walton.

CASH SUGAR STAMPS EARLY

URGED BY U. S. DEPARTMENT OF AGRICULTURE TO HELP MEET SERIOUS TRANSPORTATION PROBLEM.

Prompt cashing of sugar stamps is being urged by the U. S. Department of Agriculture to help meet a serious transportation problem this summer and prevent sugar shortages later in the season. Sugar Stamp 11 should be used immediately, and Sugar Stamp 12 as soon as possible as it is valid. Every housewife can make certain of her family sugar allowance by buying now. Those who make the mistake of holding their stamps until later may not be able to use them because grocers then may not have large enough supplies.

The date when Sugar Stamp 12 becomes valid has been stepped up and is valid, in an effort to get sugar out across the country before box cars are occupied with great crop of wheat. There are not enough cars to take care of the heavy movement of sugar and wheat at the same time. Winter wheat moves during the same weeks that sugar demand is heaviest for home and commercial canning. If grocery shelves are relieved of their sugar supplies now, grocers can replenish them early and thus help keep sugar moving while there is transportation for it.

Here is a situation where an early "run" on sugar stocks will create plenty rather than scarcity.

In the past D. T. A. issued stamps at intervals for regular use and at canning time issued canning sugar stamps. Under the new system, ten pounds are allowed under one stamp instead of the previous five pounds. The ten pound stamp includes the ration for both household and canning sugar. No special canning sugar stamps will be issued. Consumers are urged not to use up their supply for ordinary household purposes and then find themselves short when the times comes to do some home canning, according to Mary Hood Gillaspie, Home Demonstration Agent.

DRIVE-IN THEATER OPENED THURSDAY

PREVIEW HELD FOR OFFICIALS OF SIX COUNTIES WEDNESDAY—JUDGE C. L. CROPPER ISSUES WELCOME.

The new Florence Drive-In Theater had its official opening Thursday night, May 22, playing filled to capacity according to reports.

"A Night in Casablanca" was the feature picture for the opening and was shown at 7:30 and 9:30.

The management announces that pictures will be shown nightly with two shows every night except Saturday with a midnight show on that night. Children under 6 years of age will be admitted free, 6 to 12 will be 15c and adults 40c, including all taxes, according to the management.

Wednesday night, officials from northern Kentucky counties were guests of honor at a preview opening. Boone, Grant, Gallatin, Pendleton, Kenton and Campbell counties were presented by officials at the preview.

County Judge C. L. Cropper was official host and issued a welcome to the new project.

Refreshments were served the guests from the refreshment stand at the theater.

The new theater is the first of its type in Northern Kentucky, being operated by the Richard P. Ernst Realty Co., which operates the Liberty, Madison and Broadway Theaters in downtown Covington.

Parking space inside the new theater is ample, having a capacity of 800 cars, with seats for those who prefer to walk to the show.

BURLINGTON WINS OVER BELLEVIEW

SATURDAY AFTERNOON—FLORENCE AND PETERSBURG VICTORS OVER CONSTANCE AND UNION.

Burlington traveled to Belleview park Saturday afternoon, and in one of the best played games of the season finally won out 2 to 0. This game was played in a short time, both teams showing lots of hustle, with the game lasting only one hour and thirty-five minutes. Ivan Cason on the mound for Belleview, pitched liked a tried veteran, allowing only four hits no earned runs. An error in the eighth put a man on first with two out. A hit batter and a single by "Pip" Clore, driving two runs across for Burlington. White was on the receiving end for Belleview and also rung up two hits, to lead both teams in hitting.

Roscoe "The Nipper" Akins was in rare form, going eight innings for Burlington, allowing six hits, with Gulley completing the mound chore, allowing no hits. James Gayle Smith the old reliable, was behind the bat and as usual, proved himself to be one of the best receivers in the County.

Bob & Gene, the Florence youngsters played like champions, shutting Red Lane's team 8 to 2. Petersburg down Union in a slugfest 9 to 7.

Games This Week

Petersburg at Constance.
Belleview at Union.
Burlington vs. Bob & Gene at Florence.
Game time 2:30.

NEW 4-H NATION-WIDE PROGRAM DESIGNED TO IMPROVE RURAL HEALTH

A new 4-H program designed to help improve health conditions in rural areas has been announced by the National Committee on Boys and Girls Club work. Urgent need for intensive and extensive health education is disclosed in recent surveys of families living on farms and in small communities.

The program, which is conducted under the direction of the Extension Service, emphasizes group and individual health improvement on community, county and state levels. Recognition is also given on a national level to individual members.

Objectives of the National 4-H Health Improvement program are to help 4-H members and their leaders gain a personal consciousness and understanding of physical and mental health consistent with advancing standards and scientific knowledge; to help youth share in the responsibility for improving home and community health conditions, and to hepl young people grow and develop sound bodies and mature personalities.

Honor award incentives to stimulate interest among club groups as well as individual members, are provided by the Kellog Co. Awards include a certificate symbolizing health to the club in each county conducting the best health improvement program. Ten cash awards of $20.00 each will be given to the ten clubs which carry on the best health program in their state. The top ranking 4-H member in health achievements in each state will receive an educational trip to the 1947 National 4-H Club Congress in Chicago next December.

County extension agents will furnish complete information regarding this activity.

F. F. A. NEWS

On May 9 Hebron F. F. A. Chapter visited Warsaw for Field Day. We entered five contests: The Chapter meeting, Secretary's book, Treasurer's book, News letter and Impromptu speaking. We won second prize for the Secretary's book. Nineteen boys from Hebron attended Field Day and twenty-one chapters were present.

On May 20 we called a meeting to elect officers for the following year. The following officers were elected: Harold Conrad, president; Allan Berkshire, vice president; J. T. Mulligan, secretary; Galen McGlasson, treasurer; and Ray Hoppenjans, reporter. The retiring officers are J. T. Mulligan, president; Bill Toadvine, vice president; Jas. Elliston, secretary; Melvin McGlasson, treasurer; Galen McGlasson, reporter. We also elected Harold Conrad and Bill Toadvine to go the F. F. A. Convention at Louisville, on August 6, 7, and 8. The purpose of this meeting is to make the schedule of work of the following year. Each chapter of the nine districts will have at least two delegates. Also at the convention the district winners will compete to determine the state winners. These in turn will participate in the national contest.

PEOPLE'S SHOE STORE
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Ninety-nine out of a hundred babies are born with good feet, even if they do appear to be flat at the start. We say babies are born with flat feet because the bony masses in a new-born baby's feet are held in place by fat pads. As the baby starts to stand and walk, these fatty pads are absorbed and muscles take their place. But about the third year the arch of the foot should be pretty well defined if the child is going to have an arch. We say if, because everyone is not mean to have the same color of hair or eyes.

Perhaps when the child starts to stand he is overweight, or undernourished or has gone through a serious illness. In that event the muscles may not develop enough to produce an arch in the foot. He then grows with a natural flat foot. The condition is rarely painful. However, many cases of flat feet can be averted if the child is provided with shoes that hold the weak foot in alignment. Such shoes are usually wedged slightly under the inner border of the heel bone. This prevents tipping in of the ankles and by over correction has a tendency to cause the muscles on the inner border of the leg to shorten. These muscles are the ones which keep the foot arched.—Adv.

DAIRY MONTH FINDS COWS BOOSTING FARM INCOMES IN KENTUCKY

June, to be known as 1947 Dairy Month, finds dairying a fast-growing industry in Kentucky, says a statement issued by the dairy division of the University of Kentucky College of Agriculture and Home Economics.

Value of dairy in Kentucky now is placed at about $70,000,000 a year, which means it is the second largest farm enterprise, being exceeded only by tobacco.

Dairying is being practiced in some form on 95 percent of the farms of Kentucky, it is stated. Approximately 600,000 cows are milked. Sales of whole milk total nearly $25,000,000 a year, and cream over $10,000,000. Farmers sell about $500,000 worth of butter, and about $8,000,000 worth of milk at retail. Veal calves and cows for beef add to the income of the industry.

There has been a marked increase in the sale of whole milk in Kentucky in recent years, due to the increase in the number of cheese factories, condensaries and other milk plants.

The college lists artificial breeding as one of the latest boons to dairying in Kentucky. Owners of 2,074 herds in 16 counties have signed up 20,023 cows for artificial breeding. Eighteen bulls are kept at the bull stud near St. Matthews.

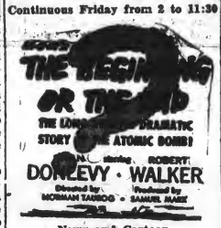
Through dairy herd improvement associations, more cows than ever before are being tested in the state, it is reported. Nearly 6,000 cows now are on test.

FOUR UK STUDENTS GET SCHOLARSHIPS

Awarding of four Danforth Foundation scholarships to students in agriculture and home economics is announced by the University of Kentucky College of Agriculture and Home Economics. Harry Russell Conrad of Burlington and Frances Horlacher of Lexington, juniors in college, will spend two weeks at the foundation's experimental farm in Missouri and two weeks at Camp Miniwanca in Michigan, and Walter L. Jewell, Jr., of Buechel and Eloise Ewbank of Warsaw, freshmen in college, will spend two weeks at the Michigan camp.

J. P. McLane of Wayne county plans to install a hay drier this summer.

HELP FOR SCHOOL LUNCH



The Mercer County Farm Bureau has voted to contribute $200 to the school lunch program in the county, the money being equally divided among eight schools. According to Farm Agent William B. Howell, the Farm Bureau took the position that proper nutrition is essential to the health of school children, and that the school lunch program is making a big contribution.

INSTALLS DRINKING CUPS

Oscar Wiley of Trimble county has installed automatic drinking cups in his dairy barn for his herd of 21 Guernseys. He anticipates that the increased production will more than pay for the cost, he told Farm Agent J. G. Dye and, in addition, they will be labor saving.

4-H'ERS GROW STRAWBERRIES

The Harlan Kiwanis Club in Harlan county is sponsoring the growing of strawberries by 4-H club members, making it possible for 65 members to set out a total of 26,000 plants this spring. In 1948, each 4-H'er who is enrolled in the project will return two gallons of berries to his Kiwanis sponsor in payment for the plants. Farm Agent Allan C. Davis notes that strawberries are one of the best cash crops in the county.

FOUR SELECTED FOR NATIONAL 4-H CAMP

Selection of two girls and two boys to represent Kentucky at the National 4-H Club Camp in Washington, D. C., June 11-18 is announced from the University of Kentucky College of Agriculture and Home Economics.

They are Mildred Gorbandt of Oldham county, Helen Hendricks of Simpson county, David Meyer, Jr., of Campbell county and Dan E. Turner of Garrard county. Each is 17 years old.

Miss Gorbandt has been in club work eight years and won $92.25 in prizes and had an income of $817 from poultry, clothing and canning.

In six years of club work, Miss Hendricks had an income of $629 from sheep and poultry and won $108 in prizes. She served one year as secretary of the Kentucky Association of 4-H Clubs.

From his 4-H club projects David Meyer has received a total of $3,511.82, principally from seven years of dairying. His prize money totaled $173.50.

Dan Turner is the state champion of the 4-H club baby beef project. His prize money in four years of club work was $310.43 and his total income $4,065.11.

Rural Highway Subject To State Aid During 1947

Over eleven thousand miles of Kentucky county roads will be subject to state-aid under the $5,000,000 rural highway appropriation during 1947, according to a report filed with J. Stephen Watkins, Commissioner, Kentucky Department of Highways by George H. Halley, Director of the Department's Rural Highway Division. All of the 120 county agreements have been completed for work during this fiscal year, Mr. Halley said.

"The program for the state provides for maintenance aid on a total of 10,398.7 miles and construction aid on 1,079.5 miles," Mr. Watkins announced today. "Kentucky's rural county roads are in line for considerable improvement. All of the county fiscal courts have designated the highways for state aid and these have been accepted. In very few cases have we been delayed and the whole program is now ready for materials purchases.

"Increased mileages have been made possible through an engineering analysis of the needs of each road accepted for state aid. Roads are being maintained and constructed with direct relationship to the traffic needs on that particular road. We are all encouraged as to the future of Kentucky county roads. Two years of the new annual $5,000,000 appropriation and the splendid co-operation of county officers will produce tangible evidence that the job can and must be done."

Survey shows that 54 out of every 100 new range buyers plan to go *Electric*

AMONG families that are planning to buy new cooking equipment, 54 out of every 100 intend to buy electric ranges. That's the result shown by a survey of 8,000 families in 125 typical cities and towns, made by a famous national women's magazine.

Why this nation-wide swing to electric cooking? Because electric cooking is so clean, so cool, so safe, simple and sure. Because it is truly automatic and provides new hours of kitchen freedom. And because it has become so fast and economical that there's no longer any reason to stay tied to less modern methods.

You, too, will join the swiech to electric cooking, when you discover how economical it is to cook this modern, carefree way. You owe it to yourself to get the facts now!

See the new, improved electric ranges now on display at your appliance dealer's or

RECIPE OF THE WEEK

To supply the necessary amount of calcium for growth and hardening of the bones and teeth, a housewife needs to use a quart of milk daily for every child in the family and a pint for each adult, say nutrition specialists at the U. K. College of Agriculture and Home Economics.

The easiest way to get them is to drink it, but it may be used in the preparation of many dishes, such as cream soups and cream vegetables, meat or eggs; scalloped vegetables and meats; cereals cooked in milk or served with milk or cream; custards, puddings and ice cream; gravies; cream cheese and cottage cheese, and chocolate and fruit beverages.

Scalloped Corn with Creamed Ham

1 can (2½ cups) cream-style corn, 1 cup milk, 1 tablespoon of chopped onion, 3 tablespoons chopped green pepper, ¾ teaspoon salt, 1 cup cracker or dry bread crumbs, 2 tablespoons butter.

Combine the corn, milk and seasonings. In a greased ring mold or baking dish, place crumbs and corn mixture in alternate layers until all are used, having crumbs on the top, dotted with butter. Bake 30 minutes in a moderate oven, 350 degrees, and serve with creamed ham.

Creamed Ham: Make a cream sauce of 1 cup of milk and 2 tablespoons each of butter and flour. Add one-fourth teaspoon of salt. When thickened, add two cups of cubed smoked ham. Heat in double boiler for 15 minutes, and serve with scalloped corn.

Menu: Scalloped corn with creamed smoked ham, buttered spinach, gelatine fruit salad, rye bread and butter, and cake squares with chocolate sauce.

REMODELS KITCHEN FOR ELECTRICITY

In anticipation of electricity soon to be available, Mrs. Walter Mason of the New Chapel Homemakers Club in Hancock county has remodeled her kitchen, according to Home Agent Judith Rowland. An electric stove, refrigerator and water pump have been installed, and the house wired for lighting. Remodelling plans called for the removal of floor-length windows, to be replaced by short windows over the sink. Then built-in wall cabinets were added to make a convenient U-shaped working area in the kitchen.

Members of the Pendleton county Farm Bureau pooled their orders for 172 bushels of hybrid seed corn.

Notes and Comments

From the Editor's Desk

"Life Is Too Short to be Little"

That quotation by Disraeli may help thru many a painful experience. Often we allow ourselves to be upset by small things we should despise and forget. Perhaps some man we helped has proved ungrateful . . . some woman we believed to be a friend has spoken ill of us . . . some reward we thought we deserved has been denied us. We feel such disappointments so strongly that we become painfully disturbed. But isn't that absurd? Here we are on this earth with only a few more decades to live and we lose many irreplaceable hours brooding over grievances which should be forgotten.

The above article was handed us by a Burlington Road Homemaker.

Mine Safety

It will not serve the cause of mine safety if the issue is indefinitely confused by charges, countercharges, recriminations and unbridled emotionalism. A terrible disaster such as that which cost 111 lives in the Centralia mine is a national tragedy, and every possible step to prevent the possibility of repitition must be taken. But wild talk will not do the job.

There is no magic formula for eliminating the inherent hazards of coal mining, as John D. Battle of the National Coal Association has pointed out. The goal is to reduce the inescapable hazards to the lowest possible minimum. And this is obviously a goal that can only be accomplished over a period of time.

A disaster in a mine blinds the public to the great progress that has been made in safeguarding the worker. The accident rate has gone steadily down. The operators, the government, and the union have all cooperated to achieve this. There have undoubtedly been cases of failure upon the part of mine owners and the regulatory bodies to effect and enforce property safety regulations and safeguards. Nothing which is dependent on human judgment is infallible. And the soft coal industry, it must be remembered, consists of thousands of companies. Mine owners are no different from government officials or union leaders. There are the good and the bad. But, looking at the picture as a whole, the industry's safety record has been excellent and it has consistently improved.

The various investigations now underway should produce invaluable facts on which to work. Those facts must not be obscured by hysterics.

The Great Question

Time flies. It seems but yesterday when the shipyards, aircraft and armament plants were roaring full blast, and the OPA was hanging like grim death to prices while soaring wages portended the millennium. A spirit of challenge filled the air. Political drum beaters shouted that never again would America tolerate a depression. Unless our established system could find a way to guarantee comfort and security, the system should be scrapped, they cried. The gist of it was that groceries were more important than freedom. Although history indicates that such a trade is impossible, they encouraged the notion that in a pinch freedom could somehow be swapped for groceries. It was an "or else" challenge against nature itself, which is another way of saying it was a cheap political gesture. And the chickens are coming home to roost.

There is no comfort in the growing housing shortage, nor in the inevitable decline in living standards generally. There is no security when prices and taxes rise to the point where families wonder how much longer they can make both ends meet, when millions begin to skimp on necessities. All of these things were as inescapable as night following day from the moment the war was declared. The wonder is that there were so many who apparently thought it might be otherwise.

The question now is are we going to settle down and face our troubles like good Americans or are we going to try the "or else" path of socialism and dictatorship? In the long run the best hope of the United States lies with private enterprise, whether it be the popcorn stand on the corner or a basic industry. As long as we keep faith with this institution there will always be a return path from our troubles. There will always be a truly representative government in America.

Ohio Woman Injured In Cycle Accident

Miss Lucy Ellis, of Hamilton County, Ohio suffered a possible skull fracture late Monday when she was thrown from a motorcycle on U. S. 42 near Florence. Her condition was reported as fair Tuesday.

Robert Lee, operator of the cycle escaped with minor cuts in the mishap. The accident was caused when the vehicle skidded on the slippery highway, it was reported.

LOCAL YOUTHS WIN IN 4-H CONTESTS

HELD AT OWENTON LAST WEEK WITH OWEN, BRACKEN, KENTON, CAMPBELL, GRANT AND BOONE PARTICIPATING.

Boone County won both individual district demonstration contests at Owenton last week, according to the County Extension office. David King, of the Walton 4-H Club won the district championship on his demonstration "Producing clean, healthy, and safe milk," while Betty Hood of the Florence club received the championship for girls on her demonstration "Ironing a shirt." Both David and Betty will represent this district at the state contest in Lexington, June 9-13.

William Crowley and Charles McNichols of the Constance 4-H club won a red ribbon on their "Egg Candling" demonstration.

Counties represented at Owenton were Bracken, Campbell, Kenton, Grant, Gallatin, Owen and Boone.

Burlington Firemen Will Meet Thursday

The Burlington volunteer firemen will hold a special meeting at the firehouse, Thursday night, June 5th at 7:30 p. m. for the purpose of selecting a new fire truck. Several other matters of importance will be brought before the group at this time for discussion and action.

All members of the department are urged to be present at this meeting.

SUPERINTENDENT NAMED BY BOARD

AT MEETING HELD IN MAY—TO SUCCEED WM. H. McFARLAND WHO RESIGNED FOR A GOVERNMENT POST.

Herbert N. Ockerman, Taylorsville, Kentucky, was named superintendent of Boone County schools at a special meeting of the Boone County Board of Education, held in May.

Mr. Ockerman will fill the vacancy caused by the resignation of William H. McFarland, who will enter government service at Washington, D. C., in the near future. Mr. Ockerman has been superintendent of Spencer County schools for the past four years. Previous to this he taught school and coached sports in Nelson and Bullitt counties.

A graduate of Western Kentucky State Teachers College, he holds an M. A. degree from the University of Kentucky and is completing work toward a doctor's degree.

Mr. Ockerman was born in Nelson County, Ky., is 40 years of age married, has three boys and is a Methodist.

He purchased the Partin farm on Camp Ernst Road and will move there in the near future.

ROTARY CLUB TO SPONSOR MINSTREL

PROCEEDS WILL BE GIVEN TOWARD CONSTRUCTION OF FIRE HOUSE—DATE SET FOR JUNE 6TH.

The Golden Moon Minstrel will be presented at the Florence school auditorium Friday evening, June 6 at 8:00 p. m., under the sponsorship of the Florence Rotary Club, it was announced this week by Dean Bloss, Boone County Band leader, who will direct the show.

Proceeds from the show will be given toward construction of a fire house for the town of Florence, it was announced.

End men for the show will be Leland Walton and Maddox of Hebron and Leroy Abbot and Estil Egle, of Burlington. These four are more appropriately known as Eightball, Hambone, Suntan and Popover. Ralph Maurer will act as interlocutor.

Holly Forkner and John Carver will feature in instrumental numbers. Other specialty numbers will highlight the program.

The show given at Burlington school May 9th, attracted a large number and was rated as the one of the best shows to be sponsored by the Boone County Band.

The public is cordially invited to attend this entertainment. Enjoy a splendid evening of entertainment and assist a worthy cause. Your presence and support will be deeply appreciated.

John A. Nicholson

John Andrew Nicholson died at his home on Harris Pike near Independence last Saturday. Funeral services were conducted from Independence Christian Church on Tuesday at 11 a. m. with burial in Independence Cemetery.

He is survived by his wife Effie Tomlin Nicholson; one son Ralph Art of Independence; and one daughter, Mrs. Velma Lipscomb, of Whites Tower.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

Deckers Join National Guernsey Club, Is Word

The American Guernsey Cattle Club announces the election of Mr. and Mrs. Herman J. Decker, Walton, Ky., to membership. They have a herd of registered Guernseys on their farm.

The American Guernsey Cattle Club is a national organization of more than 30,000 breeders of purebred Guernseys. It records the registrations of purebred Guernseys which tract to the Island of Guernsey, the original home of the breed, in the English Channel. It also supervises tests of production and through Golden Guernsey, Inc. supervises the marketing of Golden Guernsey Milk.

Special Offering Set For Sunday, June 8th

Kentucky Baptist churches are approaching June 8th with much enthusiasm regarding the special offering to be taken on that day for their six Baptist schools. For a number of weeks Dr. A. M. Vollmer Secretary of Christian Education in Kentucky, has carried on an extensive campaign to inform Baptists about their schools. Dr. O. W. Yates, field man in this movement, has organized the 80 District Associations in the State, holding rallies in many of them. $250,000 has been set as the goal for this special offering. If this amount is raised, Georgetown College will receive $100,000; Cumberland College at Williamsburg, Bethel Woman's College at Hopkinsville, and Campbellsville College, $43,750 each; Oneida Baptist Institute, Oneida, $12,500 and Magoffin Institute, Sky, $6,250. Students in these schools from this county are:

Georgetown College: Nell Jean Doane, Henry M. Holladay, William Arthur Holladay, Vincent Scragg, Doris Jean Taylor, William M. Taylor, Virgil Owen Vater, Jr., and Walter W. Wharton.

SAND RUN TAKES LEAD IN LEAGUE

STANDING BY DEFEATING FLORENCE FRIDAY BY A 8-7 COUNT—PETERSBURG AND BURLINGTON WIN.

Sand Run moved into the lead in the Boone County Sunday School League as they chalked up two week-end victories. Decoration Day the Sand Run nine met the fighting Florence team at Sand Run and emerged the winners 8-7. Florence bumped to an early lead of 7 to 0 as Blaker, starting Sand Run hurler was batted out of the box. Judy was called to the rescue in the first inning and held Florence scoreless the remainder of the game. Paul Rimmer went the route for the losers. Wilson's home run in the eighth with two aboard sewed up the game for the winners.

Saturday afternoon with Bud Goodridge on the hill, Sand Run trimmed Bullittsburg 10-6. Manager Charlie Pepper sent three twirlers on the mound before he could stop the winners. Pepper, with Holladay behind the bat for Bullittsburg. The game was Goodridge's third consecutive win.

Sam Ryle's young Burlington nine unleashed a 25-hit attack against the slumping East Bend squad, Burlington scoring 23 times against East Bend's 7. Bob Brown, Burlington righthander struck out 16 opposing batters and gave up 8 hits. Bob Patterson and young Gayle Rouse were the backstops for the winners. Cliff Stephens, Carl Wainscott, Bill Feldhaus and John Black all trudged to the hill in an effort to silence the Burlington bats. Jim Ryle, John Cropper and Bill McBee collected 5 hits each to pace the victors. Bob Clore's two doubles and a triple were the big blows of the game.

Petersburg snapped out of a losing streak and chalked up two week-end victories, defeating Bullittsburg 6-3 on Friday and turned back Florence 7-2, Saturday. Campbell and Campbell formed the battery for the winners Friday with the Holladay brothers as the opposing battery. Saturday, McGuire was the master of the Florence boys as he shaded Jim Hamilton in a pitcher's battle. Poor support lost the game for Hamilton. Rimmer and Tupman collected two hits each for the losers and McWethy led the winners with two safeties.

Walton-Verona continued their winning streak as they upset Bullittsville 11 to 10. Manager Joe Rouse's team, playing an improved brand of ball, proved too much for Bullittsville. Ryan, Ferguson and Bach, all worked on the mound for the winners with Rouse behind the bat. Edwards and Hogan formed the battery for the losers.

League president, Joe Rouse has called a meeting of the executive board and all managers at the Burlington Baptist Church, Friday night at 8 o'clock.

All managers are urged to call W. C. Brown with game results by Monday after each game.

Saturday's Games

Bullittsburg at Verona.
Petersburg at East Bend.
Florence at Burlington.

VFW SUFFERS FIRST DEFEAT

AT HANDS OF HUCK'S CAFE SUNDAY—WALTON AND PETERSBURG CHALY UP VICTORIES.

The Boone County VFW baseball team suffered their first setback of the season Sunday at the hands of the Huck's Cafe nine. The defeat knocked the locals out of first place in the Northern Kentucky Semi-pro League.

The winners copped the game in the eighth inning by scoring four runs on two scratch hits and some loose play on the part of the locals. Thiese was on the hill for the winners, giving up ten hits, but keeping them well scattered, while Riebling pitched good ball for the Vets, with poor support leading to his downfall. Hitting honors for the winners were well divided, while A. Clore with 3 hits, "Sox" Benson and "Dutch" Riebling led with tow each for the losers.

The Vets will meet the Oasis Dispensers, Sunday, June 8th at the Belleview park. Game time 3:00 p. m.

Walton Merchants down the Oasis Dispensers 14-0 at Walton Sunday. The veteran, Elmo Steffen, allowed but three hits and fanned 15. Bob Hallowell, on the hill for the losers gave up 14 hits, while striking out five.

The Northern Kentucky Merchants were defeated by the Boone County All-Stars, 2-1 Sunday at the Petersburg park. Neal Conner was on the hill for the losers, giving up six hits, while fanning seven, while Deck allowed seven hits and fanned eight for the winners.

Eliza Ann Scott

Eliza Ann Scott, Milan, Ind., died Saturday, May 28th at her home from first and second degree burns over her entire body when a kerosene stove exploded, when she was starting a fire. She is a former resident of Gallatin County.

She is survive by her husband, Herbert Scott; one daughter, Jean Audrey Scott; her mother, Mrs. Alle Perry; two sisters, Mrs. Katherine Sutton and Mrs. Martha Rider; 4 brothers, Jack, Robert, Walter and James Perry.

Funeral services were conducted from the Oakland Baptist Church, Saturday at 2 p. m., with interment in Warsaw Cemetery.

The Hamilton funeral home of Verona was in charge of arrangements.

Mrs. Mary E. Grater

Funeral services for Mrs. Mary E. Grater, who died Wednesday at the home of her son Edward Grater, of Union, Ky., following a long illness were held at the Union Presbyterian Church at 2 p. m. Friday with Rev. Don Hopkins officiating. Burial was at Philadelphia, Pa. She was 78.

Mrs. Grater was a native of County Darry, Ireland, and a former resident of Cincinnati.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

Daniel E. Dudley

Daniel E. Dudley, retired farmer, of Walton, died Saturday at his home, following a long illness. He had been a resident of Walton for the past 30 years. Mr. Dudley was 83 years old. He was a member of the Walton Methodist Church.

He is survived by his widow, Mrs. Hattie Sleet Dudley; a daughter, Mrs. E. M. Hance, Walton; a sister, Mrs. R. W. Darnell, Flemingsburg, Ky., and two grandchildren.

Funeral services were held at 2 p. m. Monday at the Dudley home, with burial in Forest Lawn Memorial Park, Erlanger.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

O. M. Rogers Returns Home

O. M. Rogers, well known Northern Kentucky attorney with offices in Covington, returned to his home Saturday, 319 Erlanger Road, Erlanger, after a stay of more than a month in St. Elizabeth Hospital, Covington, where he underwent an operation.

Mrs. Frank Maurer entertained a group of children and their mothers with a party last Wednesday in honor of her daughter Joy Lee, who celebrated her ninth birthday.

Twelve Cases Of Ring Worm Reported

School and pre-school children have been examined in all schools of Boone County by county physicians, it was announced this week by Miss Elizabeth Lowry, County Red Cross Nurse. Twelve cases were found, and these have been visited by the county nurse and are under treatment by their own family physician, who is convenient and therefore can render a better service than specialists, where much time and transport is required to reach them.

The treatment and cure of ring worm requires patience and time, therefore the examinations were made the last two weeks of school in order to give time for cure before schools opens in the fall.

The State Health Department ruling is that children with ring worm must not be allowed to attend school.

Boone County doctors gave gratis of their time and learning for a thorough diagnostic clinic. The school board and Red Cross furnished a violet ray lamp, which is most satisfactory in the diagnosis of cases which can not be seen with the naked ye.

It is believed that parents will cooperate and have their children ready for school in the fall.

TWELVE TO ATTEND STATE 4-H WEEK

AT UNIVERSITY OF KENTUCKY JUNE 9-13—WILL PARTICIPATE IN STATE CONTEST, ACCORDING TO COUNTY AGENT.

Boone County plans to send twelve 4-H boys and girls to state 4-H Week June 9-13th. The annual get-together for outstanding 4-H members will be held at the University of Kentucky, Lexington.

The twelve delegates and County extension agents will leave Monday morning, June 9th and will return to Boone County Friday morning. During their stay at the University the district individual demonstrators will participate in the state contest.

Commercial firms have made it possible for the Boone County boys and girls to attend 4-H Week by sponsoring scholarships. The 4-H and Utopia Council appreciates the splendid cooperation of the following: John R. Coppin Company, Dearborn Feed Mills, Early and Daniel Co., Sears Roebuck and Co., Farm Bureau and Burlington Locker Plant.

Delegates from Boone County to participate in state events are: David King, Walton, individual agriculture demonstration; Mary Bess Burns, Hebron, clothing judging; Flora Mae Johnson, Constance, food judging; Betty Hood, Florence, individual demonstration; Joyce Vice, canning judging, Marlene Mqrith, style revue and Barbara Norris, Burlington. Other delegates are Finley Jacobs, Florence; Chas. McNichols, Constance; Bill Crowley, Constance; Ralph Ginn, of Constance and H. R. Forkner, Burlington.

REAL ESTATE TRANSFERS

L. J. Partin sold his 55-acre farm on Camp Ernst Road to H. N. Ockerman last week.

Mr. Ockerman, a resident of Taylorville, Spencer County will move here with his wife and three boys July 1st and take over the duties of County School Superintendent of Boone County.

This sale was handled through A. B. Renaker.

UNION FRIENDS ENTERTAIN LIEUT DALE PILKINGTON

Enroute to Des Moines, Iowa Quantico, Virginia, Lt. Dale Pilkington, U. S. M. C. R. and Mrs. Pilkington stopped over for the week-end with Mr. and Mrs. Malone Ligon. On Saturday Mr. and Mrs. Walter Ferguson entertained for this group and for Mr. and Mrs. Harry Wilbur Craddock.

Combined Band Practice Will Be Held Monday

Combined practice of the Boone County School Band will be held at the Burlington school on Monday night, June 9, it was announced Tuesday by Dean Bloss, director.

All members of the organization are requested to be present at this time.

Rev. Kirtley Johnson, of Walton, was the Sunday guest of Mr. and Mrs. Cecil Griffith.

A. B. RENAKER RESIGNS POST

AS SECRETARY-TREASURER OF BOONE COUNTY NATIONAL FARM LOAN ASSOCIATION AT MEETING HELD SATURDAY.

At a meeting of the directors of the Boone County National Farm Loan Association held at Burlington on May 28th, the resignation of A. B. Renaker, secretary-treasurer, was accepted and the board then voted to group this association with the Williamstown National Farm Loan Association.

For the past four or five years the Federal Land Bank has been pursuing a policy of grouping or consolidating several county associations under one management, with a full time secretary-treasurer, where associations would agree to the plan. The Boone County Association had never felt that its borrowers could be as well served under this plan as by retaining a local office but in view of the fact that Mr. Renaker had for some time desired to be relieved of his duties and from the fact that more than two-thirds of the loans have been paid off from the peak period and many more loans anticipated being paid within the next year and few loans being made, the board felt that a grouping of this association with the Williamstown association would be the best thing to do under the circumstances.

The Boone County Association will retain its charter and directors and be a separate organization from the Williamstown association. Mr. Carl Sheriff, secretary-treasurer of the Williamstown association will serve in this capacity for Boone County and will probably visit Boone County one or two days a week.

The Boone County National Farm Loan Association is one of the strongest associations in the state, with a large surplus reserve, having been organized 25 years ago, with the late C. H. Youell being its first President and E. A. Martin, vice president. Upon the death of Mr. Youell in 1936, Mr. Martin was made president, which position he now holds. The present directors, in addition to Mr. Martin, are O. W. Purdy, vice president, Karl Rouse, Joel Gray and J. C. Acree. Mr. Renaker has served as secretary-terasurer since organization in 1922.

The grouping arrangement will take effect July 1st, after which date all business will be handled by Mr. Sheriff through the Williamstown office.

Farm Bureau Directors Will Meet Thursday

Directors of the Boone County Farm Bureau will meet on Thursday, June 5th at 8:00 p. m. at Doc's Place, Florence, it was announced this week.

Several important subjects will be discussed at the meeting and all directors are urged to attend and enjoy a chicken dinner.

BURLINGTON ON LONG END OF 6-4

COUNT IN SATURDAY GAME—UNION DEFEATS BELLEVIEW 15-11 ON GROUNDS OF WINNERS.

Burlington traveled to Florence Saturday and opened the new park by downing Bob & Gene's youngsters 6 to 4. The game was a thriller throughout, with Bob & Gene showing the way up until the 9th, when an error gave the Burlington boys a break and they went on to score four runs to win. Akins won his third straight, although he tired in the latter part of the game.

Zapp led the losers with a single and triple, while the hitting for Burlington was pretty well divided. Chas and "Sox" Benson each hit 400 foot homers to break up the game.

Belleview and Union played on Union's grounds Saturday, and after a slug fest and many errors Union emerged on the long end of a 15 to 11 count.

Saturday Games

Belleview at Petersburg.
Burlington at Constance.
Union vs. Bob & Gene, at Florence.
Game time 2:30.

Costs of New Houses Too High

Of course we would all like to see our veterans owning their own new homes. But it's impossible to find any reason why men who have returned to their families from the wars should put in all the money that has been stored up in the Service and at home into the construction of houses.

That simply means that when these new homes are ready to be occupied that the mortgages on them will be so heavy that the new home owners will spend most of their lives trying to lift the debts.

There may be good intentions back of the legislation that has placed the authority in the hands of the Government to insure loans on veterans homes. But the whole scheme simply does not make sense.

Essential World Affairs

No one is going to dispute United States Secretary of Commerce Harriman that our nation would benefit from increased foreign trade.

The trouble is that American goods sold in European markets in the present and coming years will be paid for with American money, loaned by a soft-hearted United States Government. We might just as well make up our minds that these loans will never be paid.

Foreign countries must produce their own goods, for their own markets, and pay wages to their own people. That's the only way they can get ahead. American grubstaking cannot last forever—and we might just as well face the facts.

A report that has been rather disturbing to statesmen and officials in Washington comes from Moscow where, it is said, Stalin and his dreamy Communists are waiting for the depressions, panics, and hard times that they are predicting and hope, will overtake the United States.

Our own unsettled conditions seem to have been brought about through the waste of billions of dollars, a lot of which was spent in efforts to save Russia from collapse. It's time for the United States to paddle our own canoe.

Incidentally, Congress does not agree with our own State Department that millions of dollars should be spent in radio broadcasts to Russia. Congress is right. We have been talking through mikes for the past two years trying to explain the value of American Democracy to an embattled World—and we haven't made any material progress, despite the great efforts made by many noble-minded Americans.

Public Education

At a recent gathering in Washington, President Conant of Harvard University declared that shocking conditions exist all over the country, as teachers are being paid salaries that do not cover their living expenses. He praised some States that are meeting the situation but he said that the drastic upswing in prices has made it absolutely necessary that some sort of a movement must be got-going, without further delay, "in order to prevent a National scandal."

When you read this item, take a little time off to look over the situation in your local schools, and find out wether conditions need your attention.

The National Guard

One of George Washington's most famous statements was this: "To be prepared for war is one of the most effectual ways of preserving peace."

That should be remembered in the present troubled world. And it has an especial significance now that an aggressive effort is being made to build up the National Guard to its authorized strength of 682,000 men.

The Guard is a volunteer, civilian-soldier organization, and it has a long and distinguished record of service. It provides a priceless nucleus of trained men upon which an effective fighting force can be built in time of war. Units of the Guard were among the first to see action in the last conflict, and they fought gallant delaying actions while we worked against time to create a gigantic Army. And war is not the only emergency which the Guard is called upon to meet. In every great disaster, from the San Francisco fire of 1906 to the ghastly explosion at Texas City a short time ago, the Guard has done a superb job as a protector of life and property.

Dungan-Eicher

Miss Frances Dungan, of Hebron and Mr. Edward Eicher, of Ft. Thomas were united in marriage Friday afternoon at 4:30 by Rev. Young at the Bullittsville Christian Church in the presence of a few relatives and friends.

Miss Doris Dungan, sister of the bride was bridesmaid and Mr. Jas. Hart, best man.

A reception was given at the home of Mr. and Mrs. Howard Acra following the ceremony.

The happy couple left by plane that night for Louisville, then to Clearwater, Fla., where they will spend a week.

They will make their home at Elizabethtown, Ky., where he is employed.

SATURDAY GAMES CLOSE CONTESTS

AS FLORENCE, PETERSBURG AND BURLINGTON WIN—PETERSBURG-BELLEVIEW GAME BEST GAME OF DAY.

Petersburg defeated the Belleview nine by a score of 3 to 2 in what was said to be the hardest fought game of the day in the Boone County Saturday afternoon league, on the losers grounds. Eddie Deck was the winning pitcher, holding the hard-hitting Belleview boys in check all the way.

Bob and Gene and Union had a field day at bat, each team hitting to all corners of the lot with Bob and Gene finally ending up on the long end of a 14-13 count.

Burlington traveled to Constance and had everything their own way downing Red Lane's boys 12 to 3 Ivan Gulley went all the way for Burlington with "Handy Andy" Pip Clore as his battery mate. You can always count on "Pip" doing a neat job anywhere from water boy to fence busting. Looks like Gulley is now ready, so beware, you long distance hitters.

The Boone County league is beginning to tighten, so fans you can expect to see baseball as it should be played from here out.

Games Saturday, June 14th
Burlington at Petersburg.
Bob and Gene at Belleview.
Union at Constance.
Game time 2:30.

Lents Named County Campaign Chairman For H. L. Waterfield

Harry Lee Waterfield, candidate for the democratic nomination for governor, has released the announcement that R. V. Lents, of Florence, will be chairman of his campaign committee in Boone County.

Mr. Lents is principal of the Constance school and is well known in the county. He was chairman of Ben Kilgore's campaign committee for governor four years ago.

VETS WIN IN CLOSE CONTEST

OVER OASIS DISPENSERS SUNDAY AT FLORENCE—WALTON TRIM LUDLOW VETS BY 8-7 COUNT.

The Boone County Vets chalked up another victory in the Northern Kentucky Semipro Baseball League by defeating the Oasis Dispensers by a 11-9 count on the Florence field. Ryle hurled seven innings for the winners, with Dutch Reibling finishing the game and receiving credit for the victory.

The winners connected for 12 hits, while the losers marked up 13. Jim Minning of the Oasis team was the hitting star socking three home runs and a double. Hallowell was on the hill for the losers, striking out four.

Walton moved into the league lead with an 8-7 victory over Ludlow Vets No. 440 at Walton. Elmo Steffen on the mound for Walton remained undefeated, allowing 11 hits, while the winners got 14 off Taylor's offerings. The winning run came in the ninth with one out, as the result of two hits and an error.

HIGH SCORES FEATURE GAMES

SATURDAY AS SAND RUN, BURLINGTON, BULLITTSBURG AND PETERSBURG CHALK UP VICTORIES.

The league-leading Sand Run nine tightened their grip on first place when they trounced Bullittsville 24 to 11. Sand Run's power at the plate was the highlight of the game as they drove out 29 hits. Bullittsville collected 11 hits off Bud Goodridge's offerings. The victory was Goodridge's fourth win against no losses. Hogan was the starting and losing twirler for Bullittsville, with Kenyon on the receiving end. Both teams made several errors, but this was contributed to wet grounds. Robert Marshall poled out a four-bagger for the losers.

Burlington's young team moved into second place Saturday as they drubbed the cellar-dwelling Florence nine 13 to 3. Burlington's 17-hit attack was paced by Bob Clore who collected a single, double and triple, Jim Smith, the catcher with two triples and Jim Ryle with two doubles. Bob Brown marked up his third league win without a defeat, even though he was relieved by Joe Smith in the sixth inning. These two young hurlers held Florence to nine safeties, with manager Washburn collecting two of the nine. "Lefty" Utz was the starting moundsman for Florence and was relieved by Hamilton. Burlington will be without the services of Brown and Smith Saturday when they journey to Sand Run to tangle with the leaders. Manager Sam Ryle has announced that Jimmy Smith will probably get the nod. This game should be one of the best of the year.

Petersburg continued to forge ahead Saturday when they emerged on the long end of a 15-10 count at East Bend. Hodges, White, Carver and McGuire all came through with three hits to lead the 19-hit barrage the Petersburg squad turned loose. McGuire was the winning pitcher and Carl Wainscott the loser. The win was Petersburg third straight and the loss was the third in a row for the East Bend team. Harold Hodges and Pitcher each had three hits for East Bend.

Manager Charile Pepper took his Bullittsburg nine to Walton and returned the winners in a 11-7 contest. Hodges went the route for the victors giving up 10 hits, Vest and Joe Rouse collected two each. Beach, Ryan and Waller were on the hill for Verona and allowed 13 hits. Bill Holliday, Bullittsburg catcher collected four of the 13 hits for the winners.

Baseball fans are urged to come out and attend these games. Support your favorite team Saturday with your attendance.

WOOL SALE POSTPONED

DUE TO BILL PROVIDING SUPPORT PRICE NOT BEING SIGNED BY PRESIDENT—WILL BE SOLD SOON AS POSSIBLE.

The sale of the Boone County wool pool clip has been postponed indefinitely, according to the sales committee.

This action was taken last week due to the fact that the bill providing a support price for wool has not yet been presented for the President's signature to become a law. If the clip were sold under present conditions, the price might possibly be ten cents per pound less than the price under the support program.

The clip will be sold as soon as possible and sheepmen will be notified immediately.

The public is cordially invited to attend this entertainment, which is said to be of the very best.

CLEMENTS FILES FOR GOVERNOR

URGES HARMONY WITHIN PARTY—WAS ELECTED TO CONGRESS FROM SECOND DISTRICT IN 1944.

Congressman Earle C. Clements of Morganfield this week formally filed his declaration of candidacy for the Democratic nomination for Governor and makes the following statement:

"I am becoming a candidate for governor of Kentucky in the hope that by my conduct of the primary campaign and as a nominee I can bring together those discordant elements which can assure the future of the state if they will expend their energies in harmony for its advancement. I have asked my friends not to do or say anything that will make victory for the Democratic party and the success of this program afterward more difficult to attain.

"One of the most vital needs of the state is to obtain new industries. This is required to provide jobs and wealth and sources of income for taxation. Funds must be provided to prevent further exodus of teachers from the state and from their profession. To attain this and many other desirable objectives, the revenue must be provided. This calls for a business administration. The most businesslike program that Kentucky can undertake now is to promote these things from which her people will reap income and the state government will receive revenue for many years to come."

Clements, a native of Morganfield, attended the University of Kentucky until he enlisted in the army during World War I. He was discharged with the rank of captain.

Clements has served as sheriff, county clerk and county judge of Union County and was elected to the state senate in 1941, serving in the 1942 and 1944 sessions of the general assembly. He emerged as leader of the Democratic majority during the 1944 session.

Clements was elected to congress from the second congressional district in November, 1944, and was re-elected last November. His present term will expire in January, 1949.

His official announcement to the voters of Boone County will be found on another page of this issue.

Silver Anniversary

On Sunday, June 1st Mr. and Mrs. Clyde Arnold held open house from 2 to 8 p. m. in celebration of the 25th anniversary of their marriage.

Many relatives and friends called during that period to offer felicitations, and a number presented gifts. One gift of special interest was the silver tea service presented by the Homemakers' Club of which Mrs. Arnold is an active member.

Mrs. Arnold chose for the occasion a dress of biege print crepe and wore a corsage of American Beauty roses.

The Arnold home was decorated with Iris and roses. Refreshments of punch and cake were served the guests and incidentally, the cake was a five-tiered creation which was baked and beautifully decorated by Mrs. Verne Arnold

We join in wishing Mr. and Mrs. Arnold many more anniversaries.

The guests were Mr. and Mrs. O. R. Osmun and daughter, Mr. and Mrs. Chas. Luchte, Rev. and Mrs. Richard Dawson, of Lexington, Mr. and Mrs. Ermil Pitt and children, of Detroit, Mich.; Mr. and Mrs. Geo. Morith and children, Mr. and Mrs. Robt. Real Estate Transfers

William H. McFarland sold his house and lot in Burlington to Elmer Kirkpatrick. Mr. McFarland purchased this property from the late Edward Rice heirs about a year ago. Possession July 1st when Mr. McFarland's resignation as County Superintendent becomes effective.

Lester M. Roush of Hyde Park purchased the large brick house and 18¾ acres of land three miles from Burlington, on the East Bend Road, from Joseph Lopez. This is known as the White property, formerly owned by Wilford Dixon. Immediate possesion was given. Mr. Roush plans to make some improvements on the house and move here later in the season and drive back and forth to his position with the Andrews Steel Mill in Newport.

The above sales were handled thru A. B. Renaker, Monday and Tuesday of this week.

Another real estate transfer of interest to this community was the sale of the property of H. R. Forkner, located in Burlington to Frank Kelly. The transaction was completed several days ago. This property is nicely situated and is one of the most attractive sites in Burlington. It consists of a large two-story frame home, barn, outbuildings and several acres of land.

YOUTH HELD ON ASSAULT CHARGE

BOND SET AT $5,000 PENDING PRELIMINARY HEARING—IRON PIPE USED BY YOUTH AS WEAPON.

Elmer Adams, 17 of Constance is being held in Burlington jail after being unable to post $5,000 bond, pending a preliminary hearing in Judge C. L. Cropper's Court.

Adams is charged with assault with a deadly weapon with attempt to kill and rob. The warrant was sworn to by Edward Gabriel, 40, of near Constance, who charged that Adams struck him with an iron pipe taken from the Constance ferry.

The youth, who surrendered to Cincinnati police Monday morning admitted striking Gabriel with the pipe, and had left him for dead. Sheriff R. I. Rouse, who went to Cincinnati to return Adams here said the youth admitted to him that he tried to kill Gabriel, stating that Gabriel had been talking about his mother. Gabriel, however told another story to Judge Cropper and Sheriff Rouse, stating that the youth slugged him and demanded his billfold.

The assault occurred near Mineola Hill, near Constance, Sheriff Rouse said, after Adams and Gabriel had hitch-hiked a ride from Ludlow to Constance.

Frank W. Johnson

Funeral services for Frank W. Johnson, brother of Rev. Roy A. Johnson, were held at 2 p. m. Saturday at the Madison Avenue Baptist Church, Covington, with burial in Independence Cemetery.

Mr. Johnson, who was 60, died Wednesday at his home, 3311 Latonia Avenue, Covington. He was a native of Boone County.

He is survived by his widow, Mrs. Alma Mullins Johnson; one daughter, Miss Lee Ellen Johnson, and two sons James F. and Gordon L., all of Covington; one brother, Rev. Roy Johnson, pastor the Burlington Baptist Church; one sister, Mrs. Mary Hutchinson, Corinth, and his stepmother, Mrs. Z. A. Weeks, Walton.

Promoted To Corporal

Private First Class James T. Schrage, son of Mr. and Mrs. Schrage, of Ludlow, Ky., has recently been promoted to the rank of Corporal. Cpl. Schrage is a member of the 35th Infantary Regiment of the 25th Infantry (Tropic Lightning) Division, commanded by Major-General Charles L. Mullins, Jd.

Cpl. Schrage entered the Army on August 16, 1946, and received his basic training at Ft. Knox, Ky. He departed for overseas duty on Dec. 5, 1946, and upon his arrival in Japan was assigned to the 25th Division.

Before entering the service, Cpl. Schrage attended East Night School, and was later employed by the Cocoa Cola Bottling Works.

BOND SET AT $1500 IN HEARING TUES.

OF ASSAULT CHARGE AGAINST NEWPORT MAN IN JUDGE C. L. CROPPER'S COURT TUESDAY.

Lewis DeBusk, Newport, arraigned in Judge C. L. Cropper's court Tuesday was held for grand jury action on a charge of assault with a deadly weapon. Bond was set at $1500.

DeBusk was arrested by Newport officials upon the request of Sheriff R. I. Rouse. His wife Martha DeBusk signed the warrant for his arrest.

The warrant read "pointing a pistol at her, threatening her life and then did strike her over the head with the butt of same gun, cutting a gash behind her right ear and bruising her head and body."

According to Sheriff R. I. Rouse DeBusk assaulted his wife on U. S. Highway 25 near Walton January 1, 1947, while riding in a taxi cab driven by Bob Locke, of Walton. The warrant was issued May 27.

DeBusk was held for action of the August term of Boone County grand jury. He was released after posting $1500 bond.

MORE PROFIT FROM TOP-QUALITY EGGS

Kentucky farmers can gain more profit from their laying flocks by marketing top-quality eggs on a market where such eggs bring a premium in price says Stanley Caton in a circular called "Good Eggs for Market," published by the University of Kentucky College of Agriculture and Home Economics. He says such top-quality eggs are:

"Large, but not oversize.
"Normal in shape; not too long nor too round.
"Clean; uniform in color.
"Strong-shelled; from well-fed hens.
"Fresh; kept in a cool, moist room, and marketed frequently.
"For the production and marketing of such eggs, no high-priced special equipment is needed, and very little more work is required than for average or low-quality eggs. What is needed is mainly good, practical production practices and business-like care."

An enrollment of 646 members, of 320 boys and 326 girls are reported in 25 4-H clubs in Casey county.

PRUNE FLOWERING SHRUBS IN SPRING

Flowering shrubs should be pruned in the spring as soon after they have finished blooming as is possible, advises Prof. N. R. Elliott, horticulturist at UK College of Agriculture and Home Economics. The approved way to keep shrubs under control and in good blooming condition is to remove from one-fourth to one-third of the old canes by cutting them at ground level. This will thin the plant and encourage the development of new shoots for attractive foliage and flowers.

MAKES GOOD MILK RECORD

Records kept by Donald Lucas of Garrard county show that he received $360 for 8,000 pounds of milk in one month from his nine registered Holstein and Guernsey cows. Total feed cost amounted to $126, notes Farm Agent R. O. Johnson. Lucas plans to increase the size of his herd in the near future.

Thirteen farmers in Perry county have enrolled in the corn derby.

FARM POPULATION GETTING SMALLER

Only 19 percent of the people of the United States now live on farms, church workers were told at the Rural Leadership Institute at the University of Kentucky Experiment Station. The war was not wholly to blame for the movement of youth to cities, it was brought out. Between 1930 and 1940, about 1,200,000 young men and women left farms.

Big wages in cities and the use of more machinery on farms were blamed for youth quitting the farm Tractors and other machinery make it possible for fewer people to do the farming.

The relation of soil fertility to community and church welfare received consideration at the institute. Where the soil is good, communities prosper and the church is well supported. Where fertility is exhausted, communities run down and churches disappear.

Report on a church survey that there are about 7,000 churches in Kentucky, or one for every 400 persons. Some speakers thought there are too many churches in some communities. As a result all of them are weak.

There are between 2,500 and 3,000 ministers in Kentucky. Sixty percent of them get a salary of $1,000 or more a year, in the state as a whole. In the eastern counties only 39 percent get that much money.

Between 45 and 50 percent of the people of the state belong to church. In some counties as high as 65 percent are members of churches, while in a few places only 5 percent are members.

Two hundred and fifteen pastors and other church workers attended the institute. They came from 56 counties and from 13 church denominations.

TAILORING TRICKS ARE MONEY SAVERS

When 19 homemakers in Jefferson county enrolled last fall in a special course in the tailoring of wool suits and coats, they not only saved themselves a total of almost $1,000, but they helped others to beat the high cost of clothing.

Given by Miss Dorothy Threlkeld expert in clothing construction at the UK College of Agriculture and Home Economics, the intensive four-day school covered such tailoring tricks as shrinkage of wool materials, the making of well-fitting shoulder pads, how to make a tailoring cushion for use in pressing out sleeve fulness, correct fitting of wool garments, sewing in slide fasteners, making two-piece buttonholes, sewing in linings, and pressing to avoid shiny seams.

In addition to their own costumes made at the school, the homemakers made 60 other garments, then helped 62 of their friends and neighbors, who in turn made 65 coats and suits. Eleven pieces were made from used garments, such as men's suits and coats. The list of completed garments included children's coats and mother and daughter companion costumes.

NEW DIRECTIONS FOR CANNING PEAS

Revised directions for canning peas are brought to the attention of homemakers by canning experts at the UK College of Agriculture and Home Economics, following three years of testing by home economists in Washington.

Canning peas: Shell and wash peas. Cover with boiling water. Bring to boil. Pack hot peas to within 1 inch of top of glass jars. Cover with boiling water, leaving 1-inch space at top of jar. Add ½ teaspoon salt to pint jars, 1 teaspoon to quarts. Adjust jar lids. Process in pressure canner at 10 pounds pressure (240 degrees) in either pints or quarts for 40 minutes. As soon as jars are removed from the canner, complete the seals if lids are not the self-sealing type.

OBITUARY

The community of Petersburg was shocked by the sudden passing of Daniel B. Hoffman. "Dan" as he was known to all, was born October 23, 1869, died May 12, 1947 at the age of 77 years, 7 months and three days. He lived his entire life in the town in which he was born.

In his early days his community afforded an opportunity for learning the trade of a cooper. Dan for years worked at his trade in the copper shop at Petersburg. In later days he continued to work at his trade in Lawrenceburg, Ind. In all his work, his interest was in his home, his church, of which he was long a consistent and faithful member; his fraternal orders of long faithful membership; and the community welfare were all his interests.

He married Lulie Hensley September 9, 1897. "Dan and Lu" were an ideal couple and their 50 years of married life were everything to be desired. He was a good man and will be missed by his beloved wife, his relatives and a host of friends.

HOG SANITATION PAYS FARMERS GOOD RETURNS

John P. Wilson and his father-in-law, Lye Shuck, of Fulton county, have proof that it pays to follow the sanitation plan with the farrowing of their sows. Two years ago, the fall and spring litters from eight sows yielded only 36 hogs for market, averaging 226 pounds at about 9 months, and bringing $1,460.

Following the recommendations of Farm Agent John B. Watts and swine specialists from the UK College of Agriculture and Home Economics, they next bred their sows to farrow in houses on sloping ground. From the spring litter, they saved 44 pigs out of 51 farrowed. The hogs were sold at about 6 months of age when they averaged 210 pounds, and brought $1,800.

ROASTER PROJECT INTERESTS FARMERS

Negro 4-H club members in Logan county are raising 1,900 White and Barred Rock chickens in cooperation with local hatcheries, according to Bennet K. Brown, Negro farm agent. Each member who enrolled in the project was given in April 50 chicks and 100 pounds of feed, and in October will [illegible] or more to pay for the cost of the chicks and the feed. As a result of similar projects during the past four years, better management of laying flock and improvement of brooder and laying houses are increasing, says Mr. Brown.

Electric Range

See the new automatic ELECTRIC ranges now on display at your dealer's or at our office.

Many new hours of freedom from cooking cares are yours with an automatic electric range.

No longer need you stay tied to the kitchen for hours before mealtime. With an automatic electric range, meals cook themselves while you're away from the kitchen enjoying yourself. You just put the food in the oven, set the automatic timer and leave. The oven turns itself on at the time you select, cooks the food to perfection, then turns itself off. Your dinner is piping hot and ready to put on the table when you return.

Get the facts about automatic electric cooking today. It costs less than you think to cook the modern way—*electrically!*

BULLITTSBURG BAPTIST CHURCH NOTES

Beginning Sunday morning, June 15, revival services will be in progress each evening for one week, ending June 22. Brother L. M. Hamilton, of Sand Run Baptist Church will be our guest speaker. He is well known in Boone County and is doing a worthy service for the Lord in his community. If you have not heard him you will want to hear and meet him during this revival meeting. Everyone is invited to attend any or all of these services. The church needs you, but you need the church more. Your absenteeism from church services is a vote against the church in your community.

A Vacation Bible School is in progress at the church. As many as 49 boys and girls have been attending. The pastor, Rev. W. T. Gardner deserves special mention in this cause as he drives 45 miles daily, at his own expense, gathering youngsters to bring to school. Two or three women are also helping to get the children to the school. The school commencement will be held on Friday night, June 13. Come and see some of the things taught these children.

Forty five 4-H club members in Warren county have 110 baby beef calves on feed for the state fat cattle show and sale in November.

Miss Betty Lou Kelly, of Lakeworth, Fla., spent the week-end with her parents, Mr. and Mrs. Lloyd Kelly.

Mrs. Bess Rouse spent last Thursday in Cincinnati.

Mrs. John B. Walton enjoyed a week-end house party at the home of Mrs. Thelma McGuire, of Covington.

John Brady Walton, Jr., entertained the Junior Class with a party at his home last Tuesday evening.

Mr. and Mrs. Lafe Jones and son John Franklin, of Union and Mr. and Mrs. Clarence Philipps of Covington, Mr. and Mrs. Wm. H. Jones and Mr. and Mrs. Orville Conrad of Price Pike spent Sunday with Mr. and Mrs. Alex Jones and sons on East Bend Road.

Mr. and Mrs. Carroll Rice moved to their residence, recently purchased from Mr. and Mrs. Geo. A. Porter, this week. Mr. and Mrs. James Ogden who occupied the residence moved to Crescent Springs.

Sammy Huey, of Petersburg, who was injured several weeks ago in an automobile accident, underwent a third operation last week at Booth Hospital and at this writing is slowly improving.

Lawrence Bruggeman and son of Covington were pleasant callers here Thursday. Mr. Bruggeman reported that another son had returned home from Tokyo, after being stationed there for several months.

Mrs. Frank Maurer, Mrs. Robert Maurer, Mrs. R. A. Hodder, Mrs. Raymond Combs, Mrs. Luther Smith, Mrs. William Jarrell, and Mrs. Pete Stephens attended a party at the home of Mrs. Ernest Ruppert, of Erlanger, last Friday evening.

NEW HOME TO BE ERECTED

Boone County will have another new modern residence and a new resident. Clarence C. Wolf, a prominent Newport insurance and real estate man, recently purchased several lots, totalling 15 acres, at Beacon Light on Highway 42. Mr. Wolf, who now resides in Park Hills, Covington, bought the acreage at the Guy Downs sale, which was advertised in The Recorder. The lots were part of the Jake Cleek farm.

BICKLERS RETURN HOME

Dr. and Mrs. W. E. Bickler of Route 42, have returned to their home after several days in Lexington, where they attended the wedding of Mrs. Bickler's daughter, Miss Carol Wolstenholme, who was married on June 2nd to Mr. Douglas Laughlin Lane of Mt. Sterling, Ky. After a wedding trip to Cuba, the young couple will reside in Mt. Sterling, where Mr. Lane is established in business.

JORDAN-MOORE

A wedding of interest to many Boone Countians was that of Miss Betty Louise Jordan to Eugene Moore in the Arlington Street Baptist Church, Akron, O., on June 7, 1947, performed by Rev. T. H. Binford, pastor, before a large group of relatives and friends.

The candlelight, double ring ceremony, performed at 7:30 p. m. before an altar of ferns, peonies, delphinium and gladioli, was preceded by sacred organ music rendered by Mrs. Emerson, with vocal solos of "Always" and "I Love You Truly" by Mrs. Clarence Brown, and "Because" and "The Lord's Prayer" by Donald Stevens.

The bridesmaids, Miss Betty Lou Chaton, cousin of the bride, Mrs. Ralph Darrah, cousin of the groom, Miss Norma Cochran and Miss Erma Richardson, were gowned alike in cornflower blue marquisette with matching gloves. They carried colonial bouquets of yellow roses, bandeaus of yellow ribbon and roses adorned their hair, and each wore pearl necklaces. The maid of honor, Miss Annabel Cottle was dressed in a yellow gown, which, like those of the bridesmaids was fashioned with sweetheart neckline, full skirt with bustle effect back and short puff sleeves. Her bouquet was of tea roses.

The bride, given in marriage by her father, was lovely in a gown of white candlelight satin, with full sweeping skirt and train, long sleeves and a sweetheart neckline. Her fingertip veil fell from a seed-pearl tiarra. A white orchid surrounded by gardenias formed her bouquet.

Leroy Moore served as his brother's best man. Ushers were Ervin Moore and Guy Thigpen, Jr., brother and cousin, respectively, of the groom, and James E. Brown and George Dunn. The groom and his attendants wore blue and blue-grey suits with white carnation boutonnaires.

Mrs. Jordan chose grey crepe for her daughter's wedding with white accessories, and wore a corsage of red roses. The groom's mother wore aqua crepe frock, also with white accessories, and had a tea rose corsage.

A reception followed at the home of the bride's parents, after which the couple left for a motor trip through the Northeast and Canada. The bride chose for her going-away garment, a suit of light brown and wore brown and white accessories.

Among out-of-town guests were Mrs. James Stephenson, Miss Norma Jean Stephenson, Mrs. Lillian Ryle, Mrs. M. C. Carroll, Miss Catherine Carroll, all of Boone County; Mr. and Mrs. Clifford Moore, of Cincinnati; and the bride's maternal grandmother, of West Virginia.

June Homemakers Schedule

The lesson for the month's meetings will be about health. It will include health facts about Kentucky and Boone County, also some suggestions about bettering conditions in the home and in the community. There will be questionnaires about the home and the community for the members to fill in, according to Mary Frances Matheny, assistant Home Demonstration Agent. Meetings are open to anyone interested in this lesson. All members are urged to attend.

CONSERVATION CONVERSATION

By J. C. Acree

Eroded land isn't good for fox hunting, according to Ross Chapman, Verona, Ky. Ross says his hounds will be hot on the trail and then Mr. Sly Fox will cross an eroded piece of land and the hounds can't track through this area. Ross says that Mr. Fox can go out in the center of this area, sit down and cross his legs and rest in peace. If the fox should go on across the eroded area, the hounds can pick up the trail on the other side.

Mr. Chapman is practicing soil conservation on his farm; only plowing the ridges on a long rotation and the hills only to reseed to grass after a year's cultivation. Soil tests are being made on each field and when these are treated as recommended and seed to grass with the mowing of the fields once or twice each year, a good sod will be developed and hill plowing will be a thing of the past. He plans on taking a ridge with the least slope and using it for a permanent tobacco patch. Mr. Chapman is a new cooperator with the Soil Conservation District.

"Terraces help us to get rid of onions in a fourteen acre field on our farm," says Shirley Ferguson, Union, Ky. She says that they were advised to row crop the field preferably to a crop that required the hoe. "After three years of this practice, the field became so poor that it laid idle for two years until we were advised to terrace the field and seed to grasses." "After two years the onions have disappeared" she says. The terraces held the water on the field rather than eroding the land and this gave the grass a chance to develop and the onions were smothered out. This field is yielding at least 2 tons of grass hay a pasture per year per acre. Figuring the hay at $20.00 per ton would be a net gain of $280.00 per year, for the field was a loss before because the cows had to be kept out of the field because of the onions.

Joe Dringenburg says the 1200 feet of terraces that were built on the hill across from his house is worth at least $500.00 to him. "This is the first year that I have had any grass to speak of on this field since I have been on the farm. Erosion is eliminated and I have a real sod on this hill now," says Joe.

Joe further says, "the concrete water trough that he put in on the spring development job, supervised by the Soil Conservation Service, is worth the cost of construction for the winter months just passed, because the cattle go direct to the trough built up on well-drained land rather than slipping and tearing the grass off the banks of the small branch that runs through the field. Then, too, this summer, the cattle will go to the trough rather than drinking out of mud holes in the branch. The spring development project is of more value possible to me than to some farmers because I have to let hogs run in the same pasture as the cows and by having the trough, hogs are kept out of the water that my cows drink."

JUNIOR CONSERVATION CLUB MEMBERS WILL VISIT SUMMER CAMPS

Between 1,200 and 1,500 Junior Conservation Club members from throughout Kentucky will participate in summer camps at Kentucky Lake and Dale Hollow between now and September 1, Earl Wallace, Director of the Division of Game and Fish announced.

Already some of the boys are enjoying the camp life on the banks of Kentucky Lake, this period having opened on June 1 and will continue there until June 22 when the camp site will be shifted to Dale Hollow where seven additional weeks of camping will be held.

The Junior Camping Program, under the supervision of the Organization Superintendent, Ed Adams, is a new project with the Division of Game and Fish and is being offered club members with the hope of teaching the boys to be better conservationists. During their one to two weeks stay at the camps the boys will be taught, under expert supervision, the game and fish laws of the State, compass reading, how to handle boats, shooting and casting, bird and tree identification. Swimming sessions, with skilled swimmers in charge, will be held each day. Camp games of all types have been provided for the boys, Mr. Wallace pointed out, and the boys will be taught how to play while learing more about conservation.

Boys from clubs in the First and Second Districts are attending the camp at Kentucky Lake, and those from the other seven Districts in the State will participate in the Dale Hollow excursion.

R. W. James, assistant to Mr. Adams, is in charge of both camps, while Tom Lewis, Field Supervisor of the Second District, assisted by Ed Ray and Horace Beard, Supervisors in the First and Second Districts, and Conservation officers and Club Counselors, are in charge of the Kentucky Lake program. In charge at Dale Hollow will be Winston (Winkle) Burke, assisted by Conservation Officers and Superintendents of the participating Districts and Club Counselors.

The Division is planning for camps in each district next year, so that the program will not be hampered by transportation difficulties.

WILLIAM H. MAY

Special, Frankfort, Ky., May 26 —William H. May, Franklin County farmer and former Commissioner of Agriculture today announced his candidacy for the Democratic nomination for Lieutenant Governor.

May, who was the party's nominee for Lieutenant Governor in 1943, stated: "I am highly appreciative of the honors conferred upon me by my party in the past and I feel confident that we shall restore our State government to the traditional and constructive leadership of the Democratic party. I am not aligned with any faction and will cooperate with whoever may be the party's nominee for Governor in promoting harmony and victory in November."

May, a native of Floyd County, is 39, married and has three children.

TILE DRAINAGE PAID

By using about $300 worth of drainage tile, George Pope of Harlan county changed what was once a fish pond into a field which last year produced 72 bushels of corn to the acre. Pope told Farm Agent Allan C. Davis that when he bought the farm 20 years ago, he caught 2-pound fish in some of the swampy places on the 14-acre field.

4,050 HOMEMAKERS ATTEND MEETINGS

More than 4,050 members of homemakers clubs convened at seven different points in Kentucky from April 19 to 26 to observe the 14th annual district meetings of the Kentucky Federation of Homemakers. Held at Lexington, Murray, Owensboro, Leitchfield, Frankfort, Harrodsburg and Paintsville, the meetings had as speakers Mrs. W. E. Nichols, Lexington, state president of the Kentucky Federation of Homemakers; Miss Myrtle Weldon, state home demonstration leader, UK College of Agriculture and Home Economics, and Mrs. Myrtle Labbitt, Detroit, radio editor. District chairmen of committees presented ideas for activities of clubs in civic affairs and for the promotion of friendship among rural women of the world.

Foot Comfort Specialist at—

PEOPLE'S SHOE STORE

PEOPLE'S SHOE STORE

814-816 Madison, Covington

When feet are permitted to pronate inwardly, the bony structure of the foot goes down, shutting off the nerve and blood supply in the bottom of the foot. When you cramp or choke the blood stream and slow up circulation, there is a lack of bone repair; chemical deposits, or waste matter form at the joints. Next inflammation sets in at these joints causing pain. That inflammation is often mistaken for rheumatism, arthritis and many other ailments. Altho when you cramp the blood supply you shut off the food supply to the nerves.

When nerves are impoverished, muscle tone is impaired because sensory nerves indirectly control motor nerves which in turn control the muscles. When muscles in the feet have lost their tonicity due to impoverishment of the nerves, feet are no longer subconsciously held in normal position.

Surgical shoes give support to the vital arches in the feet releasing cramped nerves and blood vessels to promote better circulation. Gradually as circulation improves, muscles grow strong and regain their tonicity.

With foot health improved the person feels better all over. Research has shown that no less than eight-seven diseases are indirectly caused by bad feet.

Don't take chances with your health, happiness, and peace of mind. With foot comfort you'll live longer and feel better.—Adv.

JUDAH'S APPROACHING DOOM

LESSON TEXT—Jeremiah 36:2, 3, 26-31; II Kings 24:1-4.

MEMORY SELECTION—The fear of the Lord prolongeth days; but the years of the wicked shall be shortened.—Proverbs 10:27.

The decline of a nation from strength and glory to weakness and shame is always a sad thing to contemplate. Still worse is the evident cause of such decay in the sinfulness of the people and their stubborn rejection of God's mercy and grace.

The religious reforms in Judah under Josiah were only temporary in their effect on the people; partly because of their own insincerity, and partly because Josiah was soon killed in battle. Yet God did not leave his wandering people without good counsel, for it was in those days that the great prophet Jeremiah ministered. He had been the helper of Josiah in his good purposes; now he continued to plead with Judah to submit themselves to God and to his will.

His efforts proved to be fruitless as far as Judah was concerned, for we see that

I. Judah Would Not Respond to God's Mercy (Jer. 36:2, 3).

God commanded his prophet to write down his words in order that the people might not only know the inevitable impending judgment, but especially be reminded of God's desire that they should turn from their evil ways and be forgiven.

One would have thought that they would have responded to such mercy with an immediate and grateful return to the Lord, but they did not.

Jeremiah, a unique man of great ability, was so tenderhearted that he has often been called the weeping prophet. Do not infer that he was a weak, emotional character, for he was strong in the Lord, and courageous in the face of rejection and persecution. He urged upon Judah the necessity of submitting to Babylon, to whom God had given power, and above all to the Lord, for a spiritual cleansing and revival.

Our second section brings before us the further sin of King Jehoiakim, who led his nation on to destruction. We see that

II. Judah Would Not Receive God's Word (Jer. 36:28-317).

At God's command Jeremiah and his scribe Baruch had prepared the scroll with God's Word upon it. One of the nation's leaders was moved by it, and through his urging, the scroll was brought to the attention of the king.

Jehoiakim, sitting before the fire, heard only part of it, and then in defiance of God he took a penknife and cut it up and burned it.

One cannot help but think of those in our day who call themselves modern thinkers, or liberals, who have also used their penknifes on God's Word. They cut out of the Bible everything they do not like, and offer the hungry people the stone of their own philosophies in place of the Bread of life. Think what their judgment will be!

God's Word is not so easily gotten out of the way! The prophet was commanded to rewrite the scroll, and in it to declare the awful judgment of God upon the one who mutilated his Word.

To try to destroy God's truth by fire and violence is as fruitless as to try to tear the stars from the heavens or to keep the sun from shining. The wicked leaders of a great nation have tried that once more in recent years, and they now lie dead for their sins, with the nation a subject people, broken and all but destroyed.

One wonders why those who profess to serve the Lord will engage in such activity, even as one wonders at Judah, a favored people of God, refusing to receive his Word.

God is not willing to give up, and now tries chastisement. But we see that

III. Judah Would Not Recognize God's Providences (II Kings 24: 1-4).

Jehoiakim had become the vassal of Babylon, but after three years he decided to try to throw off the yoke of his oppressor, Nebuchadnezzar. He was not able at the time to deal with the situation, and so he incited marauding bands from various other nations to harass Judah.

We see, however, that this came about at the commandment of God (vv. 2, 3). Evidently he was now using the distressing experiences of life to turn Judah back to him; but once again it proved to be in vain.

God does deal with men through what we call his providences, and these may include not only his mercies, but his chastisement. Trouble and sorrow may be God's means of leading us to the place of repentance and blessing.

What folly it is to disregard the hand of God in our daily lives, or to become embittered at the circumstances which are intended to bring us to God's place of blessing. Happy is the man or woman who, being reproved in this way, profits by the Lord's admonition (Heb. 12: 11).

KENTUCKY HUNTER FINED $300.00 FOR VIOLATION

A Kentucky hunter recently learned a $300.00 lesson about the Game and Fish Laws of his State. It all grew out of a shipment of dressed quail contrary to Kentucky Laws.

Pleading guilty to the illegal shipment of quail and also to violation of the possession limit, Oscar Arehart, 2021 Worth Avenue, Louisville, suffered fines totaling $275 plus $31.50 costs in Jefferson County Court. He was fined $100 on each of two counts of illegal shipment of birds, and $75.00 on one count of violating the possession limit.

Arehart was alleged to have shipped via air express 26 dressed quail to Ben Storey, Jr., of St. Paul Minn., late in February. State Game and Fish authorities of Minnesota confiscated the cold storage game when the recipient made inquiries concerning the length of time that he could legally hold them.

The possession limit on quail is 20, which is double the daily bag limit, and they cannot be legally transported by common carrier—only as personal luggage. Any game or furs that can be legally shipped must be represented as such by appropriate markings on the outside of the carton or cartons and also on the way bill of the carrier.

Seventeen farmers in Elliott county put about 100 acres of bottom land under cultivation by laying 27,000 feet of drainage tile.

Kottmyer Bros., who own and operate the ferry familiarly known as Anderson's Ferry at Constance have remodeled their boat (Boone No. 7) and converted from steam to Diesel electric power. They now have more space for trucks and cars, can load quicker and make quicker crossings. Many years ago when the grandfather, Capt. Chas. Kottmyer first owned the ferry it was run by horse power.

One of the outstanding social events of the season was the Junior-Senior prom sponsored by the P.-T.A. of the Florence school on Wednesday evening. The girls were beautiful in their colorful evening costumes of every hue. The highlight of the evening was the crowning of the Queen and King of the prom, who were Miss Wanda Dinn and Harold Zimmerman. Their attendants were Miss Jean Rose Baker and Robert Martin. The crown bearers were little Miss Diana Hopper and Albert Schneider.

Mr. and Mrs. Peter Hauntz, of Cincinnati, were Sunday guests of Mr. and Mrs. James Rogers.

Dr. and Mrs. T. J. Lovell, of Long Beach, Calif., are visiting friends in Boone County. Mrs. Lovell was formerly Lucy Russell. They have just completed an extensive Southern trip, visiting New Orleans and many other points of interest.

Arthur Tanner, Jr., was dinner guest at the home of Mr. and Mrs. Larry Aylor on Tuesday evening. Other visitors during the course of the evening were James Depenbrock and Dick Doud, of Erlanger.

A group of friends gathered at the home of Mrs. Irene Renaker on Tuesday afternoon for a surprise birthday party on Mrs. Minnie Dringenburg. Delicious refreshments were served to the following guests: Mrs. Katie Scott, Mrs. Eva Miller, Mrs. Fanny L. Scott, Mrs. Theresa McCrander, Joe Sanford, Elmer Corbin, Junior Tanner, Larry Aylor and the hostess, Mrs. Irene Renaker.

Mrs. Rebecca Adams is comfortably located in her new location in the home of Mrs. Irene Renaker.

Mrs. Lucy Russell-Lovell of Long Beach, Calif., was visiting Mrs. Virginia Carter and Mr. and Mrs Robert England one day the past week.

Mrs. William Elkin and young sons, Billy Paul and Donald Joseph were Monday evening guests of Mr. and Mrs. David S. Aylor and sons.

Mrs. Gustav Gebhard, Jr., and daughter Nancy Jane were guests of her mother, Mrs. Edward Taylor, of Erlanger on Wednesday. Mrs. Taylor has been quite ill.

Canning Directions Are Changed By UK

The Kentucky University bulletin on canning fruits and vegetables has been revised according to Mary Hood Gillaspie, Home Demonstration Agent. Printed supplies will not be available until the middle of July.

For the past three years, the Bureau of Nutrition, Washington, has been doing extensive research on time of processing canned vegetables. In some vegetables the time has been shortened while for others the time has been increased.

Following is a canning table for early vegetables.

Asparagus—Wash, grade for size, cut in 1 to two-inch lengths, precook 2 to 3 minutes, pack in hot jars, cover with boiling liquid in which cooked, add 1 teaspoon salt per quart, seal (see directions), process, complete the seal. The processing time in steam pressure, 10 lb. is: Quarts, 55 minutes, pints 25 minutes. The time in a hot water bath is two hours.

Whole Beets—Can only small, tender beets. Leave 1 to 2 inches on beets. Wash, boil until skins slip (about 15 minutes), peel, pack in hot jars, cover with boiling liquid in which cooked and add 1 teaspoon salt per quart, seal (see directions), process, complete seal. The processing time in steam pressure of 10 pounds is for quarts, 55 minutes; pints 25 minutes. The time in a hot water bath is 2½ hours.

Sliced Beets—(Beets other than baby beets), wash, peel, dice or slice, boil 5 to 8 minutes, pack in hot jars, cover with water in which cooked, add 1 teaspoon salt per quart, seal (see directions) process, complete the seal. The processing time in steam pressure, ten pounds, is quarts 25, pints, 20. The time in a hot water bath is 150 minutes.

Peas—Select young, tender peas, shell, wash, precook 3 to 5 minutes, pack in hot jars, cover with liquid in which cooked, add 1 teaspoon salt per qt., seal (see directions), process, complete the seal. The processing time in steam pressure in pints is 40 minutes. The time in a hot water bath is 3 hours.

The Home Demonstration Agent's office suggests that this schedule be clipped from the paper and kept in the kitchen.

BELLEVIEW W. M. S.

The regular meeting of the Woman's Missionary Society was held at the Church Thursday afternoon. Twelve members answered to roll call including Mrs. Burkett, who was gladly enrolled as a new member.

The meeting was called to order by the president, Bessie Ryle. After the watchwords were repeated and several songs were sung by the group, Christena Kirtley gave the Bible study, "A Song of Universal Religion." The topic for the month "American Negroes" was discussed by the following members: Anna Cason, Laura Clore, Clara Hensley, Helen Rogers, Laura Rogers, Zora Scott and Mrs. Burkett.

Carrie Louden read the poem for the month and prayers were offered by Bessie Ryle, Laura Rogers, Mrs. Burkett and Mae Sandford. After the business session we were dismissed with prayer by Clara Hensley.

The next meeting will be at the church July 3rd for an all-day meeting.

Leona Marshall, Reporter.

BURLINGTON ROAD HOMEMAKERS

The Burlington Road Homemakers met at the home of Mrs. Joe Dringenburg on May 8th with nine members present. Everyone enjoyed a delightful covered dish luncheon at the noon hour.

The afternoon session was spent on the lesson of the day "Finishing Our Slip Cover." Mrs. Robert King gave a reading from "Mama's Bank Book" which was enjoyed by the group.

The next monthly meeting of our club will be held on June 12 at the home of Mrs Paul Ammon.

GUNPOWDER HOMEMAKERS

The May 21 meeting of the Gunpowder Homemakers' Club was held at the home of Mrs. B. M. Stevens, and the last lesson on "Slip Covers" was given by Mrs. Virgil Kelly and Mrs. Gladys Shull. It is hoped that every member can benefit from these lessons when making their own slip covers.

We were very glad to have Miss Matheny meet with us and to tell of the new program for next year, and of other dates of interest.

Mrs. Mabel Sebree gave a report on the district meeting which she attended at Lexington.

We had ten members and one visitor present.

Our next meeting will be at the home of Mrs. C. Ratcliff on June 18. We are very glad to have anyone interested meet with us.

Publicity Chairman.

From the Editor's Desk

The Philosophy of Grab

In recent weeks a number of highly-publicized cuts in the costs of certain commodities have been made. Business has shown a disposition to cooperate with the President's request for lower prices, and the retailers of the country have been especially aggressive in their organized efforts to protect the consumers' buying power. Some have voluntarily absorbed wholesale price increases.

However, so far as the average family is concerned, there certainly has been no appreciable change in the cost of living. No price reductions of consequence have taken place in the basic commodities which must be bought from day to day.

Furthermore, distasteful as the fact may be, the cost of living will not go down to any extent so long as a philosophy of grab characterizes our national life. Millions of Americans are working on the theory that they can get more while they do less. This ruinous theory is being followed by large segments of organized labor. Wage rates in all industry are far above any previous level. Yet industry after industry reports that worker productivity is down ten, fifteen and twenty-five per cent from the prewar level.

The philosophy of grab appears in management as well. There are undoubtedly businesses which could reduce prices. The sooner competition forces these enterprises into line or out of business, the better off the whole country will be.

Government itself, through its fiscal policy, will finally resolve the question of inflation one way or the other. Waste and extravagance here are a constant threat to our national stability and the value of the dollar.

Too many of us seem to think that it is up to the other fellow to fight inflation and bring prices down. The unpalatable truth is that all of us, regardless of our particular place in the scheme of things, have a direct responsibility. The philosophy of grab is inflation's most potent ally.

The Forces of Freedom

It is estimated that there are more men under arms now than shortly before the Second World War. Save in the Western Hemisphere, there is no real peace anywhere on earth. Violence, disorder, oppression—these are the symbols of the postwar world. And, as inevitably occurs in an age of suspicion and unrest, the liberties of peoples everywhere are being limited and destroyed.

The position of the United States in this dark and dangerous time is clear. We, with a handful of allies, none of whom are economically or militarily powerful, are the last citadel of individual freedom. With few exceptions, the English speaking world alone still maintains and respects the basic rights of man—and even in that world there are ominous signs of weakening. The American government, in its dealing with the other powers, is the leader of the forces of freedom against the forces of darkness and the total state.

The duty of the United States is equally clear. To put it in a phrase, this duty is to maintain our strength. And strength can be divided into two different and distinct classifications. There is military strength—the strength of force. Much as Americans hate war and thought of war, we must maintain this, in the interest of self-preservation.

Second and still more vital, there is the kind of inner strength which only a free people can possess. This is the heart and soul of a nation and its institutions. It is a nation's greatest resource in time of trial. And it rests upon the proposition that the rights of the individual are inviolate. So long as we have this, we shall be ready to meet whatever the coming years bring.

FINAL PLANS FOR REA MASS MEETING BEING DRAWN

Members of Boone County's Conservation Clubs will enjoy a 7-day camping trip at Dale Hollow Lake, beginning June 28 and continuing until July 5th, it was announced this week.

Members of the Burlington and Hebron Conservation Clubs are requested to contact Edwin Walton for reservations as soon as possible in order that plans can be made for transportation.

The camping trip is sponsored by the State Division of Game and Fish and those attending will be under the supervision of experienced men. A physician will be on the ground at all times to care for any boy needing attention.

Features of the camping trip are boating, fishing, swimming and nature study. Competent instructors and supervisors will be in charge of all programs.

Shelters, meals and utensils will be furnished those attending. Meals will be served for $1.00 a day or less, according to reports from officials. Youths desiring to take their own tents may do so. It will be necessary for each boy attending to furnish his own blankets and fishing equipment.

This is an unusual opportunity for Junior Conservation members to enjoy a 7-day vacation at a very small fee, on a lake well stocked with fish. Don't forget the date and be sure to make your reservations early.

Walton-Maurer

Miss Sylvia Corinne Walton, daughter of Mr. and Mrs. George Walton, Jr., and Ralph G. Maurer, son of Mrs. Josie Maurer, of Burlington were quietly married Monday, June 16, 2:30 p. m. at the home of Rev. Eldon Sidles, pastor of First Baptist Church, Georgetown, Ky.

Attendants were Miss Margie Stephenson, Union, Ky., and Mr. Edwin H. Walton, of Hebron.

The bride wore a white dress with white accessories and a corsage of pink roses. The maid of honor wore a blue dress with a corsage of white roses.

Both the bride and groom are well known throughout the county, both having been employed during the past school term as teachers in the Burlington school. Both are graduates of Burlington school and the groom is a graduate of Eastern State Teachers' College.

The bride is attending Georgetown college for the summer term and the groom is employed in Lexington for the summer. During the summer months they will be at home to their many friends at Wellington Apartments, East Main St., Georgetown, Ky.

Mr. and Mrs. Maurer will return to Burlington prior to opening of school in September where Mr. Maurer has been employed as a teacher in the high school here.

The Recorder joins their many friends in wishing them much happiness and success in their walk through life together.

Napier-Boh

Ella Mae Napier, daughter of Mr. and Mrs. Nick Napier, of Erlanger, and Leo Boh, son of Mr. and Mrs. Louis Boh, of Florence, were united in marriage with a double ceremony at St. Henry Church, May 17.

The bride wore a white satin gown with a long veil and carried white lilies. She also wore a string of pearls, a gift of the groom. The groom wore a gray suit. The maid of honor, Mrs. Lou Sieve, wore a yellow taffeta dress and carried pink carnations. Larry Sieve was chosen at best man.

The bridesmaids were Miss Eleanor Napier, sister of the bride, who wore pink taffeta and carried pink carnations, and Mrs. Gertrude Webster, sister of the groom, who wore blue taffeta and carried pink carnations.

The ushers were George Napier brother of the bride and George McHugh.

The bride was given in marriage by her father.

The bride's mother, Mrs. Nick Napier, wore gray with a corsage of gardenias and the groom's mother, Mrs. Louis Boh, wore navy blue with a corsage of gardenias.

The groom served forty-four months with the U. S. Air Corps, with fourteen months in Japan.

The young couple left for a brief honeymoon at Renfro Valley and are now at home at 603 Dixie Highway, Erlanger.

PREACHER SCIENTIST

Dr. Irwin A. Moon, of Moody Bible Institute, seen above in one of his "Sermons from Science" demonstrations, is the producer of the sound-color film "The God of Creation" to be shown at 7:45 p. m. Friday, June 27 at the Florence Baptist Church.

Guest Speakers Will Be Heard At Florence

Mr. Henry M. Zimmerman, president of the Johnston Paper Company, of Cincinnati will be the guest speaker at the Florence Methodist Church, Sunday, June 22nd at the 11:00 a. m. service. Mr. and one of the outstanding laymen Zimmerman is a very fine speaker of the Methodist Church.

Sunday, June 29th the Hon. Lester M. Ackman, of Williamstown will be the guest speaker. Mr. Ackman is one of Kentucky's leading attorneys and is the president of the Covington District Laymen's group.

Dr Robinson feels that both he and the church are fortunate to have these splendid laymen to supply the pulpit during the vacation time of Dr. and Mrs. Robinson.

Miss Hope F. Conner will be the speaker at both evening services on the above dates.

East Bend Baptist Church Will Hold Bible School

Carl J. Wainscott, pastor of East Bend Baptist Church announces Bible School beginning June 23 and continuing through June 28 from 9:00 to 11:00 a. m.

Cars will travel all roads leading to the church. On Route 2 a car will start at Waterloo, on lower river road at Normansville, upper river road at Rabbit Hash and at Gunpowder Hill, at Mr. Marsh's.

Parents are requested to have their children ready by 8:00 a. m.

Returns From Southern Trip

Leland Rogers Clore, of Belleview, student of the Bowling Green College of Commerce, Bowling Green, Ky., has returned from a recent trip to Thomasville, Ga., where he was the guest of Miss Juliette Smith. During mid-term vacation there he also visited Wakulla Springs, Fla.

JITNEY SUPPER PLANNED

A Jitney supper will be given by the Ladies' Auxiliary of the Florence Christian Church, June 21 at 5:30 p. m. at the parsonage in Florence. Bring a covered dish (potato salad, slaw, baked beans, corn pudding) and enjoy a social hour.

DISTRICT FOUR-H CAMP JULY 21-28

CLUB MEMBERS BETWEEN AGES OF 10 AND 20 ARE ELIGIBLE TO ATTEND—JULY 15 DEADLINE FOR APPLICATIONS.

The district 4-H Camp will be held from July 28-31 at Camp Bingham, according to the County Extension office.

Club members between the ages of ten and twenty are eligible to attend. The County quota is twenty-five members, so those who apply first will have the opportunity to attend.

The fee for camp will be $6.00 for each member.

Club members who wish to attend camp should apply at the County Agent's office as soon as possible. July 18 will be the deadline for applications.

LEAGUE LEADERS TIGHTEN HOLD

ON FIRST PLACE POSITION BY DEFEATING BURLINGTON 3-2—BULLITTSVILLE AND PETERSBURG VICTORS.

The league-leading Sand Run nine strengthened their hold on first place in the Boone County Sunday School League by defeating Burlington 3 to 2 in a tight game at the Sand Run park.

Other Saturday afternoon results showed Bullittsville and Petersburg moving into a tie for second place by virtue of wins over Florence and Walton-Verona, while East Bend also moved up a notch in the standing by trimming Bullittsburg 13 to 5.

The hardest fought contest of the day and probably of the season thus far, was played in the battle for first place between Sand Run and Burlington. The game was tied at 1-1 at the end of eight innings. Burlington pushed over a score in the first of the ninth only to have Sand Run come back in their half and chase over two runs on three singles, a hit batsman, and an error. There were no extra base hits in the entire game with the victors getting six singles to five for Burlington. Judy was on the mound for Sand Run, relieved by Goodridge in the ninth, with Blaker behind the plate. Jimmy Smith hurled for Burlington, and Bob Patterson was his receiver.

In winning over Florence, Bullittsville had 13 runs on 18 hits, while Florence got four runs and nine hits. The winning battery was Edwards and Kenton with Utz and England forming the Florence combination.

The Petersburg boys had a field day at Verona as they scored 24 runs on 27 hits with M. Campbell and S. Campbell each getting four safeties while White and Carver each collected three. The Walton-Verona team got 4 runs on 6 hits, Marvin Campbell was the winning pitcher with Ryan the loser.

The totals for East Bend in their victory were 13 runs on 18 hits, while Bullittsburg collected 5 runs on 5 hits. The East Bend moundsman was Woods with Black behind the bat. The Bullittsburg battery was Holliday and Holliday.

Planning Meeting Set For Friday

Miss Dorothy Threlkeld, clothing specialist, University of Kentucky, will meet with five homemaker leaders Friday to plan the clothing program for next fall. Specific plans for a two-month course on plain sewing will be made at the Florence Town Hall, 3:00 p. m. June 20th, according to Mary Hood Gillaspie, Home Demonstration Agent.

The county president of homemakers, county clothing chairman and a few leaders from various parts of the county have been asked to attend this meeting.

Class Party Held

The graduating class of 1941 of Hebron School held their class party Saturday night at the home of one of the graduates, Mrs. Thelma Whitefoot. Those present were Mr. and Mrs. Henry Gay of Erlanger; Mr. and Mrs. George Sprague, of Taylorsport; Mr. and Mrs. Jimmy Slade, Hebron; Mr. and Mrs. Melvin Aylor, Idlewild; Mr. and Mrs. Mel Rienkie, Bromley; Mr. and Mrs. George Beacom, Oakley, Ohio; Mr. and Mrs. M. Rodamer, Hebron; Mrs. Mary Moore, of Illinois and the host and hostess, Mr. and Mrs. John Whitefoot.

A splendid evening was enjoyed by the group and it is hoped that all twenty-five graduates will be present next year.

MONTHLY SUPPER PLANNED

The Richwood Presbyterian Church is having the first of their monthly supper this Thursday, June 19 at 8 p. m. All members and friends of the Richwood Church are invited to join in the fellowship and fun. Bring a covered dish, the family and be prepared to have a good time.

Two Draw Fines On Drunken Driving Charges Last Week

Roy 'Potette, Hot Springs, Ark., was arrested Saturday by Patrolman Robert Gordon on a charge of driving a car while under the influence of alcohol. He was arraigned in Judge C. L. Cropper's Court Saturday afternoon and fined $100.00 and costs.

Opal Cavis, London, Ky., was also fined $100.00 and costs on a similar charge, being arrested Friday by Patrolman Gordon. Both Cavis and Potette were placed in Burlington jail pending payment of fines.

Fish And Game Club Will Meet Tonight

The Boone County Fish and Game Protective Association will hold its regular monthly meeting at the club house, tonight (Thursday) at 8:00 p. m, according to Wendell Easton, president.

Refreshments will be served by the committee in charge. All members and friends are urged to attend.

WM. GOODRIDGE DIES AT AGE 86

HAD OPERATED A GENERAL STORE AT HEBRON FOR THIRTY YEARS—SERVICES HELD TUESDAY.

William Goodridge, 86, prominent Hebron resident, died Saturday at his home following a short illness.

Mr. Goodridge had operated a general store in Hebron for thirty years, was a director of the Hebron Deposit Bank and President of the Hebron Building and Loan Association. He was a member of the Sand Run Baptist Church for 63 years and was an active member of Hebron Lodge No. 757, F. and A. M.

He is survived by his widow, Mrs. Hattie Tanner Goodridge, Hebron; two sons, Elmer Goodridge, Hebron postmaster and Chester Goodridge, superintendent of Hebron High School and coach of the basketball team; a brother, Manlius Goodridge, Hebron; two grandchildren and two great-grandchildren.

Funeral services were held Tuesday at 2:30 p. m. at the Hebron Lutheran Church, with burial in Hebron Cemetery.

Chambers and Grubbs, Florence funeral directors were in charge of arrangements.

Mrs. Marie J. Coyle

Funeral services for Mrs. Marie J. Coyle, wife of Clifford Coyle, of Florence were held at 2 p. m. Saturday at the Florence Christian Church. Burial was in the Florence Cemetery.

Mrs. Coyle died Wednesday at her home after a short illness. She was 44 and had lived in Florence thirty years, after moving there from Camden, N. J.

Besides her husband, she is survived by three sisters, Mrs. Edna Cody, Florence; Mrs. Stella Schneider and Mrs. Helen Carpenter, both of Cincinnati, and three brothers, John Schram, Florence; Jim Schram, Newport, and Fred Schram, Cincinnati.

Ralph Stith, Florence funeral director was in charge of funeral arrangements.

William Reeves

William A. Reeves, a lifelong resident of Boone County, died Saturday at his home in Constance, after a long illness. Mr. Reeves, who was 65 years old, had been employed for many years as a maintenance man with the Cincinnati Gas & Electric Co.

He is survived by his widow, Mrs. Ella Bogenstein Reeves, and four sons, Jesse, Earl, William and Verne Reeves, all of Constance; and two sisters, Mrs. Nora Hankins, Constance, and Mrs. Louise Fox, Cincinnati.

Funeral services were held at 2:30 p. m. Tuesday at the Catherman funeral home, Ludlow. Burial was in Constance Cemetery.

Rev. R. A. Johnson and Miss Geraldine Yelton left Monday morning for Lee County, Ky., where they will spend the next two weeks conducting a Daily Vacation Bible School and revival services.

ELEVEN MEMBERS ATTEND 4-H WEEK

HELD AT UNIVERSITY OF KENTUCKY—DAVID KING OF WALTON WINS STATE CHAMPIONSHIP HONORS.

Eleven 4-H Club members attended 4-H Week at the University of Kentucky, held June 9-13, according to the County Extension offices.

Betty Hood, Florence, participated in the individual home economics demonstration contests and received a white ribbon for her demonstration on "Ironing a Shirt." Joyce Vice, Burlington, received a red ribbon in the canning judging contest; Marlene Morith, Florence, white ribbon in the style revue; Flora Mae Johnson, Constance, white ribbon in foods judging; Mary Bess Burns, red ribbon in clothing judging.

David King, Walton, won the state championship award for his individual demonstration on "Production of Clean, Healthy Milk." David also received the Alpha Zeta award for being the outstanding 4-H Club boy in attendance at 4-H Week.

Other members who attended were Ralph Ginn and Bill Crowley, Constance; Finley Jacobs, Florence; H. R. Forkner and Barbara Norris, Burlington.

Scholarships for Boone County members were sponsored by the following:

Burlington Locker Plant, Boone County Farm Bureau, Geo. W. Hill, and Co., J. R. Coppin Co., Sears, Roebuck, Early and Daniel Co., and Dearborn Mills.

Edwin Walton Granted Pilots License Last Week

Edwin Walton, principal of Burlington high school was among seven recruits receiving pilots' licenses last week in ceremonies at the hangar of the Boone County Airlines at the Greater Cincinnati Airport, near Hebron.

Paul Erickson, airlines president and other company officers officiated at the ceremonies.

"Skeets" as the new pilot is known to his many friends in the county, received his training at the new airport, and soloed several months ago.

ACA Not Issuing Orders For Limestone

Farmers of Boone are notified that the ACA of Burlington is not issuing orders for limestone at the present time, and any farmer can contact any limestone dealer and buy his lime on commercial basis.

BURLINGTON UNDEFEATED

IN BOONE COUNTY LEAGUE—DEFEAT PETERSBURG BY 4-0 COUNT SATURDAY—BOB AND GENE AND CONSTANCE WIN.

Burlington remains undefeated in the Boone County Saturday afternoon league, defeating Petersburg 4 to 0. Gulley on the hill for the winners was never in trouble at anytime, holding Petersburg to five hits and the boys really played the game as it should be played.

The Clore brothers, Gulley brothers and Ben brother made up two-thirds of Burlington's line-up with Roscoe "the Nipper" Akins and a little help from two of the boys from Belleview, making it possible to put nine men on the field. "Butch" Sebree, the old faithful was laid up with the flu and unable to play.

Burlington will invade the Union stronghold Saturday, and with manager Mike Yealey at the helm of the Union boys, Burlington might have tough sailing.

Bob & Gene's youngsters met Belleview on the losers park and emerged on the long end of 8-1 count. These youngsters are going to be tough and Bob Endes seems to be getting just a little cocky. Good luck, Bob.

Constance won over Union 9 to 7 thus breaking their losing streak, and Red Lane now says, "come, on, we are ready."

Games Saturday

Burlington at Union.
Bob & Gene at Petersburg.
Belleview at Constance.

BURLINGTON W. M. S.

The regular monthly business and program meeting was held at the church Wednesday afternoon with ten members present.

Mrs. McBee, president gave the devotional message, "A Song of Universal Religion" based upon the 96th Psalm.

The topic for the month, "American Negroes," was discussed by the following members: Miss Estelle Huey, Ruth M. Kelly and Mrs. Walter Brown. Mrs. Aline Bradley was in charge of the program.

After a brief business session, conducted by Mrs. McBee, the Society adjourned until next meeting, July 9th.

Publicity Chairman.

Notes and Comments

From the Editor's Desk

Two Kinds of Government

There are two, and only two forms of government in the world. One is based on the proposition that the sole reason for any individual's existence is to serve the state. The other is based on the completely opposed philosophy that the purpose of government is to promote and protect the rights, freedoms and liberties of the individual.

All governments, regardless of what they may call themselves, fall squarely into one of these two classifications. And the titanic struggle for power that is now engaging the entire civilized world is the result of the enormous differences between the two concepts.

It is not an exaggeration to say that the United States is the last powerful state which holds that the right of the individual to live his life as he chooses is the most basic and precious of all rights. This, essentially, is the principle which makes all our institutions—free enterprise, representative government, freedom of speech and press and religion—possible. History has proven a thousand times that the destruction of this right is followed by the destruction of all other rights. The totalitarian state—whether it calls itself socialist, fascist, communist, or anything else—invariably ends in oppression. The kind of government which controls the economic life of a country, sooner or later must control all other phases of life. If it tells a man what he must do, where he must work and who he must support, it will also tell him what he must say and think.

The American people must never forget that freedom must be eternally defended. If we are to maintain the individual's freedom to speak his conscience, without fear of the state police, we must maintain all the liberties upon which a free society depends. Those who temporize with freedom always lose it.

A Large Order

Soviet Russia's "Iron Curtain," according to some reports, is mainly a defensive device. Apparently there is a genuine fear that if the misgrable millions of Europe and Asia could glimpse the luxuries enjoyed by the masses in the capitalistic United States, the cause of communism would have tough sledding. Piercing the Iron Curtain with the story of what politically free men can do for themselves, is a problem that is occupying much thought these days—and the expenditure of a lot of the taxpayers' money.

Against this background of near frustration, one positively encouraging note appears. A group of American oil companies has introduced an inspiring example of American life through large areas of the Middle East, by development of Arabian oil. The importance of this move to develop the resources of Arabia, cannot be overestimated. As Fortune Magazine says: "If those resources are developed with foresight and with vision and with a new regard for the 50 million people of the area, then a . . . hopeful prospect emerges. These are immense stakes; and by one of the great ironies of history the issue will be decided not primarily by the United States government, not by the British foreign office, not by the planners, but by the forces of corporate initiative and corporate resources.

"As ambassadors, the American oilmen have no easy role, but if played successfully, it will be a momentous one. Their business in the Middle East pits free enterprise against the wiles and propaganda of the communists; American democracy against totalitarian authority. The results of the test will determine the decision of the 50,000,000 Middle Easterners—whether it leaves them still in poverty, chaos and serfdom, or whether it brings them orderly progress and a decent way of life in which the seeds of democracy can sprout."

This is a large order. But there are strong indications that American enterprise will measure up to the responsibility circumstances have thrown upon it.

Three Injured in Crash Early Monday

Three colored persons were injured early Monday morning when the car in which they were riding crashed in a tree 1½ miles south of Florence on U. S. 25.

The car, a 1947 Ford owned by Safety Auto Rental, Inc., Ft. Wayne, Ind., was driven by William Anderson who suffered bruises to his leg and body. Others injured were Patricia Babb, right leg fracture; Allan Callan, bruises and cuts. Betty Walton, another occupant of the car escaped injury. All were from Ft. Wayne, Ind.

Deputy Sheriff Wendell Easton was called to the scene of the accident and assisted Ralph Stith, in removing the injured to St. Elizabeth Hospital for treatment.

Utopia Camp Scheduled For August 1, 2 And 3rd

The district Utopia Club Camp is scheduled to be held at Camp Bingham August 1st, 2nd and 3rd, according to the Extension office.

Seventy-five Utopians must attend before plans for the camp will be definite.

All members of the Boone County Utopia Club who expect to attend should make reservations at the County Agent's office immediately.

4-H Judging Team To Receive Training

The Boone County 4-H dairy judging team will go to Lexington on July 2nd to receive special training in dairy cattle judging, according to Bill Davis, County Agent.

The team will receive further training during the summer months and participate in judging contests at the District and State Fairs.

Members of the team will be selected on the basis of scores made in the dairy judging contest at Spring Rally.

MID-SUMMER P.-T. A. MEETING

All P.-T. A. members and parents of New Haven school are urged to attend the mid-summer meeting to be held Tuesday, July 1st at the school auditorium. Come and bring a covered dish, as will be an all-day meeting. Members are looking forward to a social visit during the morning and noon hour and a business session to be called at 1:30 p. m.

Plans and recommendations for the coming school year will be made. If you want a better school year, come bring your problems, and suggestions to this meeting. The young people of the school urgently need our support in securing a better education.

JUNIORS TO ENJOY DALE HOLLOW TRIP

PLANS DISCUSSED AND PROGRAM OUTLINED AT SENIOR CLUB MEETING HELD LAST THURSDAY.

Members of Hebron and Burlington Junior Conservation clubs will enjoy a seven-day camping trip at Dale Hollow, beginning June 28 and continuing to July 5th, according to announcement of the State Division of Game and Fish.

Plans and the complete program was outlined at the Boone County Fish and Game Protective meeting held Thursday night of last week. Stanley Shelton, District Supervisor of the State Fish and Game Division and Edwin Walton, who will supervise the local boys at Dale Hollow gave brief talks, concerning the camping trip.

Those participating in the outing will enjoy fishing, swimming, boating and woodcraft. All phases of the week's program will be under expert supervision, and a physician will be on the grounds at all times to care for anyone needing attention.

A building which will be used for sleeping quarters will be available to those who do not care to take their own tent. Boys planning to attend will be required to furnish their own blankets and fishing tackle. Meals will be served at $1.00 per day.

This outing is for Junior Conservation members only, and members will be required to present their membership card when making application for reservations.

LEAGUE LEADERS HOLD POSITIONS

IN SUNDAY SCHOOL BASEBALL LEAGUE—BURLINGTON LOWERED TO FIFTH PLACE BY DEFEAT SATURDAY.

The league-leading teams maintained their positions in Saturdays games in the Sunday School Baseball League. The only change in standing was when East Bend moved into fourth place ahead of Burlington, who held that spot last week.

The Sand Run nine trounced the last place Florence team by the score of 17 to 3. Sand Run had seventeen runs on twenty-seven hits while Florence gathered ten safeties off the offerings of Goodridge, the winning hurler. Judy was behind the bat for Sand Run with Utz and Brooks forming the Florence battery.

Petersburg remained in a tie for second place by nosing out Bullittsburg in a twelve inning contest that was hard fought all the way. The winners had seven runs on thirteen hits, while Bullittsburg collected six runs and sixteen hits. Dick Gaines, of Bullittsburg hit a home run in the eleventh inning. Campbell was the winning hurler, with Carver behind the bat. Holliday and Hodges formed the combination for the losers.

Bullittsville emerged a 7-6 victor over Burlington in a loosely-played contest. Chester Edwards was the Bullittsville hurler with Kenyon and Hogan behind the bat. Jimmy Smith was on the mound for Burlington and Bob Patterson did the catching. Hogan and Edwards hit homers for the winners.

The report of the East Bend and Walton-Verona game was not phoned in but we have been informed that East Bend won by the score of 6 to 4 with Woods the winning hurler.

Masonic Meeting Set For Thursday Night

Burlington Lodge No. 264 F. & A. M., will hold its regular meeting at the hall in Burlington, Thursday night, June 26th at 8:00, with Wilbur Denniston, Senior Warden in charge.

Practice in the E. A. degree will be held following the regular business meeting, and all members of the degree team are urged to be present at this time.

BIRTHDAY SURPRISE

Mrs. Kate Tupman, of Erlanger was agreeably surprised when her children, grandchildren and great-grandchildren assembled in Devou Park, June 14 to join in the celebration of her 89th birthday. A delicious dinner was served consisting of many delicacies including four birthday cakes decorated. Mrs. Tupman is the mother of three children, Mrs. Alice Kenyon, of Constance, Vernon Tupman, of Hebron and the late Wm. Tupman.

We join in wishing her many more happy birthdays.

BAKERY SALE

The ladies of the Presbyterian Church, Union, will conduct a bakery sale on Saturday afternoon, June 28th, at the church room. Everyone invited.

Colored Club Member Attends Conference

Eugene Webb of the Burlington Colored 4-H Club attended the Rural Youth Conference, June 16-20 at Kentucky State College, of Frankfort, according to the Extension office.

This was the sixth annual conference for Negro 4-H youth and corresponds to 4-H week recently held at the University of Kentucky.

Wallace Strader, club leader, also attended the conference.

The educational program for boys consisted of tobacco grading, egg grading, poultry culling, farm pests, home electric repairs, seed identification, preparing vegetables for market and rural plumbing.

71ST MILESTONE PASSED

This issue completes the 71st year of The Boone County Recorder—seventy-one years of service to the residents of Boone county and adjoining territory.

There have been times during these 71 years that the going has been rough, while again there has been easily sailing. However The Recorder has weathered all storms for the past 71 years, and it is our sincere hope that it will weather the storm for many, many more years.

Although the present editor has been in charge only a matter of approximately fourteen years, he wishes to express his sincere thanks to the supporters of the paper for the entire period and especially thanks those who have made it possible for the paper to make such rapid progress during his ownership.

You have been faithful supporters during the past and it is our sincere hope that we may merit your support in future years.

Attend Bankers' Meeting

A. B. Renaker, president of the Peoples Deposit Bank and John Conner, cashier of Hebron Deposit Bank left by plane Wednesday afternoon for Louisville to attend the State Bankers' Conference. They will return home Friday by plane.

Neither Mr. Renaker or Mr. Conner had enjoyed an airplane ride prior to this time.

VETS AND WALTON IN WIN COLUMN

VETERANS DEFEAT FATS CAFE, WHILE WALTON TRIMS SILVER GROVE—ALL STARS SUFFER DEFEAT.

The Boone County Veterans and Walton held a second place tie in the Northern Kentucky Semipro Baseball League, the result of victories in Sunday games. Boone All Stars, however were not so fortunate in their game with Hucks Cafe, suffering a 7 to 4 defeat.

Behind the capable twirling of Dutch Reibling the Boone County Veterans scored a hard-fought 4-3 victory over the Fats Cafe nine at Florence. Reibling allowed only eight scattered hits to the visitors, while striking out nine. Urlage was on the mound for the losers giving up seven hits and striking out seven.

Walton trimmed the Silver Grove nine Sunday by a 12-2 count at the Walton park. Elmo Steffon, on the hill for Walton, allowed only four hits, while Jenkins and Pelle on the mound for Silver Grove gave up sixteen hits.

The Boone County All Stars suffered a setback at the hands of Hucks Cafe on the Petersburg grounds. The final score was Hucks Cafe 7, Boone All-Stars 4. Deck offered them up for the locals, allowing 13 hits, while Jim Theiss and Jim Conner hurled for the winners, allowing 11 hits.

Workers Given Praise

Too much praise and appreciation cannot be accorded Rev. L. M. Hamilton, pastor of the Sand Run Baptist Church in Francesville, and his willing helpers, for the work and interest manifested in the Bible study held there for the past two weeks, culminating in a splendid program Friday evening.

Those who were privileged to attend, following each class step by step, could not fail to realize the effort and work involved in such an undertaking.

May other churches and leaders emulate this much needed work of spiritual uplift, health, the crafts, etc., conducive to good citizenship.

A Correction

In last week's issue of The Recorder we carried an item under the heading "Edwin Walton Granted Pilots License Last Week." This item was in error. The name of Edward E. Walston, of Petersburg, Ky., should have been carried instead of Edwin Walton.

Mr. Walston received his pilots license with a number of other students at ceremonies held at the new airport several days ago.

Mr. and Mrs. Robert Utz spent Saturday night and Sunday visiting relatives in Louisville.

110 ENROLLED IN CANNING PROJECTS

IN BOONE COUNTY 4-H CLUBS—ST. PAUL'S HAS HIGHEST ENROLLMENT WITH NEW HAVEN AND HAMILTON FOLLOWING.

The total enrollment in the 4-H canning project in Boone County is 110. St. Paul's has the highest enrollment with New Haven and Hamilton having the next highest, according to Mary Frances Matheny, Assistant Home-Demonstration Agent.

Some 4-H Club members have already begun working on their projects. Those in their first year can 20 quarts of fruits and fruit juices, while second year can 20 quarts of tomatoes. Third year can 40 quarts vegetables, while the remaining 4 units can choose between meats, relishes and pickles, jellies, jams and marmalades, or planning and canning the family budget.

Even though the season has been late this year, most of the 4-H canning project members plan to show some of their canned products at the 4-H and Utopia Fair to be held August 15 and 16th.

Homemakers To Attend District Meeting June 30

A training meeting of the county chairmen of the Homemakers Club in the North Blue Grass District will be held Monday, June 30, in Lexington. Five will represent Boone County, according to Mary Frances Matheny, Assistant Home Demonstration Agent. Those who will attend are Mrs. Leo Flynn, Walton, District Director; Mrs. Sterling Dickey, Hebron, Citizenship chairman; Mrs. Arthur Ammon, Burlington Road, publicity chairman; Mrs. Joe Hogan, Membership chairman, and Mrs. Stanley Ransom, New Haven, Reading Chairman.

Mrs. Leo Flynn, Walton, will preside at the meeting. There will be classes during the day for the chairmen present.

Vivid Full-Color Scenes Are Featured In "The God Of Creation" Picture

Vivid full-color scenes from astronomy and natural science are featured in "The God of Creation," sound motion picture to be shown at 7:45 p. m. Friday, June 27 at the Florence Baptist Church, corner U. S. 25 and 42, according to Rev. Harold Walnscott, pastor.

Produced in Moody Institute of Science, West Coast department of Moody Bible Institute, by Irwin A. Moon, Sc. D., "The God of Creation" is the second in a series of evangelistic films. The first film by Dr. Moon, "The Live Forever," had a large showing in all parts of the country.

In the opening section of "The God of Creation" the audience takes a trip to the stars by means of solar photographs taken through the giant 100-inch telescope of Mt. Wilson Observatory in southern California, and views complex gyrations of our own solar system.

Lapse-time photography is utilized to demonstrate the beauties of natural science. The illusion of flower buds developing into full-blown blossoms in a few seconds is created through this time-compressing photo technique. The metamorphosis of a caterpiller through the various stages from worm to butterfly, and pollination of flowers are seen on the screen in full color.

Believed to be the first of their kind are the natural-color pictures of photosynthesis, the mysterious food-manufacturing process resulting from the action of sunlight on green leaves.

Through photomicrography the audience peers into the microscopic world of a drop of water and observes the complexity of tiny organisms, enlarged more than a million times.

"The God of Creation" will be shown by the Rev. P. Galloway, Moody film representative.

NEW STORE OPENED

Holman & Dwyer is the name of a new store recently opened at 35 West Pike St., and 32 West Seventh St., Covington.

The firm will sell religious merchandise, such as greeting cards, books, pictures, statues, rosaries and many other items, most of which are suitable for gifts.

The public is cordially invited to visit this new and interesting store.

Wm. McFarland Receives Army Call

Wm. McFarland, County Superintendent of Boone County for the past year, received official notice Tuesday from the U. S. Army to appear at Louisville, Wednesday for a physical examination.

Mr. McFarland stated that he would be stationed at Washington, D. C., in the U. S. Army personnel department.

He has made many friends during his brief time in Boone County, and it is with regret that we bid him farewell, but wish for him every success in his new field.

Mr. McFarland resigned his position as County Superintendent of Boone County schools several weeks ago, and his successor, H. N. Ockerman has been named by the Board of Education.

Jack Rowland Returns To U. S. After Tour

Jack Rowland, fireman second class, son of John Rowland, Route 2, Burlington, Ky., has returned to the United States aboard the aircraft carrier USS Leyte, after an extensive tour of the Mediterranean area.

While on the cruise, the Leyte visited Instanbul, Turkey; Souda Bay, Crete; Alexandria, Egypt; Naples, and Gibralter.

Highlight of the cruise was a visit to the ship by the President of Turkey.

Berkshire Farm Sold

The Edward Berkshire farm of 90 acres, 2½ miles out on the Burlington-Belleview highway, Route 18, was sold by Rex Berkshire to Mr. and Mrs. E. H. Beaman, of Park Hills. The late Edward Berkshire and his son Rex lived on this farm 67 years. The purchasers expect to sell their Park Hills home and move to this farm within the next 30 days.

This sale was handled through the A. B. Renaker Agency.

New Home Erected

Mr. and Mrs. Robert Maurer have erected a new four-room residence on Maple Grove Avenue, Burlington and plan to move there this week.

The new building is constructed of concrete blocks, and is both attractive inside and out.

Mr. and Mrs. Maurer have been residing in the Consolidated Telephone building on Main Street.

PICNIC DINNER GIVEN

Father's Day, the children of Mr. and Mrs. Leslie McMullen surprised them with a picnic dinner at his home. Those present were Mr. and Mrs. Asa McMullen, Mr. and Mrs. Wilbur O. Ryle and children of Waterloo, Mrs. Howard Ryle, of Cincinnati, O., Mr. and Mrs. Reuben Kirtley and daughter of Union and Mr. and Mrs. Henry Clark, of Cincinnati, Ohio.

PREACHING SERVICE WILL NOT BE HELD SUN.

There will be no preaching service at the Union and Richwood Presbyterian Churches on Sunday, June 29th. The Sunday Schools will meet at the regular scheduled hours.

Farm Bureau Meets July 3rd

The Boone County Farm Bureau will meet at the County Agent's office at 8:00 p. m. on Thursday, July 3rd. All directors are urged to attend.

Candidate For Secretary Of State Here Wednesday

Miss Ora L. Adams, of Harrodsburg, Ky., candidate for Secretary of State was a pleasant caller at The Recorder office Wednesday of last week.

Miss Adams is a graduate of the University of Kentucky, and at present is Assistant Secretary of State. She has served under three administrations as Assistant Secretary of State.

LOCAL MAN FOUND DEAD IN CEMETERY

R. S. HAMBRICK IS VICTIM OF HEART ATTACK—FUNERAL IS HELD SATURDAY AT BURLINGTON.

R. S. Hambrick, 77, caretaker of the Odd Fellows Cemetery, Burlington, was found dead among the graves he had tended for the last six years by Jess Eddins, who noticed the body as he was passing the cemetery Thursday morning. H. E. White, magistrate was summoned and stated death was caused from a heart attack.

Mr. Hambrick had left his home for the cemetery early Thursday morning, and apparently had been busy mowing lots before being stricken.

Before becoming caretaker of the cemetery, Mr. Hambrick had been a farmer. He was a resident of Boone County for 45 years, making his home in Burlington. He was a member of the Burlington Baptist Church and Kenton Council 25, Junior Order United American Mechanics.

He is survived by three sons, Claude Hambrick, Texarkana, Ark.; Theodore Hambrick, Burlington, and Lehman Hambrick, Florence; a daughter, Mrs. Rebecca Adams, of Florence; a brother, Fielding Hambrick, Georgetown, and seven grandchildren.

Funeral services were held at the Burlington Baptist Church Saturday at 3:00 p. m., with Rev. R. A. Johnson, officiating. Burial was in the I. O. O. F. Cemetery, Burlington.

Ralph Stith, Florence funeral director was in charge of arrangements.

Mrs. Mary Eddins

Mrs. Mary Lizzie Eddins, widow of J. H. Eddins, died Saturday at the home of a daughter, Mrs. Hubert White, of Burlington. She was 82 years old.

Mrs. Eddins was a lifelong resident of Boone County, and was well known throughout this section. She was a member of the Burlington Methodist Church.

Besides Mrs. H. E. White, she is survived by another daughter, Mrs. Joseph E. Walton, Elsmere; two sons, Jesse and Stanley Eddins, both of Burlington; seven grandchildren and five great-grandchildren.

Funeral services were held at 2:00 p. m. Tuesday from the Philip Taliaferro funeral, Erlanger, with burial in the Odd Fellows Cemetery, Burlington.

Philip Taliaferro was in charge of arrangements.

BAND PRACTICE POSTPONED

Dean Bloss, director of the Boone County School Band announced that there would be no band practice held Monday night, June 30th.

BURLINGTON WINS BY SCORE OF 21-3

WHILE PETERSBURG AND CONSTANCE DEFEAT BOB AND GENE AND BELLEVIEW IN SATURDAY'S GAMES.

Burlington, Petersburg and Constance chalked up victories in the Saturday afternoon Boone County Baseball League, with Union, Bob and Gene and Belleview on the losing end.

Gulley and Lyon, forming, what we think, one of the best batteries we have seen in the county for many years, Burlington romped to an easy win over Union 21 to 3.

"Butch" Sebree looked like the Sebree of old, collecting 6 for 6, including one double and that "Gerd" Clore was close behind with 5 for 6. This Clore boy is getting to be dynamite at the plate, hitting often and far. Maddin and Weaver did the mound duties for Union with Howard catching.

Petersburg eased to a victory over Bob & Gene in the ninth to the tune of 6-4. This was the best played game of the day.

Belleview went down to defeat 7 to 3, losing to Constance on the winner's grounds.

Peeno won his second straight for Constance. Gene Jones pitched a good game for Belleview, but received ragged support.

Games This Week

Petersburg at Union.
Constance vs. Bob & Gene at Florence.
Burlington at Belleview.

GRAND OLD OPERA TO APPEAR

Perhaps the biggest gathering of top Radio Hillbilly stars will be seen in the appearance of The Grand Old Opera of Nashville, Tenn., Thursday night only, July 24th at the Bigger and Better Dearborn County Fair Grounds, Lawrenceburg, Indiana. Headlining this great show will be Whitey Ford or the Duke of Paducah, along with Pee Wee King, Cowboy Copus, San Antonio Rose, The Golden West Cowboys and numerous others which makes this the biggest and best radio show to visit County Fair this year. Remember, only Thursday night, July 24th. It is expected that their new 3500 seat grandstand will be filled to capacity and if necessary a second showing be given.

FUNERAL HOMES

A SECOND HOME
A death in the family brings enough confusion into the home without the added burden of callers. Funeral homes have been designed to relieve exactly this situation. They provide all facilities for handling details, leaving the privacy of the home untouched. We ask our clients to consider our homes as a second home during this difficult period.

NOTICE
State occupational licenses for the sale of soft drinks, ice cream, tobacco products and restaurants will expire June 30, 1947. To avoid penalty, please call at the Clerk's office and renew the same on or before July 1st.

UTOPIA CLUB NOTES

The home of Mr. and Mrs. Sam Blackburn of near Burlington was the scene of the annual Utopia Club weiner roast. Quite a large number of members and visitors were present.

Quite a few plans were completed for the Fair which will be a two-day affair this year. The dates are August 15 and 16. From the way committees are working the old fair will have a new look this year. Come out and see.

Our next meeting promises to be quite interesting. Mr. Roy Battles WLW will be guest speaker, so please be on hand.

We all appreciate the lovely time that we had at Mr. and Mrs. Blackburn's. They are perfect host and hostess and everyone had a very lovely time.

If you want to know what has happened to the cost of living look up some records about fourteen years old.

It is very difficult for an individual, or the individuals composing a group, to study the past long enough to discover mistakes.

A Cork in The Shotgun

Some time ago the President made dramatic appeals for price reductions. A short time later Newburyport, Massachusetts, blossomed forth with a spectacular program for cutting retail prices ten per cent. The merchants of that community voluntarily assumed the burden of an arbitrary, across-the-board reduction, in the hope that the movement would snowball its way back to producers and manufacturers and gradually become nationwide. It was a brave attempt. The publicity was terrific. Everybody in the country soon heard of the Newburyport plan. But the grim reality of natural laws could not be sidestepped with a circus. The cost of the things that the merchants of Newburyport had on their counters continued to creep upward. People were still asking for wage increases. Many politicians were still thinking up bigger and better public spending schemes. Local groups across the country were still applauding appropriations from the public treasury for the home town. The two hundred and sixty billion dollar Federal debt with all of its indirect inflationary effects, sat like a block of granite across the path of the happy planners. The Newburyport plan died.

The retail distribution industry has been doing everything within its power to control prices. But in the light of present narrow margins, there is not much it can do to bring prices down. The source of the trouble goes back to spiraling governmental debt, spiraling wages, and finally the philosophy of grab that prevails in everything. Spectacular appeals to business and the Newburyport scheme are good publicity stunts—and that is all. For practical purposes they are about as effective as trying to stop the muzzle blast of a shotgun with a cork, after the trigger has been pulled.

The Truth About Freight Cars

There has been an attempt to discredit the railroads and the Interstate Commerce Commission by magnifying the freight car shortage problem, and by intimating that the railroad industry has town a villianous disregard of the needs of shippers. No good purpose can be served by these tactics.

It is said, for instance, that there are fewer freight cars in service today than in 1920. That is a fact. And, as William T. Farley, president of the Association of American Railroads, recently observed, "It is, indeed, one of the measures of improvement in railroad efficiency that with these fewer cars a heavier freight traffic is being hauled at a lower cost, and with less shortage and congestion, than was hauled then. This is because the cars, while fewer, are bigger, better, stronger, more efficient and more efficiently handled. In other words, although there are fewer cars today than there were in 1920, the railroads can haul more tons of freight more miles per day."

The freight car shortage is an inevitable result of the war. The figures prove that the railroads are doing everything possible to overcome it as quickly as possible. More than 109,000 cars are now on order, and orders for another 30,000 are programmed for the near future. That is more cars than can be built during the coming year even if maximum production by manufacturers is attained. To quote Mr. Farley once more, "there is now and has been since the close of the war a general shortage of goods, materials and services in this country. The shortage in rail transportation has been less than in most industries."

The record of our railroads, in peace and in war, should need no defense before the American people. They have made every piece of equipment work to the limit.

The Atom Mystery

David E. Lilienthal, Chairman of United States Atomic Commission has told the Control Committee of the United Nations Atomic Energy Commission the program for international control of this new weapon.

The general opinion is that the atom bomb secret will be solved by other nations.

Bernard M. Baruch favors an international agreement to control the future of atomic production. His policy is intended to give notice to the World that there is nothing to fear from the United States, and that if Russia and other governments decide to go along with the rest of the World there will be no atomic bombs dropped, anywhere.

Mr. and Mrs. Ernest Ruppert and son also accompanied them on the trip. Mr. Ruppert is partner of Hodder and Ruppert Feed Store, Burlington.

They expect to return home the later part of this week.

SAND RUN HOLDS LEAD

IN COUNTY SUNDAY SCHOOL LEAGUE—BULLITTSVILLE REMAINS IN SECOND PLACE—WALTON AND BURLINGTON WINNERS.

The red-hot, pace setting, Sand Run nine took a more secure grasp on first place in the Boone County Sunday School League Saturday as they emerged victorious over the scrapping East Bend nine by the score of 6 to 1. Manager Franklin Ryle chose Bud Goodridge to do the mound honors and he was rewarded with a masterful six hitter by the ace southpaw. Goodridge, the hottest pitcher in the loop, received flawless support from his teammates. Judy, capable hurler, was behind the bat for the victors. Johnny Woods and Black were on the hill for East Bend and they allowed 10 hits to Sand Run. East Bend is the only team in the league who has beaten Sand Run.

A young pitcher received credit for Bullittsville's win over Petersburg as Hazel Walton handcuffed the hitters from Petersburg. Walton proved that he still had something on the ball as he held the hard-hitting Petersburg squad to 8 bingles. Marvin Campbell, young Petersburg hurler who has lost some tough games, was the losing pitcher. Kenyon for Bullittsville and Carver for Petersburg were the catchers. Bullittsville continued hitting the ball as they drove out 15 safties.

Burlington came out of a two game slump and trounced Bullittsburg 16-6 on the new Burlington ground. Bullittsburg jumped to an early lead as the entire Burlington squad blew up and committed several costly errors. Mgr. Sam Ryle contributed part of this to new suits and ground. The young team came back however and soon proved themselves master of the game. Bob Brown started for Burlington but was taken out in the fourth due to lack of control. Joe Smith came in and limited Bullittsburg to 1 hit for the remainder of the game. Smith was the winning pitcher with Jim Smith as the receiver. Henry Holliday, Gray and Pepper all took turns on the mound for the losers with Hodges behind the bat. Jimmy Smith and Cropper each had three hits for the winners.

Unleashing an 18 hit attack Walton-Verona triumphed over Florence 14-4. Joe Rouse's team took an early lead and were never in dangr. Black went the route for the winners and held Florence to 7 safties. Lefty Utz lost again for Florence. Whitson caught for Verona with Brooks receiving for Florence. Ferguson was the big man at the plate with a single, double, and triple for the winners.

Walton Woman Named Chairwoman

Mrs. Emily Cleek, Walton, Kentucky has been appointed Boone County Chairwoman for Waterfield's campaign for governor by Ben Kilgore, state chairman.

Mrs. Cleek stated that she is supporting the candidacy of Mr. Waterfield for the following reasons:

"Mr. Waterfield has shown by his record in the State Legislature that he has labored unceasingly for better schools in Kentucky and higher pay for the teachers." "We have reason to believe that as governor Mr. Waterfield will furnish the leadership that will pull Kentucky out of 47th place in the ranking of our state schools."

He has supported progressive measures for the farmers, and led the fight for cheap electric power through the REA and TVA programs. "Mr. Waterfield is the people's candidate.

R. V. Lents, Chairman
Waterfield for Governor.

PFC. Joseph F. Jones Returns Home From Duties in Japan

Private First Class Joseph F. Jones, son of Mrs. M. F. Judy of Burlington, Kentucky, has recently left for discharge and return home. Pfc. Jones, was formerly a member of the 35th Infantry Regiment of the 25th Infantry (Tropic Lightning) Division, commanded by Major General Charles L. Mullins, Jr.

Pfc. Jones entered the Army on Feb. 11, 1946 and received his basic training at Fort Knox, Kentucky, he departed for overseas duty on June 11, 1946 and upon his arrival in Japan was assigned to the 25th Division.

Before entering the service Pfc. Jones attended Hebron High School and was later employed on the farm.

Pair Draw Fines On Drunken Driving

Two more out of County persons fell victims this week to Boone County's ever increasing effort to ban drunken drivers from our highways.

The men gave their names as Dane Rodgers, Campbell County, Ky. and Roy Patte, of Arkansas. Both were brought before Judge C. L. Cropper and each were fined $100.00 and costs and their drivers license revoked for one year.

FARMERS URGED TO USE D. D. T.

IN FIGHT AGAINST EUROPEAN CORNBORER — KY. EXPERIMENT STATION RECOMMENDS TWO METHODS.

Lexington, Ky., June 29—Kentucky farmers were advised today to treat their sweet corn crops against the European cornborer when stalks are about 18 inches high.

The Kentucky College of Agriculture recommends use of a 5 per cent DDT dust. If a spray is used the college recommends that a half pound wettable 50 per cent DDT powder be mixed in 50 gallons of water.

Whether a dust of spray is used the college suggests three applications be made at five-day intervals.

The College of Agriculture said rotenone had proved an effective control of cattle grubs. It cited a report by James C. Carr, Madison County, who said he used a power spray to treat his 600-head herd.

"Rotenone costs," said Carr, "but when you figure it in terms of beef it's cheap—and I mean really cheap."

R. E. A. MEETING IS ANNOUNCED

FOR CONSUMER MEMBERS OF OWEN CO. RURAL ELECTRIC— MANY VALUABLE PRIZES TO BE GIVEN AWAY AT DOOR.

On Wednesday, July 9, 1947, the Consumer Members of the Owen County Rural Electric Cooperative Corporation will hold their Annual Meeting in Owenton, Kentucky.

This will be the ninth annual meeting of the members since the organization and incorporation, in July, 1937, of the Owen County Rural Electric Cooperative Corporation and plans have been made for the largest and best meeting in its history.

Electric appliance distributors and their local dealers in the Cooperative's territory have contributed Ranges, Refrigerators, Washing Machines and Radio to be given away as door prizes. They have also arranged to display their latest and most modern electrical appliances in the Owenton High School auditorium.

The majority of the original four hundred members in Owen County who received service in early 1938 from one hundred and thirty miles of line have seen their Cooperative expand to its present size of three thousand seven hundred and fifty members, receiving service from one thousand and fifty miles of line in Owen, Grant, Pendleton, Scott, Campbell, Kenton, Boone, Gallatin and Carroll Counties.

Each year during the Annual Meeting reports by officers and committees are read to and acted on by the members. Also at this time the members elect fellow-members to serve on the Cooperative's Board of Directors for the ensuing year.

At the present time the following members are serving on the Board of Directors: Lister Ransdell, President, Sparta, Kentucky; F. G. Marquette, Vice President, Falmouth, Kentucky; Arlan Ayres, Secretary-Treasurer, Owenton, Kentucky; Wallace Luttrell, Beechwood, Kentucky; Henry Heringer, California, Kentucky; Roy Adams, Mason, Kentucky; Stanley Parker, Independence; W. M. Smith, Burlington, Kentucky; Forrest Burk, Sanders, Kentucky; Albert Davis, Eagle Station, Kentucky; and R. L. Penn, Sadieville, Kentucky.

East Bend Baptist Announce Revival July 7th Thru 18th

There will be a two week revival meeting at the East Bend Baptist Church beginning July 7th thru July 18th, according to Rev. Carl J. Wainscott, pastor.

Everyone is urged to attend all these services.

Mountain Mission Work

Rev. R. A. Johnson and Miss Gerry Yelton returned last Saturday from Lee County Kentucky where they had been conducting a Daily Vacation Bible School and Revival Meeting, assisted by Miss Iva Bibb, Ghent, Ky. There were nine ministers and twenty young women from numerous sections of Kentucky working in this missionary effort. Rev. Johnson and Gerry were stationed at the Stone Cole Baptist church, Cressmont, Ky., and enjoyed a wonderful meeting in which there were fifteen conversions.

Oakley Stephens Injured Slightly In Plane Crash Monday

Oakley Stephens, charter pilot for Boone County Air Lines, Inc. received minor injuries Monday when his plane made a forced landing in a field near the Hebron School building, Hebron.

According to Boone Co. Air Lines Mr. Stephens has been employed as pilot for chartered plane trips for the airlines, as well as to do advertising from the air and has been in Boone County for approximately one month.

He was flying a plane pulling an advertising banner Monday when he discovered his plane was out of gas and was forced to land at once. He received only slight injuries on the head, but the plane which belonged to Boone Co. Air Lines was badly damaged.

Mr. Stephens is a graduate of Burlington High School and is the son of Mr. and Mrs. Louis Stephens of Florence.

Construction Started At Fair Grounds

Construction of the new floral hall at the 4-H and Utopia Fair Grounds has been started according to Bill Davis, County Agent.

The new building will be 100 feet long and 26 feet wide. The building will be used for the Home Economics exhibits and the old floral hall will house the livestock.

The bid for construction was let to Earnest Brown, Burlington.

Annual Business Day At Bullittsville Christian Church

The Christian church of Bullittsville is anticipating a big day on next Sunday, July 6th, both in attendance and in results accomplished, as it is the annual congregational business meeting of that body on which the work accomplished during the past year is reviewed and greater effort is planned for the coming church year.

Much material progress has been made during the past year under the leadership of Bullittsville's pastor, Rev. A. C. Young, supplemented by the earnest efforts of all the members and plans are in the making for certain interesting and worthwhile additions to the general scheme of the church's work. Therefore, it is to be hoped that every member who possibly can will attend, bringing a well-filled basket of food as the fellowship of the dinner hour adds much to the occasion.

GLENCOE MAN KILLED WED.

IN AUTO-TRUCK CRASH NEAR FLORENCE — TRUCK DRIVER HELD UNDER $5,000 BOND.

George Bowil, 50, Glencoe, Ky., died Wednesday night at St. Elizabeth hospital, Covington, following injuries received early Wednesday when the car which he was driving to work collided with a tractor-trailer truck on U. S. 42, near Florence, according to R. I. Rouse, sheriff.

Bowil who suffered a crushed chest, other internal injuries and head and shoulder cuts, died shortly after being admitted to the hospital, according to Ralph Stith, ambulance driver who took several of the victims to the hospital. All other passengers in the Bowil car received only slight cuts and bruises.

Kenneth Pierce, 52, 611 Market St., Louisville, driver of the truck, was uninjured and his truck was damaged only slightly.

According to authorities, Pierce attempted to pass a parked car on a cruve and met Bowil's can in a head-on collision.

Pierce was arrested on a manslaughter charge and placed under $5,000.00 bond. Being unable to post bond, he was held in Burlington jail until Tuesday when he was brought before Judge C. L. Cropper for an examining trial. Waiving examining trial and posting the required bond, he is being held over for action by the August Grand Jury.

BOONE VETS WIN SUNDAY

IN SEMIPRO LEAGUE AT FLORENCE—WALTON AND BOONE COUNTY ALL-STARS ALSO IN WIN COLUMN.

The Boone County Vets, Walton and Netzer Tavern scored victories Sunday to pass up the heretofore undefeated Grant Lick nine and moved them from first to fourth place in the Semipro League.

Dutch Reibling fanned 10 and allowed eight hits. The winners garnered 14 off the pitching of Hisle and Davis.

Walton moved into a tie for the league lead by swamping Fats Cafe 9-5, at Walton. Steffen, hurling for the home team, allowed six hits, Walton obtaining 11 off the pitching of Uriage.

Boone County All-Stars had an easy time subduing the Oasis Liquor 13-1 at Petersburg. Deck, hurling for the winners, allowed six hits. Cline and Breuer, Oasis pitchers, were nicked for 14 hits.

The Ludlow Veterans journeyed to Spring Lake and scored a 7-4 victory over the Rank and File team. Dorman, Mayo and Taylor hurled for the winners, allowing 12 hits. Brown and Corbin hurled for the losers and allowed 11 hits. Huenefeld hit a home run and three singles for the winners.

Grants Lick, heretofore undefeated leader of the Northern Kentucky Semipro Baseball League, suffered its first setback of the season Yesterday afternoon, losing to the Covington Vets by a 3-2 score at Grants Lick and dropping to fourth place in the standings. Boone County Vets, Walton and Netzer Tavern scored victories to pass Grants Lick in the standings.

Grants Lick players were unable to hit Wilcoxson in the pinches and he limited them to seven hits while the Covington Vets were getting six off Nagle. Wilcoxson fanned seven, Nagle struck out eight.

W. R. DAVIS NAMED CHM'N.

AT ANNUAL DINNER MEETING THURSDAY NIGHT — ROBERT HARRY, ASSISTANT REGIONAL DIRECTOR WAS GUEST SPEAKER.

Thursday evening, June 26th the annual dinner meeting of the Boone County Chapter of the American Red Cross was held in the Methodist Church at Florence with an attendance of about thirty interested people.

The meeting was opened by Mr. W. R. Davis, chairman, who asked Judge C. L. Cropper to preside.

Guest speaker for the meeting was Mr. Robert Harry, assistant Regional Director, Eastern Area, Alexandria, Virginia. He gave a brief history of the Red Cross and discussed some of its more important services. Various committee chairmen followed the main address with their reports for the year.

Since the time for officers to take over their duties has been changed from January to July, the nominating committee suggested that the same officers who were elected at the fall meeting be held over for the new year.

The following officers were elected: Chairman, W. R. Davis; First Vice-Chairman, John Conner; Second Vice-Chairman, Ralph Stith; Secretary, Elizabeth Dell Nestor; Treasurer, C. L. Cropper. Directors: Ralph Stith, Mrs. Elizabeth Dell Nestor, W. R. Davis, C. L. Cropper, Mrs. Oleva Dolph, Wm. P. McAvoy, Powers Conrad, Mrs. Allene Conner, Mrs. Walter Ferguston, Mrs. Martha Huey, Mrs. James Smith, Miss Lillian Bristow, Mrs. Warren Miller, Irvin Rouse, John Conner, Miss Mary H. Gillaspie, Mrs. James Aylor, Mrs. Harry Daugherty, Dr. N. A. Jett, Mrs. George Kottmyer and Mrs. R. E. Brugh. Committee Chairmen: Home Service, Wendell Easton; First Aid and Accident Prevention, Robert Hamilton; Public Information, Mary Bess Cropper; Junior Red Cross, Mrs. Warren Miller; Nursing Activities, Mrs. Robert Eastman; Disaster, Robert Eades; Production, Mrs. Joseph Huey.

Mr. Davis suggested that officers and committee chairmen meet more frequently for constructive planning.

A strong feeling seems to exist that there is need for an efficient set up for disaster service. Mr. Harry reminded those present that disaster can strike Boone County and that good organization is needed to cope with any such possibility. Great confidence was expressed in Mr. Eades as director of this service.

CASON DEFEATS BURLINGTON NINE

IN THEIR FIRST SET-BACK OF THE SEASON — CONSTANCE AND PETERSBURG ALSO IN WIN COLUMN.

Burlington suffered their first defeat of the season Saturday, Belleview defeated Gulley and Co. 9 to 5. The game was hard fought all the way with both teams playing their hearts out, one trying to hold the lead, while the other was trying to stave off defeat.

Ivan Cason went all the way for Belleview, holding Burlington to 9 hits, although hit hard at times pitched one of his best games and with Rogers in left and Miller in center giving him some sensational backing, downed the Burlington boys for their first lost of the season.

Rogers and Miller had 15 put outs between them, Rogers with 9 and Miller 6. McArthur was the hitting star for the winners having 3 for 4.

Ivan Gulley was relieved in the 8th by Akins, Belleview gathering 13 hits. Gulley was the hitting hero for the losers, getting 3 for 4.

Petersburg won over Union by a score of 10 to 4 on the losers grounds while Bob & Gene went down to defeat, Constance winning 8 to 2.

This week the final games will be played before elimination series starts.

All managers are requested to meet Monday evening, July 7th at 8 p. m. at the Court House in Burlington to complete arrangements and drawing for elimination which begins July 12th.

Games This Week

Constance at Petersburg.
Union at Belleview.
Burlington at "Bob and Gene," Florence, Ky.

HOME BUILDING CONTRACTS UP

IN GREATER CINCINNATI AREA OVER LAST YEAR—51 PER CENT INCREASE NOTED FOR FOUR COUNTIES.

Construction contracts awarded in the Cincinnati-Covington metropolitan area comprised of Hamilton, Boone, Campbell and Kenton Counties during the first five months of this year totaled $25,483,000, representing an increase of 9 per cent from the total reported for the corresponding period of last year, according to Denton C. Norris, district manager of F. W. Dodge Corporation.

Residential volume increased 51 per cent in the first five months, while nonresidential contracts were down 30 per cent compared with the volume reported for the first five months of last year, Norris said.

In May, contract commitments for building and heavy engineering construction totaled $4,402,000 in this area, an increase of 13 per cent compared to the volume reported for April and a decrease of 35 per cent from May of last year.

Residential contracts totaled $2,655,000 last month, a decrease of 3 per cent compared to April's volume and decline of 37 per cent under the total reported for May a year ago.

Nonresidential building awards totaling $1,004,000 in May represented an increase of 53 per cent compared to April, and a decrease of 35 per cent compared to May of last year.

HIGH CORN YIELDS MEAN MORE PROFIT

Comparing corn-growing costs of farmers entered in the 1946 "Kentucky Corn Derby" with costs on typical farms, the Kentucky Experiment Station found a difference of 8½ cents a bushel in favor of high production.

The study included 85 farms entered in the five-acre contest, where the average yield was 85 bushels to the acre, and 44 typical farms where yields averaged 47 bushels.

Figuring corn worth $1.25 a bushel, the high-yielding farms produced $106.25 worth of corn an acre, and the other farms corn worth $58.75. Acre-cost on the high-yielding farms was $33.32, and on the other frams $22.58. Difference between value and cost an acre was $72.93 and $36.17, respectively.

The report says that producers of high yields used three times as much fertilizer and had 50 percent more plants per acre. More of their corn also was on level upland or bottomland and more of them used hybrid seed. Most of the land in both groups had been limed. Little manure was used on any of the land.

In addition to money value, high yields pay in other ways, says the report. "By growing more corn on fewer acres a farmer can rearrange his cropping system to best advantage, growing on each kind of land the crops best suited to it. And by growing more corn per hour of man labor, he can have more time for other enterprises. Higher yields per acre and per hour of work bring the opportunity for expansion in the total volume of farm business."

Approximately 1,600 cows have been signed up in the artificial breeding program in Graves county.

KENTUCKY LAMBS WIN AT TRI-STATE SHOW

Kentucky 4-H club boys and girls won the high places at the 12th annual Tri-State Lamb Show and Sale at Evansville, Ind., where 1,073 lambs were exhibited and sold by 4-H'ers, GIs and Future Farmers from Kentucky, Indiana and Illinois.

Club members from Daviess, Henderson, Livingston, Lyon, Ohio, Simpson and Webster counties showed 456 lambs. Mary Rushing of Lyon county sold her 95-pound champion lamb for $2.10 a pound, and Billy Teichner of Ohio county received 90 cents a pound for his reserve champion.

Martin Teichner of Ohio county had the best pen of three lambs; Tommy Phillips of Simpson county the best pen of five, and Billy Teichner of Ohio county the best pen of 10.

Lyon county 4-H'ers had the champion county exhibit of 18 lambs, with Simpson county third and Henderson county fourth.

QUICK ARREST OF EX-CONVICTS

WHO ENTERED ERLANGER POSTOFFICE LATE TUESDAY NITE—ALL LOOT IS RETURNED BUT IN POOR CONDITION.

Two former convicts who had a U. S. mailbag containing 500 letters in their possession when they were arrested at Fifth and York Sts., Newport, early Wednesday, are said to have confessed to police and postal inspectors that they burglarized the branch post office at Erlanger a short time before their apprehension.

The suspects, who registered as William Necamp, 25, 523 Powell St., Newport, and Robert Johnson, 24, no home, were arrested by Sgt. Willard Malden and Patrolman Fred Wessling when they found them lottering near a service station at Fifth and York Sts.

R. H. Bushelman, postal inspector, said both confessed that they cut a hole in the roof of the post office branch station and stole the mail pouch.

Both men said that after driving to Fort Thomas they were unable to locate the jewelry store and then drove to Erlanger. After locating a jewelry store in that city, they said they climbed a tree and dropped to the roof, where they cut a hole to gain entrance.

Both men asserted that they did not know that the postoffice adjoined the jewelry store and that they had broken into the postoffice until they were inside the building. In their statements to police, the men are quoted as saying they then decided to rob the mail.

Sergeant Malden and Patrolman Wessling said that in addition to the bag of mail they found two pairs of women's shoes in boxes, 12 pairs of men's shorts and a sport shirt in the automobile.

Most all of the contents of the mail bags were returned, but all packages had been opened in the postoffice and all identification had been destroyed from the packages. The bags also contained several veterans checks, several of them were found on Necamp and Johnson.

According to Bushelman, postal inspector, he believed most of the mail was recovered, but the task of finding the rightful owners seemed to be their biggest problem.

According to police, both men were arrested on numerous occasions in Newport since 1939 and both served terms for breaking and entering in Newport. Johnson was released from LaGrange prison last April and Necamp was released in 1945. Both were identified as members of a gang that entered several business houses in 1942 by chopping holes in the roof.

Bushelman announced that the suspects would be charged with breaking and entering a branch postoffice. They are being held in Newport jail under bonds of $5,000 each.

SAYS LADINO CLOVER MAKES GOOD GRAZING

Roy Wade of the Cayce community in Fulton county has seven acres of uncertified ladino clover, seeded in the spring of 1945, on which he pastured 36 head of cattle from April 15 to June 1 for three hours each day. During the rest of the day, the herd was kept in a five-acre redtop field nearby, which was kept closely grazed. On June 1, the ladino clover was more than 12 inches high, and promised to make a good seed crop, even though it had been pastured at the rate of three and a half dairy cows per acre. Farm Agent John B. Watts notes that Wade is planning a four-field pasture rotation system on 30 acres of his 43-acre farm, which he believes will pasture 25 dairy cattle 12 months out of the year.

BURLINGTON HOMEMAKERS

The Burlington Homemakers met June 5th, which will be the last meeting until September 4.

The meeting opened with roll call, answered with what each wore on their wedding day. Business was in order and officers were elected for the coming year. Officers elected are: President, Mrs. Alene Brady; vice president, Mrs. Katherine Cropper; secretary and treasurer, Mrs. Olive Clore. We decided to take a tour and have a picnic some time in July. Watch for later announcement.

The afternoon was taken up with the lesson "Report on Health" and "Stop Home Accidents" which were given by Mrs. Lou Pope and Miss Matheny.

We adjourned hoping to meet and start the new year with interest, as there will be lessons all will be interested in.

BUILDS UP THE SOIL

How an Adair county farmer is building up his soil is told by County Agent R. B. Rankin: "L. S. Gutherie recently had us test his soil to determine needs for lime [illegible] crop is cut he plans to spread ingrade ground limestone at the rate of three tons to the acre. Phosphate fertilizer will be added as it becomes available. Mr. Gutherie has a fine field of wheat which was top-dressed with ammonium nitrate in early spring and which promises high yield. A heavy growth of vetch turned under for tobacco left the soil in good working condition."

AT YOUR GROCER'S

It costs less than you think to cook the modern way—*Electrically*

TODAY'S faster, more efficient electric ranges bring economical electric cooking within the reach of almost everyone.

The oven of a modern electric range uses current only about one-third of the time to maintain average baking and roasting temperatures. Surface units cook on low heat (one-eighth of high heat) up to 75% of the time in many cases. The deep well cooker will cook a meal for five for two cents or less.

If you are using electricity for refrigeration, lighting and the average number of small appliances, the chances are that all or most of the current used by your electric range will be billed on the bottom step of your electric rate, which means that electric cooking will cost you little if any more than less modern methods.

Come in and get the full story about the low cost of carefree electric cooking today!

See the new ELECTRIC ranges now on display at your appliance dealer's or at our office.

CLEMENTS PLEDGES ALL-OUT SUPPORT FOR R.E.A. GROWTH

Earle Clements

IDLE words never brought electric service to any farm. While some critics have merely talked about R. E. A., Earle Clements has got out and worked for R. E. A. The Congressional Record shows:

1. Congressman Clements has pleaded the cause of the R. E. A. in challenging speeches before the House of Representatives. He has insisted at all times that adequate money should be voted for Rural Electrification.

2. Congressman Clements has voted for the restoration of cuts made by the Republican majority in the House in R. E. A. funds.

No Congressman could do—or has done—more to get electricity for Kentucky's farms.

Earle Clements' speech to the House on May 28, 1947, emphasized the progress R. E. A. has made in Kentucky: 76,650 farms electrified in the 12 years the agency has been operating. Clements pointed out that the program is incomplete — that 162,157 Kentucky farms still await R. E. A. service.

He gave this clear-cut pledge in his speech at Glasgow on June 28:

"As Governor of Kentucky I shall fight for every measure which will make R. E. A. service easier and cheaper so that every farm and rural home in Kentucky may have electric lights and power at fair and reasonable rates."

Boss Ket Quits—On Paper

There was a formal announcement the other day from General Motors and its man of genius, C. F. Kettering, to the effect that Mr. Kettering was "retiring" as vice president and head of the GM research activities.

Just to indicate how much any formal statement about quitting is likely to keep Boss Kettering from going his usual active way, or put that inventive mind of his under wraps, was indicated two or three days later, when he told the Society of Automotive Engineers about a new high compression automobile engine that will give 33 to 40 per cent higher economy. He pointed out these engines are only in the laboratory stage, and that their incorporation in cars on a mass scale will be gradual and a number of years away. So, it is still a project with Mr. Kettering. Retiring or no retiring, one probably will see quite a bit of him about the GM premises.

That's the way it is with researchers, among whom Kettering ranks as one of the all-time, all-world tops. They don't put down their tools and put on their coats when the whistle blows, and they don't quit at any particular age milestone. "Boss" Kettering always has liked to refer to himself and associates as "monkey wrench scientists." There was on indication in the GM retirement announcement that the Boss was turning in that monkey wrench.

Butter Regulations

The Secretary of Agriculture announces that his Department is considering certain changes in the regulations that pertain to the sanitary inspection and manufacture of process or renovated butter. The principal purpose of the amendments is to require condemnation of process butter or of its ingredients found to contain immature stages of insects and to prescribe the kind of equipment permitted. The proposed amendments are timely. Margarine has gained wide National approval of housewives who have found it entirely satisfactory.

Federal Aid For State Schools

Government aid for State Schools is getting favorable consideration in the United States Senate and the outlook is good for a grant of about 300 million dollars a year for educational purposes. Roughly calculated the Government proposes to make an allotment to each State of $5 a child between the ages of 5 and 7.

Windy Wallace

Henry A. Wallace, ex-Vice President, Cabinet officer and regulator of "nuts," farms, apples, corn, grain, cotton, little pigs, and government loans, has become a national curiosity, and great crowds have gathered in many parts of the country to listen to his addresses. In New Jersey, he made a few characteristic remarks, from which the following is quoted:

"The United States has become the center of world reaction . . . the common man more and more looks to Russia for ideas, help and inspiration . . . in nearly all the countries of the world we are more and more cooperating with the reactionaries against the common man." Back to nuts!

Calls Us Flabby

The London Economist reminds us that "what made Hitler strong was not any great accumulation of resources, but the flabbiness of the democracies;" and that "the answer to the riddle of Russia's strength is to be found in Washington."

Is that true?

Newport Man Arrested On Theft Charge, Wed.

John Fosser, 382 West 5th St., Newport was arrested in Erlanger by the City Marshal upon request of R. I. Rouse, Boone County Sheriff. Fosser was charged with the theft of a radio from the home of Owen Bethel, of Florence.

Sheriff Rouse stated that Fosser was soliciting funds for a Cincinnati Church at the time of the theft.

When arraigned before Judge C. L. Cropper Thursday, Fosser plead guilty and placed under $500.00 bond to appear for action of the grand jury.

Over 3800 Bulbs Ordered

The annual bulb order of the Boone County Homemakers Clubs was placed with a firm in Puyallup, Washington, last week. Over 3800 bulbs, including Ionquils, tulips, hyacinths, and crocuses, were ordered. These will be received sometime in September and will be distributed at the September or October meetings.

LARGE AUCTIONS ARE SCHEDULED

FOR FRIDAY AND SATURDAY OF THIS WEEK—REAL ESTATE AND PERSONAL PROPERTY TO BE OFFERED.

Two large sales are scheduled for Friday and Saturday of this week. Mr. and Mrs. George Hoffman will sell their 62-acre farm, located 2 miles west of Florence, Ky., and Mr. Joel Gray will sell a large amount of personal property at the farm east of the city limits of Burlington, recently sold to Mr. Partin.

The Hoffman property will be sold Friday, July 11th at 10:00 a. m. and consists of 62 acres of good bluegrass land, 7-room modern home and a number of good outbuildings. This is one of Boone County's most desirable locations, and is ideally equipped for a dairy farm.

Personal property to be offered consists of 17 head of dairy cattle, dairy equipment, six hogs, and other livestock, new Farmall tractor and other farm equipment.

R. P. Coleman, Florence real estate broker is in charge of the sale. A full page advertisement appears on another page of this issue.

One of the largest personal property sales to be held in this section is scheduled for Saturday, July 12th, when Joel Gray, who recently sold his farm located east of Burlington city limits, offers a full line of farm implements, all kinds of livestock, full line of carpenter tools, dairy and poultry supplies, garden equipment, a lot of old furniture, antiques and glassware. The sale will begin promptly at 10:00 a. m., Saturday, July 12th.

Among items listed are twenty head of Whiteface cattle, hogs and 1 pair mules. A complete line of farming implements, poultry and dairy equipment, 150 bushels of corn, several tons of loose hay, many household items, among which are numerous antique items, glassware, etc.

Col. Lute Bradford is in charge of this sale.

RIDES CONTRACTED FOR COUNTY FAIR

CHAIR PLANE, SWING AIRPLANE AND KIDDIE AUTO RIDE WILL BE ON GROUNDS—SPECIAL EVENTS FOR HOMEMAKERS.

Willard Withrow, of Dayton, O., has ceen contracted to furnish rides for the 4-H and Utopia Fair on August 15-16, according to Bill Davis, County Agent.

Mr. Withrow has three rides, a chair plane, swing airplanes, and a kiddie auto ride. He will also bring two concessions.

Local groups interested in bringing concessions to the fair are urged to contact the County Agent.

Special events for homemakers and 4-H and Utopia Club members will be numerous during the two-day fair, according to reports, and many events open to the world will be featured.

All indications point to a record fair this year, and plans are being made to accommodate the largest number ever to attend the event.

Mr. Hartman died Thursday at St. Elizabeth Hospital. He was a veteran of World War I. Mr. Hartman was 57 years old.

The Tallaferro funeral home, Erlanger, was in charge of arrangements.

Benefit Games Draws Large Crowd At Florence July 4

The benefit baseball games between the Boone County Vets and Boone Co. All-Stars was well attended at the Florence grounds, Friday, July 4th.

The entire proceeds of the game went to the building fund of the Florence Volunteer Fire Department for a new firehouse to be built in the near future at Florence. The gate, after all expenses were deducted amounted to $71.50.

Robert Eades, promoter of this affair wishes to thank all who attended and both teams for their fine spirit of cooperation in making this affair a huge success in every way.

Six Four-H Club Tours Completed

Annual 4-H Club tours have been made in six communities, according to Mary Frances Matheny, Assistant Home Demonstration Agent. The tours completed are Hamilton, New Haven, Burlington No. 1, Hebron, Florence and Petersburg. Each club member was visited by either the County Agent, or the Assistant Home Agent. Eighteen boys and girls have been dropped from the roll on these tours. Most members' projects are up-to-date. A few are behind, and some have not yet started.

Masons To Confer Degree

Burlington Lodge No. 264 F. & A. m., announce work in the E. A. degree for the regular meeting tonight (Thursday), July 10th. All members are urged to attend and visitors are cordially invited.

Andrew H. Cook

Andrew Hubert Cook was born September 11, 1881 and departed this life July 2, 1947 at the age of 65 years, 9 months and 21 days.

"Andy" as he was known by all, was a farmer all his life, until stricken ill three years ago. He had spent his life in the Belleview and Petersburg communities with the exception of 8 years he lived at Burlington.

He was united in marriage to Corda Clore on June 28, 1905, and to this union was born five children, four of whom survive. They are Mrs. Frank Biddle, of Petersburg; Mrs. Nathan Smoot, of Baltimore and Russell and John H. Cook, both of Petersburg. One daughter Nellie Lucille died in infancy.

Mr. Cook united with the Belleview Baptist Church when a young man, later moving his membership to the Petersburg Baptist Church. Besides his immediate family he leaves three sisters and one brother, namely: Mrs. E. J. Ryle, of Independence, Ky.; Mrs. D. C. Pope, of Covington; Mrs. Chas. White, of Petersburg and Ray Cook of Covington and a host of nephews and nieces.

Funeral services were conducted at the home Friday, July 4 at 2:00 p. m. with Bros. R. A. Johnson, Otto Pierson and W. C. Burkett officiating. Burial was in the Belleview Cemetery.

Pallbearers were Howard Huey, Cleve Aylor, L. B. Snyder, C. W. White, D. C. Pope and W. O. Rector.

Stier and Williams of Aurora had charge of the funeral.

Lucy Ann Beitler

Lucy Ann Beitler, born August 26 1866 in Boone County, Ky., and departed this life June 23, 1947 near Houston, Texas after a brief illness.

She first married John J. Huey and from this marriage there were two children, Kenneth Huey now of Houston, Texas and May, Mrs. Albert Griffith of Shepherd, Texas.

Lucy Ryle was the daughter of Garrett and Frances (Rogers) Ryle. Her sisters, Josephine Platt and Mary (Whitehead) Grant preceded her in death a number of years ago. They were left orphans when Lucy was seven years of age and were brought up by their grandmother, Lucy Rogers.

They lived near Burlington and in Belleview until about forty years ago when they removed to Texas. Lucy married second David Beitler of Shepherd, Texas, who preceded her in death.

She was a member of the Belleview Baptist church for years and was a favorite with the members of the church and community.

She will be remembered by many of Boone County for her cordial hospitality and bright, sunny disposition.

Besides her two children sho is survived by several grandchildren in Kenneth's family and Albert Griffith Jr., May's son.

William Abdon

Funeral services for William B. Abdon, 54-year-old Boone County farmer were held at the Chambers and Grubbs funeral home, Walton at 2 p. m. Wednesday, with burial in Highland Cemetery.

Mr. Abdon passed away Sunday at his home in Richwood.

He is survived by his widow, Mrs. Grace Abdon; his mother, Mrs. Kathryn Abdon; a daughter, Mrs. Grace Acra, Florence; a sister, Mrs. Bess Rimer, Covington; four brothers, Lorn Abdon, Peebles, O.; Ed and George, Covington and Charles Abdon, Erlanger, and a grandchild.

August Herrmann

August Herrmann, partner in the Erlanger Gayety Theater which he founded, died Thursday at his home, 18 Erlanger Street, Erlanger. He was 67 years old.

Mr. Herrmann was a pioneer in the motion picture business in northern Kentucky, and had presented the first shows in Erlanger in a tent theater more than 35 years ago.

Walter C. Herrmann, a son, was a partner and active manager of the new Gayety Theater in recent years.

Besides Walter he is survived by another son, Edwin J. Herrmann, and three brothers, Joe, Charles and William Herrmann, all of Erlanger.

Requiem High Mass was sung at 9 a. m. Saturday at St. Henry Church, Erlanger with burial in St. Mary Cemetery, Ft. Mitchell.

Philip Tallaferro, Erlanger funeral director, was in charge of arrangements.

POSITIONS ARE STRENGTHENED

BY LEAGUE LEADERS IN SATURDAY'S GAMES—SAND RUN AND BULLITTSVILLE AGAIN WINNERS.

The fast stepping nine from Sand Run continued their winning streak Saturday as they proved too much for the Walton-Verona boys. Manage Franklin Ryle gave Bud Goodridge a well deserved rest and sent Buck Judy to the hill. Judy, who is considered one of the best receivers in the loop also proved to be a capable hurler as he limited Walton-Verona to 4 runs on 10 hits. Sand Run displayed their usual power at the plate as they collected 15 runs on 23 hits. Joe Rouse sent Beach to the mound with Whitson catching.

Bullittsville had a close call as they eked out a 5-4 victory over Bullittsburg in a well-played game. The fighting Bullittsburg squad gave Bullittsville a real scare as they were gathering eight safeties while Gray and Milly Pepper were holding the winners to but 3 safe blows. Pepper whiffed the first seven batters to face him. Bullittsville, struggling to hold second place called on Chester Edwards to do the chores on the mound. The tall righthander notched up his sixth win. Breaks were given credit for the deciding runs.

Burlington moved into third place as a result of a victorious week-end over Petersburg. Friday, Burlington traveled to Petersburg to make up a postponed game and returned home with a 7-2 victory. Manager Sam Ryle had his big righthander, Bob Brown on the mound even though he made a poor showing his last time out last Saturday. He limited the hard-hitting Petersburg team to five hits and two runs. Brown was master all the way as he marked up his fourth victory against no defeats. Highlight of the game was the excellent fielding the Burlington team displayed. Danny McGuire, underhand artist held the winners to but 7 bingles but his support was ragged. The game was completed in one hour and 40 minutes. All observers agreed that it was one of the best games of the season.

Saturday Petersburg came to Burlington and suffered a 17-3 defeat. Joe Smith turned in a fine exhibition of pitching and received the customary fine fielding support of his teammates. Joe was stingy with hits as he gave up but five. The Burlington attack of 17 hits was led by Jimmy Smith who homered with two aboard. Campbell started for Petersburg and was relieved in order by Hodges, Hitzfield and Campbell. Bob McWethy Petersburg catcher smashed out a four bagger. Bobby Patterson, strong arm Burlington receiver caught both games.

Charlie Black made his first start Saturday since his injury and the result was a six-hitter against the struggling Florence nine. The final score was East Bend 20, Florence 3. Black, who has been out since the third game of the season returned and annexed his fourth win. East Bend was unmerciful as they clubbed Utz and Rimmer for 23 hits.

In a recent study we find Sand Run has scored the most runs this year as 115 men have crossed the plate. Their opponents have scored 48 times. Burlington has held opposition to 35 runs for the year and have scored 88 times for second high in runs in the league Goodridge with 7-0 is the leading hurler followed by Brown and Black each with 4-0. Edwards of Bullittsville has won 6 and lost 1. Dave Gaines, Bullittsburg first baseman is leading the league in home runs and Bob Clore, of Burlington is one of the tops in driving in runs. This column would appreciate any statistics managers or players are able to give concerning strike outs, runs scored, batting averages, etc. Call Burlington 61 or Burlington 32.

Games this Saturday will find Verona at Burlington, East Bend at Bullittsville, Sand Run at Petersburg and Bullittsburg at Florence.

All baseball fans are invited to see these hard fought, interesting contests. Come out and support your team. Game time 2:30.

Dallas Williamson With Desert Unit

Sgt. Dallas D. Williamson of Star Route, Walton, is now on duty with the Army Ground Forces' desert testing unit, Task Force "FURNACE."

The Task Force, commanded by Lt. Col. Walter B. Richardson, is located in the vicinity of Yuma, Arizona, where daytime temperatures often exceed 125 degrees.

Sgt. Williamson in the testing of the Army's latest and most modern equipment which will be subjected to grueling tests over the arid desert terrain throughout the summer. Tanks, motors, rifles, grenades, water purification assemblies, radio sets, refrigeration plants, as well as clothing and items for the individual soldier are included in the long list of equipment to be desert-tested.

During World War II, Sgt. Williamson served with the Third Armored Division in the European Theatre of Operations, and holds the Bronze Star, Distinguished Service Medal, French Croix-de-Guerre and Belgian Fourreguerre among his numerous decorations.

Before entering the Army, Sgt. Williamson attended the Hamilton School and graduated in 1938. He is married and his wife, Dorothy resides in Walton.

Suffers Foot Injury

Coolidge Cress, son of Mr. and Mrs. Calvin Cress, of Burlington suffered injuries to his left foot one day last week when his foot was caught in a hay baler. "Buck" as he is better known was assisting in baling hay on a farm near Richwood when the accident occurred.

After an examination and X-rays were made, it was revealed that no bones were broken. However, his foot was badly bruised.

Hill Top Youth Promoted

David B. Pierce, son of Mr. and Mrs. George B. Pierce of the Hill Top neighborhood, has been promoted to Corporal at Erlangen, Germany.

His address is Cpl. David B. Pierce, 35826106, 2175th Engineers Maint. Co., APO 66, care Postmaster, New York, N. Y.

The war is now over for the boys who are stationed so far from home and everyone should write to their friends as often as possible.

David says he surely appreciates the "Recorder" which he receives quite regularly.

Real Estate Transfers

One of the largest land deals in recent years was made the past week in Boone County when Mr. and Mrs. John Loos of Campbell County acquired the 448 acre river bottom farm known as the Munts farm and all of its contents including a large herd of Whiteface cattle. Mr. and Mrs. Loos plan to move there in the spring.

The Mary Berkshire farm of 130 acres was purchased by Mr. and Mrs. Wm. Burns and son of Petersburg neighborhood and they plan to move there sometime in the spring.

These transactions were made through Jones, Gaines and Corner Realty Co.

FIRE DESTROYS LIMABURG HOME

EARLY TUESDAY MORNING—CAUSE OF BLAZE IS UNDETERMINED—HOUSE WAS UNOCCUPIED.

Fire of undetermined origin destroyed the three-room residence and garage owned by William Sullivan on the Limaburg-Hebron Road at Limaburg, early Tuesday morning.

The fire which was discovered by William Waters, a neighbor, had gained such headway that efforts of the Burlington Volunteer Fire Department were futile.

The fire was discovered at 2:00 a. m. Tuesday and the fire department was summoned. Upon arrival of the department flames had spread to practically every room of the house and were shooting twenty feet above the roof. The fire was brought under control within a few minutes, but damage to the building was extensive.

Mr. Sullivan, owner of the building estimated his loss at $3700.00 which was partially covered by insurance in the amount of $2500.00. The building was unoccupied, having recently been erected by Mr. Sullivan.

FUNERAL HOMES

A SECOND HOME
A death in the family brings enough confusion into the home without the added burden of callers. Funeral homes have been designed to relieve exactly this situation. They provide all facilities for handling details, leaving the privacy of the home untouched. We ask our clients to consider our homes as a second home during this difficult period.

War Veteran Clements Pledges Real Help For World War II Veterans

Congressman Clements

FORMER Buck Private Earle Clements has a first-hand knowledge of the war veteran's problems. In 1917, at the age of 20, he left the College of Agriculture at the University of Kentucky and enlisted in Company M, First Kentucky Infantry. He served 28 months, won the rank of captain and was honorably discharged.

Clements has no sympathy for those who shirked or avoided the service of their country, in whatever capacity it was needed, in any war.

Clements has no patience with the efforts of the present State Administration to extract from veterans state income tax, plus penalties, on their service pay. The last General Assembly passed a bill to exempt such pay from taxation, but it was vetoed.

In his own words, Clements' attitude is: "I imagine there are many who did not worry much about their income taxes while on the beachheads of Iwo Jima and Normandy. As Governor, I shall recommend and sign an act that will waive, rebate or give proper credit, for state income taxes on service pay."

Clements promises to the many young Democrats "qualified for leadership due to experience gained in war service": "They will receive the same preference in State jobs that is now given them in U. S. Civil Service employment."

Children's Feet

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Ninety-nine out of a hundred babies are born with good feet, even if they do appear to be flat at the start. We say babies are born with flate feet because the bony masses in a new-born baby's feet are held in place by fat pads. As the baby starts to stand and walk, these fatty pads are absorbed and muscles take their place. But about the third year the arch of the foot should be pretty well defined if the child is going to have an arch. We say if, because everyone is not meant to have the same color of hair or eyes.

Perhaps when the child starts to stand he is overweight, or undernourished or has gone through a serious illness. In that event the muscles may not develop enough to produce an arch in the foot. He then grows with a natural flat foot. The condition is rarely painful. However, many cases of flat feet can be averted if the child is provided with shoes that hold the weak foot in alignment. Such shoes are usually wedged slightly under the inner border of the heel bone. This prevents tipping in of the ankles and by over correction has a tendeney to cause the muscles on the inner border of the leg to shorten. These muscles are the ones which keep the foot arched.—Adv.

We join in wishing Mr. and Mrs. Baucom many more happy years together.

Kentucky Peace Officers' Association Sponsor School

The Kentucky Peace Officers' Association will sponsor a police training school to be held at Carrollton, Ky., in the courthouse July 14, 15 and 16th.

It is the intention of the association to better equip Kentucky peace officers to cope with present day police problems and to acquaint the officers of this state with one another.

Police officers in this area are invited to attend the school. There is no tuition charged for the school.

Special Events For The Homemakers Clubs

Most of the Homemakers Clubs have planned either tours, picnics, or some other special event for the months of July and August. A few will have business meetings this month, according to Mary Frances Matheny, Assistant Home Demonstration Agent.

The Walton Club is going to the Cincinnati Zoo. Burlington has not yet decided just where they will go. Hebron is having a picnic and a tour later in the month. Petersburg is having a picnic at a member's home while Gunpowder is having a picnic at Devou Park. Florence is going to Bardstown. Constance is going to visit places of interest in Cincinnati, while the New Haven Club is going to the Netherland Plaza Hotel to see the Ice Show.

REPORT ON LABOR GIVEN BY DR. ERNEST G. TRIMBLE

"The increase of the per capita income in Kentucky is the key to a fuller educational and cultural development," said Dr. Ernest Greene Trimble, Department of Political Science, University of Kentucky, in reading from his report on Labor in Kentucky.

Dr. Trimble presented his report on Labor to the 85 member organizations of the Committee for Kentucky at its annual meeting held at the Henry Clay Hotel in Louisville Thursday night.

"A higher wage level will mean increased purchasing power which will in turn promote a greater prosperity," Dr. Trimble said, "but in order that organized labor may make the necessary advance it must merit and obtain the active and enlightened support of the public, and the sympathetic cooperation of the employers of the state."

"Capital and labor must learn that each has rights and responsibilities," Dr. Trimbled urged, "and that their mutual interests require intelligent and fair collective bargaining. Only through this means can we hope to promote the orderly and constructive development of the resources of our State."

Dr. Trimble's report, prepared for the Committee for Kentucky, is the first such comprehensive study made on Kentucky Labor. Trimble stated that, "Broadly speaking anyone who works with hand or brain for wage, salary or profit is a laborer. This force totals approximately 1,128,531 persons in Kentucky but only 513,879 are in the private wage and salary group. Less than one-half of the workers of this latter group are organized in Kentucky.

The report indicates that in the past five years the number of employees in most individual industry groups has increased and the total in all groups has increased despite the fact that the population of the state has declined slightly through civilian migration and through loss to the armed forces.

"This increase in the total number of private wage and salary workers," the author said, "indicates that Kentucky is on the march."

Although Kentucky is below the national average in the percent of skilled workers, as well as all neighboring states except one, our workers are acquiring skills in Kentucky and is gradually swelling its body of skilled and semi-skilled people.

"The economic welfare of labor can be determined by the income of the State and labor's share of that income. In Kentucky," he said, "labor receives a smaller percent—52.2% of the state's total income payments—than is true of the nation as a whole or any of her neighbors." This compares with 68.6 for Ohio, the state immediately to the north and 60.1 in Tennessee, the state immediately south.

In addition, Dr. Trimble pointed out that the industrial accident record in Kentucky is entirely too great. In the year 1945-46 Kentucky had approximately 16,000 industrial accidents, in which 130 Kentuckians were killed. Mining and manufacturing, with over 5,000 each, lead in total number of accidents with mining having a much higher percent of both fatal and non-fatal accidents in the state.

Dr. Trimble's report on Labor will be published and made available through the office of the Committee for Kentucky, 506 S. Third Street, Louisville, Ky.

Prior VA OK Needed For Home-Town Medical Care

Prior authorization from the Veterans Administration must be obtained by World War II veterans in order to receive "home-town" medical or dental care at government expense, officials at the VA's Ohio-Michigan-Kentucky Branch Office in Columbus (O) emphasized today.

VA said numerous veterans have neglected to obtain the necessary authorization before starting treatments. Without prior approval of VA, physicians and dentists rendering the treatment cannot be reimbursed for their services. The only exception is where it is established that emergency treatment was required.

Both the veteran and the physician, or dentist, should determine that prior authorization has been given by VA.

Contracts between VA and the medical and dental associations in each of the three states provide that designated physicians and dentists may render treatment in service-connected cases when treatment in a VA installation is not feasibly available.

Veterans entitled to medical or dental care for service-connected disabilities should apply for VA approval at their nearest VA office.

NEW HAVEN P.-T. A. NEWS

The P.-T. A. of New Haven school met at the school building on Tuesday, July 8 for the purpose of instigating certain changes and improvements for the coming school term.

A representative group of parents was present who seemed very determined to correct conditions which have made New Haven school the subject of much uncomplimentary discussion.

A petition was drawn up which will be signed by parents and patrons, demands, among other things, new and adequate rest rooms to be completed by the opening of the school year.

This petition will be presented to the Boone County School board by a delegation of paretns on Wednesday night at the courthouse.

All interested parents are urged to be present at this time.

NEW ATTENDANCE MARK SET AT 4-H CLUB WEEK

The 24th annual 4-H Club Week at the University of Kentucky set a new attendance record of 1,122 club members, club leaders and county agents and home demonstration agents from 117 counties.

Twelve farm practice and 12 home demonstration teams, winners in the 12 districts of the state, 35 county water management teams and a large number of individuals took part in demonstration contests.

Imogene Powell and Vivian Coleman of Henry county, showing how lamp shades are made, won the home economics team demonstration contest, and John Bob Stepson and Wallace Montague of Owen county, demonstration "Better Milk Pays," won the farm contest. Two Grayson county boys, Anythony Darst and Eugene Tilford, won the water management contest.

In demonstrations by individual boys and girls, David King of Boone county won in the farm division when he showed how to produce good milk, and Wilma Jean Ard of Pulaski county topped the homemaking division with her demonstration of cottage cheese salad.

Over-all winner in the style show was Mary Jo Ridley of Ohio county. Other winners of high places were Twila Simpson, Anderson county; Elizabeth Ann Marshall, Madison county; Martha Routt, Oldham county, and Jewell Deane Ellis, Boyle county.

New officers of the Kentucky Association of 4-H Clubs, elected during the week, are Attwell Adair, Bourbon county, president; Polly Stovall, Logan county, vice-president, and Jo Anne Kinsey, Graves county, secretary.

Trade Hint: There seems to be something of a glut in the ballpen market.

Rototiller in Operation

The new Rototiller farm machine, produced by Graham-Paige Motors in the giant Willow Run plant, prepares soil for planting in a single operation, making unnecessary the three operations of plow, disk and harrow. The five-horsepower tillage unit, which churns and crumbles the soil to a depth of nine inches, has attachments which adapt it to a score of other farm tasks such as bulldozing, seeding, mowing, snowplowing and other operations.

BRADFORD AND WAYMAN, Auctioneers

BELLEVIEW W. M. S.

The regular monthly meeting of the Woman's Missionary Society was held at the church Thursday for an all day session.

The meeting was called to order by our president, Mrs. Willard Ryle. After the watchwords were repeated and the song for the year was sung by the group, Rev. Wm. Burkett gave the Bible Study, "A Poem of Universal Vision" in a very interesting and inspiring manner and also a message in song, "Living for Jesus."

The entire program was then given by the Y. W. A.'s, G. A.'s and Sunbeams, arranged by their leaders Zora Scott, Irene Walton, Espy Ligon and Luella Burcham. These splendid programs were enjoyed and appreciated by everyone present.

We were happy to have our Field Worker, Mrs. Higdon with us. She gave us a review of our lessons for the past six months which was very helpful.

Fifteen members answered to roll call and three new members, Mrs. Jean Jones, Mrs. George Eggleston and Mrs. Walton Smith were gladly received.

After the business meeting we were dismissed with sentence prayers by each of the members.

The next meeting will be at the church for the afternoon of August 7th.

Leona Marshall, Reporter.

EXHIBIT CONVERTED LAMPS

Old kerosene lamps, converted for the use of electricity by members of Caldwell county homemakers clubs, were exhibited in Princeton in observance of national home demonstration week. The display consisted of lamps of Victorian style, brass lamps from which the nickel had been burnished and lamps with clear or blue glass bowls. The equipment necessary for making the changes and a poster of explanation completed the display.

Twenty-three more farm and home water systems have been installed in Boyd county toward this year's goal of 330.

CARD OF THANKS

We wish to express our appreciation to our relatives, friends and neighbors for their kindness and sympathy shown us in the passing of our beloved husband and father

Andrew Hubert Cook

Especially do we wish to thank Rev. O. Pearson, Rev. R. A. Johnson and Rev. W. C. Burkett for their prayers and consoling words, the donors of many sympathy cards and beautiful flowers; the singers for their messages in song; Dr. M. A. Yelton for his kindness and efficient service; the pallbearers, and Stier and Williams for their capable and sympathetic service. 1t-pd.

HALL ANSWERS GOVERNOR WILLIS

"WILL BE GLAD TO COOPERATE, IN SOLVING PROBLEMS," SAYS LOCAL REPRESENTATIVE IN LETTER.

R. M. Hall, State Representative from the 54th Legislative District, composed of Boone and Gallatin Counties answered a letter from Gov. Simeon Willis, dated July 11 requesting a signed statement from Mr. Hall in regard to several questions. The letter follows:

"Honorable Simeon Willis
Governor, Commonwealth
of Kentucky
Frankfort, Kentucky

"Dear Governor:

"This is in reply to your letter dated July 11 with which you enclosed copy of your speech of July 10.

"You request a signed statement from me as to amount of appropriations for schools, old age assistance, aid to needy blind and dependent children, etc., to be considered by the General Assembly, if and when you decide to issue call. You also request a signed statement that I will agree to adjourn in ten days or less. It is my considered opinion that you are using your executive powers to dictate to the legislative branch of our state government, which is contrary to the Constitution of this Commonwealth.

"You stated in your speech that you have been considering legislation for relief of school problems since last February; yet you ask the members of the legislature to pass such legislation in ten days or less time. It is sheer folly to expect such assurances from any member of the General Assembly who is capable of acting as a member of that body. It is my opinion that you are not sincere in your efforts to relieve the financial problems of the schools and public assistance.

"If you will exercise your constitutional rights to call an extraordinary session of the legislature, in a normal manner, I will gladly cooperate with you in attempting to solve such problems as you may include in that call. I have no desire to remain in Frankfort for an abnormal period of time, nor do I have any political aspirations or ambitions for myself or any other person.

"By copy of this letter to the local press in Boone and Gallatin Counties, I hope to make my position clear to my constituents.

Sincerely,
"R. M. Hall."

Mr. and Mrs. C. Bauer, daughter and son returned to their home Sunday after an enjoyable week at the home of a sister, Mr. and Mrs. Larry Sieve and daughter, of Boone County. They visited many other friends during the week.

BOONE CO. TEAMS WINNERS SUNDAY

IN NORTHERN KENTUCKY SEMI-PRO LEAGUE—STEFFEN, OF WALTON PITCHES TWO-HIT GAME.

All Boone County baseball teams were victorious in Sunday's contests in the Northern Kentucky Semipro League. Walton, defeated Oasis Dispensers 7-1; Boone County Vets defeated Silver Grove 7-5; and Boone County All-Stars trimmed Covington Vets 22-1.

Elmo Steffen kept the Walton Merchants in a tie for the league leadership as he pitched two-hit ball in downing the Oasis Liquor Dispensers, 7-1 at Walton. Steffen had 13 strikeouts to his credit. His teammates collected 12 hits from the offerings of Breuer.

The Boone County Vets trounced Silver Grove Vets Sunday by scoring a 7-5 victory on the Florence grounds. The locals collected 10 hits off the offerings of Don Knapp former twirler for the Hudephols of the Buckeye League. Dutch Reibling was on the mound for the winners, allowing only eight hits. The big blow of the day was a homer by Charles Benson with two on base.

Boone County All-Stars were easy victors over the Covington Vets by a 22-0 count at the Petersburg park Sunday. Deck, on the hill for the winners gave up only five hits, while his teammates were collecting 20 hits off the offering of Perry and Wilcoxson.

Charles Fulton

Charles a Fulton, lifelong resident of Boone County, died early Saturday at his home, 22 Shelby Street, Florence following an illness of two months. He was 67 years old.

Mr. Fulton had been a machinist for the Andrews Steel Co., Newport for twenty-five years. He was a member of the Hopeful Lutheran Church and Erlanger Masonic Lodge.

He is survived by his widow, Mrs. Mary B. Fulton.

Funeral services were held at the Ralph Stith funeral home, Florence at 2:30 p. m. Monday, with burial in Hopeful Cemetery.

Mrs. Laura Mae Steers

Mrs. Laura Mae Steers, aged 81 years, Banklick St., Florence, Ky., passed away Thursday morning while visiting her son Henry Steers of Elsmere, Ky.

Besides her son Henry, she is survived by another son Raleigh, of Florence; three daughters, Mrs. Edw. Acree, Florence; Mrs. Ben Niehting, Covington, and Mrs. Frank Clinkenbeard, Erlanger and several grandchildren.

Funeral services were conducted Saturday at 2 p. m. by Rev. Hanna, at the Taliaferro funeral home, Erlanger, with burial in Highland Cemetery.

Utopia Club Meets July 24

The Boone County Utopia Club will meet at the fair grounds at 8:30 p. m. Thursday, July 24th.

Mr. Roy Battles from WLW will be the guest speaker.

All members are urged to attend.

SAND RUN LEADS WITH 10-1 COUNT

IN STANDING OF SUNDAY SCHOOL LEAGUE—BURLINGTON LOWERED BY DEFEAT SATURDAY.

The East Bend nine moved into third place in the Sunday School baseball league as they defeated Bullittsville Saturday afternoon, while Verona was winning over Burlington who held third place last week. In the other games Sand Run trounced Petersburg by a score of 14 to 4 and Bullittsburg defeated the last place Florence team.

The East Bend-Bullittsville game was closely contested all the way. Stephens and Woods on the mound for East Bend gave up six runs on twelve hits, while their teammates were gathering seven runs and thirteen hits off the offerings of Hogan, the Bullittsville hurler. H. Black was behind the bat for East Bend and Kenyon caught for the losers.

Verona emerged victorious by a score of 4 to 3 in a ten-inning contest at Burlington. This game was marked by excellent hurling, as Beach of Verona gave up nine hits while fanning seventeen, while Bob Brown, of Burlington allowed eight hits and struck out fifteen. Ferguson, Verona's slugging first baseman collected three safeties to lead his team at bat, while Jimmy Smith hit two homers and a single for the losers.

Bud Goodridge of Sand Run chalked up another victory as he held Petersburg to four runs on five hits while his team collected fourteen runs on eleven hits off the three Petersburg hurlers, M. Campbell, McWethy and McGuire. Judy was behind the bat for the winners, while S. Campbell and Carver were Petersburg's receivers.

Bullittsburg, in defeating Florence by the score of 5 to 1, gathered eight hits, while the losers were getting nine. R. Hodges was on the hill for the winners with D. Hodges behind the plate. For Florence the batteries were Utz and Fox.

SURVEY WILL BE MADE BY EXPERT

TO DETERMINE HOW MUCH MONEY CAN BE SPENT ON RURAL COUNTY ROADS WITHOUT HINDERING STATE ROADS

Frankfort, Ky., July 11—Before any definite commitments are made as to increasing the present $8,000,000 annual appropriation for aid to counties on rural county roads we should know considerably more than we know now, according to J. Stephen Watkins, Commissioner of the Kentucky Department of Highways. A survey is to be made by the Public Administration Service, Chicago, a non-profit foundation, to determine just how much money the state will be able to invest in rural county roads without hampering the construction and maintenance of the state primary system.

"There are twelve hundred narrow or one-way bridges on our main system which must be given some attention and this alone will cost millions," Mr. Watkins said. "How much of our total income can be spent on county roads is a question even the engineers of our staff are unable to answer. I feel that this survey by a non-partisan organization will develop facts which may be of great help to all of us—including the members of our General Assembly, the Legislative Council and our candidates for governor.

"It has always been my feeling that we can afford to spend as much as twenty percent of our over-all state road funds on county highways, and this was my proposal to the General Assembly during the last session. Today, our over-all increased income would make the amount going to rural county roads under my proposal more than $6,000,000 instead of the $5,000,000 now assigned to that work.

"One half of the truck tax is returned directly, in cash, to the counties to be expended for road purposes under the constitution. This money, amounting to about $800,000 is equivalent to another direct appropriation for county roads but which is not administered by the Highway Department.

"This survey will be completed by the last of October. We are asking the roads committees of the Farm Bureau Federation, Rural Letter Carriers, Automobile Clubs, Highway Users Conference and Research specialists from the University and colleges of the state to participate. Findings of the survey analysists will be placed before groups in scheduled conferences.

"Our present huge highway building program and the overload of work being handled by our own engineering staff made it necessary to employ an outside organization to compile these essential facts. When it is finished, we will know how much money we can spend, how long it will take and which roads should be developed first to advance Kentucky's overall prosperity."

Erlanger Lumber Co. Adds New Department

The Erlanger Lumber Co., announced this week a new department added to their present lines, venetian blinds, window shades, floors sanded and refinished (both old and new), wood storm windows, Rusco combination storm window and screen in metal, kitchen cabinets and sinks and overhead garage doors.

These items will all be installed by the company. Another feature will be free estimates given without obligation.

Additional services will be added from time to time when materials become more plentiful such as roofing, siding, insulation, etc. The Erlanger Lumber Co. will notify the public thru this newspaper of these additional services.

Veterans Administration Announce Vacancies

The Veterans Administration today announced clerk-typist vacancies exist for veterans with typing experience, particularly those with service-connected disabilities. The basic annual pay rate is $1,954 for a forty-hour week.

Most vacancies are in Louisville, but some are in VA field offices elsewhere in Kentucky.

Application forms, available at any VA office, should be sent to the Personnel Division, Veterans Administration Regional Office, 1405 West Broadway, Louisville 1, Ky.

Waterfield Addresses Boone County Voters

Harry Lee Waterfield, candidate for the nomination for governor, spoke at the courthouse in Burlington Friday afternoon. Mr. Waterfield spoke at length on good roads, more money for schools, the T. V. A. and R. E. A.

Mr. Waterfield stated that he is for spending ten million dollars a year, which is twice as much as ever before, on rural roads to get the people out of the mud. He also advocated spending thirty-four and a half million dollars annually on schools which is nearly double what it was last year. He said that the Kentucky Education program calls for that expenditures and that he is backing its program.

Mr. Waterfield stated that he has always been for R. E. A. and T. V. A., which means cheap electric power to the people, and accuses his opponent of voting for the "Moss Bill" which was designed to stop T. V. A. power at the Tennessee State line.

The Clinton candidate stated that there would be no mud slinging in his race, and he emphasized that his program will not call for any higher taxation on property and that he is against a sales tax.

D. V. Lewis, County campaign chairman for Waterfield introduced the speaker.

Busy Schedule For Boone County Band During Next Few Months

The Boone County Band will play for the 4-H Fair Friday, August 15 and Saturday August 16th. The band has been engaged to play Labor Day at Lawrenceburg, Ind., and Mr. Bloss has been contacted in regard to the Aurora Fair to be held early in October.

Mr. Bloss stated that he was pleased to have so many graduates and ex-GI's that were members of the band, back on the active list. At the last few rehearsals the membership has included Earl G. Aylor, Ivan Cason, Mary Margaret Fowler, Calvin Kelly, Sebern Scott, James Gayle Smith, Agnes Stephens, Imogene and Polly Rouse and Ruby Ryle. These members are a great asset to the band and their cooperation is greatly appreciated not only because they contribute to the band but they are an inspiration to the younger members.

Following band practice which will be held Monday, July 21, promptly at 8 p. m. marching practice will take place under the supervision of several ex-G. I.'s. It is imperative that band members be present at these rehearsals.

Fish And Game Club Will Meet Thursday

The Boone County Fish and Game Protective Association will hold its regular monthly meeting at the club house tonight (Thursday), July 17 at 8:00 p. m., according to Wendell Easton, president.

The regular business session will be disposed of immediately following the evening meal, and an entertaining program is being planned, it was announced.

All members and friends of the organization are requested to be present at this meeting.

THREE INJURED IN DIXIE CRASH

EARLY SATURDAY NORTH OF WALTON—HEAD ON CRASH IS CAUSED WHEN CAR WAS ATTEMPTING TO PASS TRUCK.

Three men suffered injuries early Saturday morning with the auto in which they were riding crashed into a north bound truck while attempting to pass a south bound truck, according to Deputy Sheriff Wendell Easton, who was called to the scene of the accident. The crash occurred on U. S. 25, two miles north of Walton.

Those injured were William Stacey, 24, Gray Hawk, Ky., who suffered cuts on the face and arms and a broken right leg; John Rowland, 18, of McKee, Ky., cuts on the face and arms; and William Rowland, 21, his brother, a broken wirst.

Lloyd R. Corum, of Goose Rock, Ky., and Albert L. Denton, of Dayton, Ohio, drivers of the trucks which figured in the accident, escaped injury.

The injured men were removed to St. Elizabeth Hospital, Covington, for treatment.

DAIRY HERDS ARE IMPROVED IN CO.

THROUGH ARTIFICIAL BREEDING METHODS, ACCORDING TO BILL DAVIS—WELL ESTABLISHED PRACTICE.

Artificial breeding to outstanding sires has proved to be an excellent method of improving herds, according to Bill Davis, County Agent.

Artificial breeding, while new in Kentucky, is a well established practice in other states, including New York, Ohio and Wisconsin, three of the large dairy states.

By using carefully selected sires heifers produced through artificial breeding have shown decided increases in production over their dams.

The sires used by the Kentucky Artificial Breeding Association have been carefully selected by pedigree and proof. Below is the pedigree and proof on Double Segis Johanna Lad, one of the six Holstein sires now in the stud at St. Mathews, Ky.

Double Segis Johanna Lad 752106. Born 9-30-37. He classified very good and was proved in the Kentucky Agriculture Experiment Station herd. He is an inbred son and grandson of Commonwealth Roscoe Segis Boy, 644451. His proof speaks for itself and ranks him very high among Holstein sires. He was proved by 12 dam-daughter comparisons. He was bred to 12 cows with an average production of 12-448 lbs. of milk, 431 lbs. of fat and testing 3.5 percent. His 12 daughters from these cows produced an average of 15111 lbs. of milk, 575 of fat and tested 3.8 percent, showing that he increased production by 2663 lbs. of milk, 144 lbs. of fat and increased the fat test 0.3 percent.

His sire was proved in 1943 by 39 daughters averaging 14084 lbs. of milk, 503 lbs. of fat and test 3.6 percent.

His dam, Bercol Segis Johanna 1620153, has a lifetime mature equivalent of 15524 lbs. of milk, 570 lbs. of fat and 3.7 percent test.

His granddam on the top side, Lady Rose Segis 1099025, boasts a DHIA record at 6 years of 14,112 lbs. of milk and 556 lbs. fat.

His granddam on the bottom side, Bercol Johanna Bluegrass 1483394, shows a lifetime mature equavilent of 140604 lbs. of milk, 482 lbs. of fat and a 3.3 percent test.

"Double Segis" who has proved himself admirable and boasts of an outstanding pedigree is one of the top sires of the Holstein breed and can do much to increase production in any herd in the county.

Pedigrees and proof on the other sires will follow in later articles.

Real Estate Transfers

John W. Ryle sold his farm of 70 acres 1½ miles east of Burlington, on Highway 1 to Arthur Harris of Covington. Possession within 30 days of most of the property. Mr. and Mrs. Ryle have lived on this farm for the past 30 years.

The heirs of the late J. M. Eddins sold all of the real estate on Jefferson and Torrid Streets in Burlington. Sheriff, R. I. Rouse purchased a little less than two acres on Torrid Street, unimproved, except a barn, and J. L. O'Bryan, of Erlanger taking the 2 acres with the residence and outbuildings on Jefferson Street. Mr. and Mrs. Eddins had lived in this property for 46 years. Mr. O'Bryan is a Veteran of the last war, married, with three young children.

Theodore Willoughby sold his farm of 40 acres on Lick Creek to Mrs. Myrtle Atha of Burlington and in a few days Mrs. Atha sold this farm to Mr. A. Hutchens of Covington.

John Burns sold his farm of 107 acres one mile below Petersburg, on Highway 20 to a Mr. Donnelley of Price Hill. Immediate possession, Mr. Burns had purchased the McCord farm near Petersburg last Spring and is now living there.

Frank Wilshire of Erlanger purchased 60 acres of land on Camp Ernst Road from Shelby Willoughby. Immediate possession was given.

John W. Ryle purchased a house and lot on Center Street in North Erlanger from Frank Wilshire, to which property Mr. and Mrs. Ryle expect to move within 30 days.

All of these sales were handled through the A. B. Renaker Agency the past week.

Mrs. William Martin and children, of Florence, spent Monday with her sister, Mrs. Raymond Holbrook and family.

Mrs. Lillian Deyo

Mrs. Lillian Deyo, aged 57, passed away Monday night at the home of her daughter, Mrs. Harry Welte, Crescent Springs Pike, Erlanger, Ky. Mrs. Deyo had operated a restaurant in Pennsylvania, until ill health forced her retirement and she moved to Erlanger to make her home with her daughter.

The remains were forwarded to North East, Pa., for services and interment, Thursday afternoon.

Taliaferro funeral home had charge of the funeral arrangements.

Jean Carpenter

Jean Carpenter, infant daughter of Mr. and Mrs. Howard Carpenter, Greenup St., Covington, former residents of Boone County, passed away Sunday morning at Booth Hospital.

Services were conducted Monday at 2 p. m. at the Taliaferro funeral home, in Erlanger. Interment followed in Florence Cemetery.

Annual Fish Fry Set July 26 At Big Bone

The annual fish fry of the Big Bone Baptist Church will be held Saturday, July 26. The public is cordially invited to attend.

This affair is is attended by a large number each year from all sections of the county, and a special invitation is extended to everyone to attend.

DRIVERS' LICENSE DUE AUGUST 1ST

WILL BE SOLD AT EIGHT POINTS IN COUNTY, ACCORDING TO A. D. YELTON, CIRCUIT COURT CLERK.

A. D. Yelton, Clerk of the Boone Circuit Court announced that he received the 1947-48 Operator's license from Frankfort on July 11 and that the license went on sale immediately. The present license expire on July 31st, 1947, and he urges all motor vehicle operators to obtain their license before that time.

License will be sold by the Clerk or a deputy at eight convenient locations in the county, following the same practice which has prevailed for several years in this county. The places of sale and dates are as fololws, to-wit:

Walton—July 18 and 19, Town Hall.

Grant—July 21, Citizens Bank, afternoon.

Union—July 21, Union Deposit Bank.

Petersburg—July 22, Farmers Bank.

Hebron—July 23, Aylor's Garage.

Verona—July 24, Verona Bank.

Florence—July 25 and 26, Building & Loan office.

Constance—July 28, Ellis' Store, afternoon.

Applicants must present their old license when applying for their new license. This year members of the family may obtain the license for all of the family. The costs of renewing the license is $1.00.

Further announcement will be made if there is to be any change in the dates to take the drivers' examination, the next date being July 28th. Applicants to take the test must have a licensed driver with them, and if under 18 years, their father, if living, who must sign the application.

Desirable Property Will Be Offered At Auction

Rel C. Wayman, 623 Washington St., Covington, anounces two public auctions. Thirty-six lots, suitable for home or business sites at Walton, will be sold Saturday, July 19, 1:00 p. m. Frank Miller and his Kentucky fiddlers will play, and free cash prizes will be awarded.

On Wednesday, July 23, 1:00 p. m. the Beeson Home, Dixie Highway, U. S. 25 will be sold. Sale includes a six-room one-floor strictly modern home, some antiques and a lot of household goods.

The Wayman sale of Florence lots last Saturday was very successful and largely attended.

Thursday evening dinner guests of Mr. and Mrs. Wendell Easton were Mr. and Mrs. Robert Clore, Mr. and Mrs. Earl Smith, Mr. and Mrs. Franklin Huey and Mr. and Mrs. Walter Brown.

ELIMINATION SERIES BEGUN

WITH PETERSBURG, CONSTANCE AND BURLINGTON DRAWING FIRST BLOOD IN THREE WELL-PLAYED GAMES.

Three well played games were run off on schedule Saturday when Petersburg traveled to Union and returned home victors by a score of 3 to 2. We are unable to give the winning and losing pitchers, but the game was well played all the way.

Constance defeated Bob & Gene on Florence grounds 3 to 0 with Peeno winning his third straight and Bob Tanner, making his first appearance of the season hurled a grand game and will cause trouble to many hitters before the series is decided.

Burlington got revenge for an earlier defeat, when they walloped Belleview 7 to 0 on the losers' grounds.

This was one of the fastest played games of the year, with both teams displaying plenty of hustle, committing only one error, that by Burlington.

Gulley and Cason were the starting pitchers, Cason giving way to Gene Jones in the eighth. Gulley went the route for Burlington holding the slugging Belleview boys to three singles, not a runner reaching third base.

Roscoe "the Nipper" Akins, who seems to drink at the fountain of youth, and "Sox" Benson were the hitting heroes for the day, each getting 4 for 4, one of "Akins" being a long double to left center.

That trio, Rogers, Miller and White who roam the outfield for Belleview made sensational catches robbing the Burlington boys of many extra base knocks.

Games Saturday

Bob & Gene at Petersburg.
Belleview at Union.
Burlington at Constance.

Donald Ray Rector

Donald Ray Rector, infant son of Mr. and Mrs. Jack Rector was born July 6th, 1947 and passed away July 7, 1947 at St. Elizabeth Hospital.

Ralph Stith, Florence funeral director was in charge of arrangements.

4-H Home Economics Premiums Increased

Most of the premiums for Home Economics classes in 4-H exhibits have been increased for this year's 4-H and Utopia Fair, August 15 and 16th.

There will be classes in clothing, foods, canning, community clubs, secretary's books, and room improvement for 4-H members to enter, according to Mary Frances Matheny, Asst. Home Demonstration Agent.

All exhibits must be entered on Friday morning, August 16th. The style revue for those entering garments in any of the clothing classes will be held Saturday afternoon, August 16th.

BETTY HOOD WINS $25 SAVINGS BOND

FOR DEMONSTRATION GIVEN AT 4-H WEEK—VICE PRESIDENT OF FLORCENCE X-L ALL 4-H CLUB.

Miss Betty Hood, Florence, has been announced as the winner of a $25.00 U. S. Savings Bond by the State 4-H Club Department. Miss Hood will receive the bond for the demonstration she gave at 4-H Week on "The Dampening and Ironing of a Shirt." She received grand champion ribbons at the 4-H Spring Rally in Burlington and at the district demonstration contest in Owenton later in May. She was one of the two state winners in clothing demonstrations given at 4-H Week in Lexington, which entitles her to the savings bond.

Miss Hood demonstrated how to dampen and iron a shirt, saving as much time and energy as possible. While ironing the shirt, which she did with only 2½ turns, she sat at a small lap table.

A former member of the Constance Club, Betty is now vice president of the Florence X-L. All 4-H Club. She is 13 and has been in 4-H work for five years. In September she will be a freshman at the Florence high school.

Farmer Earle Clements Pledges Real Help For Kentucky Farm People

EARLE CLEMENTS, candidate for the Democratic nomination for Governor, is a farmer and the son of a farmer. A letter from another Union County farmer, H. R. Norman, Route 4, Morganfield, pays Clements this rare tribute:

". . . The first honest-to-goodness farmer to run for Governor in a good many years. He is not only a good farmer, but also a very high-class citizen who has the confidence and respect of all farmers in this county . . . He is not just a town man who owns a farm. He can do everything there is to do on the average farm, from driving a tractor, operating a cultivator, to vaccinating a hog.

"The farmers down here elected Earle as County Judge for two terms and he did a particularly good job. He got the county's money troubles straightened out and cut the debt in half. Earle has always been a leader in any movement for improving farm conditions, including soil conservation, Rural Electrification and better breeding for livestock."

In Congress Clements has:

Congressman Clements

1 — Sponsored the law which added 6 to 8 cents a pound to the price of dark tobacco.

2 — Helped, as a member of the House Agriculture Committee, in writing and enacting the Marketing and Research Act seeking new uses and markets for farm products.

Clements favors a stronger State Bureau of Marketing and pledges: "I shall put the State Government to work in the farmers' service."

SADDLE HORSE SHOW JULY 20

AT DEARBORN COUNTY FAIRGROUNDS—300 MAILED INVITATION TO PARTICIPATE IN EVENT.

Entry blanks have been mailed out to more than 300 horsemen in [illegible] and Tristate for the Phi Beta Psi sponsored Horse Show at the Dearborn County Fairgrounds Sunday afternoon, July 20, members of the sorority announced.

Any persons who desire to enter their horses in the show but did not receive entry blanks may get them by writing to Mrs. Oakey Crider of 11 Center Street, Lawrenceburg, Indiana.

Proceeds of the event, which is expected to attract a crowd of several thousand persons, will be spent for charitable purposes by the sorority.

Kenneth Gutridge, of Louisville, Ky., one of the best known saddle horsemen in the Blue Grass State, will be judge of the show, with Clarence C. Woods of Rising Sun, as ringmaster, assisted by Robert L. Neaman, also of Rising Sun.

Earl Huffman of Aurora, will do the announcing. The show will be held under auspices of the Southeastern Saddle Horse Association. No entry fee will be charged and stalls also will be free.

Lawrenceburg, Cincinnati, Aurora industrial business and professional men and women have contributed generously to the large sum of money already hung up in purses for winners in the 11 classes of the show. Tickets were placed on sale this week for 50 cents each. They may be purchased through members of the sorority or at the gate the day of the show.

New Preserving Instructions Given For Housewives

Boone County Homemakers will be interested in the new preserving instructions put out by home economists of the U. S. Department of Agriculture.

Fruit preserves are successful only if the fruit holds its shape yet is tender and translucent. To achieve this, sugar, which has a firming effect on fruit tissues, must be applied differently to different types of fruit, according to Mary Frances Matheny, Assistant Home Demonstration Agent.

Following are the instructions given by the U. S. Department of Agriculture:

Sugar is added "straight" to tender, juicy fruits like cherries and strawberries. If these fruits stand overnight in sugar, they become firmer and are less likely to go to pieces in cooking. The sugar draws out the juice and shrinks the fruit somewhat, but the juice provides enough liquid so that no water need be added, and this shortens the cooking time. The shorter the cooking, the better for color and flavor.

Juicy fruits with a firm skin like plums do not need overnight firming. But because they are juicy, they are put in thick sirup. This helps keep their shape as they cook, and their juice, as it cooks out, thins the sirup the necessary amount.

Firm fruits like quinces and crabapples are put in thin sirup to cook. Thick sirup toughens them. When put in thin sirup, they have time to cook tender while the sirup boils down. Another way to deal with these fruits is to steam or precook them in water to make them tender before sugar is added. This is a less successful method, however, because the fruit is likely to be overcooked and flavor is lost in the precooking.

CARD OF THANKS

I want to thank all of my kind relatives and friends for the nice flowers, gifts, and cards which where sent to me while I was in the hospital. 1t-pd.

SUNDAY SCHOOL LESSON

Light on the Problem Of Human Suffering

LESSON TEXT FOR JULY 20—Job 1:8; 2:7-10; 19:7-10; 42:1-5; James 5:11.

MEMORY SELECTION—Thou therefore endure hardness, as a good soldier of Jesus Christ.—II Timothy 2:3.

EDITOR'S NOTE: Lessons subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

By HAROLD L. LUNDQUIST, D. D.
Of The Moody Bible Institute, Chicago.

HUMAN suffering—what a problem it is to all of us, in greater or smaller measure. From the broken heart of men and women comes the question "Why?"

We cannot always answer, nor do we fully know the meaning and purpose. We must often simply put ourselves and our loved ones into the hands of God, trusting him to bring us into assurance and victory.

There are some things we can know, and they are most helpful. The book of Job reveals much concerning the background of suffering and its uses and advantages. It is not all loss and pain. God does not forget his people in their hour of trial.

Job had suffered the loss of property, family, and was now personally afflicted by sickness of his body. His friends who came to comfort him had added to his troubles by their pious platitudes about suffering being the result of sin (cf. John 9:3), and so on.

There was enough truth in what they said to make it hurt, and so we are doubly glad we are given a look behind the scenes. We learn that this was not a struggle between God and Job, nor even between Satan and Job. We see

I. The Battle Between God and Satan (Job 1:8).

READ the entire story here and you will see that Satan, when faced by God with the godly example of Job's life, threw down a challenge. He declared that the only reason Job loved God was because he received so much good out of it, because God protected him.

The issue was clearly drawn; the question was whether God was able to keep a man in the midst of trial and suffering. Was His grace sufficient for the dark hours of life as well as the happy and bright ones?

Having stripped Job of all his possessions, and left him childless and heart broken, Satan had to admit failure up to that point. But he sneeringly slandered both Job and God by saying that Job was not concerned about these other things so long as his own body was unharmed (2:4, 5).

So the Lord permitted him to afflict Job's body, and we see the conflict raging in

II. The Battleground—the Life of Job (2:7-10; 19:7-10).

THE mystery of God's permissive will enters into the picture here, and we learn too that Satan, while a mighty being, has limits to his power. God may give him liberty to test his people, but it is never with the thought that they will fall; rather to prove that they can stand true come what may.

Was any mortal ever more afflicted than Job? We find him finally an outcast, sitting on an ash heap, scraping the awful sores upon his poor body.

Job did have his times of questioning and doubt (19:7-10). He felt at times that God had forsaken him. He misunderstood the providences of God. But through it all he held on to his faith in God. He could do without his possessions (1:21). God could even take his life and he would say, "Though he slay me, yet will I trust him." He saw beyond the grave, for he knew that if his body were destroyed he would still see his Redeemer.

What more sublime expression of faith could a man make than to say in his hour of seeming despair, "I know that my Redeemer liveth."

How did it all come out in the end? That is our last point.

III. The Outcome—Victory for God in Job (42:1-5; James 5:11).

JOB had to come to the end of himself. Judging himself to be unworthy (42:6), he repented of all his own self-righteousness and cast himself upon the mercy of God. God then vindicated him and restored him to a place of blessing and usefulness.

The answer then to our problem is this—God is able to keep to the uttermost those who put their trust in him (Heb. 7:25) through the grace he gives. Suffering may be in his permissive will for our own self-judgment and growth in grace. But back of it all is the assurance that God knows about it, he has not turned away; that in due season, if we faint not, we shall see victory.

Ultimately, the question is not whether we can stand or not, but whether God is able to keep us in the midst of the onslaught of the world, the flesh and the devil.

Notes and Comments

From the Editor's Desk

Luxury or Necessity?

Representatives of nations where there is no freedom of the press and where the people enjoy no privileges of personal liberty have often remarked that the American system of individual freedom is a luxury only a rich nation may afford. This is a flimsy excuse for the brutalities of dictatorship. But would be be so different from these other nations which are tobogganing back into the dark ages, if we were hard pressed by economic chaos? Not if we are to listen to some of our most notable, self-styled liberals who claim with fearful urgency that should another depression descend upon America, she too would abandon the luxury" of freedom. Some of them would even jump the gun by setting up a planned state now—fixing prices, rigging supply and demand to artificial standards, controll production, and in effect, establishing government as a spurious God.

When this country was founded, the going was tough. Freedom was the first goal of life. It was not achieved easily. The privilege of going to the church of one's choice was not considered a luxury, nor were ownership of property and the right of assembly and free speech. These things were as vital as air. To infer, no matter how indirectly, that they have become luxuries at a time when millions of people over the whole world are looking to the United States to keep alight the torch of civilization, is inexcusable.

Very likely there will be depressions in this country in the future, as in the past. They can either be short pauses in the march forward of a great nation—or any one of them can be the jumping-off point for state socialism and the subjugation of the people. It will depend upon our point of view whether our freedom is a luxury or a necessity.

The Labor Bill

Congress performed its plain and inescapable duty in overriding the President's veto of the labor bill.

No one claims that the bill is perfect. It deals with an extremely complex problem. It ventures into new and uncharted legislative ground. Some of its clauses will be tested in the courts, and there is every probability that future changes will be necessary. But that is nothing against the measure. All major legislation must pass thru a trial and error period. The bill attempts to deal fairly and decisively with an issue which directly affects the strength of America at home—and the prestige of America abroad.

The charge that the bill is designed to destroy the unions and enslave the workingman is completely unfounded. The very fact that more than two-thirds of the members of both House and Senate voted for it is, in itself, a refutation of that wild accusation. It has long been evident that many labor leaders will fight any reform, no matter how reasonable, that might endanger their enormous powers—and prevent them from actions that imperil the interest, welfare, and in some cases the health of millions of people. These leaders didn't want to accept their obvious responsibilities. Now some of those responsibilities have been forced on them by a clear mandate of the American public.

Some authorities are of the opinion that the bill may be too "soft"—that it may fail to curb labor abuses which are harmful to the worker, to industry and to the consumer alike. The final version was a great deal milder than that which first passed the House. But it marks a start toward curbing labor monopoly and excesses from which the public suffers.

One Way to War

The will to peace, declares Secretary of War Robert P. Patterson, is not sufficient to prevent war but, on the contrary, unless supported by ready military resources, may invite attack.

Mr. Patterson says that the people of this country should not close their eyes to the fact that the world is ruled by force, with great nations regarding war as a legitimate weapon of national expansion. He points out that, in view of this attitude, the weak have no rights which the strong regard.

In connection with this statement by the Secretary of War, we should understand that the United States is, undoubtedly, the wealthiest area in the world. Consequently, if any nation goes into war with the aggressive design of getting something from military efforts, the United States is the outstanding target for attack.

BURLINGTON W. M. S.

The W. M. S. met at the church July 9th at 2 p. m. There were twenty-three ladies present and Rev. Johnson also dropped in for a brief visit.

Mrs. McBee, presiding officer gave the devotional message and conducted the business session.

Mrs. Aline Brady, presented the program, which proved to be an unusually interesting one. Mrs. Sam Allen, very ably discussed the program topic, "The Chinese People," telling of them as a people, of their race, civilization, religion, and conditions and needs of today.

The remainder of the program was given over to Miss Geraldine Yelton, who related, in a most interesting manner, her recent experience in Lee county, where she worked for two weeks with Rev. Johnson and others in conducting Vacation Bible School and Evangelistic services. This was really a rich experience and rare privilege for Jerry as well as a great help spiritually and otherwise to the mountain people in our state.

During the business session, plans were formulated for entertaining the quarterly meeting of the W. M. U. of North Bend Association, to be held in our church July 24 at 10:30 a. m. We hope that all all women of our church will come out and receive inspiration and information regarding missionary work of the churches in our association.

—Publicity Chairman.

Twenty Years From Now

Foot Comfort Specialist at—

PEOPLE'S SHOE STORE

PEOPLE'S SHOE STORE

Will they thank you for good strong feet?

Oh, you mother of a child—you want his manners to be nice, you want his brain to be quick, you want his hands to be agile—but don't you want his feet to be sturdy and true, well-shaped and graceful? Are those of your daughter?

You mother of a child, twenty years from now his feet will be walking up to get a diploma, or confidently marching in to get a job, maybe walking up to an old church altar to meet a bride in white. (Or it may be the bride herself.) Your child may never thank you for good strong feet, he'll take them as a matter of fact. But what will he think if they're not good strong feet? Sure he'll still love you—but "why didn't mother make sure I was growing up right?"

It is a responsibility, just one of the many a mother takes on when she brings a child into the world. —Adv.

Constitutions Ought To Be Revised Frequently

A Guest Editor by Thomas Jefferson

I am certainly not an advocate for frequent and untried changes in laws and constitutions. I think moderate imperfections had better be borne with, because, when once known, we accommodate ourselves to them, and find practical means of correcting their ill effects. But I know also that laws and institutions must go hand in hand with the progress of the human mind. As that becomes more developed, more enlightened, and manners and opinions change with the change of circumstances, institutions must advance also, and keep pace with the times. We might as well require a man to wear still the coat that fitted him when a boy, as civilised society to remain ever under the regime of their barbarous ancestors . . . Let us provide in our constitution for its revision at stated periods. What these periods should be, nature herself indicates. By the European tables of mortality, of the adults living at any one moment of time, a majority will be dead in about nineteen years. At the end of that period, then, a new majority has come into place; or, in other words, a new generation.

Each generation is as independent of the one preceding it as that was of all which had gone before. It has, then, like them, a right to choose for itself the form of government it believes most promotive of its own happiness; consequently, to accommodate to the circumstances in which it finds itself, that received from its predecessors; and it is for the peace and good of mankind that a solemn opportunity of doing this every nineteen or twenty years should be provided by the constitution, so that it may be handed on, with periodic repairs, from generation to generation, to the end of time, if anything human can so long endure.

(From a letter to a friend in 1816)

A Democratic Way

The people of Kentucky, at the November general election, will determine whether a convention shall be called to revise the state's constitution.

Opponents of the convention assert that revision in this manner would be a dangerous procedure, that the rights of the people would be threatened, that the Bill of Rights might be eliminated or changed.

How can the rights of the people be abridged when the people change their own constitution?

The enabling act, passed twice by the General Assembly, provides that the citizens of Kentucky, all of them, shall have three opportunities to vote on the matter. First, the people will decide whether they want a constitutional convention called. If a convention is authorized, the people themselves will elect the delegates to the convention, just as they elect members of the House of Representatives. Finally, after the convention has completed its work, the people will vote on the revised constitution.

What could be more democratic than this? How can anything that so directly reflects the will of all the people be undemocratic? Why is it dangerous to let the citizens themselves determine the kind of constitution under which they live?

Aside from the provisions that give the people three separate opportunities to vote, there is the additional safeguard resulting from the fact that the convention delegates, anxious for their work to win public approval, could not afford to make any changes that would abridge the basic rights of the people or do violence to the general concepts of democracy. No one need fear that the Bill of Rights would be tampered with. —The Lexington Leader.

Baking Class Is One Of Fair Features

The baking class will be one of the features in home economics exhibits at the 4-H and Utopia Fair, August 15th and 16th. Since sugar is available in greater quantities now, it is hoped that there will be many more entries made in this class.

Chocolate cake and white butter cake have been added to the entries in the baking class. Besides these, there are entries for angel food cakes, cookies, yeast roles, biscuits, pies and homemade yeast bread.

Cincinnati Man Fined On Drunken Driving Charge

Jams Lee Reeves, Cincinnati, was arrested Saturday night on U. S. 25 on a charge of drunken driving.

He was lodged in Burlington jail Saturday night and released Sunday morning after paying a fine of $104.50 and his drivers' license revoked for one year.

Firemen Will Meet Monday

The Burlington Volunteer Fire Department will hold its regular monthly meeting at the firehouse Monday, July 28th, it was announced this week.

Chairman Frank Milburn will be in charge of the business session. All members are urged to be present, and matters of interest will be discussed at this time.

TWO ARE TIED FOR TOP PLACE

IN ELIMINATION SERIES OF BOONE COUNTY BASEBALL LEAGUE, RESULT OF SATURDAY'S GAMES.

Belleview, with "Chick" Stephens on the moud, defeated Union in a well-played game on the Belleview grounds Saturday by a score of 8 to 2. Allen White was on the receiving end and from all reports, it looks as if Belleview has uncovered at pitcher that may cause trouble. Scott Jack was the losing pitcher. Scott is just a youngster and with a little more age and weight he should develop into a winner. Judge was Scott's battery mate.

Bob Eades took his freshman team to Petersburg and after a hard fight the kids were downed 10 to 8. Bill Deck went all the way for Petersburg, with Tanner serving them up for Florence.

The game of the day was played on the Paul McGlasson park in North Bend Bottoms, when Burlington defeated Constance 23 to 10. This was a 7-inning affair.

Akins was on the mound for Burlington, and although went down for the count of 6 in the first inning, rallied and managed to hold to the ropes to the finish. Peeno, Buckler and Kendall were on the hill for Constance.

Games This Week

Burlington at Bob & Gene's.
Constance at Union.
Petersburg at Belleview.

Drawings for second round of elimination will be held at the courthouse Monday, July 28 at 8:00 p. m. All managers are requested to be present.

Ladies' Auxiliary To Meet At Florence

The Ladies' Auxiliary of the Florence Volunteer Fire Department will meet on Thursday, July 24th at 8:00 p. m. at the Town Hall.

All ladies of the community, members or not, are urged to attend this meeting and take part in the program.

FOUR-H TOURS ARE COMPLETED

HEBRON HAS HIGHEST ATTENDANCE WITH 24—FLORENCE SECOND WITH 21—EACH 4-H MEMBER VISITED.

The last 4-H tours were completed last week. There were 119 club members attending the twelve tours, according to the County Extension office. Hebron had the highest attendance with 24 and Florence next highest with 21. This is a much better attendance than last year.

On the tours, each 4-H club member was visited by one of the three County Extension Agents. Their projects and record books were checked by the agents. Most projects are up-to-date and many of the members plan to exhibit their projects at the 4-H and Utopia Fair, August 15th and 16th.

BOONE TEAMS ARE VICTORIOUS SUN.

IN NORTHERN KENTUCKY SEMI-PRO GAMES—WALTON HOLDS FIRST RANK POSITION WITH BOONE COUNTY VETS.

Boone County baseball teams chalked up victories in the Northern Kentucky Semipro Baseball League Sunday by defeating Ward's 440, Covingtons Vets and Northern Kentucky Merchants.

Walton and Boone County Vets are tied for first place in the league standing, and are fighting to maintain their lead.

The Boone County VFW baseball extended their string of victories to ten Sunday as against one defeat by nosing out the Covington Veterans 8-7 at Florence.

"Hoots" Ryle started on the mound for the winners and again, as in previous starts received very ragged support. Bowman and Williamson finished the game for the Vets with the latter retiring the side in the ninth after entering the game with the bases loaded and none out. Sebree, who played a very nice game, made a hurried throw to second to double a runner after making a catch of a fly ball in left field to end the game. Sebree also was the offensive star, collecting three safeties while "Sox" and Charles Benson had two each, one of the latter's being a home run.

The local VFW nine will play their last regular scheduled game Sunday at 3:00 p. m. at the Florence park, with elimination beginning the following Sunday, August 3rd. The Vets wish to thank the local fans for their fine support and cooperation.

Walton trounced Ward's 440 at the Walton park by a 7-0 count, with Elmo Steffen on the hill for the winners, allowing only six hits while striking out 10 batters. Eichoff, hurler for the losers allowed thirteen hits, while striking out six.

Boone County All-Stars displayed good form in defeating the Northern Kentucky Merchants by a 5-2 count at Petersburg, Sunday. Deck, on the hill for the winners, allowed six hits, while his teammates were collecting eight from the offerings of Ashcraft, losing pitcher.

Burlington Lodge Will Meet Tonight

Burlington Lodge No. 264 F. & A. M. will hold its regular meeting at the hall tonight (Thursday), July 24th, at 8:00 p. m. Immediately following regular business, practice in the F. C. degree will be held, according to Wilbur Denniston.

All members are urged to attend this meeting, and visitors of neighboring lodges are extended a cordial welcome.

Amputee Veterans Can Obtain Automobile Through U. S. VA

A total of 334 disabled veterans of World War II in Kentucky had acquired automotive vehicles at government expense through June 30 under the "autos for amputees" program, the Veterans Administration Regional Office in Louisville, reported today.

Sales agreements certified for payment by VA amounted to $530,427, placing the average cost of each vehicle at $1,588.

Most of the eligible veterans have purchased automobiles, VA said, although some have selected trucks jeeps, station wagons and tractors. Most of the vehicles have been fitted with special attachments to facilitate operation by the veteran despite his disability.

The law, which became effective last September, provides a $1,600 car or other conveyance for those who in service lost, or lost the use of, one or both legs at or above the ankle. The law originally expired June 30, but has been extended by Congress until next June 30. Application forms are available to eligible veterans at all VA offices.

Mrs. Anna N. Edwards

Mrs. Anna Neumaister Edwards, member of a prominent Walton family, died Tuesday at St. Elizabeth Hospital. She entered the Covington hospital four days prior to her death. She had been in ill health for the past several years. Mrs. Edwards was 77 years of age.

She was the widow of the late Adolph M. Edwards, widely known throughout Boone County and Northern Kentucky. She was a member of the Walton Christian Church.

She is survived by one son, A. M. Edwards, Jr., Arlington, Va.; one daughter, Mrs. Lulu Huey, Walton; a sister, Mrs. Alicia Neumaister, and two brothers, Edwards and Carl Neumaister, all of Walton and two grandchildren.

Funeral services were held at the residence Thursday at 2:00 p. m., with Rev. Fred S. Nichols officiating. Burial was in Highland Cemetery, Ft. Mitchell.

The Hamilton funeral home, of Verona was in charge of arrangements.

Edward Arrison

Edward Arrison, 122 Clay St., Erlanger druggist for than 25 years, died Friday at St. Elizabeth Hospital. He was 65 years old.

Mr. Arrison was a member of Good Faith Lodge, No. 95, F. & A. M., and had been associated with the Bentler Pharmacy for a number of years. He lived with his sister, Mrs. Stanley Townsend.

Funeral services were conducted at the Tallaferro funeral home, Erlanger at 2 p. m., with Rev. Donald Gambrell officiating. Burial was in Highland Cemetery.

Former Boone Countian Celebrates 92nd Birthday

The following article was taken from the American-Statesman, Austin, Texas:

Llano, July 12—C. H. Appleton, well known pioneer and retired businessman of Idaho, who came to Texas more than 70 years ago when told by his physician that he could not live a year, marked his 92nd birthday anniversary at his home in Llano, Friday. He was born in Boone County, Kentucky, on July 11, 1855, and is a son of the late Mr. and Mrs. William Appleton. He came to Texas for his health in the late 70's, locating first in Austin. Shortly a physician advised him to go to a western climate if he hoped to live.

In company with a cousin, Percy Appleton, he moved to McColloch County and went into the sheep business. He located at Camp San Saba and lived for a number of years in a tent, herding sheep outdoors all day until he finally regained his health.

He moved to Field Creek, Llano County, in 1886 and went into the mercantile business. He later moved to the town of Llano and was in the dry good business here for a number of years.

"Merchandise was different in those days and people's taste was different," he said recently, in recalling his pioneer days as merchant in this section.

"Women would come into the store with several children to buy shoes. She would have a string with a knot tied at a certain place to show the size or length shoe wanted for one child; then on the same string there would be another knot tied, indicated the size required for another child, and so on, until the whole family was fitted in shoes."

Appleton was married in Camp San Saba on Nov. 18, 1886, to Miss Edna Vance, a native of Mississippi, and a daughter of the late P. A. Vance, the first tax accessor of McCulloch County. Last November this pioneer couple marked their 60th wedding anniversary at their home here in Llano, where they still reside. They have no children.

Appleton was in the banking business in Llano for about 35 years, retiring from active business about 12 years ago after a most successful career.

Planning Meeting Held

A planning meeting for the three lessons on refinishing furniture was held Wednesday, July 16th at Florence. Vivian Curnutt, Home Furnishings specialist of the University of Kentucky, met with two of the county homemakers and the home agent to decide what the lessons should include. The refinishing lessons will be presented to the Boone County Homemakers Clubs during the months of April, May, and June, according to Mary Frances Matheny, Assistant Home Demonstration Agent.

TOP JERSEY SIRE IN KABA

GOLDEN JEWELER IS ONE OF JERSEY BULLS USED IN PROGRAM AND HAS OUTSTANDING RECORD.

Last week an article was published giving the pedigree of one of the Holstein bulls in use in the artificial breeding program. Golden Jeweler is one of the Jersey bulls used in the program and his pedigree is as follows:

Golden Jeweler 409655, born 8-3-39. A proved sire that classified very good. Proved by 6 dam-daughter comparisons. He was bred to six cows averaging 7134 lbs. milk, 361 lbs. of fat and testing 5.1 percent fat. The six daughter averaged 8204 lbs. milk, 440 lbs. fat and tested 5.4% fat. The proof shows that "Jeweler" increased production of the daughters over the dams by 1070 lbs. milk, 79 lbs. fat and 0.3% test.

His sire, Raleigh's Eminent Gold 290659 was himself a proved sire whose 16 daughters averaged 467 lbs. fat. He has 25 classified daughters that averaged 83.1%. He is a double grandson of Flora Queen's Raleigh, the wonder sire of Longview Farm, Lee Summit, Mo.

His dam, U. K. Best Bet Sapphire 1104077, classified very good and has a lifetime mature equivalent of 8944 lbs. milk, 307 lbs. fat and 5.7% test.

His grandsire in the top side, Eminenta's Dark Raleigh 217201, had 45 tested daughters averaging 417 lbs. fat.

His granddam on the top side, five years produced 12731 lbs. milk, Raleigh's Velvet Queen 458696, at 633 lbs. fat and test 5.0%. (305d-3x).

His grandsire on the bottom side, U. K. Observers Best Bet 337933 was proved by 18 dam-daughter comparisons and increased production of daughters over dams by 2034 lbs. milk 83 lbs. fat and 0.3% test.

The granddam on the bottom side, Arthur's Pretty Countess 965-090 has a three record average of 4812 lbs. milk, 286 lbs. fat and tested 6.2%. She bred much better than she produced as indicated by the above record of her daughter U. K. Best Bet Sapphire.

Golden Jeweler is owned by the Kentucky Agriculture Experiment Station and is loaned to the K. A. B. A. so that service of this excellent sire might be used throughout the state.

Mrs. Betty Goodpaster

Mrs. Betty Goodpaster, 34, wife of John Goodpaster, Covington real estate and insurance man, passed away early Monday at Booth Hospital, following an illness of three months. She resided at Union, Ky.

Besides her husband, she is survived by her parents, Mr. and Mrs. W. S. Thompson; four sisters, Mrs. Virginia Belcher, Mrs. Nina Cane, Mrs. Ballard Turner and Miss Louise Thompson, and a brother, W. H. Thompson, all of Beckley, W. Va.

The body was shopped Tuesday to Beckley, W. Va., for burial.

71ST BIRTHDAY OBSERVED

A group of relatives and friends met at Big Bone Baptist Church Grove on Sunday, July 20, to celebrate the 71st birthday of Raymond Smith. Mrs. Beulah Riggs, a daughter of Mr. Smith had arranged for the occasion, and it was a surprise to him.

Mr. Smith attended church services there that morning and when services were over, the kin and friends were assembled in a body to greet him.

The tables were spread in the shady grove, and were laden with everything to tempt the appetite. After the luncheon was finished, all entered the church. Under the direction of Mrs. G. N. Smith and Mrs. Marion Porter at the piano, there was group singing and Mrs. Smith rendered a beautiful solo.

The two brother preachers, Geo. and Will spoke in a very impressive manner of the life of their brother and cited many interesting events that transpired in their old home with their parents on the farm at Gunpowder.

Raymond is the eldest of the eight brothers and sisters, and seven were present at this happy reunion, namely, Jas. G., Geo. N., Charles, Will, Mrs. Joe Wilson and Mrs. Dolph Sebree. Mrs. J. M. was the missing link much to the regret of the other sisters and brothers, who had hoped the presence of each.

At a late hour in the afternoon goodbyes were said, all hoping to meet again somewhere another year.

Three Receive Injuries In Accident Sunday

Mr. and Mrs. Harry Jones and Catherine Carroll received minor injuries when their car plunged over an embankment at Normansville, Sunday. All were removed to St. Elizabeth Hospital by Bobby Carroll, where they were released after receiving treatment, returning to their home in Erlanger.

SUNDAY SCHOOL PICNIC

The Constance Christian Church announce that on August 24 the Sunday School will hold its picnic at the Cincinnati Zoo.

Sunday School services on Aug. 24th will begin at 9:30 instead of 10:00 a. m., it was announced.

SAND RUN CHALKS UP 11TH VICTORY

IN BOONE COUNTY SUNDAY SCHOOL LEAGUE—BULLETTSVILLE HOLDS SECOND SPOT IN STANDING.

Manager Franklin Ryle, of Sand Run has become more confident of a baseball championship as a result of the 11th consecutive win of his team. Bullittsburg was the victim Saturday as the team was snowed under by the league leaders 9-2.

Bud Goodridge, ace southpaw, received credit for his ninth win against no defeats. Goodridge and Judy are the only two undefeated hurlers in the loop. Bullittsburg collected seven scattered hits. Milly Pepper, Bullittsburg speed ball twirler was the losing pitcher. Blaker was on the receiving end for the winners with big Dempsey Hodges backstopping for Bullittsburg. Hitting honors were about evenly divided between the Sand Run boys as they gathered ten safeties.

Bullittsville looms more of a threat to Sand Run, as they trounced the hot and cold Verona squad 15-2. Joe Hogan was the big man of the day as he turned Verona back with but six hits. The tall redhead was never in trouble as his teammates played excellent ball behind him. Raymond Beach, who turned in an excellent performance the week before, couldn't tame the Bullittsville hitters as he allowed 15 base hits. Cecil Kenyon was behind the bat for the winners and Joe Poole received for Verona. The game was well played, but Bullittsville just had too much power at the plate and Hogan was the pitching master.

The rejuvenated East Bend nine came to Burlington, and before a large crowd defeated Sam Ryle's young chargers 9-5. The East Bend power at the plate, coupled with Johnny Woods on the mound, proved too much for the Burlington boys. Charlie Black started for East Bend but soon gave way to Woods who turned in an excellent performance. Joe Smith was the losing pitcher. Smith was struck by a batted ball in the sixth and was relieved by Brown, who completed the game. Henry Black was the catcher for East Bend and Jimmy Smith and Patterson completed the Burlington battery. Burlington collected five hits, while East Bend connected for twelve.

Petersburg emerged the victors after the dust had cleared away at Florence in a 19-12 slugfest. This game was considered one of sloppiest of the season. McWethy was the winning pitcher with his brother receiving. Reports have it that Florence will call on a brother battery this Saturday, composed of the Rouses. Rev. Rimmer took his turn on the hill Saturday allowing 12 hits, while his own team was collecting 11 safe blows.

One of the top games of the season will be played at Sand Run Saturday when Myron Garnett takes his second place team to tangle with the leaders. Goodridge and Edwards are the probable pitchers. East Bend continues their road trip as they journey to Petersburg. Burlington will go to Florence and Verona to Bullittsburg. Baseball fans are invited to attend these games. Support the team of your choice with your attendance Saturday. All games start at 2:30.

MADDOX YOUTH INJURED MONDAY

IN CAR-BICYCLE CRASH ON U. S. 25—YOUNGEST SON OF GRANT MADDOX IN CRITICAL CONDITION AT HOSPITAL.

Robert Maddox, nine-year-old son of Mr. and Mrs. Grant Maddox, Florence, was injured seriously late Monday afternoon when a bicycle ridden by the youth crashed with an automobile on U. S. 25 near the Maddox home.

The car was driven by George Miller, railroad employee, of Tennessee. According to reports the boy rode his bike out of a driveway on to the main highway directly into the path of Miller's car. Miller stated that he probably could have avoided hitting the boy had it not been for a heavy string of approaching traffic from the opposite direction.

Mrs. Edward Cohan, a registered nurse, was a passenger in Miller's car and took complete charge of the boy until Stith's ambulance could be summoned and the boy removed to Booth Memorial Hospital, Covington.

After a preliminary examination, the boy was believed to have a fractured skull, which would probably require an operation. His condition remained quite serious late Tuesday evening.

According to reports, the driver of the car was not at fault, and the accident was unavoidable. No charges have been placed against Miller at this time.

Newman Vet Chairman Of Waterfield Drive

John Daniel Newman veteran of the U. S. Navy and investigator for the Retail Credit Corporation, with offices in Cincinnati, has accepted the post of chairman of the Veteran's Committee for Harry Lee Waterfield's campaign for the nomination for governor. The announcement was made this week by R. V. Lents, Boone County chairman of the Waterfield committee.

Newman was overseas seventeen months and was a Navy radar man third class. He served on the U. S. S. Eurygale. He lives with his wife at Union.

Accepting the chairmanship, Newman said, "I favor Waterfield because I believe that he has the only platform that is backed up by facts and figures. I believe that his Veteran's program is superior to others, as Mr. Waterfield favors refunding or forgiving all state income tax paid or to be paid by veterans. He also favors a bonus favorable to veterans' organizations."

4-H Members Leave For Camp July 28th

Boone County 4-H Club members will leave for a week at Camp Bingham on Monday, July 28th.

The camp program will consist of educational class of Agriculture, Home Economics and handicraft in the mornings; recreation in the afternoon and vesper and stunt programs in the evening.

Members going to camp will meet the group at 12:00 noon, Monday, July 28 at Burlington, Florence bus station or Walton garage.

GUERNSEY SHOW WILL BE FEATURE

OF 4-H AND UTOPIA FAIR HELD AT BURLINGTON FRIDAY AND SATURDAY, AUGUST 15-16, ACCORDING TO COUNTY AGENT.

Guernsey breeders of Boone County met at the County Agent's office July 15th to discuss possibilities of sponsoring a Guernsey show at the County Fair August 15th and 16th, according to Bill Davis, County Agent.

After discussion by a fair representation of local breeders, it was decided by those present to sponsor the show with the following class: Bull, under 1 year; heifer, under 1 year; heifer 1 year and under two years; and cow two years and over.

Breeders are of the opinion that a show of this type will be of great value in promoting the Guernsey breed in Boone County.

All breeders in Boone and adjoining counties are urged to exhibit.

For Unity And Victory —March With Clements

He Offers An Honest Program For Real State Progress

Earle Clements

KENTUCKIANS are tired of four years of uncertainty and discord at Frankfort. The Republicans, in their own words, have "had enough."

The Democratic Party must offer unity and a constructive program. No man is worthy to be Governor who would divide his party. Clements has worked diligently to unite the party. The severest criticism leveled at him is that he has succeeded too well.

Earle Clements' opponent has made nine specific promises: seven to spend more money and one to reduce taxes. He has made only one proposal to increase taxes, which would not raise one-half as much as those he proposes to scrap. He is promising the State of Kentucky to the brink of bankruptcy . . . holding out false hopes . . . bidding for votes with public funds through ridiculous proposals.

Clements has his own sound program for Kentucky:

1—Business-like administration of the State Government.

2—No pledge to spend unless the money is available in the State Treasury.

3—Creation of a non-partisan State Agricultural and Industrial Board to develop Kentucky's resources and draw new industries to our State.

4—Creation of a Department of Research to increase the efficiency of the State Government.

5—A deficiency appropriation to raise teachers' pay, retroactively.

6—A program of real co-operation with the farmer and the war veteran.

7—All-out encouragement and assistance to the growth of the R.E.A.

8—Removal of, and safeguarding, the State Fair from politics.

9—A sound State program of assistance to the counties in rural road building.

There are some Americans who suggest that control of the U. S. government may pass into the hands of a very small group of individuals; the remedy is the ballot-box, plus intelligent voters.

LOOKING AHEAD

By GEORGE S. BENSON
President—Harding College
Searcy, Arkansas

A Public Relations Job

America's biggest public relations assignment, perhaps the most significant of this kind in the history of the world, is gaining momentum. It's off to a good start. You may call it industrial statesmanship, if you want to, or you may call it selling the American way of life. What it amounts to is an all-out effort on the part of each one of us to demonstrate the faith we have in our economic system. So doing, we shall weather any present or future crisis.

There must be no tongue-in-cheek when we assert that never has any other system given a people so much; nor has any other system a brighter future. We Americans are not generally an emotional people. We can read history without weeping. Europeans think of us as more "practical" and less idealistic. At any rate, we have been so busy that we have largely overlooked our selling job, until time is later than we thought.

Selling Ourselves

An industrialist recently indulged in a bit of analysis: "The simple fact that our American-style processes of finance, production, distribution and selling actually produce more for more people than does any other set of processes ever devised by man, has never been planted deeply in the minds of our people—at least not to the extent that it becomes an ever present and active part of the public consciousness."

I am afraid this is too true. If we had actually sold ourselves on America through the years, we would never have seen the phenomenon of certain of our public figures playing peek-a-boo with the Communists. There would be genuine appreciation of the accomplishments and potentialities of America in every university chair in the land.

Campaign of Truth

Against so many rampant, fanatical destroyers, a clean and constant campaign of truth, well organized and supported, can be effective. Against the doubters and the cynics, this great public relations program must be tied-in with all-out effort to produce goods for the American people, through an economy of abundance. Without good works, your theory falls flat. Only first understand the system, if you please, then it's easier to make it work.

Too many somehow have decided that business, in this "capitalistic" country, is altogether bad. These folks have not considered, however, how many cherished things they would have to give up if they got rid of "capitalism." Without private initiative in business and industry, in labor, and in professional life, we would sink to the level of some of our critics.

We take a lot of things for granted. Yet we have a job to do. If we are businessmen, let us not only sell the product we make, but let us sell the product as a symbol of the freedom under which it is made. If we are workmen, let us consider our jobs as by-products of the freedom under which we live. And no matter what we are, let us know that this sweet land of liberty offers us a freedom of opportunity as individuals that we can find nowhere else on this planet.

IN MEMORY OF C. A. FULTON

C. A. Fulton leaving to mourn his departure from earth, his devoted wife Mary Fulton, who so tenderly cared for him during his illness. We have in nature the phenomeon of an eclipse, extinguishing the brightness of the sun. Here a human life in the forenoon has been eclipsed casting over us the wierd shadows of sorrow. It seemed out of the natural course that he should go so soon, but the Heavenly Father knows best.

The parting was sad. We know that it is hard to give up the ones we treasure so highly, but we must look to Him who does all things well.

It seems impossible to regard him otherwise than living and truly he does live in the paradise of God free from all trials and care. Weeping, Mary Charlie is gone from your home, Sadness permeates the very atmosphere. The shadows are over you, but remember stricken one, there was never an earthly sorrow that could hide you from your Father's eye, "duly trust him."

Many friends of the community gathered to pay honor by their presence to the departed. Shall we say departed? Not so. He still lives in our memory, for to live in hearts we leave behind is not to die. It-ch.

—Written by his cousin, Reba Applegate Kirkland.

Why Suffer With Your Feet?

N. TULCH
Foot Comfort Specialist at
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot balance putting steel support under feet and elastic bands around feet, all sizes and shapes corn pads, plasters, callous plasters, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains, resulting from feet in numerous cases because they never had their body weight properly balanced on their feet with shoes.

Your feet may look regular to you, but, naturally you cannot detect weakness or have any way of testing for unbalance. But remember: "fat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances. If you are suffering with leg pains, knee pains, stiffness, backaches or severe headaches, or sleep poorly and are always tired, your feet may be the cause.—Adv.

HARD TO CLEAN 2, 4-D SPRAYERS

A warning issued at the University of Kentucky Experiment Station says that sprayers used to put 2, 4-D materials on weeds may not be safe to put fermate or other materials on tobacco plants or other crops. The reason is that it is hard to clean sprayers of the 2, 4-D materials.

The Experiment Station has received several batches of tobacco plants which showed definite injury from 2, 4-D. Sprayers that had been used to kill weeds had been used to put fermate on plant beds. Farmers said they had tried to clean the sprayers.

There are at least two kinds of 2, 4-D materials used to kill weeds. One contains salts of 2, 4-D, and sprayers in which it is used can be cleaned. Another kind contains esters of 2, 4-D, and where this is used it is difficult to clean sprayers.

The safest rule to follow, say plant pathologists at the Experiment Station, is to have a sprayer exclusively for 2, 4-D.

NOT TOO LATE TO PLANT EARLY CORN

Early hybrid corns, such as U. S. 13, can be planted in Kentucky as late as July 1, says the University of Kentucky Experiment Station in reply to farmers who have been unable to get their corn in, on account of wet weather.

For silage, Ky. 102 hybrid corn or other early kinds will still make good yields. Soybeans can be planted as late as July 1, using Lincoln, Illini or other early varieties for seed, and Kingway for hay. Sudan grass can be sowed as late as July 15th.

SUNDAY SCHOOL LESSON

Wisdom and Understanding

For Our Daily Living

LESSON TEXT FOR JULY 27—Proverbs 1:1-5; 3:13-18; 8:8, 10; James 1:5.

MEMORY SELECTION—Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding.—Proverbs 4:7.

EDITOR'S NOTE: Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

By HAROLD L. LUNDQUIST, D. D. Of The Moody Bible Institute, Chicago.

EDUCATION is so widespread in our day, and so eagerly sought after, that one might assume that the world would soon solve its problems through the cultural attainments of its people.

Why this is not true appears clearly in our lesson; for it is wisdom that the world needs, and wisdom is quite different from the understanding or memorizing of a mass of facts.

Wisdom teaches us how to use knowledge effectively for the glory of God. We see in our lesson:

I. The Meaning of Wisdom (Prov. 1:1-5).

PROVERBS are pithy, useful sayings, which gather up the wisdom of a people in easily remembered form. They are highly thought of in all nations, but reached their highest development among the Hebrews, because they rightly insisted that they must be related to God and worship of him.

We learn in this passage that they are given to us that we may "know" that we have both wisdom and instruction. The growth of knowledge is always a prerequisite to growth in grace—learn more about God and his precious Word, and you will have more of his grace upon you.

Knowledge must be coupled with discernment (v. 2), which speaks of going beyond and below the surface meaning. This will not be an abstract love of the scholarly, but a practical application of truth to life (v. 3). Wisdom results in right living and proper dealing with our neighbors.

The one who has come to this place is ready to give (v. 4) help to others, especially to the young or those of "simple" thinking, who have not yet reached the place where they can get hold of such things for themselves.

Notice that the wise man does not stop at that point, but because he is wise he goes on to more and more understandings, to further receiving and giving out of "sound counsels" (v. 5).

Observe next,

II. The Value of Wisdom (Prov. 3:13-18).

THE character of a man shows up in the things he holds to be valuable. Some cannot see beyond gold and silver. Others seek comfort and convenience, and do not wish to be disturbed in their easy ways.

The wise man knows that for real pleasure of the highest type, for peace of mind and heart, for riches that will last and not bring him into either sin or sorrow, there is nothing like the cultivation of understanding and wisdom.

This scripture affords us the opportunity to say a needed word to young people who are being so sorely tempted these days to forego their opportunities for an education, and to rush out into the world to make money, more money, yes, the most possible money.

Education seems to be unnecessary, a waste of time and effort. But wait, the years will come and go, and then when it is too late, the realization will come that a golden opportunity was missed, and that doors of usefulness and effectiveness are now closed.

It pays to give time to the cultivation of the mind and of the heart in preparation for life. We are not thinking primarily of the dollars and cents value now, for that is secondary, even though it may be important.

III. The Source of Wisdom (Prov. 2:9, 10; James 1:5).

GOD is the source of wisdom, and he who has a reverent fear of him that he becomes wise. The fear of God is not a matter of fright or terror, but rather a genuine concern that one may do his will and never fail to be obedient to his guidance.

God is always more ready to give than we are to receive. He will not turn us aside, or belittle our efforts; but will, if we ask, give wisdom, and that in no little measure.

Let no man think that he can attain unto true wisdom apart from a right relationship to God. He may have knowledge, but not wisdom. On the other hand, let no man who knows God and serves him go through life lacking wisdom when all he has to do is to ask it of his heavenly Father. Why be poverty-stricken when you can be rich in wisdom and understanding?

Ninety acres of strawberries were grown this year on 43 farms in Trimble county.

The Little Rock Homemakers Club in Bourbon county had an exchange of surplus plants.

POULTRY PROFITS HOLDING UP WELL

Poultry profits held near the top in April, despite high feed costs, according to records which 35 farmers sent to the University of Kentucky College of Agriculture and Home Economics. Nearly 4,000 hens returned an average of 49 cents each above cash expenses. This was the highest April return in 10 years, with the exception of 1945, when demonstration flock owners reported a net of 52 cents a hen.

Here are some suggestions made by Stanley Caton, extension specialist in poultry for the college:

Hatchery supply flock-owners should start selecting cockerels for next year before any fryers are sold or eaten. Pick out the big, fast-growing, fast feathering birds.

Vaccinate young stock for fowl pox when 8 to 12 weeks old.

Save feed by filling self-feeders only partly full. Also save feed by selling culls and hens that have quit laying. Put pullets on good pasture.

Instead of carrying water, rig up a barrel and float on a sled, so it can be moved about with the flock. Good water is important.

If planning to build a large laying house, send to the college for new plans for a house to hold 400 to 500 hens.

TRIP FOR WINNER OF 4-H SAFETY PROGRAM

The Kentucky state winner in this year's farm safety program will receive an all-expense trip to Chicago, it is announced at the UK College of Agriculture and Home Economics. Last year's Kentucky winner was Samuel E. Pepper of Taylor county, who received a $25 savings bond. Medals will be awarded five top club members in each participating county, and the county doing the best work will receive a plaque.

Five Caldwell county farmers have bought forms to use in building poured concrete silos.

Farm Bureau membership in Breckinridge county totals 882.

FIRST TIME THESE TWO HAVE BEEN ADVERTISED

196 ACRES, 15 miles from Covington, ½ mile off Highway 20, on side road; tractor land; 3 acres tobacco base; mostly in grass; 10-room dwelling, 2 porches, pretty spiral stairway, 2 other stairways; needing repairs, but basically sound with many possibilities; located on a high knoll overlooking a flowing creek, with large trees in yard; large tobacco barn, large stock barn, old tenant house, crib and several other outbuildings; well, 2 cisterns and nice pond; on new electric survey. This farm has been in the family of the late Mr. and Mrs. T. G. Willis since 1879 and was never offered for sale before. Their heirs now selling to settle the estate. Small basement under house. Builds need some repairs but the price compensates for this. A very exclusive setting. Immediate possession; house vacant. $11,000. This should sell readily.

99¼ ACRES, 6 miles from Burlington, on Woolper Road; 3 acres tobacco base, several acres alfalfa; 8-room house, electric, in good repair; large stock barn, tobacco barn, crib, garage, meat house, mound cellar, 4 poultry houses; well and cistern at house, deep driven well with electric pump at barn with concrete floor and house over this well. House wired for electric stove. Present owner for 17 years and never before offered for sale. Selling on account of ill health. This is a hill farm but plenty cultivatable land. Possession within 30 days. You get the crops. Buildings alone worth more than the price. $7500. Don't miss it. Will sell cows, team, sheep, hogs and all farm tools extra at a reasonable price. School bus, mail delivery, milk trucks.

171 ACRES, on blacktop road, 16 miles from Covington; 5 acres tobacco base, all in grass but 15 acres under cultivation; 3 acres of nice oak woods; very fertile soil, well fenced and watered, clean and smooth; 10-room brick house on a high knoll, nice yard, pretty trees, beautiful view, electric, bath, hot and cold water system, sink, small basement, dairy barn, milk house, stock barn, large tobacco barn, garage, meat house, poultry house and other buildings. Close to good general store, school bus, mail delivery, milk trucks. $25,000.00 and allow purchaser $2,000.00 for use of farm until next March, or sell cows, farm, tools, hay, electric milk cooler, growing crops of tobacco, et., and take over good tenant now. Proceeds from milk and veal calves for past three months was $2184.00. This is a money maker. 3-room tenant house.

LAY-AWAY
A G-E AUTOMATIC BLANKET
or Westinghouse Electric Comforter
NOW
"JUST RIGHT" WARMTH
Automatically Yours
The Automatic Blanket gives you: Exactly the warmth you choose—maintained automatically all night long, whether it thaws or freezes. Warmth without weight—the warmth of three blankets with the weight of one. All-over warmth—gently warms entire bed. No cold spots to chill feet. Pre-warmed bed—turn on blanket before you retire and bed is warm when you climb in. Really rested sleep—no getting up to put on or take off covers. No oppressive weight. Just soothing sunny warmth all night long.
Available in rose or blue
SINGLE CONTROL BLANKET Only 42.01
When cold weather comes this fall your Automatic Blanket will be your most prized possession—and it's so easy to own on the convenient Lay-Away Plan:
- Pay as little as $1.25 a week
- Take blanket out of Lay-Away any time after one-third of purchase price has been paid
- Enjoy the use of the blanket while you pay balance $5.00 monthly

You'll scarcely miss the small weekly payments... you'll be able to take the blanket home and use it when you need it this fall ... and the balance will be paid almost before you know it. It's a budget easy way to buy a blanket for Christmas giving, too. See about it today!

Vote For Harry F. Walters
Advocate of Good Farm Laws

Known far and wide as a champion of good farm laws Harry F. Walters of Shelby County is a candidate well qualified for the office of Commissioner of Agriculture.

He is **FIRST a farmer.** He has owned and operated a large body of Shelby County land all his life. He is one of Shelby county's outstanding business men. He served as county judge for six years and installed the balanced budget system, placing the county on the road to freedom from debt.

The livestock, dairy, tobacco and other agricultural men have learned to turn to Judge Walters for sympathetic and effective aid. In the legislature since 1940 he has sponsored more farm legislation than any other member. He is a member of the agriculture committee and for three terms its chairman. He fought for and secured enactment of the pure seed act; Kentucky filled milk law, and a law enabling the old burley pool to make advance payments. **He sponsored and fought through the Legislature the bill to take the State Fair out of politics,** a law which means so much to Kentucky's great horse show and livestock exposition

Judge Walters has served as a member of the State Board of Agriculture and a member of the Board of Trustees of the University of Kentucky. His son and two sons-in-law were members of the Armed Forces in World War II and all three of them saw overseas service. He has been a member of the Board of Trustees of the Old Masons Home of Kentucky for many years. He is a charter member of the Farm Bureau, a Rotarian, a lifelong member of the Christian church and chairman of the official board.

No candidate has better qualifications for the office sought than Harry F. Walters. Give him your vote in the Democratic primary election, August 2. —Pol. Adv.)

WIFE OF MINISTER COMPLETES COURSE IN HOME ECONOMICS

While a co-ed at the University of Kentucky, Mrs. Joy Leathers Digby of Lexington took courses to better fit herself as the wife of a minister. She was graduated last week from the University of Kentucky with a degree in Home Economics.

Married in 1946 to Arthur Digby, a students at the College of the Bible, Mrs. Digby continued her training in home economics, only taking leave for two quarters when her son, David, was born. Now eight months old, he played and slept to the pounding of one or two typewriters in their one-room apartment. Careful scheduling of classes assured the baby's being in the care of one or the other parent at all times.

"I haven't had to ask my mother a thing," said Mrs. Digby proudly, as she discussed newer trends in infant feeding and the courses in child care and training which she found invaluable.

Budget balancing was possible for the Digbys because this young homemaker was able to make all of her own and the baby's clothes as well as slip covers and draperies. Other young minister's wives, too, profited by Mrs. Digby's training, as she explained to them the operation of a washing machine, how to make flaky biscuits, or how to run up a $3 pair of rompers from 75 cents worth of cotton goods.

Planning menus by the week was recommended as both a time and money saver by Mrs. Digby, who stated that she and her husband lived on a sum smaller than received by G. I.'s although they "wouldn't want to do it all the time."

Having unusual artistic appreciation, Mrs. Digby, in her interior decoration classes, planned the furnishing of the five-room parsonage they will occupy in Middletown, Ky., on July 1, when her husband becomes pastor of the First Christian Church.

WOMEN MAKE MONEY FIXING FURNITURE

How some homemakers in Boone county have turned their knowledge of slipcovering into a means of earning money, is told by Home Agent Rachel Calloway. More than 40 pieces, from modern chairs to Victorian divans, have been renewed.

Two years ago, Mrs. Bun Swann and Mrs. Carl Lockhart represented Lynn Grove Homemakers Club at a series of training schools on slipcovering given under the direction of Miss Vivian Curnutt of the UK College of Agriculture and Home Economics. Along with other club leaders in the county, they also learned how to rebuild spring cushions, re-inforce old chairs and how to cut down and pad rocking chairs. This information they relayed on to other members, as they demonstrated on various pieces.

It wasn't long before the excellent work done by the two homemakers resulted in requests to have chairs reconditioned. In addition, they have covered Hollywood-type beds and made bedspreads, draperies and lampshades.

HOMEMAKERS WORK EXHIBITED

Eleven store windows in seven towns in Ballard county were used recently to display different phases of homemakers club work studied during the past year. Exhibits included clothing construction, sewing aids, handicraft, cleaning aids, canning equipment, slipcovering, landscaping, reading and 4-H club work, said Home Agent Angie McNutt.

RECIPE OF THE WEEK

When children tire of milk, give them a cool beverage made by combining cocoa or fruit syrup with milk, adviced Miss Florence Imlay, food specialist in child nutrition at the UK College of Agriculture and Home Economics, as she called attention to June as Dairy Month. Shake the milk and syrup vigorously in a quart jar to blend the flavors, or beat well with an egg beater, she said.

Chocolate Milk Shade

1 Cup cocoa, 1½ cups sugar, ¼ teaspoon salt, 2 cups water, ½ teaspoon vanilla, milk.

Make a syrup by mixing the cocoa, sugar and salt, then add the water slowly, stirring all the time. Cook for several minutes. Add the vanilla. Cool and store in a glass jar. To serve, use 1 tablespoon of syrup to every glassful of milk. Serve very cold.

Menu: Swiss steak, parsley potatoes, baked summer squash, cabbage, pineapple salade, bran muffins, butter, oatmeal cookies and chocolate milk shake.

MOUNTAIN PASTURES IMPROVED IN BELL

A way to establish good pasture land on Bell county mountain sides has been found by William Clusher of Clear Creek. For the past five years, he has followed the practice of sowing seed each spring and keeping the land free of bushes, briars and weeds. Now he has an excellent 10-acre stand of bluegrass and white clover. Slusher told Farm Agent Hubert W. Davis that the only fertilizer the land has ever received was 200 pounds of 20 percent superphosphate, five years ago.

MORGAN COUNTY TO DEVELOP DAIRYING

A route to gather Morgan county milk for the Carnation receiving plant at Mt. Sterling is one of the first steps to develop a dairy industry which Farm Agent Charlie Dixon thinks may in a few years add returns equal to those of the $4½ million dollar tobacco crop of the county.

A survey made in 14 communities in Morgan county showed that many farmers who now own two to five cows would increase the size of their herds if a market could be found for milk.

Pasture and hay improvement programs will go along with the dairy development, Dixon said. Farm plans for this season call for 30,000 feet of drainage tile and 20,000 feet of open ditches, and application of fertilizers to hill pastures.

TOMATO BLIGHT HITS BOONE CROP

WET SPRAY ONLY CONTROL ACCORDING TO BILL DAVIS, COUNTY AGENT — SPRAYING SHOULD BE IMMEDIATELY.

Tomato blight has fullfilled expectations and predictions by striking the tomato crop. Earlier in the season emphasis was placed on a spray schedule to prevent the disease. Now we must turn our attention to a cure, since we now have blight, according to Bill Davis, County Agent.

Wet spraying is now a must with materials specifically for blight. Dithane, Fermate, or fresh mixed bordeaux are recommended. Prepared or ready-mixed bordeaux is only partially effective. The disease attacks the bottom of the plant first and spraying should be concentrated there, but the whole plant must be covered.

Dithane and fermate need to be used with a "sticker" of the several trademarked kinds on the market. Fresh bordeaux sticks and spreads well by itself.

To make a spray with dithane, use 2 teaspoons per gallon of water; with fermate, use 4 teaspoons per gallon of water. If bordeaux is preferred a 4-4-50 strength is recommended.

Spraying should begin immediately and be repeated at two week intervals until new signs of the disease stop.

The above applies particularly to tomatoes that have been some time in bloom. On plants just starting to bloom, the fixed coppers, (Copper F, Kopper King, cuproxide), may be used. Use two level teaspoons per gallon of water, spraying on the same schedule.

300 ATTEND LOCAL W. M. U. MEETING

HELD AT BURLINGTON LAST THURSDAY—REV. W. T. GARDNER HEARD AT MORNING SESSION.

Approximately three hundred attended the W. M. U. meeting of the North Bend Baptist Association held at Burlington Baptist Church last Thursday.

The meeting was an all-day session with Burlington ladies preparing the lunch which was served to the visitors at the noon hour.

Rev. W. T. Gardner, pastor of Bullittsburg Baptist Church was the principal speaker at the morning session, stressing the point that young people should be given position to work in the church in order to go ahead.

Others heard on the program throughout the day were, Mrs. Lucille Grubbs, student at the Women's Missionary Union Training School in Louisville; Miss Betty Lou Hall, Miss Mary Ann Walker and many others.

A presentation entitled "Our Sunbeams" which included watchword and pledges of allegiance, was given by the Sunbeams of Burlington Church.

Group leader, Mrs. Albert Pfalzgraf opened the morning session; Mrs. C. W. Higdon, superintendent, conducted the business sesion and Mrs. W. T. Gardner conducted the devotions.

Highway Patrol To Conduct Examinations

There will be a member of the Kentucky State Highway Patrol in the Circuit Clerk's Office, Burlington, Thursday, July 31st, Friday and Saturday, August 1, and 2 of this week, for the purpose of giving examinations for persons who have never had a license or those who are otherwise required to take the examination. After this the next examination will be held on August 11 and every two weeks thereafter.

Persons are slow in obtaining their license this year and the clerk suggests that people obtain their license this week if possible because the ones issued a year ago will expire on July 31st.

W. C. Delph

W. C. Delph, 82, lifelong resident of Boone County passed away Sunday night at the County farm, after an illness of several months. His death was attributed to a heart attack.

According to reports received by this office his only immediate relative surviving is his wife.

Funeral services were conducted Wednesday afternoon at 1:00 p. m., at the Burlington Baptist Church, with Rev. R. A. Johnson, officiating. Burial was in the I. O. O. F. Cemetery, Burlington.

SHUTOUTS FEATURE 3RD LEAGUE GAME

IN ELIMINATION SERIES—BOB & GENE ELIMINATED BY BURLINGTON NINE BY SCORE OF 8 TO 2.

Two shoutouts featured the third game of the elimination series in the Boone County baseball league, with Henry Deck and Scott Jack being in top form to shutout Belleview and Constance respectively.

Petersburg traveled to Belleview Saturday and with Deck holding Belleview to two hits, defeated Belleview 9 to 0.

Chick Stephens, although being the losing hurler, pitched a good game, holding the hard-hitting "Pete" boys to 8 hits. Jack Clore was Deck's battery mate, doing a splendid job. John Carroll Rogers, one of the coming receivers in Boone County was behind the bat for the losers.

Scott Jack was in rare form, holding Constance to 4 hits and winning 16 to 0. Scott is taking on weight fast, so look out. Butch Judge handled Scott's assortments in top style.

Burlington defeated Bob Eads' team Saturday 8-3 on the Florence grounds, eliminating them from the series, having lost three games. Pund pitched a grand game for a a boy of 17, holding Burlington to 11 hits. Tubby Youell was behind the plate.

The Culley Brothers performed nicely, holding Bob & Gene to five hits. Ivan pitched his usual game, improving all the way.

Drawing for Saturday's games is as follows:

Burlington at Constance.
Petersburg at Belleview,
Union drew the bye.

Home Nursing Class Scheduled For Hebron

August 4th at 7:30 p. m., at Hebron school, the first of six lessons in Home Nursing will be given by Miss Elizabeth Lowry, assisted by Mrs. J. C. Aylor.

Those interested in taking the course, will please consult Mrs. Wilma Conner, Mrs. Frances Kottmyer or Mrs. J. C. Aylor. It is important to remember that as there are only six lessons, no one may enter after the first lesson.

The course includes, improvised home equipment for the sick, giving treatments ordered by the doctor, giving medicine and nourishment carefully, bed making with a helpless patient, baths, taking temperature and the prevention of the spread of disease.

A single metal home bed is badly needed for this class. Any person having one to lend, please notify Mrs. Frances Kottmyer.

WALTON AND VETS HAVE 11-1 RECORD

IN NORTHERN KENTUCKY SEMI-PRO LEAGUE — ELIMINATION SERIES WILL BEGIN SUNDAY, AUGUST 3RD.

The Boone County Vets and Walton maintained their hold on top position Sunday by defeating their opponents, while Petersburg chalked up another victory in Sunday's game.

The Boone County VFW scored their victory over the Ludlow VFW nine by a score of 4-1. It was "Dutch" Riebling again on the mound for the locals giving up five hits and pitching a very good ball game. Taylor was the losing pitcher, being touched for 12 hits.

The winners scored three runs in the first and one in the eighth with Ludlow scoring their lone marker in the eighth. It was "Sox" Benson who led the winner's attack by collecting 4 for 4 for a perfect day at bat.

The locals will play at Florence again Sunday, August 3rd, in the first game of the elimination series. Game time at 3:00 p. m.

The Walton nine went on a hitting spree Sunday downing the Huck Cafe nine of Newport by a 9-3 count at Walton. The veteran, Elmo Steffen was on the mound for the winners and dished up six hits while striking out 14. Theiss and Conner served them up for Hucks Cafe and were charged with nine hits.

The Boone County All-Stars won over the Silver Grove Vets in a well-played game at the Petersburg park by a score of 4-1. Deck was on the hill for the winners, allowing ten hits. The winners collected 11 hits from the offerings of Williams, hurler for Silver Grove.

M. McDonell Sanders

M. McDonell Sanders, 16 Elm St., Erlanger, died at his home Saturday after a long illness. He was a native of Gallatin County, but had lived in Erlanger for the past 26 years. He was 63 years old.

He is survived by his widow, Mrs. Sue Turley Sanders; two daughters, Mrs. Martha Reiner, Dennis, Ohio, and Mrs. Russell Efker, Henderson, Ky.; three brothers, Clarence, of Frankfort, Ky.; James, of Sparta, Ky.; and V. L. Sanders, Washington and two sisters, Mrs. Grace Wingfield and Mrs. J. M. Byers, both of Lynchburg, Va.

The Taliaferro funeral home, Erlanger, was in charge of funeral arrangements.

Michael J. Coleman

Michael J. Coleman, father of R. P. "Pat" Coleman, Florence real estate dealer died Saturday at St. Elizabeth Hospital, Covington. He was a retired Pendleton County farmer, residing at 2037 Madison Ave., Covington.

Funeral services were conducted at 8:30 a. m. Monday morning with Requiem High Mass at St. Mary Cathedral. Burial was in St. Xavier Cemetery, Butler.

R. J. "Dick" Stephens

Mrs. Lee Marshall received word of the death of her uncle, R. J. (Dick) Stephens, formerly of Boone County, on July 19th in the Masonic Home, St. Louis, Mo.

Besides Mrs. Marshall, he leaves several other nieces and nephews.

Burial was in the Mt. Olivet Cemetery, Hannibal, Mo., beside his wife, who preceded him in death.

Bass Released In Boone County Creeks

Five hundred fingerling bass were released in Gunpowder and Woolper Creek Tuesday of this week, under the supervision of Edwin Johnson, State Conservation officer and members of Boone County Fish and Game Protective Association.

Upon releasing these fish, Mr. Johnson requests the assistance of all property owners on these two streams in curbing game violations. Residents of the two streams are requested to report any violations in their territory, and immediate attention will be given the matter, Mr. Johnson stated.

Mrs. Joseph Noonan, of California, Mrs. Leroy Moore, of Richmond, Ind., spent the week-end with Mrs. Bess Rouse.

PREACHER SCIENTIST

Dr. Irwin A. Moon

Motion Picture To Be Shown At East Bend Church August 1

Vivid full-color scenes from astronomy and natural science are featured in "The God of Creation," sound motion picture to be shown at 8:00 p. m. Friday, August 1 at the East Bend Baptist Church, according to the Rev. Carl J. Wainscott, pastor.

Produced in Moody Institute of Science, West Coast department of Moody Bible Institute, by Irwin A. Moon, Sc. D., "The God of Creation" is the second in a series of evangelistic films. The first film by Dr. Moon, "They Live Forever," had a large showing in all parts of the country.

In the opening section of "The God of Creation" the audience takes a trip to the stars by means of solar photographs taken thru giant 100-inch telescope of Ft. Wilson Observatory in Southern California, and views complex gyrations of our own solar system.

Lapse-time photography is utilized to demonstrate the beauties of natural sciences. The illusion of flower buds developing into full-bloom blossoms in a few seconds is created through this time-compressing photo technique. The metamorphosis of a caterpillar through the various stages from worm to butterfly, and pollination of flowers are seen on the screen in full color.

Believed to be the first of their kind are the natural-color pictures of photosynthesis, the mysterious food-manufacturing process resulting from the action of sunlight on green leaves.

Through photomicrography the audience peers into the microscopic world of a drop of water and observes the complexity of tiny organisms, enlarged more than a million times.

"The God of Creation" will be shown by the Rev. P. Galloway, Moody film representative.

FARMERS INVITED TO ATTEND MEET

AT EXPERIMENT STATION, AUGUST 7—TOUR OF FARM WILL BEGIN AT 9:00 A. M., ACCORDING TO COUNTY AGENT.

The annual agronomy field day will be held on the Experiment Station Farm, Lexington, on August, 7th, according to Bill Davis, County Agent.

The tour of the farm will begin at 9:00 a. m. The morning tour will be a visit of agronomy plots and a discussion of the experimental work in crops. The afternoon tour will be devoted to livestock and pastures.

The University Experiment Station contains 575 acres of land devoted to experimental work as follows: Soils and crops, 100 acres; beef cattle, 100 acres; dairy cattle, 100 acres; sheep, 30 acres; hogs, 25 acres; chickens, 20 acres; and fruit 25 acres. About 30 acres are now being used for veterans housing.

Farmers interested in making the tour should contact the County Agent.

Two Draw Fines On Speeding Charges

A Williamstown youth and a Cincinnati man drew fines in Judge C. L. Cropper's court last week on charges of speeding. Both men were fined $10.00 and costs.

Robert Gordon, State Highway Patrolman was the arresting officer. A warning is being issued to all drivers to keep their car within the speed limit.

GOODRIDGE WINS TENTH VICTORY

TO PLACE TEAM IN FIRST PLACE IN BOONE COUNTY SUNDAY SCHOOL LEAGUE — PETERSBURG VICTORS.

Bud Goodridge, southpaw ace of the championship-bound Sand Run squad marked up his tenth win of the season Saturday, with Bullittsville, second in the standings being the victims. The final score was 10-5.

Goodridge set nine of the Bullittsville hitters down on strikes. Big Joke Hogan was Garnett's choice to start the game, but was soon relieved by "Chick" Edwards in Sand Run's 7-run fourth inning. Johnson, dependable Sand Run first basement was the big man at the plate with two doubles and a single. He was followed by Judy with two doubles. Sand Run collected 17 hits. "Toad" Marshall, fleet Bullittsville fielder collected three singles. Goodridge and his teammates will invade the Burlington stronghold Saturday, looking for their 13th straight. Judy and Barney Hogan were the catchers.

One of the biggest upsets of the season was Petersburg's decisive victory over third place East Bend. Manager Hodges chose young Marvin Campbell to tame the big East Bend bats and was rewarded with a six-hit shutout. The final score in this hard-fought contest was 2-0.

East Bend sent the Black brothers to the field as their battery. Charlie Black, losing hurler, allowed 8 hits as he lost his first game of the season. Excellent pitching and good defense won the game for Petersburg. Bob McWethy was behind the bat for the winners.

Burlington moved into the winning column again with a 2-1 decision over an improved fighting Florence team. Bob Brown, five-game winner, allowed but three hits as he outlasted Bob Utz in a pitching duel. Utz gave up seven safeties.

Florence took the field with a determined ball club and turned in a superior game defensively. Fielding highlights of the game were the 11 errorless chances handled by Bobby Rouse, Florence keystoner. Bob Clore with two hits was the only successful hitter in the game. Burlington played a good game, but will have to improve both offensively and defensively if they expect to give Sand Run a close game Saturday. If Florence continues to improve that losing streak will be broken.

With E. Hodges on the mound, Bullittsburg took an impressive victory from Verona. Bullittsburg, fighting to oust Verona from 7th place, was in command all the way. The victory was Hodges' third without a loss. Bullittsburg collected 12 hits and Verona chalked up 9. Little Ray Beach was the losing hurler with Poole receiving.

After voting Saturday, Boone County baseball fans are invited to Burlington to see the young Burlington nine engage the league-leading Sand Run Squad at the Burlington park, fair grounds. Goodridge or Judy and Brown or Smith are the probable hurlers. Florence will be visitors at Bullittsville, Petersburg hosts to Verona, and Bullittsburg travel to East Bend. Everyone is invited to attend these games.

"SOX" BENSON IS SELECTED

TO PLAY ON GREATER CINCINNATI ALL-STAR TEAM AT CROSLEY FIELD AUGUST 4TH AT 2:30 P. M.

Dewey Ray "Sox" Benson, son of Mr. and Mrs. C. D. Benson, of Burlington has been selected as a member of the All-Star baseball team from Greater Cincinnati, to meet the American Legion All Stars, of Cleveland, August 4th at 2:30 p. m. at Crosley field. The Greater Cincinnati team is co-sponsored by Simon Kenton and Joseph A. Kuchle & Co., Erlanger, Ky.

"Sox" will represent the locally sponsored team in the all-star game. The program at Crosley Field is being handled in conjunction with the American Legion convention being held in Cincinnati on August 1, 2, 3, and 4th.

"Sox" has made quite a reputation for himself this season on the diamond, both offensively and defensively, and no doubt will make a good showing in the all-star game.

Babe Ruth will arrive at the Boone County Airport at 4:45 p. m. Friday, August 1, where he will be met by Ford dealers and State, County and City police and escourted to Cincinnati. He is under contract with Ford Motor Company, to make five personal appearances a year, and to serve in an advisory capacity regarding American Legion baseball. His appearance at the game will add color to the occasion.

August 4th there will be a tremendous parade consisting of all the greater Cincinnati American Legion ball teams, all the Legionnaires attending the conveniton, all local orphans and all local Ford dealers and friends, which will begin at Netherland Hotel and end at the ball park.

VFW Endorses McEvoy For County Attorney

At a special meeting of Boone County Memorial Post No. 8486, Veterans of Foreign Wars, held at Florence, Kentucky, on Monday night, July 28th, 1947, a motion was made and carried by a unanimous vote that the Post as a body support their comrade William P. McEvoy for the nomination as County Attorney of Boone County at the primary election to be held on August 2nd, 1947.

The reason for this endorsement is the fact that comrade McEvoy is qualified and is a veteran of World War II serving forty months in the United States Army and served in the Pacific Theatre of operations with the Seventh Air Forces.

Mr. and Mrs. George Cook, Burlington, are the proud parents of a nine pound boy born Tuesday morning at their home near Burlington. Both mother and son are doing nicely. Mr. Cook has been employed by Ryle & Hambrick as a truck driver for the past three years.

FIVE INJURED IN HEAD-ON CRASH

NEAR HOME OF F. H. ROUSE, BURLINGTON, TUESDAY EVENING—TWO REMOVED TO ST. ELIZABETH HOSPITAL.

Five person received major and minor cuts and bruises in a head-on collision of two cars near the home of F. H. Rouse, Burlington, Tuesday evening.

Mr. and Mrs. Sam Corn, Burlington, occupants of the east bound car, received serious cuts and bruises on the head and body and were removed to St. Elizabeth Hospital, Covington by Ralph Stith's ambulance, after being treated by Dr. Geo. H. Riley, Burlington. Mrs. Corn received a severe cut on the head and knee and several body bruises. Mr. Corn driver of the car, received a severe head wound and several minor bruises.

Chas. Sullivan, Florence and his wife and two children were occupants of the west bound car, and with the exception of one child, received minor cuts and bruises about their face and body.

The Sullivan family was removed to Dr. Gladys Rouse's, Florence for treatment.

Damage to both cars was estimated at approximately $600.00. Both were insured, it was reported.

The exact cause of the accident could not be determined, and no one but occupants of the two cars actually saw the collision.

Purchase Orders For Lime, Phosphate Are Resumed By AAA

The Boone County AAA office received notice last week from the State AAA office, Lexington, to resume all Agricultural Conservation program operations which have been suspended for two months pending national farm program appropriations in Congress.

The local office was authorized to continue the ACP operation up on the same basis that was in effect when operations were suspended May 23, 1947. The program included issuing purchasing orders to Boone County farmers for lime and phosphate.

Veterinarian To Speak

Dr. H. W. Schein, Erlanger, Ky., veterinarian will address the Veterans Farm Improvement Class at Hebron high school, Hebron, Ky., on August 7th at 8:00 p. m.

The subject of Dr. Schein's lecture will be "Common Livestock Disease—Their Cause and Prevention."

HOMECOMING SET AUGUST 3

FOR FLORENCE METHODIST CHURCH—DR. C. S. RICE, DISTRICT SUPT. TO DELIVER SERMON.

Sunday, August 3rd has been designated as Homecoming Day for the Florence Methodist Church, according to an announcement made this week.

During the past year the church has been signally blessed. Many members and many of the old members have felt that God has been wonderfully good to them.

Dr. O. W. Robinson, pastor and the official board of the church extend to one and all a cordial invitation to meet with them on this date. The members of the church will bring well-filled baskets of food and at the noon hour a sumptious banquet will be served.

Dr. C. S. Rice, district superintendent of the Covington district will deliver the sermon at 11:00, and in the afternoon will conduct the business of the fourth quarterly meeting. All former members are being invited, as well as all former members of the church. It is expected that one of the former minister will speak during the afternoon service.

The choir under the direction of Mr. Paul Chaney has been receiving much favorable notice, not only from the members of the church but from the numerous visitors attending services.

THRIFTY PRACTICES PROFIT HOMEMAKERS

How homemakers in Garrard county have profited through the thrifty practices learned in their homemakers clubs is indicated in the reports from the Mt. Hebron and Owens Chapel clubs. Thirty-nine members told Home Agent Marguerite Williams that they had made slipcovers for 39 pieces of furniture, including upholstered chairs, divans, beds, dressing tables and stools. Then they braided 22 rugs and made 40 lampshades.

RECIPE OF THE WEEK

For a special occasion when an unusual dessert is wanted, a housewife can't make a better choice than peach bavarian cream. Made with juicy, table ripe peaches, it will send the guests away from the meal in a happy frame of mind. For the hostess bavarian cream is a good selection, as it needs no last minute preparation.

Peach Bavarian Cream

1 tablespoon gelation, ½ cup cold water, ½ cup cut up peaches, ½ cup sugar, 1½ cups cream, dash of salt.

Soak the gelatin in cold water for about five minutes, then stand the container in hot water to dissolve gelatin. Add sugar to cut-up peaches and fold over carefully until sugar is dissolved. Add fruit to gelatin, mix and chill. Whip the cream until stiff, add salt. When the gelatin mixture begins to stiffen, fold in the cream. Grease a mold with tasteless fat and pour the mixture into it. Set in the refrigerator until firm.

Raspberries, blackberries, strawberries, pineapple or other fruit may be used in place of the peaches.

Menu: Smothered chicken, mashed potatoes, gravy, broccoli, carrot-raisin salad, rolls, butter and peach bavarian cream.

WOMEN MAKE GLOVES

Leathercraft has been of interest to homemakers in Henry county, 111 pairs of gloves having been made in June of doeskin, pigtex and capeskin, according to Home Agent Bina B. Foree. The women also made 90 coin purses, key rings, belts and bill folds, and placed orders for leather to make 139 more pieces.

TO THE VOTERS OF BOONE COUNTY

I wish to extend this message to the voters of Boone County as we we are entering into the last few days before the election. I wish to thank you for the courtesy and friendliness you have extended to me in my campaign.

I fully realize that it will be almost imposible to see each and every voter in the County before August the 2nd, but, I have tried and will continue to try and see as many as the limited time remaining before the election will permit.

However, in view of this fact I would like to take this occasion to express my regrets that I will be unable to meet each and every one of you and also that I will appreciate your suport just as sincerely as if I solicited it personally.

I also wish at this time to reiterate the information regarding my background that I stated in my announcement for this office in April of this year. I am 32 years old, married and reside in Florence. I attended the following schools, St. Paul's graded school, Lloyd High school, Centre College, Danville, Kentcky, and the Chase College of Law, Cincinnati, Ohio.

I was inducted into the armed forces on October 1, 1942 and served 40 months. I saw service in the Pacific Theater of Operations with the 7th Air Force, and was discharged February 2, 1946.

I was president and secretary of the Boone County Democratic Club. I am now a member of the Veterans of Foreign Wars, Boone County Post, also a member of the Boone Post No. 4, American Legion.

At present I am practicing law in Florence, and affiliated with the Florence Deposit Bank as Assistant Cashier, Director and Attorney.

In conclusion I wish to state that my opponent Mr. Crigler has conducted a clean and gentlemanly campaign and I have honestly endeavored to do likewise.

POOR-LAND PASTURE OKAY

Five years ago, Otis Hasetrigg of Daviess county established an eight-acre pasture of land too poor to grow corn profitably. After using lime and phosphate, he seeded a mixture of grasses and legumes recommended by Farm Agent J. E. McClure. Hasetrigg now has a good stand of bluegrass, red clover, sweet clover and white clover, and this year has grazed eight cows continuously in the pasture.

Homemakers Clubs' Activities For July

The Homemakers Clubs of Boone County have done some very interesting things during the month of July. Thirty-one from Walton spent a day at the Cincinnati Zoo. Hebron and Bullittsville, with 29 all together, conducted a tour together, seeing places of interest in Frankfort, and Harrodsburg. Burlington and Rabbit Hash, with 26, made a tour of Cincinnati visiting the Conservatory in Eden Park, the Rockwood Pottery plant, and Everybody's farm. Florence, having 45, viewed places of interest in Frankfort, Bardstown, and Louisville. The Burlington Road Club had a family picnic at the home of Mrs. Val Dolwick while Gunpowder had a picnic at Devou Park with 19 along. Nineteen from New Haven had lunch at the Netherland Plaza Hotel and saw the ice show. Most of the clubs have plans for picnics in August, according to Mary Frances Matheny, Assistant Home Demonstration Agent.

TO THE VOTERS OF BOONE COUNTY:

I wish to thank the people of Boone County for the help and support that you have given me in my race for County Attorney. Courtesy and fair treatment have been shown me from all sections of the county, for which I am indeed grateful.

I am sorry that I have not been able to see a larger majority of the people of this county, preceding the election, but even though I have not been able to see all the people, I trust that I may have your support and cooperation just the same, as I pledged myself to help all of the people of Boone County if elected, whether or not they have supported me in my candidacy.

I have also pledged myself to work with the Boone County officials in maintaining and promoting a democratic form of government of which Boone County citizens can well be proud.

I trust that you will take into consideration my past work as attorney and as secretary of the A. A. A. over the past thirteen years period during which time I served the public to the best of my ability.

I hope that I may be able to serve you in the future with a renewed spirit of cooperation and fair treatment and again ask you to give me your open consideration and if possible, your support and vote.

SHEEP MAKE MONEY FOR 4-H CLUB BOYS

Four hundred and seventy-eight Northwestern Hampshire - cross yearling ewes were sold for an average of $23.02 each at the 4-H sheep show and sale at Springfield. They were a part of the 790 ewe lambs which club members brought in from Montana and carried through the winter. The rest were kept on farms to start 4-H club flocks.

Five hundred more ewe lambs have been ordered in the 4-H club program, according to Troll Young, Washington county agent. In addition to the money the 4-H members make, Young says they learn about the northwestern type of ewes, how to feed and care for lambs, how to use phenothiazine to combat worms, how to keep records, how to sell by grade, and how to co-operate in buying and selling sheep and wool.

Thirteen Fayette county 4-H club members sold 268 fat lambs for $6,106, or an average of $26 a hundred pounds, at the annual Blue Grass lamb show and sale.

RESPECT POWER IN WIRES

REA specialists says one of the most important things to remember is to avoid handling electrical cords, switches and equipment when hands are wet or body is grounded. They sound a special warning against touching a switch light or appliance while standing in a bathtub or touching a water faucet. If working with an electric pump or other electric equipment located in a damp place, wear rubbers or overshoes. They keep the feet dry and the body insulated from the ground and give a fair measure of protection.

PINCH OFF ROSE BUDS

The fall bloom of hybrid tea roses will be greatly improved if the buds are kept pinched off during late July and August, notes N. R. Elliott, horticulturist at the U. K. College of Agriculture and Home Economics. The fall bloom will be better than that of the spring if, in addition, the plants are kept sprayed and the ground well worked.

The idea that everybody reads what a newspaper prints is a mistake.

PERSONAL: Harry Lee Waterfield is my personal friend. He attended the same grade school and same college that I attended. He is an energetic and ambitious young man fully experienced in state government, having served in the State Legislature for the last ten years and was elected Speaker of the House without opposition the last two terms. He worked his way through college.

INCOME: Mr. Clements has attempted to make people believe that Mr. Waterfield has drawn large sums from the public payroll during his political career. He worked in the Secretary of Agriculture's office for 34 months and a member of the Legislature ten years and drew from the public payroll $9,055. All in all, Clements has drawn more than $182,000 from the public payroll. Make the comparison.

WHY IS CLEMENTS RUNNING FOR GOVERNOR? He is a member of Congress and his job pays $5000 more a year than the governor's office. He is afraid the people from his district will not return him to Congress, as he has answered the Congressional roll call only 16 times in six months. Where has he been? You and I have been paying him $45 a day (his Congressional salary) to make the race for governor. If he were elected governor, he would be running for another office at public expense in less than two years.

EDUCATION: Mr. Waterfield is the only Democratic candidate for governor who is behind the Kentucky Education Association program. His opponent said, "Harry, you propose too much for teachers' salaries, where are you going to get the money?". Harry Lee said, "I propose to tax pari-mutuels 5%." Every state in the Union has a pari-mutuel tax except Kentucky. A vote for Waterfield means Kentucky will be moved from 47th in Union rank in education to the average in the U. S.

REA and TVA: Waterfield's record is plain on this issue. He has led the fight for REA and TVA, and advocates cheap and abundant electric power for all. TVA users of electric current pay only one-fifth what we pay for current. Clements, remember, voted for the "Moss Bill" and other bills designed to keep TVA out of Kentucky.

LABOR: Mr. Waterfield says, "I have been and will continue to be fair to labor. I propose to sponsor adequate mine and labor safety laws. I promise to hold fast to my record of fair play as an adovcate of humanitarian principles of government for the protection of the rights of the workers." Where does Mr. Clements stand on labor?. Only God knows. The recent Labor Bill and Income Tax Reduction Bill came before Congress, but Mr. Clements failed to vote on either bill each time they came up for a vote.

TAXES: Mr. Waterfield favors no Sales Tax, no additional real estate tax, no additional income tax, nor any other tax that will be a burden to the people who are now overburdened with tax.

VETERAN: Mr. Waterfield says, "I am in favor of refunding and forgetting state income tax paid or owed by veterans. I also favor a bonus to veterans that will be favorable to veterans' organizations.

PENSION, ETC.: Mr. Waterfield favors more aid for the aged, needy blind, dependent children, hospitals, and tubercular sanitariums.

ROADS: Mr. Waterfield favors appropriating ten million dollars a year on rural roads which is double our rural road appropriation previous to this year.

TOBACCO: Mr. Waterfield's opponent claims to have obtained more money for the farmers' tobacco. Remember he is a member of Congress and it was Congress that put a ceiling price on tobacco which actually kept the farmer from getting higher prices for tobacco.

R. V. LENTS, Chairman, Waterfield for Governor

Arthur T. Iler
(Reprinted From The Central City Messenger)

CENTRAL CITY—Arthur T. Iler, City attorney of Central City, is running for the Democratic nomination for Attorney General.

Mr. Iler is a natice of Rockport, Ohio County, though his father and other forebears were natives of Huhlenberg dating back to its formation when his great-great grandfather, Isaac Davis, together with two others, was commissioned by the governor to form it from the land of adjacent counties.

He attended Western Kentucky State Teachers College and was graduated from Ogden College in 1919. He obtained his law degree from Columbus University in 1934 and was admitted to practice in Kentucky in 1935.

He enlisted and served in the infantry in World War I, and has been active in veterans work ever since, having served three terms as commander of Andy Anderson American Legion Post 61, and has also held membership in Victory Post 1, Washington, D. C., and Zachary Taylor Post in St. Matthews.

Almost every post in the Third American Legion District was pledged to his support for the district commandership at the Bow-

he withdrew after announcing for the attorney general's race.

He obtained his legal education while working on Washington, D. C. daily newspapers.

While he has never held an elective public office, he has been active in Kentucky politics since 1935, and he has served the public from 1933 to 1940 as a Federal officer (Federal Housing Administration

in Washington and Louisville.

He first came to Central City in 1921, and in 1927 married Miss Kathryn Wallace of this city. The Ilers have two sons, Richard, 18, and William Perry, 12.

His hobbies are fox hunting and training saddle horses.

The complete text of Mr. Iler's announcement follows:

"I have just filed as a candidate for attorney general of Kentucky subject to action of Democrats throughout the State at the Aug. 2 primary.

"This office, when properly administered is a solemn responsibility but having served as assistant attorney general during the last Democratic administration in Frankfort, and having for the past four years engaged in the general practice of law and served as City attorney of Central City, I feel that I will make a reasonably good attorney general. At any rate I shall observe my oath of office and make an honest attempt to exercise the functions of the office for the benefit of the people of Kentucky.

"I believe I will have no difficulty in getting along harmoniously with whichever of the gubernatorial candidates that may be elected. Two of the three Democrat candidates for governor are warm personal friends of mine, and so far as I know men of the type who would strive to give the people an honest and efficient administration; since I have never met the third candidate, I express no opinion with respect to him."

family, Mr. and Mrs. Bob Smith spent Sunday afternoon with relatives in East Bend.

Warren Jones and wife, of Indiana attended the fish fry, Saturday.

Sammie Hogan visited his grandparents the past week.

Mr. and Mrs. H. C. Love and daughter visited Eldon Ryle and family, of Erlanger, Sunday.

Mrs. Elizabeth Noel spent the week-end with her sister and family of Beaver.

The idea that an individual has to say something is the cause of many foolish assertions.

A Statement To Our Customers About Resale

PRICES of PRODUCTS

Built by International Harvester Company

Here at Harvester we are concerned over the fact that a growing number of our products are appearing on the resale market at greatly inflated prices.

As manufacturers, we try to produce at the lowest possible cost. We cannot set the prices at which our products—tractors, motor trucks, farm implements, refrigeration, and industrial power equipment—are sold. We can and do suggest list prices which the great majority of our dealers adopt as their retail prices.

$20,000,000 Price Reduction

Our basic price policy was publicly stated in March, 1947, when we announced price reductions at the rate of approximately $20,000,000 per year on our products. At that time, Fowler McCormick, Chairman of the Board, said: "ANY PRICE IS TOO HIGH IF IT CAN BE REDUCED."

Practically all of our dealers cooperated with this policy and passed on the savings to their customers.

The objective of the price reductions was to make it possible for customers to buy our products, which they need so badly, at lower prices. Naturally, this purpose is defeated when our products are sold by anybody at inflated prices.

IH Production at All-Time Peak

Inflated prices are caused by the difference between supply and demand. To increase supply, we now have the greatest number of employes in history on our payrolls—almost 90,000 in the United States, as against about 60,000 prewar. Large new plants are getting into production in Louisville, Evansville, and Melrose Park. A fourth will soon be in operation in Memphis. The men and women now employed are turning out the greatest quantities of IH products of all kinds that we have ever made. These are also the finest products we have ever made, and recognition of that fact is an important contributing factor to the demand for them.

Distribution to Dealers

But even record-breaking production is not sufficient to give your dealer—and other IH dealers—enough products to meet today's demand. We have tried to make the fairest possible geographical allocation of our products so that every dealer would get a fair share, and we know that dealers, in most cases, have tried earnestly to make the fairest possible distribution to their customers.

But we also know that many of our products—far too many—are being resold at inflated prices. The public criticism and resentment of these resales are of real concern to us, as we know they must be to our dealers, because such reactions endanger the good will of both the dealer and the Company in any community.

Distribution to Customers

Experience shows that many IH new products are being resold by users who decide they can continue to make out with their old equipment after they have had an inflated offer for their new equipment. To eliminate this, many dealers are taking measures to be sure that equipment purchased is for their customers' own use and is not to be resold.

Nearly all IH dealers, we believe, are now using the basis of PRESENT NEED as their primary guide for the sale of scarce products. The customer whose need is real and urgent is not likely to resell.

What Price Should You Pay?

While it may take a little more time to get delivery, we urge our customers to consider all of the factors mentioned here, before paying more than the list price for any IH product. Any IH dealer or branch can furnish the suggested list price for any IH product.

We know that the overwhelming majority of IH dealers are as much opposed to inflated prices as we are. In the public interest, we have already asked their cooperation—and are now asking the cooperation of customers—in correcting this situation.

WORKLESS WASHDAYS

the automatic electric way

Just put in clothes and soap, set a dial and let your automatic washer do the rest!

YOU don't have to wet a hand in water . . . you don't work . . . you don't even have to be there . . . when an automatic electric washer takes over your laundry chores.

You simply put in your clothes, add soap and set a dial. All by itself the automatic washer washes clothes thoroughly, rinses them in clean water, spins them damp dry, cleans itself, empties itself and shuts itself off. You can be doing other things or away from the house enjoying yourself, while your clothes are washed sparkling clean *automatically*.

The automatic washer is truly a miracle of convenience that belongs in every home . . . and at today's low electric rates it costs only a few cents a week to operate. Ask your dealer for an automatic washer demonstration today!

44 ways To get "Something for Nothing"

The railroads have received 44 "rules" demands from the leaders of the operating unions . . . representing engineers, firemen, conductors, trainmen and switchmen. They say they are seeking only changes in working conditions—NOT a wage increase.

More Money For Less Work

But what kind of rules are being asked for? Twenty-eight of them would compel railroads to pay more money for the same, or less work; 7 would require additional and unnecessary men *to do the same work;* the rest would bring about changes in operating practices at increased cost.

For Instance:

The Union leaders demand additional train and engine crews on Diesel-powered trains—one full crew for every power unit of a locomotive. A freight train hauled by 2 4-unit Diesel would have to carry 4 engineers, 4 firemen, 4 conductors, and at least 8 brakemen, or a total of 20 men instead of 5.

"Made Work"—Sheer Waste

The Union leaders demand that full-length freight trains be cut to about half their length, even though such trains are most efficient for low-cost service to you. This rule would call for twice as many locomotives, would double the number of trains, and make accidents more likely.

Additional equipment, yards, and other facilities required to take care of these short trains would cost hundreds of millions. What the Union leaders *really* want is to make more jobs.

The Union leaders demand that when a crew in one class of service perform incidental service of another class, they will be paid not less than a day's pay for each class, even though all service is performed as a part of the same day's work. *The crew would get at least two days' pay for one day's work.*

The Union leaders demand that the present basic day for passenger conductors and trainmen be reduced from 150 to 100 miles, which would have the effect of increasing their pay 50%. Such a run often takes only two or three hours!

You Can't Afford This Waste

Demands like these are against the interests of the whole American people, who depend on railroad service for nearly everything they eat, wear and use.

These rules would cost A BILLION DOLLARS annually—a gigantic waste which neither the railroads nor the country can afford.

Railroad workers are good citizens and good employes, with pride in their calling. Their record during the war was outstanding. We do not believe they fully understand the "featherbed" rules which the Union leaders are demanding. We do not believe they understand the harmful results which these rules would have to the railroad industry, to the millions of men and women dependent on railroads for their livelihood, and to the shipping and consuming public.

The great strength of America is in *production*—an honest day's work for an honest day's pay.

For only through greater production can we hope to stop the steady upward surge of living costs.

Surely, if ever there was a time in our history when we needed to *work;* not *waste,* this is it.

SUMMER MEALS NEED PLANNING

Because families have the same nutrition needs, whether the temperature is hot or cold, housewives need to give meal planning at this time of year careful attention, said Dr. Statie Erikson, head of home economics at the UK College of Agriculture and Home Economics. She suggests that these points be kept in mind to stimulate jaded appetites.

1. Concentrate on simple meals, easily prepared, but include during the week as wide a variety as possible.The hot-weather menu should be as well balanced as that in mid-winter. Serve meats cooked simply but well. Include a hot dish at least twice a day, as too much cold food becomes uninteresting. Use as many raw vegetables in salads as possible. Use uncooked fruits for desserts in place of puddings, pies and cakes.

2. Provide the family with plenty of liquid to replace that lost in perspiration. Cold water, sparkling fruit juices and cold milk drinks are better for health and less costly than carbonated drinks.

3. Discourage both adults and children from piecing on sweets of various sorts between meals. Sweets not only destroy the appetite for wholesome food at mealtime, but they are the most serious cause of tooth decay. Although carbohydrates are needed to supply energy, it is better to get them from fruits and starchy vegetables and from cereal grains rather than from sweetened foods or beverages.

It is not too early for an expert politician to begin building his fences for 1948.

Mother nature gives the birds miscroscopic eyes to see tiny grain from a distance, and how she cares for us humans.

For instance, when we bruise our feet by wearing poorly constructed or ill fitted shoes. Nature sets up protective layers, corns, callouses and bunions, at the point where the attack is directed, and by means of pain telegraphs the brain that danger is at hand and how do we respond to nature's signal? Usually, by padding these protective layers or paring them This of course, does relieve the pain but does NOT remove the cause of the trouble. Corns, callouses and bunions are merely symptoms telling you there is something wrong inside your feet.

Permanent relief will be obtained when you relieve pressure on delicate nerves and tissue, when you straighten up weak, inrolling feet that throw the strain of weight bearing into the outer arch. So, if you would really get at the bottom of your foot ills, by all means, see our foot comfort specialist — they will make a scientific foot analysis of your foot. Then foot comfort is absolutely assured.—Adv.

SECRETARY OF STATE
Democratic Primary August 2, 1947

JOSEPH W. SCHNEIDER

Joseph W. Schneider, of Covington and Frankfort, for eight years Securities Commissioner of Kentucky, has announced his candidacy for State Treasurer

Schneider has been engaged in the Securities and Banking business for the past twenty years in Kentucky and submits his qualifications for the Office of State Treasurer to the Voters of Kentucky with complete confidence in their acceptance.

Schneider will be remembered as the World War II Veteran who was refused his position as Securities Commissioner by Governor Willis upon his return from the Service.

A native of Kenton County, Schneider is 38, married and has four children.

HELP BUILD
AMERICA'S AIR POWER
on AIR FORCE DAY, AUGUST 1ST

No one today questions the fact that the whole future of the United States may rest in the very clouds over your head. And the new, reorganized Air Forces give thousands of eligible young men an opportunity to take an active part in building America's air power . . . on the ground as well as in the sky.

You may, for example, enlist in the Air Forces for three years. If you have a specialty which will qualify you, you may also be able to enlist in a grade at higher pay.

If you have had Air Forces experience, you may join the Air Reserve and continue your military aviation training outside of business hours.

Or, you may join the Air National Guard and perhaps become eligible for advanced technical training at special Air National Guard schools.

On Air Force Day, make a point of finding out everything about your Air Forces — especially the new Aviation Career Plan described below. Full details can be obtained at your U. S. Army Recruiting Station.

NOW—THE WORLD'S GREATEST OPPORTUNITY FOR A CAREER IN AVIATION

Today the Army Air Forces offer high school graduates an unprecedented opportunity to get the finest aviation schooling on earth—*and select your school or course before you enlist.*

The AAF Career Plan is unlike anything ever offered before. It permits selected high school graduates to apply and qualify for AAF specialized courses of their own choice. Simply go to your U. S. Army Recruiting Station, advise the Recruiting Officer the kind of aviation training you want and he will provide you with an application blank and a complete list of available courses.

When you are selected to attend the course of your choice, you enlist in the Army Air Forces for 3, 4 or 5 years. After your basic training period you are guaranteed the education you have selected to make you a specialist in the type of work you want.

Get a list of all the schools and courses open to you under the AAF Aviation Career Plan at your U. S. Army Recruiting Station.

New Homemakers' Club Organized

A homemakers club was organized on Sanders Drive in Florence, Thursday, July 24th, according to Mary Frances Matheny, Assistant Home Demonstration Agent. Nine women interested in organizing a club on that street met at the home of Mrs. John Judge. These were Mrs. Les Holderback, Mrs. Effie Horton, Mrs. Erma Popham, Mrs. Bessie Lay, Mrs. Catherine Finke, Mrs. Bessie Campbell, Mrs. Edith Hale, Mrs. Klam and Mrs. Judge.

Officers elected were Mrs. Judge president; Mrs. Popham, vice president; Mrs. Campbell, secretary and treasurer. Mrs. Lay was appointed reading chairman and Mrs. Horton as program chairman.

Mrs. Finke will go to Covington in August to take the lesson style trends and will present it to her club in September. The next meeting will be held the first Thursday in September at the home of Mrs. Les Holderbach. It is an aim of the club to increase the membership by that date.

VOLUME 72 — BURLINGTON, KENTUCKY THURSDAY, AUGUST 7, 1947 — NUMBER 6

Boone County Fair Set For August 15-16

EXHIBITS PLANNED FOR ALL PROJECTS CARRIED BY 4-H AND UTOPIA CLUB MEMBERS—NEW BUILDING COMPLETED.

The fifteenth annual Boone 4-H and Utopia Fair will be held August 15-16, according to Bill Davis, County Agent. The fair will be open Friday, Friday night, Saturday and Saturday night.

The fair is one of the highlights of the county 4-H and Utopia program. Exhibits have been planned for all projects carried by 4-H and Utopia Club members and all are urged to exhibit. Classes include poultry, dairy, sheep, hogs, garden, tobacco, clothing, style revue, foods, canning, room improvement, 4-H community record books, hybrid corn, flower show, homemakers exhibits, hobby show, fruit, field crops, team pulling contest and horse and pony show.

A new floral hall has been constructed for displays of home economic exhibits, garden and fruit.

Cattle will be housed in the old floral hall and sheep and hogs will be in pens outside.

All entries must be made by 12:00 noon Friday, August 15 except entries in team pulling contest, draft horses, horse and pony shows. Entries in these classes may be entered the day of exhibits. Feed for livestock must be furnished by the exhibitor.

Premiums have been raised on many classes and new rings have been added to cattle and horse shows. Guernsey breeders will sponsor a guernsey show for the first time this year. Classes have been added to the Home Economics exhibits. A hobby show will be displayed in Floral Hall.

Entertainment will include many special events for everyone. There will be an Old Fiddlin' Contest on Friday evening.

Novelties, sandwiches, soft drinks, ice cream and ice balls will be sold by Utopia club members. Rides for all will be on hand and concessions for your entertainment.

The complete premium list appears on pages two and five of this issue.

LEAGUE LEADERS AGAIN VICTORS

DEFEATING BURLINGTON 5-0—BULLITTSVILLE, EAST BEND ARE WINNERS—SAND RUN HAS 13 CONSECUTIVE VICTORIES.

Sand Run visited Burlington Saturday and went home victorious in a 5-0 contest. Bud Goodridge, one of the best hurlers in the county, proved to be too much for the Burlington squad as he held them to but two safe hits. Goodridge fanned 17 and didn't allow but two men to advance to third base.

The Sand Run infield of Johnson, Shaaker, Mahorney and Stephens played errorless ball behind Goodridge and Buck Judy turned in his usual excellent job of receiving. Jimmy Smith went to the mound for Burlington and relinkuished 10 safeties, Blaaker collecting two and Kilgore two. Carl Griesser was behind the bat for the losers.

Sand Run has won 13 straight games and manager Franklin Ryle is becoming very confident of the championship.

Manager Garnett, of Bullittsville claims a 9-0 win over Florence in a forfeit game. The forfeit is unofficial at this writing as there has been no decision from the League President. Petersburg and Verona games were rained out.

East Bend came out on top in a 12-6 slugfest with Bullittsburg. All reports are that the game was bitterly contested all the way. Johnny Woods was the winning pitcher with Henry Black behind the bat. The win was Woods' fifth against one defeat. Pepper and Hodges pitched for Bullittsburg. Woods and Dick Gaines poled out home runs.

Sand Run has score 153 runs to lead in that department, followed by Bullittsville with 112. Burlington has held its opponents to 54 and Sand Run 59.

THOMAS ASEERE, PURCHASES DIXIE BARGAIN HOUSE

Thomas Aseere, formerly employed by the United States Government recently purchased the Dixie Bargain House, 221 Pike Street, Covington. The store was purchased from Mr. and Mrs. John Burr, who are preparing to go to California to reside, on account of Mr. Burr's health.

There has been a furniture store at this location for more than 40 years, but its greatest success was under the able management of the Burrs, who operated it for about 11 years. They also own Burr's Furniture and Appliances, at the Suspension Bridge, Covington.

Mr. Aseere, who will be capably assisted by Mrs. Aseere, is renovating the store, which offers a line of new and used furniture.

FLORENCE P.-T. A.

The Florence P.-T. A. will have an all-day meeting at the home of Mrs. Lillian Schram, Thursday, August 14. Everyone bring a covered dish.

BURLINGTON VISITOR

Dr. Raymond B. Fine

Dr. Raymond B. Fine, accompanied by a member of his staff, was a recent visitor in Burlington.

Dr. Fine, who is a veteran of World War II, is an associate of The Frank Riggs Optical Co., which has been located at Pike and Russell, Covington, for many years.

The company, headed by Dr. Fine, has a staff of seven opticians, which enables it to give out-of-town patients one-day service, including examination of the eyes in the morning and glasses ready by evening. No appointment is necessary. All glasses are ground in the company's modernly equipped shop.

J. Kirtley Roberts

J. Kirtley Roberts, resident of Walton, passed away Wednesday in Brooksville hospital, Brooksville, Ind., where he had been a patient for about 30 days.

Funeral services were conducted from the Chambers and Grubbs funeral home, Walton, Friday at 2:30 p. m. with burial in Walton Cemetery. Rev. R. F. Demoisey officiated at the services.

Mr. Roberts is survived by one daughter, Mrs. Morris Arnold, Cincinnati, Ohio and 1 son Clayton Roberts, of Louisville.

Edward Everett Cason

Funeral services for Edward Everett Cason, retired Burlington farmer, were conducted from the Chambers and Grubbs funeral home, Florence, Tuesday at 2 p. m. with burial in Burlington Cemetery.

Mr. Cason died in St. Elizabeth Hospital early Sunday, following a short illness.

He is survived by one sister, Mrs. Martha Jones, Burlington, Ky.; 3 nephews, Ralph, Carl, and Thomas Jones; six nieces, Mrs. May Sandford, Miss Anna Cason, Mrs. Arnold Phipps, Mrs. Richard Marshall, Mrs. Linnie Young, Mrs. Bessie Stephens, all of Boone County.

Mrs. Rose Munker

Requiem High Mass was sung at 11 a. m. Saturday at St. Henry's Church for Mrs. Rose Munker, following prayer at 10:30 a. m. at the Taliaferro funeral home, Erlanger. Burial was in Mother of God Cemetery.

Mrs. Munker, who was 61, died Wednesday at St. Elizabeth Hospital. She lived at 804 Dixie Highway, Erlanger.

Mrs. Ida May Summers

Funeral services for Mrs. Ida May Summers, native of Florence, who died last week at the home of a nephew in Aurora, Ind., were held at 2 p. m. Thursday in Hopeful Lutheran Church.

The Taliaferro funeral home, Erlanger was in charge of funeral arrangements.

Real Estate Transfers

The heirs of the late Mrs. T. G. Willis sold their farm of 196 acres just off Highway 20, near Idlewild, to S. W. Willoughby. The improvements consist of a large 10-room frame house, 2 barns and other buildings and had been in the Willis family 68 years.

S. W. Willoughby sold 40 acres and improvements on Camp Ernst road to Frank A. Thaman, of Crescent Springs.

W. Earl Sullivan sold his 131-acre farm on Middle Creek near Belleview, including live stock, farm tools and growing crops of tobacco and corn, to Robert Adams, of Burlington.

Possession of these farms will be given within 30 days.

These sales were made through the A. B. Renaker Agency the past week.

VACATION GUESTS

Miss Juliette Smith, of Thomasville, Ga., and Miss Virginia Varne, of Tallahassee, Florida, have been the guests of Leland and David Clore, of Belleview the past two weeks.

CIRCUIT COURT TO CONVENE MONDAY

NUMBER OF CRIMINAL AND CIVIL CASES ARE ON DOCKET —LENGTH OF SESSION IS UNDETERMINED.

Boone Circuit Court will convene Monday, August 11, with Judge Ward Yager presiding and Comonwealth Attorney Raymond L. Vincent as prosecutor.

There are several criminal and civil cases on the docket, but dates for hearing will not be determined until after court convenes, it was announced this week.

The length of the session is undetermined. However, if all cases on the docket are heard, the term is expected to be longer than usual.

Jurors have been summoned and will appear at 9:00 a. m. Monday morning for duty.

St. Paul's Church Will Sponsor Picnic

The members of St. Paul's Church, Florence, will sponsor their annual picnic Saturday, Aug. 9th. The event will feature a delicious chicken dinner, for which the ladies of the parish are acclaimed real culinary artists. Serving dinner will be from 4:30 to 8:00 p. m.

Throughout the evening varied attractions will be provided to entertain the patrons. All are cordially invited to attend.

Mr. and Mrs. R. A. Hodder, Jr., and Mr. and Mrs. Frank Maurer called on Mr. and Mrs. William Stock, of Cincinnati, Saturday evening.

Shots Fired At Intruder

Grover Setters, of near Burlington fired two charges from a shotgun at intruders attempting to enter his house one night last week.

Mr. Setters stated he was awakened by someone at the door, and obtaining his shotgun he made a slight noise frightened the intruders who ran from the house, he fired two shots at the men, but the range was too distant to be effective.

PEDIGREE OF GUERNSEY SIRE

GIVEN BY COUNTY AGENT BILL DAVIS — SHOWS ABUNDANCE OF HIGH PRODUCING FEMALES ON TOP SIDE.

Byrn Du Maxim's Topper 381-133 is one of the Guernsey sires being used by the KABA. He is a two year old and is of course not proved but his pedigree shows the best in Quail Roost breeding, and the producing ability of the dams side leaves little to be desired.

His sire, Bryn Du Maxim's Damon, is a double grandson of High Point Prince Maxim. He has four junior 2-year-old daughters on the test. Records on these daughters are incomplete but will be completed and show promises of being outstanding records.

"Topper's" dam, Midview's Majesty Tulip has a record of 12,832 lbs. milk and 637 lbs. fat (365d-3x).

His grandsire in the top side is Quail Roost Maxim King 215828 who has 39 A. R. daughters and 22 P. R. sons.

The daughters include: Quail Roost Queen Geneva, 20,993 lbs. milk, 653 lbs. fat (365d-3x); Quail Roost Queen Hilda 9,970 lbs. milk, 579 lbs. fat (365-d-3x; and Quail Roost Queen Blossom, 11,284 lbs. milk, 594 lbs. fat (365-3x).

The granddam on the top side is Quail Roost Maxim Donna, 16,863 lbs. milk, 944 lbs. fat (355d-3x). She is the dam of several high priced animals in the Quail Roost sales.

"Topper's" grandsire on the bottom side is Bournedale Golden Majesty with 14 A R daughters and 7 P. R. sons. One of his daughters is Bournesdale Golden Bunnie with 16,009 lbs. milk and 856 lbs. fat (365d-3x.)

Midview's Topsy, the granddam on the bottom side, boasts 14,147 lbs. milk and 763 lbs. fat. She has two high record daughters producing 768 and 636 lbs. fat.

While this young sire has not been proved his pedigree shows an abundance of high producing females and the Quail Roost blood on the top side should be an asset in any herd.

Important Band Practice Monday Night, August 11th

The final rehearsal before the 4-H Fair will be held Monday night, August 11 at 8 p. m. at Burlington school.

Practice was called off this week because of the extreme heat. Mr. Bloss stated that he was sorry that a few people could not be reached to inform them of the cancellation.

The band will play both days at the the fair, according to Mr. Bloss. The time will be announced in the Recorder next week.

Farm Bureau Meeting Will Be Held August 7

The Boone County Farm Bureau will hold its regular meeting at 8:00 p. m. in the County Agent's office on Thursday, August 7th.

Several important items will be discussed and all directors are urged to attend.

Carlsbad Hotel, Dry Ridge Open For Business

This famous mineral water was discovered by accident about 40 years ago A Creamery Company was drilling for fresh water and after drilling over 1100 feet, were greatly disappointed by the peculiar tasting water which they discovered. It destroyed the machinery and was unfit for the manufacture of butter. Employees kept tasting and finally cultivated a desire for this water. The more they drank the better they felt. Then the people of the surrounding community started carrying the water to their homes and were amazed with the results of drinking this water.

J. B. Sanders, of Dry Ridge, Kentucky, a far sighted merchant and leader of the community, saw the results and had the water analyzed. To his great amazement and surprise the water contained over a dozen rare and valuable minerals that are essential and important to the human body.

Then he conceived the idea of starting a health resort and built and operated for many years the world's famous Kentucky Carlsbad Hotel, which was a great success. Later it was sold to a corporation and operated until completely destroyed by fire.

The new hotel owned by R. L. Taylor of Dry Ridge, Kentucky is erected on the old site and is modern in all respects. The completion was delayed because of the recent war.

ANNUAL PICNIC

Norman-Barnes Post No. 70, American Legion, Covington, will hold its annual picnic Sunday, August 10, at the C. A. C. Chateau, west Elm Street, Ludlow, Ky.

The picnic will be held "rain or shine." Games, refreshments, bingo and prizes will be included in the day's fun for the whole family. The public is invited.

BOONE COUNTY VETS WIN 8-7

IN FIRST GAME OF ELIMINATION SERIES—WALTON AND ALL-STARS SUFFER DEFEAT SUNDAY.

The Boone County VFW baseball team won their first game in elimination play Sunday, over the Fats Cafe nine by a score of 9-7.

The locals, trailing by the score of 6-2, until the seventh inning came from behind by scoring five runs in this stanza to take the lead on singles by MacArthur and Miller, a double by "Sox" Benson, a homer with two on by A. Clore, an error, and a base on balls. The lead was short lived however, as the losers came back to knot the score in the ninth on a home run. The winners scored the two winning runs in the ninth on a single by "Sox" Benson, his third hit, and a home run by V. Bowman over the centerfield fence, his second extra base hit of the day. It was Reibling and Gulley on the mound for the locals with the latter being the winner, while Uriage and Demetre served them up for the loser with the latter being charged with the defeat.

The Northern Kentucky Merchants, winners over Walton, will meet the Vets Sunday at Florence at 3:00 p. m. This should be a good game and everyone is invited to attend.

Walton Merchants, tied for top position in the regular season standing were handed a surprise Sunday by the Northern Kentucky Merchants, who emerged on the long end of a 4-3 count.

Walton scored three runs in the first inning. Herschell, taking the mound at this time held the Walton boys scoreless the remainder of the game. Elmo Steffen started for Walton and was relieved in the seventh by Afterkirk, who was charged with the defeat. The deciding run was scored in the tenth inning.

Boone County All-Stars suffered defeat Sunday at the hands of Huck Cafe in the first game of the elimination series. The final count was Hucks 3, All-Stars 2. Theiss and Davenport were on the hill for the winners, while Deck served them up for the losers.

WOOL CLIP TO BE SOLD SOON

ACCORDING TO SALES COMMITTEE—SUPPORT PRICE EXPECTED TO BE PASSED IN NEAR FUTURE.

The Boone County wool clip will be sold as soon as the support price of wool has been established, according to the sales committee.

The bill supporting the price of wool has passed the senate and is now waiting the President's signature to become a law. President Truman has indicated that he will sign the bill. Buyers will notify the sales committee as soon as they receive contracts from the Commodity Credit Corporation.

The committee regrets the delay in selling, but it is felt the additional price received under the support price bill, will compensate growers for their inconvenience.

Mr. and Mrs. H. R. Forkner and family, of Versailles, were calling on friends here Saturday evening.

Purity of Heart and Life

LESSON TEXT FOR AUGUST 29—Proverbs 2:1-6, 10-17; 4:14-17; 5:1-4; 31:10-12; James 1:13-15.

MEMORY SELECTION—Keep thy heart with all diligence; for out of it are the issues of life.—Prov. 4:23.

EDITOR'S NOTE: Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

By WILLIAM CULBERTSON, D. D.
Of The Moody Bible Institute, Chicago.

IT IS well for us to face squarely such a topic as the one assigned. It is particularly necessary to review the biblical standards with regard to holiness of life, since the day in which we live is one of lowered conceptions.

You will probably remember the story of the celebrated artist who was renowned because of his ability to put on canvas colors of accurate hue and great beauty. His secret was that he kept a number of valuable gems of all colors. He would turn frequently from his painting to study the color of these gems.

We need to spend time with the precious gems of the Word of God that we may clearly understand how he would have us live.

I. True Wisdom Involves the Fear of Jehovah (Prov. 2:1-5).

IN THE opening chapters of Proverbs, Wisdom is personified. Anyone who believes in Jesus Christ cannot help understanding something of his relationship to wisdom. In him "are hid all the treasures of wisdom and knowledge" (Col. 2:3). To those of us who trust him, he has been made unto us wisdom (I Cor. 1:30).

In this passage in Proverbs the point is that if we observe his commandments, if we incline our ears unto wisdom, if we apply our hearts to understanding, if we long for discernment, as earnestly as we would seek for silver and hidden treasures, we shall understand the fear of the Lord and find the knowledge of God.

God will meet every individual who really wants to know him. Said our Lord, "If any man willeth to do his will, he shall know . . ." (John 7:17).

II. True Wisdom Involves Holiness of Life (Prov. 2:10-17; 4:14-17; 5:1-4).

TO truly know God is, of course, **to be spared the heartache which results from being deceived by sin and Satan. When wisdom enters the heart, the result is discretion and understanding (Prov. 2:10, 11). Thus God delivers us from the way of evil and from men that speak evil things (v. 12).**

Attention should be given to the description of these evil men in verses 12-15: they speak perverse things; they forsake the paths of uprightness; they walk in the ways of darkness; they rejoice to do evil; they delight in the perverseness of evil; their paths are crooked and wayward.

Deliverance from the strange woman is likewise vouchsafed, as we have true wisdom. The description of these women is informative—flattering, forgetful of both friends and God; their lips drop honey, their mouths are smoother than oil.

Notice the conclusion of the matter: In the end they are bitter as wormwood, sharp as a two-edged sword, their feet go down to death, and their steps take hold on Sheol.

How much we need God's wisdom in this world. It is easy to be deceived.

III. True Wisdom Means Peace at the End (Prov. 4:18-27).

TO walk with God, **to walk in wisdom, is indeed as the dawning light, shining more and more unto the perfect day. If there were no other reward for living for God (and there are many, many others), the benediction at eventide would be enough to cause us to think seriously before we flout the ways of God.**

IV. A Representative of True Wisdom (Prov. 31:10-12).

THIS passage describes the wise woman. She is indeed to be extolled. The worthy woman, the woman who loves God, the woman who is therefore wise, is in price far above rubies.

V. Sin's History (James 1:13-15).

THE wise man, the man who will be pure in heart and life, ought to understand something of the history of sin in his individual life.

Temptation here refers undoubtedly to a solicitation to evil. God does make trial of men (Gen. 22:1), but he does not dangle before them that which is evil in itself.

The history of personal evil is, that because of our lust we are enticed. Thus when lust has conceived (that is to say, we have succumbed to the enticement), sin is born, and sin, when it is finished—but it is never finished; it goes on and on; no power on earth can arrest it — bringeth forth death.

IN LOVING MEMORY

Of C. W. Craig, who passed away August 9, 1945.
Two years full of sorrow, lonely and blue,
Life is so empty Pop dear, without you.
Wherever we go, whatever we do,
Locked in our hearts are treasured memories of you.
When you breathed your last farewell
The shock was more than words can tell,
This world is quite a different place
Without the sweet mile of your dear face.
Sadly missed by wife, children and grandchildren. 1t-p

HERB STRASSER
OWNER

L. R. BARLOW, Clerk

Since V-J Day—

Over $3,250,000 FOR EXPANSION AND IMPROVEMENTS

—but our job is still far from complete!

POWER output of this company during the first six months of 1947 was running 8% above the wartime peak and 87% above the highest pre-war output.

To supply this unprecedented demand and at the same time catch up on maintenance postponed during the war has been a tremendous undertaking. Since V-J Day, this company has

- Extended service to 5,214 new customers
- Built 575 miles of new transmission and distribution lines
- Used over 1,000,000 pounds of copper and aluminum conductor
- Spent over $2,250,000 for expansion and improvements

Impressive as these accomplishments are, our job is still far from complete. Numerous projects for expansion and improvement of service are being held up by lack of materials ordered many months ago, but still undelivered.

As a result, parts of our systems in some localities may be overloaded and our service not up to the standard we would like to maintain. But please rest assured that these conditions are being remedied as rapidly as bottlenecks can be eliminated.

Like other industries, we're exerting every effort to meet present unprecedented demands and build ahead for the future.

Chairman of Committee—Thomas Stewart

Utopia club members represent our young rural leaders of today. They are young men and women 19 years of age or older, interested in Agricultural and Home Economics improvement. They are pioneers in Boone County's hybrid seed corn breeding work and other important projects. The Utopia club enrolls 40 members, holds regular monthly meetings, conducts demonstrations in improved practices and promotes a program for a more full and wholesome rural life. The club invites all older youth interested in their program to attend the meetings and become members.

Is Revision By Amendment Likely?

It is significant that the handful of elder statesmen opposing a constitutional convention make a [illegible] amendment. It is significant because these same men, to the best of our recollection, have in the past opposed every effort to a mend.

We shan't trace today the long and tedious road of revision through amendment; it is enough to say it would take years and years, necessitate many campaigns and probably result in a patchwork document still not adequate to our needs.

The point we set out to make is that those few elder statesmen who shout, "Let's amend!" now that the question of a convention impends, are the same ones who said, "Let's not amend!" when amendments were up. They can fool some of the people some of the time, we reckon. What we know very well is that neither a convention nor an amendent would suit them at any time.—A. B. Guthrie, Jr.

Bill of Rights For Labor

Commenting on the Taft-Hartley labor bill, Representative Ralph W. Gwinn said: "The framers of this bill of rights for labor believe that when union men take their own unions and manage them for themselves without fear of management or labor bosses, industrial peace will come. That is the hope in the return of freedom under this bill."

That is a sound statement—and a sound definition of the purposes of the bill. It precisely stipulates that union members have the right to know how much money their union has and what it is used for. They have the right to choose their union officers by secret ballot in free elections. They have the right to select as their bargaining agent the union they want—not the union that is forced on them. They have the right to a fair hearing, before an impartial board, whenever they may believe that either the employed or the union is discriminating against them.

The bill does not deprive labor of any right which is consistent with American principles and the public welfare. It does, on the other hand, reaffirm that the individual worker has basic and vitally important right of which he cannot be deprived by either union or industry. It is aimed straight at the union racketeer boss—and at the exploiting employer as well.

The measure is in the interest of the rank and file—of the millions of men and women who make up America's working force. It may not be perfect. It may need early revision in some particulars. But it is based upon the sound principle that free labor must be safeguarded—and that the intolerable abuses of power of some labor leaders, no less than of some employers, must be stopped.

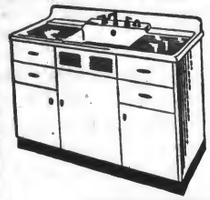
Higher Prices



According to reports, the cost of living reached its postwar peak last March. However, consumers feel that this peak was merely on paper, as prices continue to soar daily. Widescale price breaks which some forecast for this summer have definitely failed to materialize.

Prices are high because the productivity of labor per man is low—because many kinds of goods are still in short supply—because industry's operating costs have gone up all along the line—and because many government policies feed inflation. Prices will remain high so long as this is true.

Industry—both manufacturing and retailing—knows that prices within the means of the masses of the people are essential to its own welfare and existence. But it can't reduce prices until its cost are reduced.

We wonder how long the American people will be able to continue to exist under the continuous price increases.

FARM SURVEY SHOWS "SUCCESS FACTORS"

The annual report of the Kentucky Agricultural Experiment Station contains a review of "success factors" or practices that made for good financial returns on 106 outstanding farms.

Crop yields were high—corn, 60 bushels to the acre; alfalfa, four tons, and tobacco, 2,000 pounds. Mixed pastures carried an animal to the acre. Certified seeds were planted, cover crops turned under and manure and fertilizers applied.

A large proportion of the farms had gross incomes of $100 or more per tillable acre. Tobacco sold for 40 to 50 cents a pound and amounted to half of the total income.

Most of the 106 farms had tractors and other power equipment, which reduced the cost of production, especially on the larger farms. Farms with high production, 150 to 300 tillable acres, and year-round employment for three to five men, generally made the most money, although some owners of small acreages did well.

The report concludes:

"The outstanding success of these 106 farms illustrates the results obtainable by adapting up-to-date scientific information on farm practices to the various tried-and proved principles of good farm management. These include efficient use of farm labor and machinery, a good balance among the various high-return farm enterprises, a farm business of adequate size, and high production per acre of crops and per head of livestock."

CANNED FOODS NEED COOL, DRY STORAGE

Because canned food should be stored in a cool, dry place, it is not safe to leave it in basements or cellars which have water standing in them most of the time, warns Miss Florence Imlay of the UK College of Agriculture and Home Economics. To move canned food, grasp the jar rather than the top. To do the latter might result in breaking the seal, thus causing the food to spoil.

Ninety-four farmers in Greenup county attended a meeting on methods of supplying runner water to the farm and home.

We have no objection to the effort to improve the human race, but the process seems to be slow-at-work.

The man who is always on time wastes a lot of time.

Veterans Taking Advantage Of On-Farm Training

The number of World War II veterans taking on-farm training and related classroom instruction in Kentucky has soared from 1,600 to 9,500 during the past 12-month period, the Veterans Administration Regional Office here reported today.

Both totals include veterans training under the G. I. Bill for the non-disabled and the Vocational Rehabilitation Act for the disabled.

Related classroom instruction now is offered at 380 Kentucky schools. A year ago 75 schools were participating in the program.

The veteran's farm is considered his laboratory where he puts into practice the knowledge he learns at the nearby agricultural vocational school. All of the veteran's farm operations are supervised. His classroom instructor visits him regularly to check on his practical farm work.

The program is designed principally for veterans who own or operate farms or who plan to do so. However, it also provides training for those who desire to obtain jobs as hired managers or skilled workers.

VA officials said additional instructors have been employed and are being trained to care for the increased number of veterans who are expected to be enrolled this fall.

THE GARDEN

Saving White Potatoes

By John S. Gardner, Kentucky College of Agriculture and Home Economics

The early potatoes are made and the question as to how to save them arises. Customarily, many are left were they grew, to be dug at frost time and buried in outside pits or taken to the basement, but this year's season may call for a change of custom.

Over most of Kentucky it has been rainy, and the potatoes grew rapidly, some times too much so, making them contain more water than usual and extraordinarily fragile. This is true, particularly where water stood on low spots in the garden.

While potatoes were growing, they adapted themselves to some extent by enlarging their breathing pores, these showing as white raised "pimples" on the skin. But after the tops die, and if the rains continue, "pimply" potatoes may rot.

Ordinarily, one could wait 10 days for the skins to toughen, but not now; the potatoes should be dug. Being tender, they should not be thrown into a container, but laid. If the garden is wet and the potatoes are muddy, they should be left so, as washing or rubbing may break the skins and start rotting. They should not be left lying in the sun, as they may start heating and rot.

They should be gathered in boxes or baskets, not in sacks where they rub against one another. If the containers are open-slatted apple baskets, orange boxes or onion crates, so much the better, as they provide ventilation to dry the mud.

Now, where to store them? A house basement is best. Set on the floor, the boxes should be raised with bricks or blocks to provide air-space under them. As moist air rises, the mud will dry. The basement should be kept pitch-dark so the tubers do not become green.

Lacking a basement, but if the house stands on posts, the boxes may be set under the house where it is cool and there is a flow of air to dry the mud. The boxes should have lar space under them and be securly covered with sacks or carpet to keep out all light. An airy barn entry or a cool barn stall may be used, the same precautions taken.

Should the rains slacken, and if "pimples" occur only here and the potatoes may be left in the ground, with these safeguards provided. Between the rows a furrow should be plowed, throwing earth to dry the mud. The boxes should have air space under them and be level below the tubers; the extra earth covering will shield them from sun-heat, should August and September be hot.

Business Tells a Story

Time was when it was fashionable for everyone to talk about big business and count over the gross and net sins of corporations. Of course, there were mighty good stories even then about our steadily rising standards of living. But the busybodies didn't bother with those success stories, big or little.

I have said that America is now beginning to assume her task in public relations, that of selling her ways and her freedoms and her institutions to people everywhere. I should like to say that some of our groups and institutions have special responsibilities in this job. I think that labor does, as well as business. The task is important to agriculture, to tradesmen, to education, to the professions, and to civic minded folks in every walk. Certainly, labor and industry are each so important in our economic system, that they must be interested in re-awakening the people to an appreciation of America.

A Report to Workers

I should like to tell you about a company that is doing its part, thereby shouldering its responsibility for this kind of public re-education. Somebody sent me a copy of a report this company makes to its employees. The report answers questions employees want to know. The answers are frank, fair, and simply stated. There is no doubt the report has made its readers better informed Americans. It did so to me.

It takes $7,507 worth of capital to give a person a job in this company. Naturally, there would be no jobs for their 3,951 people if it were not for this $29,660,626. Shareholders who put up this money out of what they earn and save, hope to get "a fair rental" for their money. These folks, the report tells us, are capitalists—"and so are you!" Because we own our possessions, we are "capitalists" and this is a "capitalist" country.

Why Make a Profit?

"We have a 'capitalist' industry in the United States because millions . . . use part of their 'capital' to own and operate the most productive farms, stores, mines, and factories on this earth. And that is the reason why we, as a people, have the highest standard of living of any nation in the world. No other system in any country, at any time, by any other means has ever produced so much for so many at such little cost as our 'capitalist' business does in America."

The company says frankly that it made money in 1946—about seven and one-half cents on every dollar's worth of products sold. While this record is termed a narrow margin that calls for economy all along the line, the report makes it plain that the company expects to keep on making money. All this, midst healthy competitors that cause them to keep putting out better products for less money. Tribute is paid to the keen competition they meet as an effective price regulator.

"A company that can't make money is like a ship that can't float. Neither is safe for you and your family. A company may lose money for a short time, just as a ship may spring a leak and take in water for a short time, but if the losses and the leak can't be stopped soon, the ship sinks and the company goes out of business. Passengers on the ship that sinks and employees of the company that fails are victims of disaster."

HOMEMAKERS' TOUR

The Florence Homemakers, members of other clubs and a number of friends departed from Florence on July 22 in a Dixie Traction bus under the very capable operation of W. T. McClure.

They first visited the old and new Capitol buildings at Frankfort, after which they rambled on to Bardstown to visit the famous Old Kentucky Home and the beautiful St. Joseph's Cathedral.

At the noon hour they partook of a sumptuous dinner at the famous Talbot Tavern in Bardstown. The menu consisted of grapefruit juice cocktail, fried chicken, baked country ham, buttered peas, mashed potatoes, gravy, salad, hot corn sticks, rolls and ice cream. The dinner was very delicious and was served in the colonial dining room. The doors to this old stone inn have never been closed since the first paying guest rode his way to its open door one hundred and sixty-seven years ago. Much of the early history of Kentucky originated in this inn, as Andrew Jackson, Henry Clay, Wm. Henry Harrison and many other notables used the tavern as a stopping place when they were helping to shape the destiny of this "dark and bloody ground" which is now our beloved state of Kentucky. In one large room on the second of the tavern are beautiful paintings on the walls, done by Prince Louis Philippe of France and his companions while in exile in this country about 1880.

The Old Kentucky home is also a place of historical interest. It was here that Stephens Collins Foster was inspired to write the song "My Old Kentucky Home" and others. They returned via Louisville and arrived at Florence at a late hour, having spent a most enjoyable day.

Those who participated in the tour were Miss Jane Scott, Mesdames Thyra Hoell, Lillian Schram, Helen Orchelle, Louella Houston, Lois Dinn, Ruby Perkins, Nora Stamper Beech and daughter Wanda, Frakes, W. H. Jones, Clyde Arnold, Marie Kabman, England, Cody, Helen Byrnes, Ideria Bethel, Riehl, Becky Reed, Vivian Grossman, Albrta Basse, Helen Hammersmith, H. F. Wesler her daughter and children, Deubell, Gertrude Shelton, Leona Myers, Jane Stephens, Mary Bustetter, Geo. Kottmyer, Thomas Kenyon, Henry Kottmyer and Lena Fritz of Constance; Carrie Rouse and Gardt, of Walton; B. M. Stephens and Myrtle Piper, of Gunpowder; Mattie Jones, of Union; Blaine Fulton, C. Cazel and Mulrony, of Erlanger.

The Homemakers group of Florence desire to extend to Mrs. Leona Myers a vote of thanks for her excellent management of the tour.

MAYS ENTERTAIN

Mr. and Mrs. Leroy May entertained Sunday, August 3 for their little daughter, Shirley Ann, it being her first birthday.

Those present to enjoy the occasion were Mr. and Mrs. Roy May and niece Carolyn Roland, of Petersburg; Mr. and Mrs. Ira Kittle, of Idlewild; Mr. and Mrs. Wesley Moore and family of North Bend, Ohio; Mr. and Mrs. Harold Kittle and son Edward Lee, Miss Mabel Kittle and Vernon Kittle, of Lawrenceburg, Indiana, Mr. and Mrs. Manley Kittle and sons Wayne and Allan.

All enjoyed the day and left wishing Shirley Ann many more happy birthdays.

COLLEGE PUTS OUT CANNING BULLETIN

Every housewife who plans to put up fruits and vegetables this year will want a copy of the new circular, No. 440, "How to Can Fruits and Vegetables." Prepared by Miss Florence Imlay and Mrs. Pearl J. Haak, canning experts at the UK College of Agriculture and Home Economics, it contains the new time tables for processing foods, developed by Washington home economists after three years of research. Although the processing time of some vegetables has been shortened, that of lima beans beets and kernel corn has been increased. Copies of the bulletin may be had without charge from offices of home demonstration or county agents, or from the college, Lexington.

Nineteen 4-H club boys and girls in Graves county have formed a Jersey Calf Club for the purpose of promoting interest in better Jerseys.

GOOD STATE FAIR BEING PLANNED BY STATE BOARD

Louisville, Ky., June 27—Carrying the theme of returning the Kentucky State Fair to the people, Capt. J. R. Rash, Henderson, president of the Kentucky State Fair Board, states that plans are under way to build a good State Fair this year. Emphasis is being placed on good exhibits and good treatment of exhibitors and patrons.

Operating under the 1946 Reorganization [illegible] continuity of management free from political interference, the management expects to have a large number of county exhibits which emphasize the agricultural, industrial and natural resources of Kentucky counties, a good showing of Kentucky livestock and a quality Horse Show.

Advisory meetings are being held which include Horse Show people, livestock exhibitors and representatives of such organizations as the Kentucky Purebred Livestock Association, Louisville Area Development Association and the Kentucky Farm Bureau Federation.

J. O. Matlick, Jeffersontown, has been appointed general manager of the Fair and Thomas L. Clore, Eminence, manager of the Horse Show. Other directors are: Governor Simeon Willis; Orie Cook, Georgetown; Scoggin Jones, Buechel; C. L. Miller, Shelbyville; Dr. W. G. MacGregor, Louisville; F. W. Curran, Louisville; Dean Thomas P. Cooper, Lexington; and Elliott Robertson, Commissioner of Agriculture, Frankfort.

AG. COLLEGE TO HAVE STATE FAIR EXHIBIT

The University of Kentucky College of Agriculture and Home Economics will have its customary farm progress exhibits at the Kentucky State Fair Sept. 8-13.

Housed in the Grandstand Building, the college's show will include a host of labor-saving devices, many of which can be made on the farm. Another large section will show the activities of 4-H club work, including exhibits of foods, clothing and room furnishings. The work of homemakers clubs also will be featured.

Other parts of the college's exhibits will concern the production of hays, grasses and other crops farm management, insect control, gardening, poultry raising, dairying, tobacco and other major farm enterprises.

Leading fruit growers in Boone, Kenton and Campbell counties have planned a cooperative program for the control of insects.
